HON. DALE SEGREST
Conference Lay Leader

BISHOP J. LLOYD KNOX
Presiding Bishop

**PASTORAL LETTER
FOR FIRST DAY OF ALABAMA-WEST FLORIDA CONFERENCE**

Welcome to the 1987 session of the great Alabama-West Florida Conference! This should be a time of information, fellowship, and inspiration.

Bishop Joel D. McDavid, a great Alabamian, will be our conference preacher. Bishop Carl J. Sanders, our beloved bishop emeritus, will preach the ordination sermon, and our own Dr. Robert Wingard will lead us each morning in Bible study.

Don't miss a moment of the conference. Yes, we must care for the business of the Church, but we come for inspiration and for the sharing of our journey with Christian brothers and sisters — friends from the past, and *future*.

There is a natural increase of interest in a year in which we elect delegates to the 1988 General and Jurisdictional Conferences. This will certainly keep the business parts of our conference lively. Please vote for those you consider best qualified, and remember that we are an inclusive Church with competent ethnic minority and women leaders.

The 1986-87 Conference year has been a good one. We have cause to celebrate. Our Conference has grown, our giving to missions is good, Blue Lake is expanding, new churches are flourishing, and, best of all, God blesses us with love, warmth, and the Presence of the Holy Spirit.

Yours in Christ,
James Lloyd Knox

Division III — The Chronological Roll

PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval.

Symbols used *before* each name denote the category of conference relationship and the numbers indicate place in the chronological (or other) order. Hence R-1 means the first place in the Retired category. AM—Associate Member; FC—Effective Members (Full Connection); FT—Full Time; LP—Local Pastor; PM—Probationary Member; PT—Part Time; R—Retired; S—Supply; SLP—Student Local Pastor; AFM—Affiliate Member; HM—Honorary Member; OM—Member, Other Conference, ROM—Retired Member, Other Conference.

The symbols used *after* the name are as follows: D—When Ordained Deacon; E—When Ordained Elder; A—When Admitted on Trial or as a Probationer; FC—When Admitted into Full Membership; T—When Transferred into this Conference; LP—When Approved as a Lay Pastor or Approved Pastor; AM—When Approved as an Associate Member; and PT—Part Time Minister (one who has other employment).
*—No Record of Attendance at Annual Conference.

NOTE—Beginning in 1983, the service years listed with each person are "years under appointment" until retirement, *NOT* years of pension credit. If you need information about pension credit, please contact the Conference Council Staff member assigned to the Board of Pensions.

Division IV — Standing Rules

INTRODUCTION

“The Annual Conference for its own government may adopt rules and regulations not in conflict with the *Discipline of The United Methodist Church*, provided that in exercise of its powers each Annual Conference shall act in all respects in harmony with the policy of The United Methodist Church with respect to elimination of discrimination on the basis of race.” (Par. 703.1)

1. Matters relating to these rules:

(a) These rules shall be effective after passage until they are rescinded or amended by a two-thirds vote of those present and voting on the next day after the amendment has been presented in writing.

(b) Any of these rules, except Rule 1(c) may be suspended by a two-thirds vote of those present and voting.

(c) A change in the number of districts may not be made later than the first morning business session.

OFFICERS OF THE ANNUAL CONFERENCE

2. The conference secretary, the assistant secretary for the Journal, the statistician, and the treasurer shall be elected at the first session of the Annual Conference following the General Conference, with tenure of office to begin on December first, following their election, and to serve for the succeeding quadrennium. (Par. 702.6 and 715.1)

COMMITTEES RELATING TO THE ANNUAL CONFERENCE SESSION

3. There shall be a Committee on Standing Rules, composed of the Conference Secretary, Director of Conference Council on Ministries and five other members, nominated by the Committee on Nominations and elected by the Conference. Other nominations may be made from the floor.

4. There shall be a Committee on Resolutions and Petitions, composed of four ministers and four laypersons, nominated by the Committee on Nominations, which shall consider all petitions addressed to the General, Jurisdictional and Annual Conferences, and the committee after consideration shall submit them to the Annual Conference, with the committee's recommendation, for action by the conference. Resolutions shall be submitted to the committee thirty days prior to Annual Conference, except in cases where it can be demonstrated by the author of a late petition that the situation that gave rise to making the petition was not apparent until after the deadline for petitions. Reports Of Boards And Agencies

BOARD OF ORDAINED MINISTRY

Report No. 1

The Board of Ordained Ministry continues to work closely with the District committees in working with candidates for various levels of ministry. The Registrars for the Conference Section and the Local Pastor Section keep accurate records on the fulfillment of the responsibilities of each candidate. This past year the members of the Board of Ordained Ministry became more intentional concerning their availability to give advice and counsel to persons in helping them make progress toward their goals in ministry.

At the Annual Conference of 1986, the Continuing Education Panel of the Alabama-West Florida Board of Ordained Ministry presented a revised booklet of Continuing Education Guidelines. An introduction to the recently formed Depository of Continuing Education at Huntingdon College was included. Although the panel was to supervise, to initiate and to implement the continuing education program of the Conference by providing forms, funds for events and scholarships, publicity and records concerning such endeavors, it became apparent that a continued growth in requests would make the task impossible under the present structure. Therefore, the Depository was established to receive and authorize CEU requests as well as record them for the Cabinet, the Alabama-West Florida Board of Ordained Ministry and the ministers themselves. Ministers seeking information concerning Continuing Education should contact the BOM Depository of Continuing Education, c/o Mrs. Ellen Bullard, Director, Huntingdon College, 1500 E. Fairview Avenue, Montgomery, Alabama 36194-6201.

At the request of the Bishop and Cabinet, the Board of Ordained Ministry is cooperating in the establishment of the Alabama-West Florida Teaching Parish Program. This will afford seminary students who are also serving as student pastors in this conference to meet with peers and a supervising pastor, to reflect upon their experiences in ministry, learn from those experiences, and to support one another. Modeled after the successful program in the North Georgia Conference, participants will be able to receive seminary credit through the Candler School of Theology.

During 1986 the Board has been working on the process for implementation of a psychological testing program for persons going through the Candidacy program. This has been a need recognized by the Board and Cabinet for quite some time. Many Conferences have already adopted a program designed and tested by the Board of Higher Education and Ministry in Nashville. On November 10 the Board held a training session for supervising ministers to explain the new testing procedures. Beginning in 1987 all new Candidates will be given a battery of psychological tests and a personal interview by an outside Consultant in order to help the Candidates and the district committee determine areas of strengths and weaknesses. We believe that this testing program will help the Conference and its future ministers to better prepare themselves for the stresses and demands on our profession.

We urge churches to pay the full apportioned amount of Ministerial Education Fund. This money is used for both ordained and diaconal ministers. This fund is vital in helping persons who will be serving in our Conference in the future. We covet the prayers of the people of this Annual Conference in fulfilling our responsibilities.

John Ed Mathison, Chairman

Fred Fuller, Chairperson

BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry completes its eleventh year and continues to be responsible for the diaconal ministers and those who have professional certification within the bounds of the Alabama-West Florida Conference. This year there are 23 diaconal ministers, 16 certified Christian educators, and 9 certified church musicians for which our board is responsible. In addition, we are working with 9 candidates for consecration as diaconal ministers and 10 candidates for certification. We are also working with over 10 persons who have expressed interest in consecration or certification, but who have not yet entered the candidacy program.

The Mentor Program for Diaconal Ministers continues to go well. This particular program is utilizing five diaconal ministers within the Alabama-West Florida Conference to serve as mentors to guide all candidates through the process of consecration. Within the next Conference Year, the board hopes to have a conference wide training event to train additional personnel to be mentors to lighten the load on the existing five mentors.

Another exciting program is the development of courses for those in the process of certification. Mary Ellen Bullard has done an excellent job coordinating with Scarritt College to bring these graduate level courses to Huntingdon. The courses are much more affordable than if the participant had to travel an extensive distance for the same course work. All the courses that were offered had excellent participation.

Every two years the Board of Ordained Ministry and Board of Diaconal Ministry co-sponsor a Multi-Staff Seminar for existing staffs. This seminar was held at Blue Lake on February 23 and 24, 1987. Dr. Joe Harding, from the Board of Discipleship, was our resource person and led us through an excellent training event.

The board also encourages everyone to read the guidelines as proposed for diaconal ministers in the *Discipline*, especially paragraph 315, which reads "The employing agency in which a full-time diaconal minister is serving shall provide:

1. Adequate salary, pension benefits, with an opportunity to participate in the United Methodist pension and benefits funds, health care insurance, and continuing education. It is expected that these will be guided by the Annual Conference standards for ordained elders.
2. Social Security benefits as required by federal legislation."

You are reminded that the 1984 Session of Annual Conference adopted the following guidelines:

1. **SALARY:** To provide a starting salary for diaconal ministers that is no less than the minimum financial compensation of ordained elders (base salary, plus travel, utilities and housing).
2. **HEALTH CARE:** To provide a health care insurance plan for diaconal ministers equivalent to the conference health insurance plan.
3. **PENSION BENEFITS:** To provide a pension plan for diaconal ministers equivalent to the Cumulative Pension and Benefit Fund, a reserve plan for United Methodist lay employees.
4. **CONTINUING EDUCATION:** The employing agency shall provide annually adequate time and financial support for continuing education. It is also urged that the employing agency provide adequate sick leave and vacation time.

The board joins the Conference Board of Pensions to encourage all churches to provide pension benefits for all diaconal ministers and lay employees in the Cumulative Pension and Benefit Fund.

Rudy Heintzelman, Chairperson

BOARD OF LAITY

During the 1986-1987 Conference Year, the Board of Laity continued to progress in its ministry. The Board met on a regular basis with excellent attendance. The Board took the opportunity in October to conduct an extensive meeting and discuss at length its plans and aspirations. Plans included the establishment of an active Laity Council in each of the nine Districts. It is suggested that the membership include but not be limited to all district-wide officers in each District, together with such other membership which may be needed in order to serve the ministry of the laity in the District. Strong district organization is essential to the line of communication for effective lay ministry. The Board proposed that after the publication of the Brochure of Reports and before the Annual Conference, that a District Caucus be held in each District for the purpose of orientation of lay delegates to Annual Conference. The meeting would include a discussion of any complex or controversial issues to be presented at the Annual Conference. Specific legislation to achieve this end is being proposed through appropriate channels.

The Board also proposed certain changes in the membership of the Board of Laity in order to more closely align the Board with the suggestions and requirements of *The Discipline*, as well as to more effectively organize the total lay ministry of the Annual Conference. The Board recognizes a need for a greater inclusiveness among its membership including ethnic minority representation and representation of women and requests that attention be given to these needs by persons in charge of selecting the membership of the Board. The Board is concerned with the proliferation of programs and activities in the Conference and feels that it would be better to do a lesser number of things well than to have a greater number of activities. The Board has also made an intentional effort to establish a closer working relationship with the Board of Evangelism and the Commission on Stewardship in order to assist in ministry in these two important areas.

The Conference Lay Leader has continued to speak extensively throughout the Conference and to make himself available for training events and other district meetings. The Conference Lay Leader attended each of the nine District Conferences and Mission Rallies. The Conference Lay Leader also attended meetings of the Southeastern Jurisdiction Association of Conference Lay Leaders and the National Association of Conference Lay Leaders.

UNITED METHODIST WOMEN

The 14th Annual Day of the United Methodist Women organization convened on October 5, 1986, in the gymnasium, Blue Lake Assembly Grounds, with the theme "Into The Future By Faith." The speaker for the day, Mrs. Carolyn Marshall, president of the Women's Division, Vice President of the General Board of Global Ministries and President of the United Methodist Women, encouraged the body to venture with enthusiasm, zeal, and confidence into the future. Of the 11,562 membership, 464 members attended the meeting, 180 spending the night for the Friday night program.

The business conducted at the conference meeting was: (1) Electing a new president, Ann Dalton, (2) pledging \$150,756.08 to undesignated giving, (3) presenting a gift of \$2,800.00 to missions, honoring the outgoing president, Eloise H. McGucken, for her service to the organization, (4) presenting twenty-three certificates to local units who had completed three mission studies in 1986, (5) recognizing three new units and recognizing units with an increase in membership, (6) electing ten conference officers and three committee on nominations members. The love offering was \$982.88 and was given to the Nellie Burge Community Center in Montgomery, Alabama, a conference advance special. To implement the purpose of the organization "To know God" the conference organization held a conference-wide Spiritual Enrichment Retreat under the leadership of Dr. Claude and Connie Whitehead. Using the

theme "Realizing the Reality of Wholeness" two hundred members experienced growth in love, fellowship, and wholeness. Throughout the conference the nine districts held "Day Apart" meetings and overnight retreats to deepen their commitments to God and their fellow man.

To experience freedom as whole persons the members continued to participate in the Reading program, the Bishop's Peace Initiative programs, Peace with Justice programs, and the Hunger programs.

To expand concepts in mission continues to be dominant in trying to fulfill the Purpose of the United Methodist Women. The conference had sixty-nine members to attend the National Assembly held in Anaheim, California, in April. Peggy Rhodes was awarded a scholarship from the conference United Methodist Women and Judy Parker was awarded a scholarship from the Jurisdiction United Methodist Women to the Assembly.

The conference organization participated in the Conference Cooperative School of Christian Mission with leadership, attendance, and financial support. Juanita Hester was dean and Rev. Dr. Syd Lock was associate dean of the school. The theme was "God's Creation-Human Responsibility." The studies were: "Technology in Tension with Human Values" taught by Mary Grace Lyman from the Women's Division; "Crossroads In Southeast Asia" taught by Dr. Edwin Shields and resource person Mrs. Edna Mae Shields, former missionaries to Nepal; "Suffering and the Christian Community of Faith" taught by Rev. Dr. Robert E. Fannin, District Superintendent, Miami Area, Florida Conference. A seminar was held on "Updating Mission Understanding: Focus on China" coordinated by Ruth Phillips, former missionary to China. Twenty-six ministers received Continuing Education Credit certificates.

Twenty-two members of the Conference Executive Committee attended the Quadrennial Design Financial Workshop held at Blue Lake by the Women's Division under the leadership of Sandy Wilder, Wiladene Hooper, and Carolyn Hopkins from the Board of Global Ministries, Women's Division.

Two district's mission teams attended the "Share the Vision-Say Yes" workshops sponsored by the Women's Division. One hundred-seven conference and district officers attended the Conference Leadership Development Workshop held at Blue Lake.

Fifteen conference officers attended the South Atlantic Regional School of Christian Mission at Jackson, Tennessee. One officer was certified to teach in conference schools. Three newly elected officers attended New Officer's Training Event in New York, New York under the auspices of the Women's Division.

The Conference sold the Mt. Vernon property in the Mobile District for \$15,000.00 — net value \$13,754.90. The money has been placed in savings and the interest from the sum will go to the mission projects of United Methodist Women in the Alabama-West Florida Conference.

Through the many aspects of the organization the members expressed their purpose with their varied interests, talents, and giving \$247,626.36 to missions, locally, nationally and globally. As a conference organization the membership endeavored to be "the Christ" within our midst serving to fulfill the purpose of the organization which is: "THE ORGANIZED UNIT OF UNITED METHODIST WOMEN SHALL BE A COMMUNITY OF WOMEN WHOSE PURPOSE IS TO KNOW GOD AND TO EXPERIENCE FREEDOM AS WHOLE PERSONS THROUGH JESUS CHRIST: TO DEVELOP A CREATIVE, SUPPORTIVE FELLOWSHIP: AND TO EXPAND CONCEPTS OF MISSION THROUGH PARTICIPATION IN THE GLOBAL MINISTRIES OF THE CHURCH."

Ann Dalton, President

UNITED METHODIST MEN

The United Methodist Men of the Alabama-West Florida Conference has had a very good year in that we have organized the Conference UMM Volunteers in Mission, with priority placed on small and ethnic minority churches. All brochures, applications for work needed to be done, and applications for talents as to where you would like to serve and work are now ready on request.

The UMM retreat was a great success even though our numbers were under by 1% over last year. The spirit was outstanding and our Bishop was our speaker. Mr. Harold Butts led us in our devotion. The Conference UMM presented Bishop Knox with a life member-

ship for his outstanding leadership in our conference and for the great support of UMM's effort to move forward in a positive way in the work of the Kingdom.

Chartering in UMM fellowships is up by 10% with 139 active and nine inactive clubs. Let's move forward in our work of UMM. We are in the middle standings nationwide in the 28th spot. We should at least be in the top ten. We would be No. 2 in the nation with only a 10% or more growth.

The nine districts each have made positive commitments to take two cottages at Blue Lake and bring them up to standard condition and to keep them that way over the years to come. We are also removing and rebuilding all the piers at the lake.

Thanks to all who worked so hard to make all of this happen.
May all our work be to the Glory of God!

Joe R. Garriss, Sr., Conference President

BOARD OF TRUSTEES OF THE ANNUAL CONFERENCE

June 1, 1986 to May 31, 1987

The Board of Trustees of the Alabama-West Florida Conference of The United Methodist Church holds title to the following bequests:

Norris Allen Fund	\$44,000
Hattie B. Norred Fund.....	25,000
C.B. Gilmore Fund	20,000
Mary Lloyd Reynolds Fund (3/6/87)	36,354

The first three of the above funds are invested with the Board of Missions of the Alabama-West Florida Conference. The income from these is used for scholarships by the Board of Ordained Ministry for students preparing for Christian ministry or other full time church related vocations in keeping with the wishes of the donors.

The fourth fund is a gift from the estate of the late Mrs. Mary Lloyd Reynolds of Brantley, Alabama. The interest derived from the corpus is to be used for National and World Mission projects. It is invested in a certificate of deposit in The Commercial Bank of Andalusia.

The Trustees also hold title to the following real property:

1. Conference Headquarters Building, Andalusia, Alabama
2. The following staff parsonages in Andalusia:
1202 Valley View Drive
1403 Prestwood Bridge Road
100 Redbud Drive
3. The Wesley Foundation Building, Auburn, Alabama
4. The Wesley Foundation Parsonage in Auburn.

The Trustees maintain and insure all property to which they hold title. During the year all our property was brought under the new United Methodist Insurance plan. Maintenance and repairs to the headquarters building and staff homes came to \$11,101.84. A complete detail of expenditures is part of this report.

A new roof was added to the Auburn Wesley Foundation building which is part of the renovation program begun in 1986. Architectural work has been done and final decisions as of this date in regard to the plans for further renovation are yet to be made. Action by the Annual Conference at its last session in 1986, gave permission for the Trustees to borrow up to \$300,000 for this project. However, the need is anticipated to be approximately \$266,000. Work will begin when the plans are approved and all disciplinary requirements are met for said loan.

We encourage local churches to be aware of the New United Methodist Insurance program. Information on this insurance plan of the Church can be had at the Conference fiscal office.

Funds for the work of amortizing indebtedness and maintaining our property come from the Maintenance and Amortization Fund. It is incumbent upon our local churches to provide funds for the proper maintenance and development of our property and full payment of each asking is essential to this process. We are grateful for the response of our people to these needs which makes possible the proper maintenance of our property.

Merrill Shirley, President
Norman S. Carr, Secretary

COUNCIL ON MINISTRIES

Report No. 1

The Conference Council on Ministries, with its dedicated and hard working CCOM staff and its innovative and creative boards and agencies, has done an extraordinary job, helping local churches be in ministry in the Alabama-West Florida Conference. Out-of-the-ordinary accomplishments and practical, local church assistance have come about in areas of programming, leadership training, and opportunities for service, even though some of our boards and agencies have had limited funding and the CCOM staff people have been placed, and are now living under, severe budget restrictions. (A summary of our dire program and CCOM budget crisis was lifted before churches of the Alabama-West Florida Conference in an article, appearing in *The Connectional Link* in its Spring, 1987, issue and was primarily attributed to receipts from local churches being less than 79% of the total World Service and Conference Benevolence apportionment.)

The goals for 1987-1988, adopted by the Annual Conference and the Conference Council on Ministries, as developed by the Committee on Research and Planning continue to be the all-encompassing goals for ministry. As you will recall, the 1987 theme is "A Ministry of Education and Outreach" and the 1988 theme is "A Ministry of Spiritual Development and Missional Concerns," under the quadrennial emphasis of "Third Century Visions — Faith In Our Future."

From the specific program goals suggested under these themes, the Conference Council on Ministries, with its various boards and agencies as the implementors and developers has proposed, developed, and set forth the following major projects and events:

1. In 1987-1988, a major, conference-wide Christian educational emphasis, entitled, "Sunday School Explosion," will be placed in the forefront of our concern. Beginning on September 1, 1987, and concluding on August 31, 1988, the effort will attempt to promote growth and enable more effectiveness where there are Sunday Schools already established and will offer invaluable assistance in establishing Sunday Schools where

they are needed, but are not presently in existence, thereby involving almost all the churches of the annual conference. It should be a great, unified effort.

2. Then the first steps have been taken to link the entire conference in a Computer Management Program, which will facilitate communications, make information more accessible and, ultimately, systematize and simplify the reporting of local churches. This past year a sub-committee of CCOM was appointed, under the leadership of Dr. Marvin Grunzke of Montgomery, and charged with the responsibility of helping to develop such a Computer Management Program. A comprehensive study was made and the initial proposal was that District Superintendents' offices and the Office of the Bishop be linked together in a network with Conference Headquarters. As a result of a proposal from this sub-committee and a request from the Cabinet, in its March, 1987, meeting, the Conference Council on Finance and Administration approved the purchase of a set of UMIS (United Methodist Information System) software (D.S. version) for each district superintendent whose district would approve the purchase of the computer hardware, compatible to the usage of this software, available from Cokesbury. The Computer Management Program Sub-Committee also encouraged local churches to consider purchasing the same kind of UMIS software and hardware compatible to it, so that, in the years to come, the entire conference could participate in a voluntary computer linkage, if desired.
3. One of the glaring weak spots in our conference program, which has been a concern of CCOM, has been in the area of Christian stewardship. Now, under the guidance of our new Conference Commission on Stewardship, with the Reverend Terrence Hayes and the Reverend Gene Williams providing leadership and the Conference Board of Laity, under Judge Dale Segrest, offering wisdom and encouragement, a vital program of Christian stewardship is being developed. In the near future, districts and local churches will be hearing of proposed early 1988 sub-district (or cluster group), stewardship training meetings for local church leaders, which will provide training for an Every Member Visitation program in each local church. This visitation will not go into each church residence to ask for money, but will be designed to probe the individual Christian's understanding of the church and his/her responsibilities toward that divinely established institution. Such an effort, we believe, will initiate an on-going stewardship emphasis throughout our conference which will help in developing dedicated United Methodist Christian disciples far beyond the 1985-1988 quadrennium.
4. An intense effort in the field of Personal Visitation Evangelism will be the prime program of the Conference Board of Evangelism, during this next conference year, with a pilot experience in the Dothan District in November of 1987 and extending to all other districts during 1988. This, certainly, is an emphasis that has been a need in our conference for some years now and will experience a warm reception, we are sure.
5. During the last year, our Conference United Methodist Men have set the stage and laid the groundwork for actively involving all our United Methodist Men in a "volunteers in mission" program, designed to both help small membership churches realize the fulfillment of building facility needs and to provide spiritual growth and inspiration in the process. During the year 1988 and afterward, we are certain that this project will be gaining attention, interest and momentum throughout the districts of our annual conference.
6. Also at work during the past few years, has been a Conference Structure Study Committee which is due to present a first draft of its proposals and recommendations for a new conference organizational structure to the Fall, 1987, meeting of the Conference Council on Ministries. Dr. Warren J. Hartman, Executive Director, Research Department of the General Board of Discipleship, has been invited by the committee and has agreed to aid the group as a consultant in this project. The present time-line is for the final recommendations to be presented to the Spring, 1988, meeting of the Conference Council on Ministries and for the consideration of the annual conference in its May, 1988, session.

These are but a few of the unique and inspiring things that are taking place as a result of the initiative and development efforts of the boards and agencies that make up the Conference Council on Ministries of the Alabama-West Florida Conference. Indeed, there

are many other new and exciting ministries that are taking place in our conference under the auspices of other boards and agencies and we wish we could spotlight them all; however, space and time will not permit.

Let us summarize by simply saying, "We are most thankful for what the God as expressed in Jesus Christ is doing in our midst."

Report No. 2

Guidelines For Expenditures:

CCOM 1987 Budget and Future Fiscal Policies

A. In order to responsibly deal with the deficit financing now being experienced in the Conference Council on Ministries account, Number 2300, (viz. a \$23,000 plus deficit as of January 31, 1987, the following steps are proposed:

1. The Conference Council on Ministries' Committee on Budget and Coordinating is requested to consider the following resolution to be presented for possible approval by the Conference Council on Ministries and then forwarded to Bishop J. Lloyd Knox: "The Budget and Coordinating Committee of the Conference Council on Ministries requests Bishop J. Lloyd Knox, to appoint a Special Task Force, which would include the Conference Treasurer, the District Superintendents and the Conference Council Director, to plan and implement a program entitled — 'Alabama-West Florida Conference — 100% WSCB,' which would promote, inform and encourage local churches in the conference to pay 100% of their World Service and Conference Benevolence apportionment and to publicly recognize by appropriate means those who do."

Until further notice, the following guidelines shall be observed by all members of the Conference Council on Ministries program and support staff:

2. A system of purchase orders will be initiated in relation to the CCOM account Number 2300. Purchase orders must first be made out and approved by the CCOM Director (signature) or the Conference Treasurer, in his absence, before an item chargeable to the CCOM account is made. Only those purchases with such prior purchase order approval will be honored by the Conference Treasurer.
3. Funds for Continuing Education events attended by the CCOM program staff are hereby suspended. (\$400.00 per staff member per year). Staff persons wanting to attend Continuing Education events for personal enrichment or to fulfill Conference C.E.U. unit requirements must pay for such events out of personal resources.
4. Even though the staff has stayed well within the travel budget, there shall be a restriction placed upon the program staff so that each staff member is limited to no more than two out-of-town trips to one destination, per week, including staff trips within the conference to either conference, district or local events. Meetings or events held either at Conference Headquarters or at Blue Lake Assembly Grounds shall not be considered out-of-town trips. Trips made to one destination, where two or more meetings or gatherings are held in one or more United Methodist Church(es) shall be considered as only one trip. All events which are financed by the CCOM account Number 2300 are included in this restriction. Events which are covered completely by other agencies or local churches are not under this restriction.
5. A limit of one trip every six months to either Southeastern Jurisdictional or General Church events is hereby placed upon each program staff person. This applies to events charged to CCOM Number 2300 only.
6. Only those calls which can be charged to another conference board or agency other than the Conference Council on Ministries shall be made without the CCOM Director's approval and, in order to get all spending in hand, these calls should be limited to 5 minutes or less. The practice of communicating more through the U.S. Postal Service is hereby encouraged (i.e., send a letter instead of a phone call when a letter will suffice).
7. In order to maintain our system of accounting, properly signed check orders, invoices or statements shall be placed in the hands of the Conference Treasurer, indicating

the account to which said expenditures shall be charged. Only those invoices or charges which have such verification will be honored by the treasurer. All other expenditures will be the responsibility of the person incurring them.

8. The practice of charging items out to boards and agencies, where possible, is further emphasized and should be continued.
9. There shall be no special mass mailings to all pastors and churches which are charged solely to the CCOM account. All such special mailings must be charged to individual boards and agencies. The expense of quarterly coordinated mailings shall be shared by all the boards and agencies which have items included in given mailing. Insofar as possible, regular mailings shall also be charged out to boards and agencies.
10. Insofar as possible, on overnight trips within the conference, the CCOM staff will arrange to stay with relatives or friends to curtail use of motels.

B: Concept of Budgeting Responsibilities —

The CCOM Budget and Coordinating Committee should enlarge its vision of responsibility from one of merely looking at costs and avoiding program duplication to one that includes the evaluation of programming submitted by the various boards and agencies:

This would include the following:

1. Though CCOM Budget and Coordinating cannot arbitrarily make a binding decision as to whether or not a specific event can or cannot be included in a conference board or agency's program, it can deduct the event cost from budget costs submitted by the board or agency and can suggest that a said board or agency reconsider holding the event. In such cases, the Budget and Coordinating Committee shall list its reasons for such budget cuts and reconsideration of requests. If the board or agency disagrees with the decision of the Budget and Coordinating Committee, it has the right to appeal to the full Conference Council on Ministries and the Conference Council on Finance and Administration.
2. Specific programs shall be listed by each program board or agency with projected costs and no funding shall be granted when such specific programs and costs are omitted.
3. The Budget and Coordinating Committee shall suggest to boards and agencies the termination of specific programs or events where it is determined that said program or event has outlived its usefulness. Such determination of usefulness shall be arrived at through program survey questionnaires sent out periodically by the CCOM program staff.

BOARD OF MISSIONS

Report No. 1

The Conference Board of Missions has had a good year this year with its efforts to help local churches. While we have not done well in our giving to World Service and Conference Benevolences (less than 80% of asking) we have done very well in Advance Special giving. Our conference stands second in the Jurisdiction in per capita giving, led only by the Red Bird Missionary Conference, and third in the percentage of churches participating in the Advance.

Our Fall Mission Rallies this year were well attended, with outstanding messages given by Dr. Billy Frank Hall, and Rev. R.L. (Ted) Hoagland. The offerings from these rallies supported the Southern District of the Mexican Methodist Church around Oaxaca. In 1987, the Fall Mission Rallies will be between October 18-27, and the support will go to Liberia. The speaker for all of the rallies will be Bishop Arthur F. Kulah. Once again, districts will be selecting projects for support in their own districts.

Our Committee on Church Extension has administered Funds I and II of the Capital Development Fund Campaign for New Church Growth and Revitalization. Grants are already being made to districts and local churches with these funds.

The Committee on Urban Work held a Church Revitalization Workshop on Saturday, March 21, 1987, at Blue Lake. A report of this will be given at Annual Conference.

Finally, I give thanks to God for his gracious love shared through Jesus Christ. May our mission effort always seek to keep him high, and show his love to the world.

Dr. J.S. Lock, President
Board of Missions

THE CHILDREN'S RESOURCE CENTER OF NORTHWEST FLORIDA, INC. — Report No. 2

CHILDREN'S RESOURCE CENTER continues to move forward! We are a non-profit facility that offers yearly, a therapeutic educational program for children and youth with special needs. We are an Advance Special of the Alabama-West Florida Conference. You receive Conference Credit when you give to this program. The response of the individual Churches within our Conference has been outstanding.

Over the years, Children's Resource Center has grown into an outstanding facility offering special children and youth a year-round total program. We offer our students the benefit of a team of Special Educators, Speech Therapists, a Physical Therapist and a Certified Clinical Psychologist all under one roof. Special supportive therapies are offered families, students and other related services needed to secure the family unit. Our goal for the children who attend our Center is for each child to achieve his or her unique potential by utilizing our special facility. We take each child where he or she is functioning and move them forward through education, remediation therapy, positive motivation and love to a point where they are ready to leave us and make their way in a regular school program or a regular home environment.

Tuition is based on a sliding scale according to a family's income. No child is refused admission because of his family's inability to pay for services rendered due to low or poverty level income. Extended care includes specialized care for children and youth, involving extended care on a daily basis, therapies and daily use of the agency's treatment center.

Our enrollment continues to increase and our waiting list continues to grow. Our goal and plans to increase our facility and to expand our services is moving forward. We have received the McDonald Grant this year and a continued Grant from Kugelman Foundation of Pensacola, Florida. Community and area support of this program has been outstanding.

Dr. Syd Lock, Chairperson of the Conference Board of Missions, has given us outstanding leadership, direction and support and greatly aided us in securing needed help. Many thanks also, goes to all groups of the United Methodist Board that we have met with, such as the New Ministry Search and the Board of Missions. They have greatly aided us in our continued growth and development. We have requested National Advance Special Status in addition to the Alabama-West Florida Advance Special status that we presently have. We would like to also single out a few people for special recognition and appreciation. They are Dr. Henry Roberts, Dr. Syd Lock, Dr. John Dickinson, Jr. and Mr. Bill Roy, who have given their time, energy and talents far beyond the call of duty in support of this program.

My husband and I have traveled extensively in the Alabama-West Florida Conference areas. To date, we have visited and spoken at 60 of the Churches in this Conference. We are available as guest speakers as needed. The response of the individual Churches within the Conference in supporting this program through scholarship funding, gifts and assistance, has been outstanding. Give your people an opportunity to find out what their contribution to Mission through the Church has accomplished at Children's Resource Center.

With the rising costs of land and construction, the help of every Church in our Conference is greatly needed. All lives are touched through the needs of our children, for they are our leaders of tomorrow. Being a Christian calls for continuing commitment. The challenge is ever before us!

We have reached maximum enrollment in our present building. There has been an increase in child abuse victims who need the special services of the Center and we must continue to meet these needs. We are, therefore, in the process of developing the needed expansion plans. We continue to need your help! Please support us with your prayers, service and giving to this Special Ministry to God's special children.

The children and their families and the entire staff of Children's Resource Center express

grateful appreciation to all of you who have helped make possible the programs and services of Children's Resource Center.

Dottie E. Sarver, Deaconess
Executive Director of C.R.C.

NOAH'S ARK — Report No. 3

Noah's Ark had a most successful year's ministry in 1986. Our musical summer witness ministry and our increased retreat participation forced us to put "Sorry — full house" signs on our doors repeatedly during the summer. Our Snowbird ministry was retained at a high level of participation with approximately 600 members enrolled in the "Snowbird Club." Our chapel continues to be filled to capacity during the winter months for Sunday worship.

There was an income increase which enabled us to pay \$5,000.00 on an outstanding loan, prepay \$4,700.00 principal on the house we purchased, purchase a much needed copier for the office, purchase a pay telephone, and replace the air conditioning in the retreat house.

At the present time discussions are underway with the Bishop and Cabinet concerning an effort to begin a year-round congregation as a part of this ministry. If these discussions prove fruitful, it will be necessary to add another minister to the staff.

The much needed expansion of our auditorium with additional living quarters above, must await the accumulation of more funds. Noah's Ark has always been totally debt free on the facilities, with the exception of the purchase of the retreat house. It is hoped the Conference will now find a way to help us with our much needed building program so that we may remain debt free. Thus, this ministry continues to be in great need for funds if it is to be sustained and to progress.

The United Methodist Women continue to promote and support Noah's Ark as one of their mission projects, for which we are truly thankful.

More and better promotion of Noah's Ark as a beach retreat for our Conference is much needed. The churches need to be better informed if they are to take advantage of the facilities which are provided for their use and participation. Ministers of the Conference, the Conference Council and the Conference Staff are called upon and urged to promote Noah's Ark as a Conference program.

NELLIE BURGE COMMUNITY CENTER — Report No. 4

Nellie Burge is truly blessed! We have weathered the economic crisis and while not yet in a safe harbor, we are sailing in less tremulous waters. Now in our eighty-third year of providing human services in a caring, loving, non-judgmental attitude, we feel the strength from the many prayers and loving thoughts extended to us by our churches within the Conference along with the many recipients of our services. Our call for economic assistance during the recent Federal cutbacks; termination of human services; reduction in services; rumors and more rumors of further economic depression was uplifting. During a time when budgets extend into the billions, we at Nellie Burge do wonders with a dollar. The care and concern for our financial situation is evidenced in the manner by which our staff carefully handles the supplies, practices energy conservation, and explores new innovations for our programs without adding significantly to the Center expenditures.

The staff at Nellie Burge has now expanded to sixteen, which includes two males. Our employees exhibit an attitude of dedication, care and concern for our clients. Last spring, it came to our attention that many of our working mothers were having problems with leaving their school age children at home during the summer months. Solutions were few and inadequate for both them and their children who were left home alone with an older sibling or on the street.

We decided to offer an A.M. Summer Daycare Program for school age children of working parents. From breakfast at eight in the morning until noon, these children were involved in instructional programs which combined remedial reading, math tutoring, games and social interaction. After a well balanced lunch, these children moved into the Summer Program and joined the other participants for an afternoon of summer planned activities. The response to their new service was both gratifying and successful enough to be considered again this summer.

All of the other programs are doing quite well. The day care attendance is operating

either at full or nearly full enrollment daily. The GED classroom presently has two volunteers (one from a local Methodist Church and the other from the Community Council of United Way) to tutor our adult students once a week. Students also are instructed in various aspects of sewing and a well rounded home economics program.

Nellie Burge has been selected as a Field Placement Site for the local colleges and universities in the Montgomery area. The GED students, daycare and after school children, along with our staff, enjoy the presentations nursing students from both Troy State and Auburn University provide. Field training is extended to Social Work, Education, Counseling and Human Service placement students.

And we continue to be grateful for use of the former church across the street. It is continuing to provide much needed space for ongoing programs and special programs geared at providing community services to West Montgomery. The newly established church is moving along, providing spiritual solace and guidance to those in attendance.

Meanwhile, our Federal Nutrition Program continues to grow. The rumors are to expect deep cuts in this program. Thus far, none of these proposals have come about and we are praying that they remain just rumors.

As we have been a beacon of light and hope for our brethren these past eighty-three years, we look forward to meeting the challenges life hands us and to optimistically overcome them and continue to show love and care and concern for all people.

DUMAS WESLEY COMMUNITY CENTER — Report No. 5

The field of social services and the institutions that deliver them have not had an infusion of new monies in many years. In fact, it has been a real and sometime losing struggle just to stay even. I call this matter to your attention for two reasons. First, the agencies that have survived and maintained credibility with their constituents have been blessed with aggressive, concerned and committed Boards of Directors who have gone the second mile to see that essential services be rendered. We, the Dumas Wesley Community Center, are fortunate in having such a Board and their energy. As the director of the agency, I often get credit for accomplishments that belong completely to the efforts of the Board of Directors.

Secondly, the lack of new monies comes at a time when there are more legitimate needs, not less, as a declining support system would indicate. We have had more inquiries concerning direct material assistance (help with utility bills, rent, food, and medical assistance) in the past year than ever before. Our societal priorities must change to recognize that we continue to have large groups of people living without the minimum essentials to provide a meaningful existence. I feel that the moral fiber of our culture is directly related to how well we care for the individual in our midst. Of course this philosophy calls for special care for the poor and the very poor. The old cliché that says "while one in our society hurts, we all hurt" remains true as a more equitable, just society is sought.

This center, while in tune with the issues of the day, is limited in the kind of responses that we can make to our area of service. These limitations for the most part are related to our financial support base. We, Board and staff, are exploring new avenues of support. We hope to announce within the next few months how we can all be involved in correcting the financial dilemma that confronts us. Some of the solutions are short term but other ideas would carry us into the next century.

The center is an exciting place to be involved. Come to see us.

TASK FORCE ON WORLD HUNGER — Report No. 6

The Task Force on World Hunger has not met since November 2, 1986, which was World Hunger Sunday, but the chairman has evaluated the reports from the conference treasurer's office for November and December. It appears from these reports that about ten (10) percent of our churches observed World Hunger Sunday and remitted the offering received.

Material for this special was distributed. Offering envelopes were sent to district meetings in most cases and were to have been picked up by the pastor or a layperson. Unhappily some were not picked up, but attempts were made to get them to the pastors. Over 60,000 offering envelopes were thus distributed.

Along with the envelopes there was a brochure on how to have an effective hunger

program in the local church, only the word used was “dynamic.” The same brochure has been in material from the General Board of Global Ministries and should be in the office of every pastor.

Somewhere in this brochure it says, “Begin with the pastor.” Brothers and sisters, if the pastor does not hear the “inasmuch” of Matthew 25, how will the people hear it?

It is recommended that November 8, 1987, be World Hunger Sunday in the Alabama-West Florida Conference. Hopefully, it will be for more than ten percent of us.

LAW ENFORCEMENT MINISTRIES — Report No. 7

Law Enforcement Ministries started in 1969 by H. Paul Mathison, has grown to the point where it is being recognized as something unique in prison ministries, a Church-in-the-Jail. The Church-in-the-Jail performs and carries out the same activities as an “outside” church; except, of course, our parishioners are much easier to locate! Each week the Church-in-the-Jail has three Sunday Morning Services, with regular guest preachers, two Bible Study classes, a Christian Advocate class and a Christian Arts & Crafts class. Our chaplains counsel daily, run a weekly library service and do marriages, burials, baptisms, and sickbed visits. They coordinate guest appearances for Revivals, Gospel sings, Drama groups, and whole Church Choirs. Our volunteers have an active outreach to two other local Correctional Facilities and the County Hospital. One particularly effective activity is the Sunday Evening Visitation, where 20-40 members of one local church community visit cell-side with the inmates. Their visits are usually in answer to requests from inmates who have attended one of the Church-in-the-Jail activities. These one-on-one communications, between an offender and a concerned community member, often have far-reaching effects in terms of changed behavior and in establishing a church relationship on the outside. To staff the Church-in-the-Jail we have two full-time chaplains, three part-time chaplains and 25-30 regular volunteer workers. All of our chaplains and volunteer workers are deeply committed to that part of our Lord’s admonition that says, “that which is done to the least is done to me.” Matthew 25: 31-40

UNITED METHODIST VOLUNTEERS IN MISSION — Report No. 8

During 1986 there were nine teams of volunteers from our conference that served in seven countries on a short time basis. These teams were comprised of 107 individuals and involved the expenditure of \$71,940 on the missional projects they were involved in. The Rev. Tom Curtis, U.M.V.I.M. Coordinator for the S.E.J., reports that from the 17 conferences of the S.E.J., there were 224 teams involving 3,444 volunteers who worked on 143 projects in 23 different countries. A total of \$2,164,241 was invested in these projects. The United Methodist Volunteers in Mission is a growing opportunity for Christian mission and ministry in our conference and across United Methodism.

UNITED METHODIST INNER CITY MISSION — Report No. 10-A

Twenty-two years have seen this ministry grow from a very small community ministry to one that reaches throughout the greater Mobile area. This ministry is presently served by two ordained ministers who are serving the Inner City of Mobile in meeting spiritual, physical and emotional needs.

Basic ministry includes the normal Inner City services such as Bible Classes, Bible Schools, tutoring, emergency food and clothing, scouting, senior citizens activities, adult basic education, etc.

Special ministries include the operation of a community park and swimming pool in cooperation with the City of Mobile and a Homemaker program in cooperation with the Mobile Housing Board. They also include the administration of a \$20,000 special "Santa Assurance" program sponsored by local business leaders and individuals.

New programs this year include a special work team approach to Inner City Home Repair to take the place of a federal program closed because of funding cutbacks.

Another new program is a special ministry designed to provide opportunity for bi-racial worship and dialogue. This has the potential of developing into a new congregation in the future.

The Inner City Mission remains an example of the Christian love of the United Methodist Church that is our response when people are hurting. That love is manifest in the ministers and staff of a special ministry of our church as it works to meet the needs of those people living in the midst of poverty, high unemployment, absence of skills and education, and the very real threat of hopelessness. They face the problems of inadequate housing, a high crime rate and serious juvenile delinquency and drug problems. The Inner City Mission is very real evidence of the concern of the United Methodist people throughout the Alabama-West Florida Conference.

MOBILE METRO MINISTRY — Report No. 10-B

The Mobile Metro Ministry remains the ecumenical arm of the Inner City Mission/Mobile Metro Ministry in Mobile. This ministry is involved in the larger geographical metropolitan area and works with such special efforts as the Bay Area Food Bank, the Ecumenical Care Exchange, and the Conference of Downtown Churches. The Mobile Metro Ministry was instrumental in the formation of these special programs.

This ministry is also the disaster response arm of the United Methodist Church in the Mobile area and works to coordinate local ecumenical efforts before, during and following a disaster. It is also directly related to the United Methodist Committee on Relief and Church

World Service and serves in a consultant capacity in disasters beyond the Alabama-West Florida Conference bounds.

COMMITTEE ON PROMOTION AND CULTIVATION — Report No. 11

This committee represents the area of work of the District Mission Secretaries. In the past year we have promoted the Ten Dollar Club, the District Mission Rallies, the Third Century Mission Church Award and Mission Education within each district.

The Ten Dollar Club is a way by which we assist in church growth. A new congregation or an existing congregation may apply to be the recipient. We recruit members who are willing to give \$10.00 not more than twice each calendar year to promote church growth. The recipients for 1986 were Wesley Chapel, Milton, FL and Trinity, Semmes, AL.

The District Mission Rallies, held in October, 1986, were a great time in the life of our conference. The offering was designated half to the Central Conference in Mexico and half to a district project. The total amount given was in excess of \$42,000.00.

The advance promotion booklet, "Third Century Missions," which is available in each local church or through the District Mission Secretary, explains the six steps for a church to be awarded a certificate. These steps cover the total commitment to mission of the Church. Any church, large or small, can participate.

The District Mission Secretaries are at the service of any local church that needs them. Education, promotion, and cultivation of the mission program of the United Methodist Church is the goal of this committee.

Ruth Ann Powers, Chairperson

CONFERENCE COOPERATIVE SCHOOL OF CHRISTIAN MISSION

The Conference Cooperative School of Christian Mission was held at the Blue Lake Assembly on August 5-8, 1986 (weekday school) and August 8-10 (weekend school). The purpose of the school is to promote the study of the current mission theme; to train leaders who are charged with the responsibility of local church, United Methodist Women, and district in planning for education and action in mission; to help individuals to be persons in mission; to interpret mission funds and to increase mission support; and to provide spiritual enrichment. The theme was "God's Creation — Human Responsibility." Mrs. Juanita Hester, vice president of the Conference United Methodist Women, served as dean of the school and Dr. Syd Lock served as the associate dean. The Spiritual Growth Study, "Hallelujah Anyhow! Suffering and the Christian Community of Faith," was taught by Dr. Robert Fannin of Coral Gables, Florida. Musicians for the school were Mrs. Susan Christian, First United Methodist Church, Fort Walton Beach, Florida, Mrs. Judy Hust, Hurtsboro, Alabama and Ms. Amy Womack from Pensacola, Florida. Twelve ministers received Continuing Education credits.

THE BOARD OF EDUCATION

Report No. 1

The work of your Board of Education is coordinated by the elected members, however, the actual program work is done by the many lay and clergy volunteers who serve as committee chairpersons and members. We are grateful to each and everyone of these who give of their time so willingly. Among these volunteers, we would like to single out a few who have given much of their own time for special recognition and appreciation. The Diaconal Ministers and full time Christian Educators have responded to each call your Board has made to them. To Betty Cates and the members of the Task Force on Sunday School Explosion who worked hard and long to complete this emphasis for 1987-1988, we say a special "Thank You." Our Educational staff in the Conference Office, Dr. Roy Sublette, Mark Stewart and Bill Roy are willing to assist in any way when needed.

The report of the Ministry of the Board of Education is noted in the following committee reports submitted by the Chairperson:

Linwood A. Lewis, Chairperson

CAMPING COMMITTEE — Report No. 2

The Camping Committee oversees the single largest dollar item within the Board of Education's Budget. Dollars make sense in terms of ministry for children, youth and adults who participate in a wide variety of camping opportunities. In these trying days when costs are soaring, finding time for camping involvement to volunteer and figuring out what the needs of our campers are; it is no less than a miracle to report what your camping program accomplishes, not only in the summer, but year around. This certainly could never be done without the considerable investment of funds, time given in hours upon hours of volunteer staff, dedicated and unselfish Conference Council Staff, and our excellent Blue Lake Assembly Grounds under the excellent leadership of Reverend Lewis.

1986 was a significant year of increased enrollment in many of our camps. Our elementary camps were filled to capacity. Junior High camps increased their attendance over the previous year. Both elementary and youth choir camps were crowded and discussion has begun on adding additional weeks. Our Special Ministries Camps were also crowded with more campers than ever causing them to be expanded in the next year. An additional Youth In Mission Camp will be added next year as the response grows for these work camps to include Mobile Inner City, Montgomery Nellie Burge and Greene County Johnson Hill. Over 1,500 campers were enrolled in 1986 camps.

1987 Camping is planned and is being implemented by our Conference Council Staff. Two printed brochures are produced to assist you in the promotion of camping in your local church. Modest increases have had to be made in camping fees for some 1987 camps. Your camping committee is at work and stands to serve you. Any input you might have would be welcomed.

Stephen F. McGucken, Chairperson

CAMP QUARTER NOTE — Report No. 3

The 1986 Camp Quarter Note, a choir camp for older elementary children, was held in Oakwood Lodge, Blue Lake, on July 14-19. The children participated in several daily choir rehearsals plus classes offered in handbells, theory, set decor, and acolyte training. These combined with the numerous activities for fun and fellowship offered at Blue Lake made for a wonderful week for the 132 persons present. As in 1985, the outstanding guest clinician for the choir rehearsals and concert was Richard Searson, Diaconal Minister of Church Growth & Development, East Lake UMC, Birmingham, Alabama. Many of our own conference musicians contributed their talents, time, and knowledge to make this year's camp the best ever. If the success of this camp continues and the number of interested campers increases, Camp Quarter Note may need to be offered twice during the summer to keep the number of campers at a manageable figure.

LEADERSHIP DEVELOPMENT COMMITTEE — Report No. 4

The Leadership Development Committee has firmed up plans for a Teacher Training and Development Coaching Conference to be held at Blue Lake on October 19-21, 1987. Each district will send at least one five-person team to this event specifically designed to train these teams to lead Teacher Training and Development workshops in their own districts sometime before May 1988. Each district will hold at least two events led by these five-person teams. The Blue Lake Coaching Conference will be led by six staff persons from the Board of Discipleship in Nashville. With the outstanding leadership for the October event, the full support of every District Superintendent, and the prior scheduling of the district workshops, this endeavor should prove to be the most comprehensive and successful teacher training event in recent years.

Plans are also being made to schedule another volunteer management seminar led by Marlene Wilson, one of the foremost authorities on volunteerism. The success and excitement of the 1986 Marlene Wilson seminar has prompted the scheduling of this second, more comprehensive workshop for the fall of 1988.

SUNDAY SCHOOL COMMITTEE — Report No. 5

The Sunday School Committee is pleased to report on the success of the sixth annual Sunday School Weekend, held at Blue Lake, September 19-20, 1986. This event continues to be the major project of this committee. There were 348 persons attending this year. The theme was "Faith in the Changing World" and Dr. Tex Sample was the keynote speaker. We will continue to recruit the most capable leadership available and to plan courses that will meet the variety of needs of the local churches. Classes for CEU credit will be offered again in 1987. The 1987 Sunday School Weekend will be held September 18-19 at Blue Lake. The theme is "The Outstanding Sunday School." The Rev. Kirk McNeill, Director of Sunday School Extension, Board of Discipleship, will be the keynote speaker.

The Sunday School Committee has a representative on the Sunday School Explosion Task Force and will help with the implementing of this program throughout 1987 and 1988.

Three members of this committee attended Rally '87 in Houston, Texas. They received instruction and inspiration that will be of help in future plans for Christian education in this Conference.

It is our recommendation that we continue to observe Christian Sunday on the fourth Sunday in September. The local churches are encouraged to emphasize the importance of Christian education and to express to teachers and leaders appreciation for their gifts of time, talent, and understanding love.

OLDER ADULT MINISTRIES COMMITTEE — Report No. 6

This has been another good year for Older Adult Ministries in the Alabama-West Florida Conference. We are very much aware that this age group is growing each year. As an article in the November 24, 1986, The United Methodist CHRISTIAN ADVOCATE, (page 13), entitled: "Research Shows United Methodist Church Members Rapidly Graying," reminds us, 21.3 percent of our membership is over 65 years of age. The United States over 65 population is 11.8 percent. This is an area of ministry to which we must gear ourselves to give great attention. Our Annual Conference is involved in meeting the needs of Older Adults throughout our area. We encourage every local church in the Alabama-West Florida Conference to give emphasis to this ministry with and for God's older children.

The two major events involving Older Adults from across the Conference were: (1) The Fall Trip, October 20-23, 1986, to Epworth-by-the-Sea, at St. Simons, Georgia, and Savannah, Georgia. This trip involved 38 participants, plus two coordinators and a bus driver. (2) May 11-14, 1987, Older Adult Assembly was held at Blue Lake. Our inspirational speaker was The Reverend Howard Bozeman, Jr., pastor of the Daleville United Methodist Church. The theme for this year's Assembly was: "Gearing-up for the Christian Life." Our banquet speaker was The Reverend Floyd Enfinger, pastor of Prattville First United Methodist Church. This assembly was thoroughly enjoyed by an almost capacity crowd.

On August 18-21, 1986, The Reverend Linwood Lewis, Chairperson of the Board of Educa-

tion; Dr. Roy Sublette, Executive Director Conference Council on Ministries; The Reverend Jimmy Connor, Chairperson Board of Health and Welfare Ministries; and The Reverend C. Edward Britton, Chairperson of Older Adult Committee, attended the Southeastern Jurisdiction Convocation on Older Adult Ministries at Lake Junaluska, North Carolina. As a result, we have set in motion the development of an Older Adult Council on the Conference level. The Council shall become active during the new quadrennium. Each District is to have an Older Adult representative which will serve as the Older Adult Committee to plan and coordinate ministries with Older Adults. Each local church should have an Older Adult Chairperson to be responsible for these ministries in their local church. This will strengthen our line of communication from the Conference level to the Local Church level.

We encourage participation in the Older Adult Assembly, held each year in May, beginning on the Monday following Mother's Day and concluding with lunch on Thursday. Also, we are planning another Fall Trip in October or early November. We hope to have the brochure for this trip ready to mail out within the next few weeks.

C. Edward Britton

The Family Ministries Committee of the Board of Education was reorganized on January 28, 1987 at Blue Lake. W. Thad Chesser was elected Chairman by the Board of Education, and Board members Mr. Clay Turner, Reverend Robert Warren and Reverend Linwood Lewis were elected to the committee along with the Family Ministries Coordinator of each district.

The Reverend Esco McBay will lead a training session for the District Coordinator and another person from each district to be a team for training of local Church coordinators in each District. This training event will be held August 28 and 29 at Oakwood Lodge, Blue Lake.

The 1987 Family Camp will be held October 16, 17 and 18 at Blue Lake. There will be an option of coming full time or part time.

CHILDREN'S COUNCIL — Report No. 8

The Children's Council has completed a busy year and begun another in its work to benefit children and the persons who work with them.

In 1986, the council sponsored a workshop on "Keys to Effective Ministry with Children," presented by Stan and Pauline Stewart of Perth, Australia. This January event offered tantalizing suggestions for making churches more open to what children can give as well as what they receive. The council plans to bring the Stewarts back to our conference in the fall of 1987.

In March, the council presented the biennial Confirmation Celebration at Blue Lake. Bishop J. Lloyd Knox led the worship experience for the 250 plus participants, who were members of the confirmation classes of 1985 and 1986. The theme, "The Great Parade," emphasized the continuing line of persons throughout the ages who are God's people. The Rev. J. Gorman Houston, III, assisted council members in planning and carrying out this event, which included the release of balloons bearing messages of love for the finders. The Celebration will be held again in 1988.

Looseleaf notebooks of resources for the children's ministries were distributed in the early part of the year. They highlighted persons, resources, and services available to help in ministries with children.

The "Focus on Children: 1986" set for July was cancelled due to lack of registration; it would not have been effective in terms of program or cost. The council determined that the summer date and the fact that publicity was less extensive than planned were responsible for its apparent low appeal. The council remains convinced that the idea is valid, and is including it in its 1988 plans.

Camp Quarter Note, the elementary choir camp, drew more than 130 participants, the largest number ever. Steve Lee of Shalimar, Florida, was the dean of the camp and Richard Searson of Birmingham was clinician for the second consecutive year.

Much of the council's work during 1986 was in preparing for events being held in 1987, a Summertime Ministries Fair in March, and a series of workshops on the faith development of children led by Barbara Garcia in May.

The Children's Council continues to explore ways of helping children grow in faith and commitment, and in ability to deal with issues they face in their daily lives. The council welcomes suggestions on how it may best be of service.

COUNCIL ON YOUNG ADULT MINISTRIES — Report No. 9

The year 1986 was a year spent in learning and a year spent restructuring the foundation of COYAM. A new Constitution was drawn up and approved that should help COYAM in the years ahead. Work was started on a Young Adult Ministries resource book.

COYAM's personal Growth Retreat was held January 24-26, 1986. March Rouch, Director of the Intentional Growth Center, Lake Junaluska, was the speaker and the topic "Intimate Relationships — Intimacy Within Friendships." There were 27 young adults in attendance.

COYAM's Spiritual Growth Retreat was held June 6-8, 1986. Rev. Claude Whitehead, Bishop's Assistant for Spiritual Formation, was the speaker and the topic was "Theology of Prayer." There were 32 young adults in attendance. Roughly half of those attending were first time attendees.

In 1985, COYAM had sponsored a mission trip to Oaxaca, Mexico. Due to political situations around the world and the fears of traveling caused by these situations, COYAM was not able to repeat this trip in 1986. COYAM did maintain its involvement in missions by raising \$123.60 at the June retreat. This money was sent to Oaxaca to help in the purchase of motor scooters to be used by some of the pastors who had parish churches some distances apart.

In an effort to expand its recreational ministry, COYAM sponsored an overnight canoe trip, September 13-14, 1986, on Blackwater River. Ten young adults participated in this trail venture. The canoe trip will be repeated, August 14-16, 1987 on the Marianna River.

COUNCIL ON YOUTH MINISTRIES — Report No. 10

In a sense, the year 1986 challenged the Conference Council on Youth Ministries (CCYM) to enhance our goals and reach out into a brighter aspect of our Christian beliefs. The CCYM is, and always will be, enduring to achieve its goals in ministering to the youth of this conference along with strengthening the missional outreach program which is the Youth Service Fund (YSF).

Through the Youth Service Fund (YSF), the CCYM continues to support many mission projects both in and out of conference. Among these are Y.E.S. (Youth Engaged in Service) Mission Camp in both Mobile and Montgomery, Inner City Mission, Dumas Wesley and Henderson Settlement.

Last August the Alabama-West Florida CCYM Executive Committee traveled to Lake Junaluska for the Southeastern Jurisdictional Youth Convocation which was also tied in with a spiritual life rally entitled, "Spread Your Wings and Catch the Wind." Among the Executive Officers, Doris Roach was elected to the Steering Committee of the National Youth Ministries Organization (NYMO). In August of this year, the CCYM looks forward to hosting the NYMO Convocation here at Huntingdon.

The CCYM continues to provide conference-wide events for fellowship and fun. There were many major events of 1986, one of which included a lock-in at the DeSoto Caverns. This lock-in included more than 400 people and gave the conference youth a night of recreation and fun. At our annual Fall Rally held at Blue Lake each October, many youth and adults came together to "Shower the People They Love with Love." This conference-wide event also gave many people a day of games, music, fun, and fellowship.

Camping opportunities for youth this past summer were abundant. The Y.E.S. Mission Camp was held at Inner City Mission in Mobile, along with another Y.E.S. Mission Camp held in Montgomery at the Nellie Burge Community Center. The "In Search of Christ" camp, junior high camps, and choir camps continue to flourish with brighter goals in the future.

The CCYM has spent much of its time not only planning many exciting events, but also putting into action many activities for the youth of this conference. Again, the CCYM is pleased to report a productive 1986 and anticipates an even more productive 1987.

BOARD OF CHURCH AND SOCIETY

Report No. 1

The Board of Church and Society begins its report to the 1987 annual conference with language it has used for years to define its mission, a mission that the Board believes should never change. The Board seeks to apply the total gospel to the lives of women, men, and children, all of whom are Christ's brothers and sisters for whom he died, rose, and now reigns as Lord. We believe that Christians must faithfully demonstrate to all persons that the reconciliation which was effected through Jesus Christ involves personal, social, and civic righteousness. Such a theological orientation makes great demands upon its adherents, and Board members are in earnest prayer that they will never fail to shoulder those demands in a spirit of responsible discipleship that is also joyous.

As the 1986-1987 conference year unfolded, we found ourselves engaged in a variety of work that expanded our ministry to unprecedented dimensions. To put that statement in perspective, as this quadrennium began, the Board had official working ties to five groups or entities beyond itself. As of now, it has 11 such ties, representing a wide spectrum of concerns, and at least three of these have come within the last year alone. This sometimes strains the Board's human and material resources, but is a genuine sign of the seriousness with which it takes its mission.

In this section, an overview of the various aspects of the Board's work will be given. Then, certain matters will be presented in more depth in separate reports.

During the past year, we continued our relationship to Impact, an important ecumenical organization which helps keep its members informed on sensitive issues that need strong input from caring Christians. We officially support both Florida and Alabama Impact. Our secretary, Mary Elizabeth Carter, is president of Alabama Impact.

In the summer of 1986, we again focused on the Cooperative School of Christian Mission, co-sponsoring it with the Board of Missions and United Methodist Women. Many of our members attended and several were deeply involved in planning for and leading the event, too. We were happy to be able to increase our financial support, as well. Also last summer, we were part of the Southeastern Jurisdiction Convocation on the Church as Peacemaker at Lake Junaluska. Our chairman helped plan and lead that event. (More on our peace-related activity is given in Report No. 2 below.)

The Board has been a constant supporter of and participant in the Ethnic Minority Local Church missional priority in this conference, stretching back over two quadrennia. However, in the past year we have become very excited over the dynamic new direction this emphasis has taken under the leadership of the Rev. Terrence Hayes of the conference staff. We have especially taken hope in the new Arts Council which he has helped the conference to form, and we believe that bringing people together around celebrative art forms is an inspired idea. As an expression of our commitment to this, we happily have worked with the Arts Council in recent months to plan the closing worship service for this 1987 annual conference.

Our cooperation with the Board of Missions on the conference Hunger Task Force has continued. The Rev. Ed Cotten of our Board is chairman of this group. We commend the report of the Task Force to you as it appears elsewhere in this brochure.

The issue of gambling has been a major one for the Board. The Board's Committee on Gambling Concerns, chaired by the Rev. Daniel Morris of East Tallassee, has given courageous leadership to the public campaign to defeat gambling measures in Alabama and Florida. The story of the committee's activities is given in Report No. 3 below.

At the last conference session in 1986, we asked the conference to support a strong stand against balancing state or federal budgets on the backs of the weak and victimized. In very specific terms the conference did this. That has strengthened our hand considerably in dealing with such matters as the funding crisis in Alabama, which threatened twice in 1986 to bring unconscionable cuts in basic services for some of Alabama's poorest and most needy people. We worked with others to stop the threats, but it will take long-term solutions to avoid yearly crises. We will continue to monitor this and similar concerns in Alabama, Florida, and the nation.

The Board's statement on apartheid in South Africa, released in the fall of 1985, led us to actively advocate strong sanctions against South Africa last summer, including letters from individual Board members to the U.S. Senators from Alabama and Florida. The Congress did pass such sanctions into law over the President's veto. We also responded to an *Advocate* editorial against strong sanctions and our response was printed in the October 3, 1986 issue. We remain vigilant on apartheid.

Two of our newest relationships have been established during the past year with the Alabama Interreligious Commission on Civil Rights and Social Justice and the Birmingham Area Task Force on Voting Rights. The Commission was formed in the wake of a hearing on civil rights held at the Dexter King Memorial Baptist Church in Montgomery in late October, 1986, which was sponsored by the National Interreligious Commission on Civil Rights. That hearing gave excellent insight into the current status of civil rights and social justice issues in Alabama and the South. We helped put that hearing together from its earliest planning stages and our chairman was one of the speakers. The new Alabama Commission is gearing up for an interfaith effort statewide to seek the fullest implementation of the rights of all citizens. One of the first issues it has chosen to deal with is housing for the poor. Our chairman is on the Commission, as are other Board members, and we have an official sponsoring role with it which we intend to use prophetically and faithfully.

The Birmingham Area Task Force on Voting Rights was formed after a resolution passed the 1986 North Alabama annual conference addressing the matter of securing open, fair, unthreatened voting rights for all citizens and asking a Task Force to oversee this objective. Our conference was asked to participate so that this could be done on a larger scale. Presently, United Methodist attorney Laveeda Battle of Montgomery is chairperson of the Task Force, and the Rev. William Elwell of Glenwood is vice-chairperson. This group is already at work developing goals and strategies.

Beginning in January, 1987, the Board took on three new major emphases for 1987-1988. These are: Public Education, Christian Sexuality, and Pornography. A fuller description of each is given in Report No. 4 below.

In late January, 1987, five Board members attended a four-day national Church and Society Conference on Faith and Justice in St. Louis, presented by the General Board of Church and Society of the United Methodist Church. The five reported that this was a most enlightening experience. They have already shared some of the ideas and resources they were exposed to, and we believe that the long-run benefits to our Board from this will be extensive.

We are aware that all of the work just summarized in this Report No. 1 does not nearly exhaust the range of concerns of our constituency (i.e., the United Methodists in this conference). But we try hard to balance our efforts to include as much diversity of emphasis as we can completely handle. We hope we are succeeding in doing this, at least to a modest degree, but we invite input from any and all sources within the life of the conference, and we pledge to listen openly.

As the new conference year begins, we realize it is the final year of the quadrennium and we feel a sense of special obligation to finish out in a way that leaves a clear challenge to the next Board. We pledge our commitment to Christ, to each other, to the conference, and to those masses of people near at hand and far away who make up the "society" part of our name. Our brothers and sisters in Christ everywhere need a church with prophetic boldness, yet with a humble spirit. We believe the people called Methodist have historically been such a church, and we pray that we as a Board might be used of God in helping Alabama-West Florida United Methodists live out that heritage in ways pertinent to our time.

PEACE — Report No. 2

The Bishops' Peace Initiative, a project of the Council of Bishops of the United Methodist Church, began in 1985. It resulted in the eventual publication of the bishops' Pastoral Letter on "The Nuclear Crisis and a Just Peace" in late spring, 1986. Along with this statement, a "Foundation Document" was produced by the bishops to enable Methodist people to more fully study the various aspects of the nuclear threat and the threat to world stability in general. Also, a "Study/Action Guide" was prepared to help local churches know how to use and teach the Pastoral Letter and Foundation Document. All of this material was available by early summer of 1986.

This Board has had an ongoing relationship to this entire process, including much work in the 1985-1986 conference year to prepare people throughout our conference for what was to come, and to get their input before the bishops ever wrote the Pastoral. See pp. 267-268 of the 1986 *Journal* for the full report on '85-'86 activities.

Since then, we have followed up in two basic ways. First, we sponsored district workshops on all nine districts in August, September, and October of 1986 to present the new peace materials and to show people how the materials can be studied and utilized in their local churches. The attendance was outstanding, with a total of about 675, which was about 200 more than the total for the 1985 district peace meetings.

The second thing we did was to monitor the actual use of the peace materials across the conference. A survey form was sent to all pastors through their superintendents in late fall and early winter. The response was impressive. It revealed that over 60% of the churches responding had either already studied the bishops' work or were in process of setting up such a study. It also showed the wide range of opinion that exists in our conference on peace-related concerns. We feel like the people of this conference are approaching the issue with the intense attention it deserves. We pray to God for the strength all the people need in order to pursue this matter with increasing effectiveness. (As this report went to press, we were awaiting the appearance of the results of our survey in the *Advocate*.)

Our future planning is being guided by the results of the survey and by our sense of what is logically called for as a next step. As of now, we plan to have a conference-wide event early in 1988 to look at the practical matter of how to be peacemakers, what each person can do to help in his/her own way in his/her particular setting. After the emphasis on studying, it seems as though the next phase is acting or witnessing in some responsible manner. We intend to bring in good leadership for this '88 event. The dates are set for April 8-10, 1988 and we will publicize other pertinent information before long.

We commend our Bishop J. Lloyd Knox for his helpful leadership in promoting a faithful wrestling with the complex matters of peace and justice in the Birmingham Area. We commend all the bishops for their forthrightness in challenging all United Methodists, and we pledge our continued involvement to make this a permanent focus of Christian discipleship in this conference, not merely a "passing fad." May the fruits of these labors on the part of all be seen in changed lives, one by one.

GAMBLING — Report No. 3

The Committee on Gambling Concerns was organized by the Board of Church and Society in response to a resolution passed by this conference in 1985. Its task has been to study legalized gambling in Alabama and Florida and to assist in opposing the expansion of this industry. As a review of recent history will show, the committee's assignment has not been easy.

Legalized gambling is thoroughly entrenched in both states. This situation is proving true nationwide. In 1985 alone, legalized gambling was a \$100 billion plus industry, and it is growing rapidly. At present, 27 states and the District of Columbia have lotteries.

In the Birmingham Episcopal Area, the following are some examples of legalized gambling: 1. **Bingo** — Atmore, AL. 2. **Casino Cruise Ship** — Panama City, FL. 3. **Dog Racing** — Ebro Greyhound Park, FL; Pensacola Greyhound Park, FL; GreenTrack, Greene Co., AL; Mobile Greyhound Park, AL; Victoryland, Macon Co., AL (which was recently recognized as the world's most successful dog track). 4. **Horse Racing** — Birmingham Turf Club, AL. 5. **Lottery** — Florida Lottery, passed in November of 1986.

Here is a review of recent legalized gambling measures:

Alabama Lottery Initiative — A lottery bill was filed for the last legislative session (1986) but it was unable to gain enough support to be reported out of committee for consideration. Some have credited the work of anti-lottery proponents with this success, which may well in part be true. However, 1986 was an election year and most lawmakers were hesitant to take on such a controversial topic.

Florida Local Option Casino Gambling, 1986 — A direct initiative was waged to gain approval for local option casino gambling. This effort was an attempt by some to bring the lucrative casino industry to the Deep South. Also, casinos were seen as a way to revitalize the old resort areas of Florida, especially Miami Beach. A strong anti-casino coalition made up of religious, political, and business groups was successful in helping defeat this measure.

Passage of Florida Lottery, 1986 — The Florida Lottery began as an effort led by those in the lottery industry and other special interest groups. Approximately \$450,000 was used to wage a petition drive to get the initiative before the voters in the November election. A last minute legal challenge was made against the measure, but this was unsuccessful. The lottery passed by an overwhelming majority. Reasons given by analysts for the unsuccessful opposition to the lottery included the fragmentation of Florida church groups which causes them to be disunited on this issue, and the fact that the casino initiative, which was on the same ballot, was the more visible and emotional of the two gambling proposals.

Proposed Alabama Lottery, 1987 — Bills were pre-filed for the 1987 session of the Alabama Legislature dealing with a possible state lottery. With the state continuing to experience crises in funding, the lottery will be given serious attention, especially if the proceeds are designated for a specific need. Though Governor Hunt has often opposed a lottery and promises to veto it if it ever reaches his desk, this committee remains ready to continue to actively oppose any such bill that threatens to emerge.

In a December meeting of this committee, an editorial letter was unanimously approved and prepared for the press which commended the character of Circuit Judge Dale Segrest, our conference lay leader. Judge Segrest's integrity was called into question by supporters of Victoryland Greyhound Park when a case appeared before him in Macon Co. Circuit Court. The Committee recognized Judge Segrest as "... a man of high moral character, a committed Christian layman, and one who has the best interests of the people at heart."

The Board of Church and Society, with thanks to the committee for its excellent work, asks the annual conference to endorse the following as courses of action for responding to the dramatic influx of legalized gambling:

1. Continue to work with other groups that oppose legalized gambling and organize for long-term solutions. The success which proponents of legalized gambling have experienced is in direct proportion to the fragmentation of anti-gambling groups.
2. Lobby for legislative studies in both Alabama and Florida on the economic and social impact which legalized gambling has made upon individuals, families, and businesses. To our knowledge, there have been no thorough studies done in either state on the economic and social consequences of legalized gambling. It is the responsibility of the bodies which instituted such gambling enterprises in each state to investigate the impact of their original actions.
3. Work for the state funding of councils on compulsive gambling in Alabama and Florida. As it is the responsibility of each state to study the overall effects of legalized gambling on its citizens, so is it each state's duty to provide funded means of caring for those compulsively caught up in gambling practices. An excellent example of how to do this is seen in Gamblers Anonymous, a recovery and support group.
4. Explore the possibility of repealing the 1986 Florida Lottery. Since there is some controversy regarding the distribution of proceeds to be raised by this lottery, it might be possible for United Methodists in both states, in concert with others, to influence the consideration of repealing this law.
5. Support the creation of an Alabama gambling regulatory commission for oversight of the pari-mutuel tracks in the state. Presently, the tracks are regulated by local racing commissions and serious questions have been raised as to their effectiveness.

NEW EMPHASES — Report No. 4

At the fall, 1986 Board meeting, members held a long discussion about taking on some new issues as major emphases for 1987-1988. It was generally felt that we were at a point of growth and development as a Board that would allow us both to keep doing the work we had already taken on (even expanding it as needed), and to target new areas for involvement. After dozens of issues were submitted for observation and reflection, the Board finally worked through a process of consensus to select three. A description of each now follows.

- 1) **Public Education** — We feel there is a growing sense of frustration and worry over the status of the public schools in this country, and certainly this is true in Alabama and Florida. As people who come from a long tradition of caring about and helping to provide for quality education for all people, United Methodists ought to have something to say about the future of public education. As the Board seeks to lead in this area, we have divided up into district teams who will interview various persons involved in the education system all across the territory covered by our conference. From these interviews we hope to get some feel for where things stand and what our role might be. All interviews are to be completed by this fall.
- 2) **Christian Sexuality** — So much is disturbing to us in this arena. Where does one go for good, reliable help in strengthening Christian values as related to the sacred gift of human sexuality? What about the besieged family structure, teen-age sexual activity, the tragedy of unwanted pregnancy, various forms of abuse, etc.? The first aim we have is to provide a well-researched list of sound resources which church groups or individuals or anyone can use in looking at these painful problems that rob sexuality of its joy and fulfillment. When the list is ready, we will make it available in an appropriate way.
- 3) **Pornography** — Though this might seem to be a subtitle under Christian Sexuality, it stands on its own as a major concern that needs to be addressed. We are currently seeking appointments with the Attorney Generals of Florida and Alabama to discuss the legal ramifications of pornographic material. We then will develop other aspects of this issue. We want to encourage responsible participation by all who are interested in opposing the obviously obscene materials and practices that plague too many communities.

A. Spencer Turnipseed, Board Chairperson

ETHNIC MINORITY LOCAL CHURCH COMMITTEE

PREAMBLE

The Missional Priority for the 1985-1988 Quadrennium mandated by the 1984 General Conference is "Developing and Strengthening the Ethnic Minority Local Church: For Witness and Mission."

The Missional Priority will involve the total Church in providing resources, recruitment, leadership development, training and support for ethnic minority local Churches in the implementation of the priority.

A singular blessing is flowing into the life and spirit of The United Methodist out of The Missional Priority. It is the unique richness of our pluralism. The usual concept associated with integration has been sameness; that is to say that if all United Methodist Churches were the same in liturgy, form of worship, etc., contentment and peace would reign. The Missional Priority has helped us understand that we must transcend the institutional structures, lifestyles and traditional thought patterns.

The greatest strength of The United Methodist Church is to be obtained when we at once affirm our separate heritages and identify and commit these with ourselves in celebration of our unity in Christ. The Missional Priority to develop and strengthen the ethnic minority local church as a global dimension. The United Methodist Church is a world-wide church. We are under a mandate to be witnesses and share in the life, redemption and welfare of all people. At the same time, as we affirm and celebrate our unity.

WHAT DOES THE DISCIPLINE SAY!

A Missional Priority is defined by "The Book of Discipline of the United Methodist Church-1984" as "a response to a critical need in God's world which calls for the United Methodist Church's massive and sustained effort through primary attention and ordering

and reordering of program and budgeted at every level of the Church... The need is evidenced by research or other supporting data, and the required response is beyond the capacity of any single general agency or Annual Conference." (Par. 803.8)

GENERAL GOALS

— Strengthening and developing the Local Church through...

WITNESS: Evangelization, new congregation and revitalization.

DISCIPLESHIP: Training and resourcing for mission.

LITURGY: Develop ethnic minority liturgical resources.

OUTREACH: Empower ethnic minority local churches to facilitate mission interaction in domestic and global dimensions and foster ecumenical concerns.

LEADERSHIP: Enlistment and deployment of lay men and women leaders.

STRUCTURES: Promote adaptations in UMC structures which facilitate mission and ministry.

FACILITIES: Improve existing facilities and their utilization.

The Ethnic Minority Local Church Committee has been extremely busy in the last year. It has done a number of incredibly successful programs. The momentum within the ethnic minority local church and the Church at large has heightened at a breakneck pace. We, on the Ethnic Minority Local Church Priority Committee, are enthusiastic for that which God has done. We would pray for your continued support of our Christ centered efforts.

First, paraphrasing the United Methodist Communications Operational Manual for the Ethnic Minority Local Church, four features of the merging church in the Alabama-West Florida Conference are worth noting. First, we observed the changing composition of the human family in the Alabama-West Florida Conference and in most of our districts. According to the United Nations' figures, 75% of the world's population was third world in 1980. By the year 2030, this number will increase to 87%. This growth rate is reflected in the United States, too. The United States Census Bureau reported that in the 1970's, the white population in this country grew 5.8% while at the same time, ethnic minority groups indicated a more rapid growth rate: Blacks (17.3%), Hispanics (61%), Native Americans (71.8%), and Pacific and Asian Americans (127.6%). In addition, the others group classification increased by 1,207! Many of these persons came from Asian countries which do not fit the 1980 United States Census definition of Pacific and Asian Americans. These figures point out that our society, as well as the Alabama-West Florida Conference, is increasingly reflecting the diversity of the world population.

The dynamics of these rapidly growing groups should be noted. Despite great personal expenses and setbacks many third world persons in our communities are changing the race, color and complexion of our communities. The research is also influencing the racial composition of our churches, our patterns of energy consumption, our standards of living, and cultural expressions and our religious outlook. Even public policies and the federal and family budgets are affected. We need to address these issues. On April 16, 1986, the Ethnic Minority Local Church Task Force met at Blue Lake. Dr. Roy Sublette gave an overview of the workshop, he then presented Rev. Yolanda Pupo-Ortiz, Associate General Secretary of the General Commission on Religion and Race. Together with the Ethnic Minority Local Church Missional Priority Committee, they put together a proposed plan for sensitizing the Alabama-West Florida Conference districts and local church leadership as to the crucial nature of this quadrennium's missional priority emphasis of the United Methodist Church and how the whole conference could be led into efforts supporting and sustaining the missional priority.

Essentially, the proposed plan consisted of the following timetable and components which were carried out: June 18, 1986, the Cabinet meeting at the UM Children's Home in Selma, AL. The ethnic minority local church leadership made a presentation to the Cabinet as to how best we can present this cause to the local church leadership for district level. The option possibilities which were discussed were (A) district/conference rallies in the fall, (B) in conclusion, a part of each district leadership training Super Sunday, (C) other events in the fall and winter of 1987 which could be utilized by presenting the missional priority plan while local church leadership is present at said events. (D) Separate ethnic minority local events could be worked out for individual districts or cluster districts. However, in this case, it would

be questionable as to whether or not we could get the best attendance response from local churches.

2. On September 15, 1986, on the day prior to the regular fall meeting of the Conference Council on Ministries, which was scheduled for September 16, 1986, at 10:00 a.m., the CCOM membership was asked to assemble at noon and spend three to four hours in presentation and dialogue with the Rev. Tom Robinson who gave an overview of the ethnic minority local church plan from the General Board of Global Ministries Office.

3. The third step is to have multi-district events which have been discussed early in different ways local church people, White and Black, Hispanic, Korean and Asian.

4. The fourth step would be that the Associate Director, Rev. Terrence Hayes, who was given the assignment of the ethnic minority local church would begin to work with local churches or clusters thereof, who are willing to have union events and ministries with ethnic minority local churches.

Local church involvement could include efforts in these suggested areas: Evangelism — helping to canvass ethnic minority local church neighborhoods, aiding the establishment of ethnic minority local churches as well as being open to evangelising all ethnic groups. Pulpit exchanges: vacation church schools — separate mission and unified efforts. Worship services — joint planning and participation with inclusive atmosphere for worship and fellowship. Cooperative local church involvement in day care centers. Capital improvements — local church or district mission teams going into congregations and working with them to help improve facilities, churches and parsonages. Interreligious/interrelational events in all categories and mainly between youth and women. All of these possibilities which we discussed with the Reverend Yolanda Pupo-Ortiz, Associate Director of the General Commission on Religion and Race, were not exhausted. At the next Annual Conference session plans were worked out with the Board of Church and Society, Commission on Religion and Race, and the Ethnic Minority Local Church Missional Priority to stage an ethnic minority local church impact event for the delegates to Annual Conference either in a separate presentation or as a theme for one of our normally scheduled worship services. This project will be brought forth during the Annual Conference.

Throughout this whole procedure we feel that there is excessive room for growth and the development of God's kingdom on earth.

Blaine E. Taylor said, "The missional priority developing and strengthening the ethnic minority local church is a blest gift to every United Methodist Church congregation. Full of grace, it is a four year involvement in the gospel. No church that hears and addresses the witness of the ethnic minority local church priority can avoid renewal. Pulpits will come alive, youth groups will capture vitality, church schools will gain transforming influence, mission involvement will be authentic, worship will be celebrated and congregations will truly minister. The ethnic minority local church priority offers the rare opportunity to enable justice to structure love within an institution.

There is much room to grow in the Alabama-West Florida Conference with respect to race. There are approximately 3,307 Black United Methodists within the Alabama-West Florida Conference. There are 153 Native Americans and the possibility of establishing a new Native American Church. There are 26 Hispanics and 156 Asian Americans. There are 45 Black congregations, one Native American congregation and one Asian congregation. With respect to ethnic minority persons on committees in our conference, there is one on Courtesies and Introduction; 13 on the Ethnic Minority Local Church Priority Committee; there is one staff associate CCOM director; one custodial maintenance person; and one person who works at Blue Lake at the conference camps.

How many white pastors are appointed to predominantly racially ethnic minority local churches in our conference? Rev. Henry Ford is pastor of Metropolitan Church which is a Black congregation. How many Black pastors are appointed to predominantly white congregations? There are none. There are many goals that our conference could undertake in our conference. They are ingeniously spelled out in the following report by the Rev. Terrence Hayes. We are excited at the enthusiasm and energy which Rev. Hayes brings to our conference and pray that his missional priority comprehensive plan would be enacted upon, worked with and supported.

We have a number of missional priority goals for the conference and the current quadrennium. The time is growing short for the ethnic minority local church as a number one priority.

But issues such as open itineracy, an ethnic in the Cabinet, improvement of qualified Black clergy, the education, development and *encouragement* of existing clergy, is key and important. We are calling prayerfully and jubilantly for all boards and agencies of our church to continue their very positive strides toward racial inclusiveness. Please now, continue in the reading of this report as we move forward to the comprehensive plan, goals and guidelines for the 1985-1988 missional priority written by the Rev. Terrence Hayes.

Reverend Richard Walker

THE ALABAMA-WEST FLORIDA CONFERENCE PRESENTS GOALS AND GUIDELINES FOR THE 1985-1988 MISSIONAL PRIORITY

Philosophy: We, of the Alabama-West Florida Conference, are in a true sense of the phrase "a Rainbow Conference." We represent all the colors and talents that America has to offer. This shall be done in consultation and coordination with the Committee on Planning and Research, the Committee on New Church Development, and a representative from the Missional Priority Task Force. Districts to investigate will be the following: A. Dothan District; B. Demopolis District; C. Marianna-Panama City District. These things done in addition to planning "Strategy for Growth" in the Montgomery District at the *New Jerusalem Church* which is a new church start.
2. With respect to the research and analysis and in consultation with the Committee on New Church Development; the Women's Program Division, Section on Mission and Membership Development, and the Congregational Development/New Church Development of the General Board of Global Ministries, goals for establishing new ethnic minority congregations during the next five years shall be set by May 1, 1987.

This will be a convocation workshop to be video taped/cassette taped for both sale and archive purposes. The effort is to expose and teach forms and styles of ethnic preaching to show both identity and diversity of styles in the United Methodist Church. This event will be planned by June 1, 1987, with the EMLC Task Force, the Commission on Religion and Race, and the Board of Education, and the Division of Archives and History.

 - The Conference Directors would be responsible for directing any and all Conference-wide performances in cooperation with each other.
 - The District Coordinators would be responsible for any performances on a District level using the Conference Directors as resource persons when needed.
4. The Missional Priority Committee shall encourage inclusion of ethnic minority persons as leaders of worship and preachers in annual conference and district programs.

Outreach:

1. The Conference Board of Missions shall be encouraged to be intentional in providing information about interpretation of the mission program of The United Methodist Church for the ethnic minority churches.
 2. Ethnic minority, as well as ethnic majority, churches shall be encouraged to give support to such specialized ministries as street ministries, hunger programs, counseling centers, and shelters for the homeless. Particularly will we include special emphasis toward the following:
 1. Dumas Wesley Community Center, Mobile, Alabama
 2. The Nellie Burge Community Center, Montgomery, Alabama
 3. Noah's Ark, Panama City Beach Ministry
 4. The Inner City Mission, Mobile, Alabama
 5. The Baldwin County Ministry, Rev. Aida Walker
 6. The Johnson Hill Project, Eutaw, Alabama
- The above programs that minister to great numbers of Ethnic Minorities.

Leadership:

1. High priority shall be given, including the use of Missional Priority Funds, to the recruitment and training of leaders, both lay and clergy, for service in ethnic minority churches.
- Our Strategy:
1. Seminars in church administration given by CCOM Director and General Board of Global Ministries staff persons.
 2. "Lay Speakers Training" — Due to a shortage of Ethnic Minority Local Church ministers, the Alabama-West Florida Conference has had to use retired clergy who sometimes have had more than three churches on a charge. Some churches are two Sunday a month churches that would like to be operational each Sunday despite the lack or presence of ordained clergy. I feel that a comprehensive lay speakers' program with a special outreach to EMLC would allow
 - a. those churches that wanted to be opened each Sunday the opportunity.
 - b. It would develop a closer sense of inclusiveness in a very vital part of the church,
 - c. by encouraging high school students and young adults, it would act as a training tool for future development.
 - d. It is an exposure and pruning ground to give some who may have considered the ministry an opportunity.
 - e. It could eventually augment into a resource of articulate laity who could be a part of other boards and agencies.
 3. Self Study: In more than one meeting the idea was presented to amass a team of persons to do a "comprehensive needs analysis" of Ethnic Minority Local Churches. It was suggested that these persons come from outside of our conference to report:
 - a. church organization
 - b. input into conference as to local church needs
 4. Regular meetings with our resident Bishop bi-annually. Such as our January 31, 1987, date at Huntingdon College, Montgomery, AL.
 5. Specific training in the area of stewardship such as with Miss Juanita Ivy, March of 1987.
 6. Or our Sensitizing Seminar to be held on September 15, 1987. Led by Mr. Tom Robinson of the Board of Global Ministries.

7. The Board of Ordained Ministry and the Board of Diaconal Ministry shall be requested to give special attention to the enlistment of ethnic minority youth and young adults for ordained and diaconal ministry. EMLC Churches and other churches shall be encouraged to become nurturing bases for candidates for the ministry. At least one convocation on the ministry, especially for ethnic minority youth and young adults, should be held during the quadrennium if not annually.
8. The Missional Priority Committee shall sponsor, in cooperation with the Conference Committee on Religion and Race, practical skills building workshops for ethnic minority ministers and others. Emphasis will be put on both writing and articulation.

Structures:

1. Training shall be provided for lay and clergy persons on United Methodist Church Structure and polity.
2. Both representation and participation of ethnic minority in annual conference and district boards, committees, agencies, and programs shall be encouraged and promoted.

Facilities:

1. The Committee on New Church Development and Revitalization shall be requested to survey ethnic minority churches and parsonages for needs, in the Alabama-West Florida Conference. On the basis of this survey, the Missional Priority Committee shall develop a comprehensive plan for responding to these needs. *(Monies for said needs allocated from EMLC Funds shall be used in conjunction with other funds . . . i.e. district, national and local churches.)
2. Multiple use of church buildings (by two ethnic minority congregations or by an ethnic minority congregation) shall be encouraged.

Guidelines for Use of the Missional Priority Fund:

1. An official application shall be received by the Missional Priority Committee before funds are allocated to a project.
 - a. Applications shall be made on official forms provided by the Missional Priority Committee.
 - b. The project proposal shall be approved by the local church Administrative Board, Administrative Council, or Charge Conference.
 - c. The project shall have the approval of the District Superintendent.
2. Grant proposals shall be considered by the Committee at least twice each year.
3. Grant proposals shall be considered only if they are for or are sponsored by local churches except in the instance of scholarship grants where a pastor may receive the grant directly.
4. All grant proposals shall be acted upon by the Missional Priority Committee as a whole, either at a regular or a call meeting or either by mail. The EMLC Priority Committee may approve grants in amounts up to \$500 without the approval of the CCOM Executive Committee, but the CCOM Executive must be informed at its next regular meeting.
5. An on-site visit by a staff person is recommended before a project is approved.
6. Ordinarily a church will be expected to have at least 10% of the cost of a project on hand at the time the request for funds is made.
7. Funds may be allocated for repairs and improvements of church buildings and parsonages, for purchases of land for churches and parsonages, for construction of new church buildings and parsonages, and for church-sponsored programs/projects which the Missional Priority Committee judges in keeping with the purpose of the Missional Priority.
8. Requests for funds for repairs to or expansions of church buildings or parsonages shall be granted only if the building is properly insured.
9. Churches to whom grants are made shall make written reports to the Missional Priority Committee as to the use of the funds granted.

Part II

An update to current projects adopted by the EMLC Missional Priority Committee, the Commission on Religion and Race, and the New Ministries Search Committee of the Conference Board of Missions.

- A. An Ethnic Minority Conference Staff Person — Rev. Terrence Hayes came on board June 1, 1986. His areas of concerns are as follows:
- B. EMLC Leadership
 - Mark Stewart, the CCOM Associate Director in the area of Sunday School is now scheduling Sunday School Workshops in EMLC.
 - Rev. Roy Sublette has also availed himself to Leadership Development Workshops.
- C. Church Building and Revitalization Program
 - Terrence Hayes is now making on site visitations to church and parsonage sites and has received evaluations from both District Superintendents and clergy. Please see addendum II entitled "A Brief Statistical Data on Ethnic Minority Churches in the Alabama-West Florida Conference..."
 - We are also in a working relationship with the General Board of Global Ministries.
- D. Development of Special Ministries
 - 1. The Bullock County Project is currently in the developmental stages. We look to see growth in that project no later than November 1, 1986.
 - 2. The Johnson Hill Project is doing well. On July 1, 1986, it hired a Church and Community Worker who tenured his resignation effective October 10th but the year round program is operational and the Board of Global Ministries Church and Community Worker has promised a replacement by October 30, 1986. Currently, applications to varied funding agencies have been sent in behalf of the next fiscal year.
- E. Development of the Larger Parish Concept...
 - 1. Work has been enacted in the Demopolis area for:
 - a. realignment of Charges
 - b. ...a Tri-County Parish is now an incorporated body
 - c. plans are already being conceptualized in the Montgomery District for said project
- F. Establish New Minority Local Churches
 - a. Work will begin in the planning stages of the Dothan District Saturday, November 29, 1986.
 - b. In the planning stages are;
 - 1. new church starts in: Marianna-Panama City District
- G. Promotion of the EMLC
 - is underway through Local District Council on Ministries; sensitizing sessions; Church and District Rallies and other local church affairs. Pulpit exchanges have been encouraged. Literature has been sent to all local churches.
- H. Instrument(s) to gather proposals, evaluate set priorities and measure results, have been and are being developed by staff person and EMLC Priority Committee staff person.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

Since this is election year for General and Jurisdictional Delegates, the Commission on the Status and Role of Women is working toward election of women as lay delegates. Over 60% of the total United Methodist Church is comprised of women, therefore for fair representation at least half of the lay delegates should be women.

Women candidates for lay delegates will be featured at the Commission Breakfast on Monday, May 25 at 7:00 a.m. during Annual Conference. This will be held in the private dining room and ALL women are invited to attend.

Paragraph 706.4 of the *Discipline* says, "Insofar as possible, the membership of councils, boards, and agencies of the Annual Conference shall include one-third clergy, *one-third laywomen*, and one-third laymen, except the Board of Ordained Ministry.

According to the 1986 Conference Journal we still have two committees with no women, ten committees with only one woman, four with only two women and five with only three women. The Commission is now monitoring the Conference Nominating Committee.

The nine District Councils on Ministries are composed of better than 36% women. This is an improvement over 1985 which was about 30%.

The Commission continues to be an advocate for clergywomen. It recently published a book, *Moving With The Spirit*. This is a collection of sermons by the clergywomen of our Conference and will be on sale during Annual Conference at the Commission Display in the Delchamps Center.

Child care for clergywomen and clergy couples is being sponsored by the Commission during this Annual Conference.

Another concern of the Commission is salary discrepancy between men and women clergy. Many times clergywomen are sent to small, low paying churches. Clergywomen ordained six years ago are paid 16 percent less than clergymen ordained at the same time. With time the gap grows even wider. Those ordained eight years ago are paid 18.5 percent less.

Theme for the 1987 Commission Spiritual Growth and Church Leadership Retreat held January 23-24 was "Jesus and the Women: Faithful and Free." The Retreat was led by Rev. Carole Cotton-Winn and Rev. John Winn from Houma, Louisiana, and Mrs. Twick Morrison of Vicksburg, Mississippi. The 1988 Retreat will be held on January 22 and 23 at Blue Lake. Chairperson for the Program Committee is Mrs. Dorothy Jackson.

The Commission has three video cassette tapes in the Conference Film Library for use in local churches. They are: "Wings of the Morning," on work of the Commission; "The Bishops," on the lives of Bishops Marjorie Matthews and Leotine Kelly; "So You Are Getting A Woman Minister," on what it is like for women clergy and clergy couples in the local church.

One of the goals of the Commission is promoting the use of inclusive language. The booklet, *Words that Hurt, Words that Heal* is recommended for local church study. It is available for \$1.25 from Cokesbury. Several local churches have already done this study.

Betty H. Salter, Chairperson

COMMITTEE ON CAREER/LIFE PLANNING

The major projects of the Committee on Career/Life Planning are to provide opportunities in ministry. These experiences may lead to careers in Christian Vocations.

The Committee is re-establishing the "Bishop's Convocation on Christian Vocations" at Huntingdon College. This is an opportunity for Senior Highs and College Students to consider the many avenues of Christian Service leading to a Christian Vocation.

The "Summer Opportunities in Ministry" program is a project which matches committed college-age students who are interested in working as summer youth directors with churches within the conference or as summer youth counselors at Blue Lake. Who may participate?

(1) Students who have completed at least one year of college and who desire an opportunity to express their Christian commitment through a summer of service in a local church or church agency. (2) Local churches and church agencies which need summer staff workers and are capable of providing a genuine avenue for ministry. For students and churches to apply, write Summer Opportunities, P.O. Box 700, Andalusia, Alabama 36420.

Other goals for this committee are (1) to develop a plan of action and specific guidelines that are realistic for local church career/life planning programs, and (2) identify resources and develop resource packets for use at the local and district level.

Jimmie R. Spikes, Chairman

COMMISSION ON TOWN AND COUNTRY WORK

The Town and Country Commission is deeply concerned about the small membership churches within our conference. We commit ourselves to the task of making these churches more visible by helping them to utilize the many resources they already have.

Our goal is to offer several sub-district workshops designed to meet the needs of planning and programming within the small membership church.

In addition to these sub-district meetings, there will be a conference-wide rally at Blue Lake on Saturday, June 27, 1987. This rally will begin with registration at 9:30 a.m. and will include presentations from Clay Smith of Hinton Rural Life Center and representatives of the WIFE organization.

The other main event sponsored by this commission is the Minister's Workshop to be held this year on June 24-27 at Blue Lake.

The purpose of this workshop is to help train those ministers who are just beginning their careers in our conference. Our hope is that this additional training will enable them to be more effective, and because of their effectiveness, will thus strengthen the small membership church.

We are grateful to Bishop Knox and the entire Cabinet for their interest and commitment to the work of the Town and Country Commission.

Our Commission is ready to assist any pastor or local church in whatever way we can. Please feel free to call on us.

COMMISSION ON ARCHIVES AND HISTORY

Report No. 1

The commission met during Annual Conference for the purpose of electing a new chairperson for the group. Our previous chairperson, the Rev. Leonard Shults, who had served the previous two years, took an appointment with the Air Force. The new offices included the following: The Reverend Dan Rhodes, Chairperson; The Reverend Rual Morris, Vice-Chairperson; Mrs. Julia Norton, Secretary/Treasurer; and Mrs. Mary Ann Pickard, Archivist.

The commission hosted for breakfast, the Wesley Heirs. The Wesley Heirs was begun several years ago with a very small group of retirees. At this conference we were pleased to have approximately one hundred people, along with Bishop Cal Sanders in attendance.

The Wesley Heirs bi-annual retreats at Blue Lake continue to grow. A record number of eighty-one persons attended the October, 1986 retreat. The 1987 spring retreat was held March 24-25 with seventy-seven persons present. The fall retreat for 1987 will be held in October. All retirees, spouses, and surviving spouses are cordially invited to attend.

The 1986 Service of Commemoration with the Reverend Dan Rhodes presiding, was conducted on Tuesday of Conference. The Reverend Dr. Henry Roberts was the Memorial Sermon Preacher. The families of the deceased ministers and spouses attended the service. After the service a special luncheon was given for families of the deceased, in the private dining room. Bishop Lloyd Knox was present for the luncheon also.

The commission strives to provide historical information to the conference and to local churches. In recognition of service to our churches, the commission continues to provide grave markers for families of deceased ministers of our conference.

During 1986, the commission members shared in many opportunities of learning and sharing our own histories and experiences. The S.E.J. Historical Society held its annual meeting at Epworth by the Sea on St. Simon's Island, Georgia, in July 1986. The Vice-Chairperson, along with others from the commission attended.

The Chairperson, along with the Archivist and Mrs. Grace Gastinger, a volunteer in the depository, attended the S.E.J. Heritage workshop at Lake Junaluska, September 29-October 3, 1986.

January 9-10, 1987, a planning retreat with the C.C.O.M. was held at Blue Lake. We worked on completing our goals and plans for 1988. This was a very productive time.

For this past year, the commission has sought to have each church within the conference to write or update their histories. We have also sought to have each district to complete a chronological roll of churches. The goal to have the conference history updated from the works of Dr. Marion Lazenby and The Rev. Frank Mosley is still before us. We hope to have a person selected by the end of the quadrennium to write this valuable work for us.

The S.E.J. Historical Society will be conducting its annual meeting July 7-10, 1987, at Lambuth College in Jackson, Tennessee.

We thank all pastors and lay persons for their continued interest in the Depository and for the requests that are received during the year for information from the Archives and History Commission.

DEPOSITORY OF ARCHIVAL AND HISTORICAL MATERIALS —

Report No. 2

1. EVALUATION OF YEAR 1986

a. **Tenth Anniversary of Depository.** August 1986 marked the tenth anniversary of the death of Franklin S. Moseley and the transfer of the historical records he created and collected from his home in Eutaw to Huntingdon College. This first accession amounted to almost

sixty-six feet of records — some forty-two feet being genealogical records of ministers who have served in the conference since 1808. Glenn R. Massengale was elected Archivist/Historian in 1976 and served until 1984. I have served in the depository since 1976 as clerk, office manager, assistant archivist/historian, and as archivist since Dr. Massengale's retirement in 1984. To complete ten years of creative endeavor has been most satisfying to me personally and hopefully helpful to the conference.

b. **Chronological Register of Churches.** Five districts have almost completed a chronological register of churches within the districts. We hope to complete this program before the next quadrennium.

c. **Clarifying and Improving.** The Commission and Records Committee have been working on clarifying and defining job descriptions for the Commission and Depository. The proposed constitution for the Commission as printed in the consent agenda is recommended for approval by the annual conference. The work of the commission is extensive and it is our hope that this constitution will inform the conference of the requirements of records management and preservation and be a guide for conserving our heritage.

d. **Work with the Records Committee.** I want to express my deepest appreciation to the Records Committee for their interest and concern in the records program of the conference. The chairman, Charles Langford, has been most supportive and helpful in clarifying our organizational structure and in developing policies. The committee has designed a permanent personnel record form to be used by the conference for its ministers and other personnel, has recommended a personnel records policy (included in standing rule of proposed constitution), and has designed yearly update forms for personal and church data.

e. **Services of Volunteer.** I want to express appreciation to Mrs. Ida Grace Gastinger for her faithful service every Thursday in the depository and to Mrs. Elizabeth Black for her services in the historical library.

Five persons from our conference attended the Southeastern Jurisdiction Historical Society at Saint Simons Island July 8-11, 1986. They were: Pattie Moseley, Rual Morris, Idalee Bradley, Bernice Carpenter and myself. The program centered around the 250th anniversary of John Wesley's arrival in Georgia in February of 1736 at Fort Pulaski. An inspiring thought from the meeting is, "From the altar of your past, bring your fire, and not your ashes." Mrs. Ida Grace Gastinger and I attended the Southeastern Jurisdiction Heritage Workshop at Lake Junaluska September 29-October 3, 1986.

STANDING RULES

1. CONFERENCE RECORDS POLICY AND PROGRAM

LEGISLATIVE AUTHORITY:

a. Authorization for a Conference Records Policy and Program and suggestions for its implementation are contained in the following documents:

(1) *THE BOOK OF DISCIPLINE OF THE UNITED METHODIST CHURCH*, 1984: Paragraphs 1801-12, detailing the organization, purpose and responsibilities of the standing General Commission on Archives and History; Paragraph 727 mandating the organization and outlining the responsibilities of the annual conference Commission on Archives and History with respect to local church records and history; Paragraphs 247.5, 250.1, 267.4 and 2546 outlining the obligations of local churches and the Conference Commission on Archives and History with respect to local church records and history; (4). Paragraph 705, describing annual conference records to be created and included in journal.

(2) *JOURNAL OF THE ALABAMA-WEST FLORIDA CONFERENCE, THE UNITED METHODIST CHURCH*: 1987, pp. _____ containing this constitution which supercedes legislation approved in previous Journals. The 1978 *Journal* (pp. 229-30) contains the agreement between the Conference and Huntingdon College regarding space for the depository in the Houghton Memorial Library and for sharing of services.

COMPOSITION OF CONFERENCE RECORDS COMMITTEE

b. There shall be a Conference Committee on Records composed of the Area Bishop, Secretary of the Cabinet, the Conference Secretary, Statistician, Editor of the *Journal*, Executive Director of the Conference Council on Ministries, Treasurer, Chairperson of the

Commission on Archives and History, Historian (without vote if paid), Registrar of the Ordination Section of the Board of Ordained Ministry, Registrar of the Board of Diaconal Ministry and the Archivist (without vote). The Conference Secretary shall be the Chairperson of the Committee. The Committee shall elect a Vice-Chairperson, Secretary and Treasurer who, along with the chairperson and Archivist, shall act as the Executive Committee. The Records Committee shall be accountable to the annual conference through the Commission on Archives and History.

OFFICIAL DEPOSITORY

c. The Depository of Archival and Historical Materials located at Huntingdon College shall, except when official provision is made otherwise, be the official depository for the records of Conference officers and agencies (the term “agency” is a disciplinary term used to “describe the various councils, boards, commissions, committees, divisions, or other units constituted within the various levels of church organization” as stated in the *Discipline*, paragraph 801).

d. The Archivist shall be the Administrative Officer of the Records Committee and Director of the Depository.

e. Records shall be deposited according to official Retention Schedules recommended by the officers, agencies, and Archivist and approved by the Conference Records Committee.

COLLECTION POLICY FOR DEPOSITORY

f. BISHOP'S RECORDS: Responsibility for preserving and maintaining the Area Bishop's records rests with the General Commission on Archives and History. In consultation with the Bishop and/or the General Archivist, certain records or copies of records pertaining to the annual conference shall be received for deposit.

g. LOCAL CHURCH RECORDS: Responsibility for creating, maintaining and preserving local church records rests with the custodians of records (pastors, recording secretaries, and church historians) in their respective local churches. The conference depository shall receive copies of certain records such as historical sketches, pictures, programs of significant historical events, legal documents, profiles, historical data forms and other records which the Archivist deems valuable from each local church. All records of MERGED churches become the responsibility of the successor church (Par. 2543-2544). All records of DISCONTINUED or ABANDONED churches shall be deposited with the Commission on Archives and History in the Depository at Huntingdon College (Par. 2546).

h. DISTRICT RECORDS: Since local church records are as a rule retained in local churches, certain records of District Superintendents are especially valuable for retention in a central place (Conference Depository) because of the vital information they contain about grassroots Methodist churches. Particularly significant are charge conference records (especially the minutes, official roll and attendance records, reports of pastors, and other unusually significant reports of historical value). Other district records having evidential, informational, legal or historical value include the district superintendents' records, certain records from conferences, rallies, preachers' meetings, agency meetings, etc. The district superintendents shall assure that the records of churches MERGED during their terms of administration are deposited with their successor churches. They shall see that records of churches CLOSED during their administrations are sent to the official depository. They shall be on the lookout for lost or strayed records from any churches, especially the discontinued churches during previous administrations.

i. ANNUAL CONFERENCE RECORDS: Responsibility for the creation, maintenance and preservation of the records of the Conference rests with the conference officials and “records officers” of all agencies required by the *Discipline* and the Conference Standing Rules, as well as auxiliary agencies of the Conference. Each conference official (District Superintendents included), unless otherwise specified, shall be his/her own records officer. Each agency shall officially designate one of its members (customarily the secretary) as Records Officer. Duties of Records Officers are described in “k” below.

j. PERSONNEL RECORDS: The records created by the conference agencies related to ordination procedures, employment of personnel, ministers' appointments, and all other personal matters are the property of the annual conference and are governed by a policy on personnel records. The Alabama-West Florida Conference of The United Methodist Church

accords the protection of privacy to persons — both ministerial and lay (henceforth referred to as the referent) who are employed or appointed by or within said conference by:

- Providing a written conference policy.
- By notifying persons of their privacy rights.
- By establishing retention schedules for the disposition of personnel records.

No one shall have access to nor will the conference disclose any information from referents' records without the written consent of the referent except the following: to authorized personnel within the annual conference, to officials of other annual conferences with permission granted by the Bishop of the Alabama-West Florida Conference; to persons in compliance with judicial order only after the custodian of the records receives permission of the Bishop; and to authorized persons in an emergency order to protect the health or safety of referents.

Within the annual conference only the persons designated below have authorized access to personnel records. These are:

- (1). The referent and the referent's legal representative after his or her death.
- (2). Designated members of the Board of Ordained Ministry for records collected in the process of meeting the requirements of ordination. Retention schedules and the disposition of these records include guidelines from the Board of Ordained Ministry.
- (3). Designated members of the Board of Diaconal Ministry for records collected in the process of meeting the requirements of consecration and certification. Retention schedules for the disposition of these records include guidelines from the Board of Diaconal Ministry.
- (4). Designated members of the Personnel Committee of the Conference Council on Ministries for records pertaining to lay employees.
- (5). The Board of Pensions in regard only to retirement benefits.
- (6). The Conference Secretary.
- (7). The Bishop.
- (8). The District Superintendents.

At its discretion the conference may provide and keep as public records in its depository the following data:

- (1). Genealogical information including name, birth date, place of birth, parents' names, date of marriage(s), name(s) of spouse(s), names of spouse's parents, names of children, their birth dates, dates of marriage and names of spouses, ethnic origin, sex, death data, wills, and other genealogical data of public record.
- (2). Educational degrees and continuing education.
- (3). Records of conference relations, appointments, and other significant positions in church and society.
- (4). Published information and other public records (newspaper clippings, honors, community service records, etc.)

Let it be known to all that the referent has the right to inspect and to review information in his or her personnel records, to inform the custodian of the records of corrections or amendments, to have a hearing with the Conference Committee on Records if the referent is not first satisfied, and if the hearing is unacceptable to the referent he or she may submit explanatory statements for inclusion in his or her files.

The Chairperson of the Conference Committee on Records is designated by the conference to coordinate the inspection and the review procedures for all personnel records which include those of the Board of Ordained Ministry, the Board of Diaconal Ministry, Lay Personnel Employment Records, District Superintendents, the Bishop and the Board of Pensions.

Referents may not inspect and review confidential letters and recommendations associated with ordination procedures, appointments, employment or job placement, or records containing information about more than one person, in which case access will be to the part of the record pertaining to the inquirer.

Revisions and clarifications of this policy will be published as experience with the policy and conference actions warrant.

DUTIES OF RECORDS OFFICERS

k. The duties of Records Officers are as follows:

- (1). Each Records Officer shall create or assemble, or cause to be created or assembled, those records deemed necessary for the performance of his/her duties.

(2). Such records shall include, but not be limited to minutes, reports, correspondences, legal or other evidential documents, communications, photographs, recordings, memorabilia and the like.

(3). Records Officers shall retain all such records for as long as they are needed for the current operations of the offices and agencies they represent. When the records are no longer regarded as having current operational usefulness, the Records Officer shall make a preliminary inventory of the records and recommend a retention schedule using the official conference form. The records officer and the archivist together shall agree upon the disposition of the records guided by the retention schedule.

(4). Any restrictions to be made on the availability for use of records placed in the depository shall be determined by the records officer depositing the materials and be recorded on a retention schedule. The archivist shall see that such records are administered according to directions recorded on the retention schedule.

(5). In order to provide for an orderly and efficient transfer of records from a records officer to his/her successor the records officer shall, immediately prior to the surrender of his/her office to his/her successor, separate his/her records into three groups as follows: (1) those having continuing usefulness in the on-going operations of the office or agency he/she represents; (2) those non-current records regarded as being worthy of retention because of their continuing or future historical, evidential or informational significance; and (3) those to be considered for discard. He/she shall then deliver them to his/her successor.

(6). Upon receiving the records from his/her predecessor, the succeeding records officer shall review the records in each of the three groups and shall retain all regarded as having continued operational usefulness and deliver all others to the depository, having made a preliminary inventory of the records and recommended a retention schedule.

(7). The archivist shall review the records and retention schedule and shall consult with the records officer concerning any significant changes to be made in the classification and/or conditions or limitations to be placed on the accessibility or use of the records retained in the depository. The archivist shall notify the records officer of intent to destroy records and shall make sure that the records officer involved approves of the destruction.

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

In passing the mid-point of this quadrennium the Commission on CUIC can rejoice in some accomplishments while regretting not yet attaining other goals.

In the "rejoicing" arena four churches participated in a Consultation on Church Union document study requested by the General Commission on Christian Unity. This request was made through the Conference Chairpersons to the seventy-three conferences. In the South-eastern Jurisdiction ours was the only conference that finished the study and remitted responses. Your conference chair thanks Dr. Herb Sadler and Gulf Breeze, Dr. Henry Roberts and Pensacola First, Rev. Martha Wright and Marianna First, Dr. Syd Lock and Fort Walton Beach First. It is good that through them we have had a part in a grassroots response to a document that is another step in the more than twenty-five year exploration of union possibilities by nine denominations. We thank them for their effort and cooperation.

During its annual meeting in January, the Commission elected Rev. John Edwards Vice-chairman, replacing Rev. Charles Fail who has been appointed to another board. New members are Betty Olliff, Pensacola District, replacing Willie Anna Johnson, Rev. Ennis G. Sellers replacing Rev. Stanley Carter, and Neil Dillard, youth representative.

A responsibility of CUIC is to seek ways to strengthen the ecumenical relationships of other boards and commissions. It has been my pleasure to represent the Commission at all Conference Council on Ministries meetings, including once presenting an ecumenical update.

Rev. Norman G. Williams, Commission member from Selma District, represented us at the National Interreligious Commission on Civil Rights planning meeting held on October 1, 1986, in Montgomery. Key issues relating directly to Alabama needs were considered: voting rights, education, housing, economic development and criminal justice.

The Commission continues to support the Scouting Religious Awards Program which is open to youths of all denominations. The scholarships given this year were for the one

day event held February 7th at George C. Wallace Community College, Dothan, Alabama. A request was made that ethnic minority Scouts be intentionally included.

The Pensacola non-denominational prison ministry will be highlighted in the 1987 Annual Conference CUIC visual report.

The General Commission on CUIC has just completed a filmstrip entitled *People for an Ecumenical Age*. It was developed to assist in the interpretation of Christian Unity and the ways in which United Methodists are "connected" with ecumenical work globally and in local and regional settings. Local congregations can obtain the filmstrip from our Conference film library, Andalusia. We urge you to make use of it.

I valued receiving an "Honorary First Lady" certificate from the Governor's Mansion in appreciation of my participation in the Holocaust Commemoration for the State held at the executive mansion in April, 1986. The program was arranged by Dr. Charles Prigmore, University of Alabama, Governor's Liaison with the United States Holocaust Council, and James Hatcher, Birmingham, Chief of Protocol, The Executive Mansion. A loving spirit pervaded this assembly of all faiths. It was an honor to be a part of the program representing our denomination.

Our Commission continues its work affirming that our oneness in Jesus Christ takes precedence over our denominational divisions.

Monza' H. Wilson, Chairperson

PASTORS' ASSEMBLY BOARD OF MANAGERS

The 1986 Pastors' Assembly was held at Oakwood Lodge of Blue Lake on October 13 and 14. "The Church in the World of Conflict" was our theme, and 134 ministers of our conference participated in this event.

Our guest lecturers for the 1986 Assembly were Dr. Theodore Runyon of Candler School of Theology, and Dr. Tex Sample of St. Paul School of Theology. Dr. Sample approached our theme from a sociological perspective and helped us to see ways that the Church can effectively minister to varying groups within society and local congregations. Dr. Runyon's presentations were more theologically based, and he pointed out how Methodism's understanding of God's grace is pivotal in dealing with conflict. Our two lecturers complemented each other well, and we were also blessed that our Resident Bishop, J. Lloyd Knox, was able to be present and to address the group.

The 1987 Assembly will be held October 12 and 13. The 1987 theme is: "Faith Development: The Church as Christian Community." We encourage every ministry in our conference to plan to attend the 1987 Assembly. 104 of our pastors received Continuing Education credit for the 1986 Assembly, and we believe that Pastors' Assembly consistently offers the ministers of our conference stimulating, helpful, and challenging presentations upon subjects that are important to the Church and our Christian faith.

BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

PENSIONS, ANNUITY RATES, APPORTIONMENTS — Report No. 1

For the year 1988, we recommend that the total annuity rate for service years prior to 1982 be two hundred twelve dollars (\$212.00) per service year as a minister or approved local pastor with pension credit; the total rate for surviving spouses be one hundred fifty-eight dollars and forty cents (\$148.40); provided that, for those provided retirement homes by the Conference, the annual pension amounts be adjusted by a reduction of \$50.00 per month for ministers and \$35.00 per month for surviving spouse.

We recommend that the apportionment to the local churches for the pensions and benefit program of the Annual Conference be \$1,800,000 for 1988.

We call attention to paragraph 736.4 of the 1984 *Discipline* relative to the requirement that the apportionment for the pensions and benefit programs be paid in proportion to payment of a minister's salary, and to the policy of the Board of Pensions charging defaults to ministers which constitutes a lien upon pension claims if not otherwise paid. Interest is added to other unpaid obligations at the rate of seven per cent (7%) annually.

In determining the base salary for pension purposes, it is recommended that a maximum of \$3,600 be set for travel and \$3,600 for utilities. All other compensation to the minister shall be placed under "base salary."

We further recommend that premiums for Death Benefit programs be maintained by the Conference Claimants Fund and that ministers' premiums for the DBP-Plus be \$31.00 per year. Payments are to be made in advance of the effective date which is the calendar year.

We recommend that the present policy for eligibility, enrollment and participation in the DBP-Plus program be continued.

ADDENDUM A TO THE MINISTERIAL PENSION PLAN (MPP) AND THE COMPREHENSIVE PROTECTION PLAN (CPP) — Report No. 3

For the Year 1988

This Addendum A is applicable to the Alabama-West Florida Annual Conference and is effective as of January 1, 1988. It replaces any previously executed Addendum A and shall be in effect until amended by the Annual Conference in accordance with the provisions of the Ministerial Pension Plan and the Comprehensive Protection Plan.

The MPP and CPP Contribution Base shall be the Active Participant's Plan Compensation

for a Plan Year not to exceed the Denominational Average Compensation (DAC). (MPP Section 2.1(e) and CPP section 4.1(a)).

The MPP Church Contribution Rate shall be 11% of the MPP Contribution Base of each Active Participant and the CPP Church Contribution rate shall be 4.4% of the CPP Contribution Base of each Active Participant. (MPP Section 4.1(a) and CPP section 4.1(a)).

The Church Contribution shall be made monthly to the plan by the Annual Conference in accordance with the Plan Document. Such MPP and CPP Church Contributions shall be transferred monthly from the deposit account of the Annual Conference by the General Board of Pensions to each Active Participant's account and the Protection Benefit Fund, respectively. The Annual Conference shall maintain an amount in its deposit account sufficient to provide for the monthly transfer of the Church Contributions on behalf of its Active Participants. In the event the Deposit Account is overdrawn, an interest charge shall be made by the General Board of Pensions. Such charge shall be made at the monthly rate of interest credited to the Diversified Fund (6½% per annum) or the current monthly rate of interest credited to the STIRA investment program, whichever is greater. (MPP Section 4.1(a) and 4.2(g) and CPP section 4.2 (h)).

A ministerial member appointed to a sabbatical leave shall be continued in the MPP/ CPP. The Annual Conference shall make the required MPP and CPP contributions based on the DAC (MPP and CPP Section 3.2(b)).

The Alabama-West Florida Annual Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pensions for active participation in the MPP and/or the CPP by persons who are eligible under special rules but not automatically included as Active Participants. (MPP and CPP Sections 3.2).

On January 1, 1988, the ministerial Pension Rate shall be \$212.00, and the local pastor's Pension Rate shall be \$212.00. (Disciplinary Paragraphs 1606.2b and 1696.7 and MPP Supplement One (f)).

In accordance with paragraph (e) (5) of Supplement One, the Surviving Spouse benefit shall be 70% of the Participant's Formula Benefit.

In accordance with paragraph (f) of Supplement One, the unfunded liability as of January 1, 1988, has been actuarially projected to be \$4,511,486, based on the most current valuation and interest assumption. Past service funding deposits are required to fund this unfunded liability and shall be in the amounts and for the periods shown below:

Amount	Period of Deposits
\$ 69,586	26 years
85,418	27 years
103,182	28 years
40,025	29 years
40,030	30 years
<u>\$338,241</u>	Total APS Deposit

These annual deposits shall be made at the end of each calendar year as required by the General Board of Pensions. The past service deposits shall be transferred from the Alabama-West Florida Annual Conference Deposit Account to the Past Service Funding account on December 31. If the annual cash flow requirement, as determined by the General Board of Pensions, exceeds the combined past service funding deposit amounts, then the cash flow requirement shall become the required past service funding deposit. (MPP Supplement One (f)).

HOMES FOR CLAIMANTS — Report No. 4

We recommend that \$60,000 be apportioned for Homes For Claimants, subject to the approval of the Council on Finance and Administration.

The Conference now owns 44 living units for retired ministers and their spouses located in 14 different cities in Alabama and West Florida.

During 1986 we have made repairs and improvements to 25 of our homes at a cost of \$22,214.25. Most of our homes are in good repair, but several are in need of minor repairs or paint, and two or three are scheduled for new roofs.

During the past year we sold the home at 111 West Fourth St. in Bay Minette and the home at 449 Clanton Avenue in Montgomery. These two homes were considered no longer

compatible to our program. The money received has been invested for future use in providing a home in another location.

We have seven of our homes on which we still owe just over \$100,000.00. Payments on these total \$1,940.67 per month. We have sold five homes on which we hold mortgages. These notes produce \$1,483.35 per month. This is applied toward our indebtedness each month.

The Board has the following interest bearing accounts:

The Commercial Bank, Andalusia, Money Market	\$ 70,462.01
The Commercial Bank, Andalusia, CD	10,000.00
First Federal Savings, Andalusia	12,035.00
United Methodist Foundation, Dothan	25,000.00
TOTAL OF ACCOUNTS INVESTED	\$117,461.00

The Board maintains one Annuity to which \$3,500.00 per year of the above funds is pledged. The balance of our invested funds provides income to assist in maintenance of our properties or future construction.

We are continually studying and evaluating our homes program with the view of doing the best we can with what we have for our retired pastors and their spouses.

One of the possibilities receiving close attention at present is working with pastors interested in investing personal funds with our Board to provide a home to be used in their lifetime and left to the Board at the death of both pastor and spouse.

We urge continued support of the Capital Funds Campaign and payment by Churches of their "Fair-Share." \$500,000.00 of this fund is designated for providing future homes for our retired pastors. The principal is to be invested and used as collateral for loans with the income being used to repay loans for new construction.

Within the next ten years we will have a great number of retirements, and the need for homes will be escalating to the point that we need all the help we can get, even above what we hope to do with the Capital Funds we will receive. We urge persons to consider giving a home or leaving a home to the Board in their wills. Gifts of money toward purchasing or building homes is also a great way to help. Churches are asked to consider helping our Board with land or funds to provide a home in their city or community.

Individuals or churches interested in providing a home or money toward a home are asked to contact the Director of Homes, Rev. JOHN CARMICHAEL, Rt. 2, Box 171-B, Brantley, AL 36009, Telephone 205-335-3823. He will be happy to provide information or assistance in working out the details.

See paragraph 1606:3a of the 1984 *Discipline*.

By special arrangement those ministers on leave of absence or probationary members appointed to attend school may qualify for the Comprehensive Protection Plan by a personal payment of 3.4% of the denominational average compensation to the Conference Claimants Fund.

We recommend that special appointments to non-Methodist institutions shall be listed without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed with pension responsibility on the Board of Global Ministries of The United Methodist Church.

DEPOSITORIES — Report No. 7

We recommend that the official depository for the pension funds shall be the same as that designated by the Conference for other Conference funds and the General Board of Pensions of The United Methodist Church; provided, that the Board of Pensions and Homes for Claimants may from time to time determine other depositories for invested funds among financial institutions that are insured by a government sponsored agency.

PENSIONS FOR LAY EMPLOYEES — Report No. 8

We strongly endorse the Cumulative Pension and Benefit Plan and the Basic Protection Plan administered by the General Board of Pensions for lay employees of United Methodist local churches and agencies. We recommend and urge our churches to use these plans provided by The Church to provide pension and death and disability coverage for our lay people who serve our churches.

Churches and agencies should contact Raul B. Alegria, General Board of Pensions, 1200 Davis St., Evanston, IL 60201.

FULL TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT — Report No. 9

We call attention to the following provisions relative to full time service, rendered prior to January 1, 1982, as a normal condition for pension credit which appear in paragraph 1606:4a of the 1984 *Discipline*:

A. Full time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part time service by a three-fourths vote of those present and voting in the Annual Conference, on recommendation of the Conference Board of Pensions.

B. Full time service shall mean that full time is devoted to the work of a pastor by one

who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral work; and whose cash support per annum from all church sources is not less than the schedule of equitable salaries adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full time service as defined, except in cases of approved part time service.

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE — Report No. 10

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1988 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Alabama-West Florida Annual Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to *the lesser of* (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

It should be noted that the above resolution applies only to the minister and not to the surviving spouse.

OTHER NOTATIONS — Report No. 11

In reviewing the service records of the following ministers the Board recommends that the service records of each be adjusted as indicated:

1. John Weldon King — two years credit for service full time while at Altha, Florida from June 1, 1974-June 1, 1975, and at Shalimar, Florida from June 2, 1977-May 31, 1978.
2. William M. Pickard — one half year credit while serving Woodland in the Montgomery District, from June 1, 1971 to June 1, 1972.
3. John F. Norwood — Three-fourths year credit while he was a member of this Conference for the period August 22, 1967 to May 9, 1968.
4. Thomas J. Sheppard — two months credit from April 2, 1956 to May 31, 1956, while serving the Millry Circuit.

SPECIAL GRANTS

The Board recommends that the following grants be continued for the year 1988:

Name	Monthly Amount
Moses S. Baldwin	\$ 16.67
T. Leroy Christensen	125.00
Donald E. Montgomery	100.00
Mrs. Theo Rhodes	150.00

HEALTH INSURANCE — Report No. 12

Our Group Health Insurance is carried with Metropolitan Life Insurance Company. The Conference pays the premium for all active ministers and all retired ministers. We also pay the premium for spouses who are 65 or older and on Medicare. Active ministers may insure their spouses and their families by paying their own premium. These premiums are payable by the quarter. Rates at present are \$277.00 per quarter for spouse and \$405.00 per quarter for family (spouse and one or more children).

At present we have 348 full-time pastors insured, 98 spouses and 72 families.

Our retired people are under a Medicare supplement identical to Blue Cross C-Plus. It pays most everything Medicare does not pay, provided doctors and hospital, etc. accept what Medicare sets as reasonable charges.

We have 94 retired ministers in this program and 140 spouses.

For the first time we can remember, we were able to renew our contract for another year WITHOUT AN INCREASE in premium for 1987. This is a plus when most other groups were getting increases of from 15 to 25 percent.

We are also happy to report that on May 1 we were able to increase our maximum coverage from the \$75,000 instituted last July to \$250,000. We hope to increase this soon. Our next goal is to put a stop-gap or ceiling on co-payments so that our insurance pays 100% after \$5,000.00.

We know that some of our people have gone through difficult times because of the limits we had to put on last July, but we believe the adjustments we made are paying off and things will get even better.

We are especially grateful for the patience and cooperation of so many of our people.

Our Lay Employees were removed from the Minister's Program last July as a part of our adjustments. We were able to place our Lay Employees with a program underwritten by Travelers. The Group is called Associated Group Services. This policy carries \$10,000 life insurance. It is an excellent policy and the cost is \$294.00 per quarter for a single employee and \$648.00 per quarter for a family.

All questions or requests for information concerning the Insurance Program should be directed to the Director of Homes and Insurance.

Director of Homes and Insurance

HEALTH INSURANCE — Report No. 12-A

A couple of things have happened in our Health Insurance Program, since the *Brochure of Reports* was printed, that we need to bring to your attention.

In addition to executing our insurance contract for another year at no increase in

premium, and raising the life maximum from \$75,000.00 to \$250,000.00, there will be two other changes taking place July 1, 1987.

1. The "out-of-pocket" limit will be established at \$5,000.00 after the deductible. This means that our insurance will pay 80% of the first \$25,000.00 after the deductible, then the insurance will pay 100% for the balance of the calendar year. (During this past year there has been no limit on the 80%-20% co-payments.)
2. Beginning July 1 each minister will be covered by TERM LIFE INSURANCE based on the following schedule:

Age	Amount of Life Insurance*
Under age 40	\$125,000.00
40 thru 44	58,820.00
45 thru 49	34,480.00
50 thru 54	21,280.00
55 thru 59	13,330.00
60 thru 64	8,550.00
65 thru 69	5,560.00
70 and above	none

*This is over and above the Board of Pensions' Death Benefit.

All full-time pastors and student pastors are eligible for the Group Health Insurance Coverage. After a "one-time" payment of \$270.00, the insurance is free to the pastor as the Conference pays the premium. Spouse and family coverage, if desired, must be paid by the pastor or his church.

Insurance premiums are paid by the quarter for those with spouse or family in the program. The cost is \$277.00 per quarter for spouse and \$405.00 per quarter for a family (no number limit).

We have made definite progress in our insurance program, and we feel confident of continued progress. This is largely due to the fact that we have secured expert professional advice which we have followed. We are now operating on a strict "business" basis, yet with a compassionate heart. We recognize that we must operate with the good of ALL our people in mind, and our policies are thus geared to what we feel is a solid program to meet our basic needs.

The program is not perfect, but it IS meeting great needs. It is improving, and we look forward to "better days."

Your patience and understanding have been most encouraging.

A RESOLUTION — Report No. 13

The Board of Pensions and Homes for Claimants in session February 27, 1987, adopted the following resolution affirming the General Board of Pensions' Investment Policy in regard to South Africa. The Conference Board asks that the Annual Conference affirm the resolution.

RESOLUTION

Whereas, the 1984 General Conference adopted a resolution on Southern Africa which encourage "... United Methodists and United Methodist agencies and institutions to join with others in their communities... to close accounts with and withdraw funds from banks and divest from corporations doing business in South Africa."; and,

Whereas, the 13 general agencies of The United Methodist Church meeting on August 13-14, 1985, in a General Agency Consultation on United Methodist Policy and South Africa expressed their abhorrence and rejection of apartheid and adopted the following statement:

"In order to carry out the mandate of the 1984 General Conference in a legal and fiduciarily responsible manner and to make a witness against apartheid, we participants in the consultation recommend that the general agencies commit themselves to the following expectations and strategies..." among which are the following strategies:

- I. **Shareholder Advocacy.** As shareholders we need to state clearly the position of The United Methodist Church regarding apartheid and communicate our expectations to corporations regarding their involvement in South Africa...
- II. **Selective Divestment.** Based on our criteria and the failure of a corporation to

meet our expectations, selective divestment of stocks and bonds should occur as a witness against apartheid...

- III. **Full Divestment.** The sale of all securities in corporations in South Africa should be utilized as an effective public witness to the business community and the South African government...";
and,

Whereas, the General Agency Consultation further affirmed that "... a blend of church strategies is most effective and appropriate at this time..."; and,

Whereas, the August 1985 report of the agency consultation was endorsed by the General Council on Finance and Administration in its December 1985 meeting; and,

Whereas, the General Board of Pensions has formally issued a position paper on "The Investment Policy of the General Board of Pensions as it relates to South Africa" which sets forth the General Board's anti-apartheid strategy of **Shareholder Advocacy and Selective Divestment**, and such strategies afford the opportunity to maintain a moral presence in South Africa as a witness for Christ and the Church, standing in solidarity with the oppressed people of South Africa;

Therefore, be it resolved that we, the Alabama-West Florida Conference, affirm the policy of the General Board of Pensions in carrying out the mandate of the 1984 General Conference in making a witness against apartheid;

- 1) through blending the strategies of **Shareholder Advocacy and Selective Divestment**, and
- 2) by not doing business with or investing in banks which have operations within South Africa (or which are making loans to the government of South Africa or its agencies).

COMMISSION ON EQUITABLE SALARIES

It is the purpose of the Commission on Equitable Salaries to support ministry in the charges of the Annual Conference by (1) recommending conference standards of ministerial compensation; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory materials on ministerial compensation to district superintendents and Pastor-Parish Relations Committees.

— *The Book of Discipline*, 1984 (722.2)

In keeping with the purpose stated above; the Commission on Equitable Salaries has established the following guidelines for its work of supporting ministry in the local churches of our Annual Conference. In extraordinary or special situations, exceptions to these guidelines may be made by the Executive Committee of the Commission.

1. Only full time pastors, retired pastors (as specified in paragraph 2), and student pastors are eligible for equitable salary support. These pastors must be certified by the Board of Ordained Ministry, approved by the Annual Conference, and appointed to a church or charge. No associate or supply pastor shall receive salary support from this fund.

2. If the combined total of all income received from The United Methodist Church by a retired minister (plus his/her Social Security) is not equal to the equitable salary schedule then the Commission on Equitable Salaries shall pay the difference up to \$2,400.00. To qualify the retired minister must be serving full time.

3. The *Discipline* requires that a fully scheduled equitable salary be paid before pension credit can be granted by the Board of Pensions. To participate in the Insurance and Death Benefit Programs the minister must have pension credit. To receive fully scheduled equitable salary for the minister's category the church must pay 80% of the equitable salary schedule for 1988.

4. The amount of equitable salary a minister is eligible to receive is based upon the total of his/her salary, travel allowance and utilities and other approved church related allowances.

5. No minister of any classification shall receive aid from the fund if he/she receives income from any other church source, if the income, plus salary from the charge he/she serves, is more than the equitable salary for his/her classification, except as provided in paragraphs 8 and 10 of the report.

6. No person qualifying for equitable salary which amounts to \$100 or less will receive any equitable salary. The Commission expects the local churches to take care of this amount.

7. We recommend that no minister serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable salary unless there is no appointment available for him/her in the Conference and he/she is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the minister shall not be considered sufficient reason to receive equitable salary aid.

8. The Commission on Equitable Salaries recognizes there may exist from time to time certain situations within our Conference where special funding consideration beyond the stipulated requirements may assist a church to become self-sustaining more quickly. In such situations, a supplement, determined by the Commission on Equitable Salaries, above the regular equitable salary, may be given the minister; provided the money is available for the purpose. Normally no situation will receive this special consideration for more than three years. Such cases will be called Growth Potential Situations. In order to be considered every case will be evaluated by certain criteria, such as: growth potential, leadership requirements, age of church, and indebtedness. The final determination will be made in consultation with the Board of Missions.

9. Ministers of newly organized congregations can for three years receive up to 3/5 of the equitable salary schedule from this fund. The Commission suggests to the cabinet that consideration be given to ministers with background in church growth development.

10. In case of cooperative parish ministries or specialized ministries, the District Superintendent may recommend that the Commission on Equitable Salaries, in consultation with the District Board of Missions, give consideration to supplementing the salary of a minister/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

11. The Commission on Equitable Salaries recognizes that there may exist from time to time hardship cases, which should be considered for financial assistance. Sensing a need for such assistance for a charge, the District Superintendent should assess the situation, hold the Charge Conference before the November meeting of the Commission on Equitable Salaries, and present the findings to the Commission upon whom rests the final decision.

12. To motivate churches toward the goal of total pastoral support, the Commission proposes to give the minister 60% of any salary increase above the amount currently paid by the church after the minimum support required for his/her category has been reached. This would apply to the charge which he/she is serving at the beginning of the payment period, January 1. This supplement will be based on the yearly increase of the minister's salary. The Commission recommends that the cabinet consider this accumulative amount as part of the salary when appointment is made to another charge.

13. The Commission recommends that all charges receiving equitable salary assistance develop and continue a program with a goal to eliminate dependency on salary supplements for their pastors.

14. The District Superintendents are required to review all equitable salary situations in their districts to ascertain the necessity for such funds and whenever possible seek to reduce the need for this supplement. No charge shall receive equitable salary assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Salaries has approved the division. The Commission recommends that churches or charges, to be eligible for equitable salary aid, should consist of three or more churches or a minimum of 100 members, except in the case of a new church.

15. It is the responsibility of the District Superintendents to follow the guidelines set forth by the Commission when recommending pastors for equitable salary funds. Also, the District Superintendents shall be responsible for the accurate completion and submission to the Secretary of the Commission the forms provided by the Commission for this purpose. The secretary shall not issue check orders for equitable salary funds until all criteria have been met. When the status of a pastor receiving these funds changes, the District Superintendents should immediately file with Commission the changed status. Furthermore the District Superintendents, not the Commission, shall determine all the ramifications of the pastor's circumstances.

16. The Commission requests that the Council on Finance and Administration recom-

ment to the conference the estimated amount required to support the schedule of minimum salaries and salary supplements for the pastors, as adopted by the Conference.

17. The Secretary of the Commission on Equitable Salaries shall file with the Assistant Secretary of the Journal for publication in the Conference *Journal* each year a report listing the payments from the equitable salary fund during the year, giving names of the pastors and charges, and amounts paid to each. This report is to be made by June 30, following annual conference for the past calendar year.

18. The equitable salary schedule shall be based on the average Conference salary of the full connection and probationary members as determined by the Board of Pensions. The schedule for the various categories (rounded to the nearest \$100) will be based on the following percentages:

Members in Full Connection, 80% of average Conference salary
Probationary Members, 80% of average Conference salary
Associate Members, 75% of average Conference salary
Seminary Students (married), 62.5% of average Conference salary
Seminary Students (single), 58.5% of average Conference salary
Full Time Local Pastors, 66% of average Conference salary
Student Local Pastors (married), 50.5% of average Conference salary
Student Local Pastors (single), 46.5% of average Conference salary

19. According to the formula in paragraph 18, the Commission recommends the following Equitable Salary Schedule for 1988:

Members in Full Connection	\$18,200.00
Probationary Members	18,200.00
Associate Members	17,000.00
Seminary Students (Married)	14,200.00
Seminary Students (Single)	13,300.00
Full Time Lay Pastors	15,000.00
Student Local Pastors (Married)	11,500.00
Student Local Pastors (Single)	10,600.00

ASSEMBLY GROUNDS COMMISSION (Blue Lake Camp)

Your Assembly Grounds is one of the most beautiful and best equipped in the Southeast. It is in constant demand not only by our own people but by those of other denominations and groups. This ministry is an ever expanding one and we are grateful for the support that we receive from our people. The facilities at Blue Lake continue to be used widely by conference boards and agencies, committees, district and local church groups. Non-Methodist groups make use of the camp when they are not reserved by our conference people. 10,000 people experienced Blue Lake in 1986.

The policy of Blue Lake concerning reservations is as it has been for several years. Conference boards and agencies and district and local church groups are urged to plan and schedule their events early. When groups are small an effort is made to schedule more than one in Oakwood in order to accommodate more people. The people of our conference have until October 1 to schedule their activities for the year 1988. After October 1, non-conference groups will be scheduled if dates are available.

Each year we have groups to cancel their dates at the last minute. This poses a real problem for your assembly grounds. If a group cancels two months or less before their event, it is too late for another group to use it. Cancellations also result in the loss of revenue for the camp. The everyday expenses continue and the loss of one week's income makes it difficult to meet financial obligations. All groups are urged to give the Lake at least two months notice of cancellation.

Due to the continued rise in cost of utilities, it was necessary to increase some of the rates for 1987 at Blue Lake: Groups at Oakwood: \$20.00 (which is three meals and one night's lodging), Dogwood and Pinewood: \$15.00 per day per person. The rate for Non-Methodist groups and family reunions at Oakwood is \$26.00 per day per person. The rates for the new

wing have been set at \$25.00 per person per day for United Methodist and \$35.00 for Non-Methodist.

The Blue Lake fund is the life blood of your Assembly Grounds. Without the continued support of the local churches through their budgets the rates for all programs at Blue Lake would be much higher. Therefore, I urge each of you to accept and pay "in full" the Blue Lake apportionment.

The support of the United Methodist Women both physically and financially has made many of our facilities and their upkeep possible. For this support I am deeply grateful.

Blue Lake is your church camp and your church should use it as often as possible. Large, small or in-between, your church group is welcome and at home in this beautiful setting. Bring groups for retreats and send every person you can to the camping opportunities.

The Blue Lake ministry is a great one and it is a rare privilege to have a part in it. Your cooperation, support and understanding is greatly appreciated.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

HIGHER EDUCATION — Report No. 1

HUNTINGDON

Huntingdon opened its 1986-1987 academic year with the largest freshman class in recent years. The class entered with an average American College Test (ACT) score of 22.28, one of the highest in the state. With its 23 academic majors and preprofessional programs preparing for the professional study of dentistry, law, medicine, medical technology, and theology, the College also offers four year teacher education programs, an evening division program with the Associate and Bachelor's Degrees, and a Linkage Degree Program in engineering with Auburn University.

On September 19, 1986 with the opening convocation and the groundbreaking for the James W. Wilson Center, a new era has begun for Huntingdon. The two million dollar center will provide 10 classrooms, 15 offices, and computer facilities with as many as 30 terminals in one lab to a main frame computer, and another 15 to 20 microprocessors in an open laboratory. The Wilson Center for Business, Mathematics and Computer Science, a gift of Huntingdon trustee Jim Wilson in honor of his father, is expected to be completed by September, 1987. Continuing the program of facilities expansion, the trustees approved the construction of the Dixon Library Wing to the Houghton Memorial Library with the groundbreaking scheduled for the Fall, 1987.

Huntingdon continues to provide financial assistance to students who could not otherwise attend the College. That assistance has risen substantially, from \$351,000 in 1981-1982 to nearly \$900,000 in 1986-1987. The College is committed to assisting United Methodist students, and this year of the 219 United Methodist students, 179 are receiving \$265,140 in College funds. We are pleased to have eight Bicentennial Scholars enrolled because they represent a link between the local church, the College, and the General Board of Higher Education and Ministry. As a United Methodist related college, Huntingdon accepts the challenge of encouraging students to choose Christian vocations. To validate this concern, Huntingdon, beginning with the fall semester 1987, will offer up to \$1,000 annually, dependent upon need, for a student enrolled in a program leading to full-time church vocation; up to \$1,000 annually, dependent upon need, for dependents of ministers in full-time appointment within the two affiliated Conferences; and up to \$500 annually, dependent upon need, for dependents of ministers and others in full-time church vocations, regardless of Conference affiliation or ordained status of the parent.

We both appreciate and know that conference financial support and student recruitment are vital to the maintenance of academic excellence and sustained growth of this College and its distinguished service to Christian higher education for 133 years.

BIRMINGHAM-SOUTHERN COLLEGE

Birmingham-Southern College continues to emphasize academic excellence as it responds to the developing needs of students. Enrollment is at an all-time high with approximately 1,725 students in the regular program, adult studies, and the masters degree program in

public and private management. The College operates within a balanced budget while expanding services and facilities. Major construction projects are currently in progress including a \$1.7 million new entrance from Arkadelphia Road and the \$5.7 million Marguerite Jones Harbert building for Education, the Social Sciences, Business and Accounting.

Birmingham-Southern College seeks to make it possible for all students who want to enroll to meet the cost of their education. More than \$3 million in scholarships and financial aid is awarded each year, shared by approximately 70% of our students. Funds from individual churches and from the two Annual Conferences help to provide aid to United Methodist students. The new Guy McGowan Honors Scholarship provides \$10,500 per year for each of four students preparing for church ministry. Funding to endow the Denson Franklin Chair in Religion was recently completed. The Church Scholarship Fund from the North Alabama Conference provides significant aid to 200 United Methodist Church students. The College has decided to continue the Bicentennial Scholars program which matches \$2,000 in scholarship aid with \$1,000 awarded by a local church to a student, even though funds from the General Board of Higher Education and Ministry are no longer available for this purpose.

CAMPUS MINISTRY — Report No. 2

Ministry to college students is a major concern of the BHECM. Throughout the Alabama-West Florida Conference, there are over 20,000 United Methodist students enrolled in the Universities, Colleges and Community Colleges. Presently we have Wesley Units at Auburn, Livingston, Troy and South Alabama. Auburn and Troy have full time Directors. South Alabama is to have full time Ministry this year. In addition a number of local churches are providing on-campus ministry to students of nearby institutions. Plans are being made to establish ministry on the more predominantly Black Colleges — Tuskegee and Alabama State.

For the year 1986 receipts for the Wesley Foundation Fund totaled \$72,473. This is the largest amount ever received through this fund. However, it should be noted that this represents less than one half of what is needed for full program needs. Regardless of less than 100% funding the BHECM is very optimistic concerning future growth in campus ministry.

The percentages for the distribution of the Wesley Foundation Fund to the Wesley Units are as follows: Auburn 45%, Livingston 6%, South Alabama 22.5%, Troy 22.5%, and 4% for development.

GENERAL — Report No. 3

- A. The program of "Matching Gifts" was suggested by the urging of the Rev. Lynn Nesbitt, Vice Chairperson of the BHECM. It is through her efforts that Huntingdon College and Birmingham-Southern College can benefit financially through corporations' matching gifts, dollar for dollar by individual employees. Brochures have been distributed in both conferences to the ministers for publicizing this plan with church members. The BHECM fully recommends this program.
- B. For two weeks during the summer months, two students will be itinerating throughout the conference promoting the Black College Fund and expressing appreciation for past support for the Black Colleges. The Rev. Terrence Hayes will be coordinating this program. The BHECM calls upon all churches to support the Black College Fund.

PROPOSALS — Report No. 4

1. We propose that the Huntingdon/Birmingham-Southern Fund be \$396,672 for 1988, \$416,405 for 1989, \$436,138 for 1990 and \$455,871 for 1991.
2. We propose that the Huntingdon College Student Aid Fund be apportioned at \$1.00 per member of the membership of the annual conference.
3. We propose that the Wesley Foundation Fund be \$160,000.
4. We propose that a Wesley Foundation unit be established at Tuskegee University and Alabama State University during the conference year 1987.

HUNTINGDON COLLEGE EDUCATIONAL MINISTRIES WITH THE CHURCH

This has been an exciting year of continuing education through this office at Huntingdon College. Response of clergy and laity to each of the training opportunities provided has been very positive. We would like to highlight the following, many of which will be continued in 1988.

BIBLE ALIVE SEMINARS: Dr. Jim Fleming, Academic Dean of the Jerusalem Center for Biblical Studies, Israel, returned to Huntingdon for two highly successful Bible Alive Seminars in August. Around 250 ministers and laypersons enrolled for each seminar of in-depth Bible study — Old Testament and New Testament. Response to Dr. Fleming's scholarship, deep Christian conviction, and media presentation of color slides of the Holy Land, charts, diagrams and relief maps was enthusiastic, and received with deep appreciation. We look forward to Dr. Fleming's return for a third Bible Alive Seminar.

CERTIFICATION FOR ASSOCIATE IN CHRISTIAN EDUCATION: For the second year, Scarritt Graduate School came to our campus to provide a required course for Christian Educators to receive academic credit toward their certification. Dr. Grant Shockley, Duke Divinity School, was instructor of the course "Teaching/Learning" for students from Alabama, West Florida, Georgia, and Mississippi. They have requested a third course, "Theology," for winter 1988.

DOCTOR OF MINISTRY DEGREE: At the request of Asbury Theological Seminary, a Doctor of Ministry Degree course was hosted on campus the first week of December. Instructor of the course was Dr. George Hunter of the Asbury faculty. Ministers from Alabama-West Florida and North Alabama were enrolled.

HOLY LAND TOURS AND STUDY: Holy Land tours and opportunities to study at the Jerusalem Center for Biblical Studies are being planned under the auspices of Huntingdon College and in cooperation with Educational Opportunities, Inc. of Lakeland, Florida. Educational Opportunities, Inc. is a Christian travel agency and owner of the Jerusalem Center of Biblical Studies. The basic tour of the Holy Land, "Ten Glorious Days"; study at the Jerusalem Center; and a study of Paul, his mission, and his missionary journeys in Greece will be provided beginning in winter 1988.

BIBLE STUDIES FOR ADULTS: Nine new courses were taught in School of Laity this year including "Everyman: The Moral Dramas — Job, Jonah, and Daniel," "God's Servant: Isaiah," "God is Love: Gospel of John," "God's Final Victory: The Book of Revelations," and "St. Paul's Testament of Faith: The Book of Romans." Dr. Roger Dick Johns has been instructor of all courses by popular demand. Additional new courses are being designed for this new year.

CHRISTIAN DRAMAFEST '87: The Board of Directors of the Institute of Religious Drama held a very successful Christian Drama Workshop in February. Leadership was outstanding as reflected by participants' responses during and following the event. Members of local churches from Pensacola to Birmingham and Columbus, Georgia were deeply

involved in Biblical costuming, lighting, set construction, makeup, local church performances of plays, and resources from Cokesbury and Bakers Plays.

"GALILEAN INCIDENTS": The Pulpit Players have added a new play, "Galilean Incidents," to their repertory and are responding to requests from local churches for performances.

BOARD OF ORDAINED MINISTRY DEPOSITORY ON CONTINUING EDUCATION: Administering the continuing education records of the Depository has been an interesting and challenging experience. CEU credits, requests, reports, and general correspondence cross our desk daily. CEU records illustrate an excellent response of ministers to a high quality of continuing education in a wide variety of content areas throughout the country and abroad.

In addition to ongoing programs this year, the Director of Educational Ministries with the Church has attended the Jerusalem Center for Biblical Studies, Israel; the World Methodist Council and the World Methodist Conference, Nairobi, Kenya, and Emmaus Walk 10, Blue Lake.

COUNCIL ON FINANCE AND ADMINISTRATION

ORGANIZATIONAL STRUCTURE — Report No. 1

We recommend that:

1. The financial office tabulate church by church, fund by fund, the information given on the remittance blanks for the conference depository.

2. The Commercial Bank of Andalusia, Alabama, be designated to serve as the conference depository to receive funds and keep specified records.

3. The financial office prepare reports as required by the Council on Finance and Administration and mail copies to persons who may need such reports.

4. The financial office disburse all checks pertaining to every fund and keep the proper files of the copies of the check orders from the secretaries authorizing the issue of such checks. We further recommend that the copies of the checks issued be filed after having been charged against the account upon which they have been drawn. 5. ALL DISTRICT AND CONFERENCE FUNDS be channeled through the Commercial Bank, Andalusia, Alabama, and records be kept by the financial office of the conference.

3. Each agency whose records are not kept by the financial office is required to bond its treasurer, which may be done through the council at no cost to the agency. Such agency shall provide a copy of its audit and other reports to the council as deemed necessary by the council. (Para. 713.2; 714.2, 1984 *Discipline*). (Para. 710.5, 1984 *Discipline*).

10. The adoption of reports and recommendations of the council by the Annual Conference shall become the final action of the Annual Conference, and shall be accepted regardless of the adoption of any and all reports and recommendations of boards, commissions and agencies. An exception is made when there is a difference between the report of the council and the request of the Board of Pensions and Homes for Claimants, in which case the latter shall take precedence.

11. In order to avoid the depositing of conference funds in any one bank in excess of the insured limits, the council shall serve as clearing house for all agencies in the Annual Conference making deposits in any bank, either savings or checking accounts, and no such deposits shall be made by any agency without approval by the council.

12. A Committee on Investments and Audits within the council will be responsible for reviewing, approving, and supervising all banking relationships of the council with special attention given to investments including conference agencies. POLICIES AND GUIDELINES

FOR ANNUAL CONFERENCE REGISTRAR — Report No. 5

Standing Rule 8 of the Annual Conference makes the Council on Finance and Administration the Committee on Arrangements for the Annual Conference Session. In keeping with this, the Council on Finance and Administration has selected one person as conference registrar to supervise registration of and assignment of rooms to Annual Conference delegates; handle calls for persons attending sessions; supervise displays and allocations of rooms for such; handle reservations for meeting rooms and for dining areas.

In order to implement and prevent overlapping of authority, the Council on Finance and Administration adopts the following guidelines:

1. The Conference Registrar shall have full responsibility for interpreting the eligibility of those covered under Standing Rule 8 for entertainment at the Annual Conference Session. This may be appealed to the Council on Finance and Administration.

2. Chairpersons of boards and agencies who are not elected delegates and attend the Annual Conference in order to give reports shall have their expenses paid by their own board or agency.

3. Space and/or rooms to be used for displays shall be assigned by the registrar and no other. Space shall be assigned on a first come basis.

4. Use of dining halls, rooms or areas shall be determined by the registrar.

5. No materials will be allowed on the registration table other than those necessary for registration. Other arrangements should be made to distribute materials through the registrar.

6. Commercial displays will be allowed only in a room assigned and publicized for this purpose with the exception of Cokesbury which will continue to have a room assigned only to them.

7. Special needs, such as hymnals, altar furnishings, projectors, etc. shall be arranged through the registrar at least two weeks before conference. Needs arising during conference which could not be anticipated will also be arranged through the registrar and not through the college.

SPECIAL FUNDS AND COLLECTIONS — Report No. 6

We make the following recommendations for those causes for which no funds are allocated:

1. That our Conference continue to give its hearty support to Advance Specials at both General and Conference levels.

2. That the White Christmas and fifth Sunday church school offerings for the Children's Home be given full support throughout the Conference.

3. That each local church observe World Communion Sunday, Human Relations Day, One Great Hour of Sharing, Christian Education Sunday, United Methodist Student Day,

and World Order Sunday and that special offerings be received or budgeted for these special days.

4. That support for Golden Cross Ministries be given through a special offering on the Sunday following Labor Day, and support for Homes for the Aging be given through a special offering on Mother's Day each year. We further recommend that these be given promotion by the Board of Health and Welfare Ministries and supported by the entire conference.

5. That the Committee on Camping of the Board of Education be granted permission to make a selective appeal for funds to help underwrite the camps for underprivileged and special youth.

6. That the conference give full support to the Youth Service Fund.

7. That permission be given to the United Methodist Women to continue their efforts to secure funds for Blue Lake.

11. That permission be granted the Mobile Inner City Mission to establish "The Mobile Inner City Endowment Fund" to receive donations, gifts, subscriptions, and bequests provided that there be no conference goals or quotas on any church nor solicitation of funds through the churches.

The following funds are excluded from this service charge: General and Jurisdictional apportionments; Special Day offerings, including Mother's Day and Golden Cross Ministries; all Advance Specials; Conference Claimants Fund; and the Children's Home offering.

STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS — Report No. 8

1. The council believes that all apportionments are needed in the amounts apportioned. Further, the council believes that it is within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and even greater effort will be made in the future to accomplish more manageable apportionments. We urge full acceptance and payment of all apportionments by each church.

2. We recommend that in setting apportionments for new churches, the following be the policy:

1st full year	— no apportionments
2nd year	— 50% apportioned
3rd year	— 75% apportioned
4th year and following	— 100% apportioned

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and the council may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in paragraph 267:3c of the 1984 *Discipline*. It is our suggestion that audits of local church financial books should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included.

DISCIPLINARY REQUIREMENT — Report No. 9

Paragraph 714.1 of the 1984 *Discipline* requires the council to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts for which treasurers are bonded. The council recommends that the present policy of bonding be continued through the General Council on Finance and Administration.

FORMULA AND ALLOCATIONS — Report No. 10

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% non-building budget (see Standing Rule 26), and that apportionments be determined by local church decimals applied to the cost of each ministry at the conference level.

2. It is recommended that the spring meeting of the council be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requests for information requested and required by the Council on Ministries.

3. We recommend that apportionments be developed and distributed to each church in order that they may be used for development of local church budgets for the calendar year. Apportionments shall be developed by the office of the treasurer using the data submitted on the local church report to the Annual Conference. Errors and corrections may be made in reports prior to Annual Conference. Only one apportionment schedule will be mailed to the churches for the ensuing calendar year. This final report will be mailed the latter part of June of each year.

4. Attention is called to the closing of the books of the Conference Treasurer January 6, 1988. All remittances to be applied to 1987 receipts *must* be in the bank by its closing time of 2:00 P.M.

5. Preparation of the statistical tables for 1987 shall be handled in the conference fiscal office. Report forms will be mailed in December to each local church from the conference office for reporting local church expenses. These forms are to be returned to the conference office by January 15, 1988. A computer printout of the annual report will be mailed to each church for review and correction.

MINISTERS MOVING EXPENSE — Report No. 11

We recommend that upon retirement, disability or death of a minister, the conference pay up to \$800.00 for documented moving expense to the first place of retirement or disability. Likewise, the conference shall assist the surviving spouse of a minister to the first place of dwelling following death of the minister.

AREA BOARD OF PASTORAL CARE AND COUNSELING

Report No. 1

The Area Board of Pastoral Care and Counseling has made tremendous advances within the past year. The Board has embraced its growth each year since its inception with enthusiasm. The culmination of the search for the Clinical Director for the Pensacola Office was joyously attained. Reverend John G. Galloway, Jr., Clinical Director of the Pensacola Office of the Area Board of Pastoral Care and Counseling, began his employment on September 1, 1986. Although experiencing the most difficult financial times in its history due to the addition of the Pensacola Office and staff; the Board is extremely pleased with the enhanced ability to serve both conferences equally well. The inclusion of laity in our counseling services may prove to be the most significant change in our services since the inception of the Board.

Reverend Charles E. Alexander, Administrative Director and Clinical Director of the Birmingham Office, held 906 counseling and consultation sessions over the past twelve months. These are in-office sessions only. They do not include any of the out of office consultations or lectures and talks. Reverend John Galloway, Clinical Director of the Pensacola Office, held 204 counseling and consultation sessions since September 1, 1986. This also does not include out of office consultations, lectures and talks. The counseling Interns together have held a total of 406 counseling sessions during the past twelve months at the Board's Montgomery and Decatur satellite offices.

The Board has sponsored numerous workshops/seminars this year that have enabled our clergy to earn Continuing Education Units. Seminars have included: "Survival Skills for Ministers"; "Expanding Your Pastoral Counseling Skills"; "Pre-Marital Counseling"; "Pastoral Response to Substance Abuse"; and "Growing Through Grief."

In addition to these workshops the Area Board provided leadership, resources and consultation for a myriad of others. Over 20 of our North Alabama churches availed themselves of the Board's help with: family life; marriage enrichment; staff; couples enrichment; and family violence workshops and retreats. The Area Board held a Preacher's Kids Retreat at Camp Lee in August and repeated the Entering Seminary Students workshop.

In the coming year the Area Board plans to continue the sponsoring of Continuing Education Events for our ministers and the practice of making these events locally available to our clergy. The Board hopes to bring parish-based Clinical Pastoral Education into our area within the next two years. Leadership, resources and consultation will continually be provided for those who call on us for workshops and seminars.

Training opportunities in Birmingham will continue to be offered through our Fellows program in pastoral counseling, up to six clergy will have the opportunity to study one day per week with supervision and seminars in pastoral counseling while serving in their parish.

Changes and revisions in our purposes have necessitated a new charter and by-laws. These documents are included in this report for your approval.

We continue to solicit your prayers and financial support of this vital ministry. We believe our program is a model for United Methodists throughout this country.

AREA BOARD OF COMMUNICATION/ADVOCATE

1986 was an outstanding year for the Office of Communication/ADVOCATE. A major advance was completed in the area of electronic media. Two new television spot announcements were produced in the Pensacola and Mobile Districts. The Pensacola-Mobile Television Task Force led the Episcopal Area in airing television spots. The Office of Communication also provided spots for airing in the Dothan District, the Anniston and Gadsden Districts, as well as spots that were aired in cooperation with the Board of Missions from the Birmingham and Huntsville stations.

Mr. Vastine Stabler, layman from Highlands United Methodist Church in Birmingham, and the Office of Communication were presented a "Certificate of Merit" by the United Methodist Communication and United Methodist Association of Communicators for their production of the 30-minute T.V. program "Helping Churches Grow."

The United Methodist Christian Advocate also experienced a good year, in that circulation was increased by 2,000 subscriptions. At the close of the 1986 Subscription Campaign, "Thank You Awards" were presented to four United Methodist ministers. The awards were trips to the Holy Land. Rev. Tom Butts, Rev. Mac Buttram, Rev. Albert Satcher, and Rev. William Etheridge were the recipients. *The Advocate* continued to publish 26 times per year with a paper of 16-20 pages.

The Office of Communication/ADVOCATE and its Board of Directors sincerely appreciate the support of all subscribers and friends. Special commendation should go to the District Coordinators of Communication, who assisted with the T.V. spots promotion; to the District Superintendents; and to Bishop J. Lloyd Knox.

PREACHERS AID SOCIETY

During 1986, the Alabama-West Florida Conference Preachers Aid Society continued to serve as a "Helping Hand" for the brothers and sisters of the clergy. Several donations

ranging from \$50.00 to \$100.00 were made to those who had incurred overwhelming medical expenses; as well as quite a few loans ranging up to \$600.00, at a rate of 6% per annum.

Every minister under appointment (Full Conference, Probationary, Associate Member, Local Pastor) is asked to pay \$1.00 per year dues to the Preachers Aid Society. These dues go into the Loan Fund, from which any minister in good standing (dues paid up-to-date) can borrow. The interest from the loans goes into the Donation Fund, from which the gifts are made to those in particular need.

We continue to urge those who borrow from the Preachers Aid Society to be punctual in paying their notes, especially the annual interest, since that interest is what makes up the Donation Fund. The Annual Report reveals the amount in the Donation Fund to be \$500.00 at the end of 1986. Most of this money will have been given away by Annual Conference.

We urge continued support of the Preachers Aid Society, so that we may continue to "reach out" to our ministerial families in their hour of need.

During 1986 we paid \$49,755.33 in dividends to our members. The interest we pay on deposits, and the interest we charge on loans continues to be as good, or better, than any to be found on the secure insured market.

Your deposits are insured up to \$100,000.00 with the Federal Government.

Free life insurance is provided to each depositor in the amount of their share deposits up to a maximum of \$3,000.00. You must reach the \$3,000.00 amount before you reach age 55, in order to maintain this amount.

Free life insurance is also provided for your loans. You usually pay extra for this elsewhere.

Membership in the Credit Union is open to all members of the Alabama-West Florida Conference, all members of their families, employees of churches in the Conference, and employees of Institutions owned by the Conference. There is a membership fee of \$1.00 for joining, and a minimum deposit of \$25.00 must be deposited upon joining.

The Credit Union is administered by a Board of Directors numbering nine, and they are elected for staggered terms of three years. Election of Directors takes place at an annual membership meeting held each year in the month of January or February. The Board of Directors elects a President, a Vice President, Secretary, Treasurer, Manager, Supervisory Committee and Chairman, and Credit Committee and Chairman.

COMMISSION ON RELIGION AND RACE

The question has been heard, "Why do we have to have a Commission on Religion and Race?" There is still confusion as to why, what, and where. General Conference mandates that each Annual Conference organize such a Commission (Paragraph 739, *The Book of Discipline*, 1984). The duties and responsibilities are given in detail. Further, the General Conference established a General Commission on Religion and Race to monitor and give guidance, support, stimulation, and provide resources to do the work of the Conference Commission. The signs of the times call for renewed zeal as we seek to concentrate efforts to be an effective instrument of Christ.

The General Commission, by unanimous vote, is recommending that no missional priority be set for the 1988-1992 quadrennium. Our Commission anticipates an expanded role in developing and strengthening the ethnic minority local churches. The Missional efforts of these past eight years need to be secured and firmly rooted in the conference life. This requires a concerted effort by every agency of the conference. Agencies and annual conferences still need to provide funds in their regular budgets to continue the work started during this and past quadrennia.

The Commission is mandated to monitor the churches, boards, agencies, and institutions of our conference that implementation is done in compliance with the 1984 *Discipline*. The meaning of true merger is our guideline. The Commission developed monitoring instruments for local churches, district councils on ministries, and agencies. These were mailed to appropriate individuals. Approximately 11% of the questionnaires were returned. We can draw many implications from this limited response. It seems that apathy prevails. We have a tremendous amount of work to do before racism is eliminated from our conference, and that inclusiveness is natural.

Monitoring will continue to be a priority with the Commission. It is our hope that future responses will be more favorable. Please familiarize yourself with Paragraph 739 of the 1984 *Discipline* to insure more intentional involvement in the Commission's efforts to develop and strengthen the ethnic minority churches and to establish a more inclusive fellowship.

"Racism plagues and cripples our growth in Christ, inasmuch as it is antithetical to the gospel itself." (The Social Principles, Paragraph 72, *The Book of Discipline*, 1984.) Among the actions taken by the General Conference 1984 to address racism in the United Methodist Church was to call for a National Convocation to be held during the 1984-1988 quadrennium. That Convocation is being held in Louisville, Kentucky, September 13-16, 1987. A team of representatives from our conference will attend and participate. Those who receive this training will give guidance throughout our conference in the near future.

The Bishop's Convocation on Religion and Race will be at Blue Lake, February 19-20, 1988. Circle these dates on your calendar and make plans to be a part of this event.

The day of Pentecost, Act 2, has been used and used with emphasis on the coming of the Holy Spirit, but not any notice of the inclusiveness of those that came because of the excitement caused by the disciples. Look at verse 5 that refers to "devout men of every nation under heaven." They heard in their own language. The nations named were not of one complexion, but an inclusive fellowship of devout people. Why do we deny or overlook this in our practice? We acknowledge that we are an inclusive church, but is it just fabrication and not intent of the heart? Is there any wonder that the beginning service of the National Convocation is a "Service of Repentance and Forgiveness"?

Paragraph 739.3, 1984 *Discipline*: "Evaluating the Priorities of the Annual Conference in light of the needs in the area of race relations. The Commission shall develop recommendations to present to the appropriate agencies and report directly to the Annual Conference session. These recommendations shall lift up the need to deal with the pressing issue of racism, racial and ethnic minority group empowerment, and reconciliation among the races." In light of this directive, we make the following recommendations:

1) We recommend that the Black Methodist for Church Renewal caucus be encouraged and assisted in their purpose.

- To empower Black Methodists for effective witness and service in local churches, conference, schools, and larger community.
- To encourage and involve Black Methodists and others in the struggle for economic and social justice.
- To expose latent and overt forms of racism in all local, regional, and national agencies and institutions of the United Methodist Church.
- To act as an agitating conscience on all boards and agencies of the United Methodist Church in order to keep them sensitive to the needs and expressions of a "genuinely" inclusive and relevant church.
- To keep before the church the crucial issues facing us in initiating action and supporting church agencies which realistically deal with the needs of black people.

Black Methodist for Church Renewal is the legitimate Black Caucus recognized by the General Church.

2) We recommend that the Board of Missions develop a committee or task force on local missions. We commend the efforts and programs that stimulate our sense of mission in other areas of our country and overseas promoted by the Board, but feel a void in local initiative. Much of what is called local missions is in reality charity of simply a handout. While this does serve a vital need, it is not focused on permanent solutions to economic conditions that people of all races are victims. Christian love and compassion must not be satisfied with a band-aid approach to the suffering of people. We need your leadership in creating programs that will improve our skills.

3) The Commission recommends that every local church be open to opportunities to establish intentional ministries to and with the ethnic minority communities in your area. The area of our conference has seen an increasing number of ethnic groups moving into local parishes and too often we are not sensitive to opportunities for ministries and missions with them. Every community has the poor, the uneducated and the unskilled that have been oppressed in many ways that present opportunities to the local church for ministry and missions. All of us can be instruments of strategies for meaningful change and create new ways to do ministry. Heritage Sunday has been established as a time when we all can acknowledge and celebrate the significant heritage that is represented within our conference. It is our hope that our celebration not be restricted to our own ethnic group but recognize significant individuals and causes of other groups which can heighten our celebrations and make inclusiveness a reality.

- 4) The Church Revitalization portion of the Capital Fund Campaign will do many marvelous things for church buildings and grounds, but it is too limited. There is a great need for funding for programming. Leadership development, resources, empowerment, etc., often are beyond the financial abilities of the church that needs revitalizing. We plead with all agencies to include in their budget requests for funds for program revitalization to be available for use in and for those churches that have potential for growth and for ministry.
- 5) It is recognized that new church organization and structure is vital to membership growth of our conference, but let us not lose sight of possibilities within ethnic communities for new church potential.

SUMMARY:

The Commission will endeavor to fulfill not only the mandate given us by General Conference but the mandate given us by our Lord. The great commission commands us to include all people in the activities of the Kingdom. We sincerely seek your fullest participation with us to fulfill these responsibilities. There are tremendous opportunities of inclusiveness throughout our conference; we must be about the task. Reconciliation is your privilege and ours. The Commission stands ready to assist you in your program.

UNITED METHODIST FOUNDATION, INC.

The Board of Directors of the Alabama-West Florida United Methodist Foundation, Inc. is pleased to report to the annual conference that 1986 was the best year yet in terms of the growth of our Foundation and its service to the Annual Conference.

During 1986 the Foundation had a total of \$1,337,907 in new monies which were placed in its care, bringing the total assets of the Foundation to \$3,708,422. These figures represent a 36% growth over last year, and we feel that this is indicative of a growing confidence in the Foundation's work from all areas of the conference.

The figures on the other side of the ledger perhaps best demonstrate what the Foundation is beginning to mean to the conference. During 1986 we disbursed to trust beneficiaries \$656,666.90, to church depositors \$49,370 in earned interest, and \$372,689 in first mortgage loans to churches and conference institutions for a total of \$1,078,725.90 disbursed for all causes during 1986.

At its Annual Board of Directors meeting on March 18th the Board reviewed the progress of the Foundation during the past year and noted and acted on the following:

- a restructuring of the Foundation committee structure and the assignment of every director to a working committee.
- the nomination of nine new directors, six in the class of 1990 and three elected to fill vacancies in the class of 1989.
- the election of the new officers of the Foundation which include:
 - President: Mr. Frank C. Martin, Sr.
 - Vice-President: Mr. C.H. (Babe) McGehee
 - Secretary: Mr. Alan Livingston
 - Treasurer: Ms. Helen Cunningham
- two amendments to the corporate bylaws of the Foundation which were unanimously approved and are included here for your information:

Article V. Sec. 7 — Subject to the limitation that they exercise the judgment and care, under the circumstances prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, the Investment Committee of the Alabama-West Florida United Methodist Foundation, Inc., acting under the authority of its Board of Directors, shall be vested with complete authority in managing and investing the Foundation's assets in any and every kind of property, real, personal or mixed and every kind of investment including, but not limited to, corporate obligation, stock, preferred or common, government securities and church mortgage obligations.

Article V. Sec. 8 — Any two of the following persons are authorized to sign checks, investment certificates and all other legal documents: executive director, treasurer and all other officers of the corporation.

- requested that the Executive Committee continue to pursue the matter of Directors and Officers Liability Insurance for the Board.
- noted that the Foundation is on track with its five-year plan for being self-supporting by January 1, 1992.
- reviewed the audited financial statements which are included as a part of this annual report.
- made special recognition of Mr. Alto V. Lee, III as the outgoing president of the Foundation for his unselfish service and devotion to the Foundation and the Annual Conference.
- Mr. Frank Martin, Sr., the newly elected president, challenged the Board to be actively involved in the work of the Foundation. Martin also challenged the Board to look toward a goal of \$10,000,000 in total assets by 1990.

The Board of Directors are listed as follows in three classes. The Annual Conference is asked to elect the class of 1990 in its entirety and Mr. David Crawford, Mr. Thomas Roney and Mr. Laurens Jones to fill unexpired terms in the class of 1989.

UNITED METHODIST DEVELOPMENT FUND, INC.

As you read this report, our Development Fund will have just opened May 1, 1987, for depositor's investments. Since this past annual conference much has been accomplished by your Board of Directors in qualifying our Fund to do business in both Florida and Alabama. While the fact that our conference lines include portions of two states which enhance our fellowship and work as Methodist people, it does, on the other hand, provide for many more hurdles when having to deal with state regulatory systems.

As the Fund opens to our people, it is imperative that our laity and clergy familiarize themselves with the facts about the Fund so that we can enlist broad support from across the conference. The basic facts are as follows:

— *How does the plan work?*

Individuals, churches and church organizations deposit money in the Fund and receive interest. The Fund then makes loans to churches.

— *What is the minimum that can be deposited?* \$100.00

— *Can money be withdrawn as necessary?*

Yes, all deposits are on a "demand" basis and can be withdrawn at any time. There are no penalties for withdrawal and the Fund maintains adequate cash reserves to assure that all such requests are promptly honored.

— *What interest rate will I receive?*

Interest for the current period has been set at 7% per annum. This is a good rate for "demand deposits." The interest rate is reviewed semi-annually by the Board of Directors. The rate can never be less than 5½%. Interest is earned from date of deposit to date of withdrawal and is paid on June 30 and December 31 each year.

— *How are loans made?*

All loans are granted by the Fund's Board of Directors after careful evaluation and recommendation from the District Committee on Building and Church Extension. All loans are secured by first mortgages, and in most cases, repayment is guaranteed by the District Committee.

— *What is the interest rate on loans?*

Loan rates to churches are limited to 1½% more than the rate paid on Certificates of Participation. This is sufficient to cover the Fund's administrative costs and any excess is added to the capital.

As of the date this report is submitted for publication, the Fund has capital assets of \$156,180.44. Its bylaws permit the Fund to accept eight times its current capital in deposits meaning that presently the Fund can accept deposits totaling \$1,249,443.52. At present the capital is being funded by Capital Fund Campaign monies designated to capitalize the Development Fund with a goal of \$500,000. It remains imperative that our churches pay their fair share goal in full so that we can be about the business of revitalizing existing churches and developing new congregations.

As a part of our report to this Annual Conference, we are recommending that, with one exception, the entire Board of Directors of the Alabama-West Florida United Methodist Development Fund be re-elected by the Annual Conference since the Board has just now begun to familiarize itself with the scope and nature of its work.

In place of Mr. Alto V. Lee, III, Mr. Frank C. Martin, Sr., is named to the Board by virtue of his holding the office of president of the Alabama-West Florida United Methodist Foundation, Inc. in accordance with the corporate bylaws of the Fund.

Money saved is never idle! It always works for somebody; it always supports something.

You can make the money you save work for the church while it works for you. Savings invested in the Alabama-West Florida United Methodist Development Fund are available for loans to our churches. You are helping them to find building loans when they are needed and at affordable rates of interest.

You are making a contribution without making a donation!

We, as your Board of Directors, hope that the Annual Conference shares our enthusiasm for what can be accomplished through this Fund during the years ahead.

CAPITAL FUNDS CAMPAIGN REPORT

As of April 3, 1987, the amount of \$1,242,243 has been received in our campaign to raise \$3,250,000 for new church development and revitalization of promising older churches; to build a much needed addition to Oakwood Lodge as well as some remodeling to existing facilities at Blue Lake; and to secure additional homes for retired ministers. This amount represents 36.80% of the total whereas 48.00% should have been paid by this time. Many churches are current with their remittances and 49 have paid their Fair Share Goal in full. May 31, 1987, will make the half-way mark on the campaign and churches are urged to become current with 50% paid by this time.

The addition to Oakwood Lodge is nearing completion, and we all anticipate the use of these new facilities. A considerable amount of money can be saved if Capital Funds Campaign monies are available making it possible to pay for this construction as soon as possible thus avoiding the payment of interest over an extended period of time.

Statistics point out that a very large percentage of new members received within a conference come as the result of the establishment of new churches. Most of the districts within our conference, and particularly those along the Gulf Coast, have plans for new congregations to be established as soon as funds are available. Some of our older, more promising congregations could experience growth and extend their programs with some financial assistance.

The high cost of housing makes it prohibitive for some of our ministers to provide homes in their retirement. A large number will be retiring within the next ten years and some will need housing provided by the conference. \$500,000 of our Capital Funds Campaign has been designated for this purpose.

The success of the Capital Funds Campaign is essential to the growth of the Alabama-West Florida Conference, and the support of each church in the conference is essential if we are to reach our goal of \$3,250,000 by May 31, 1989.

FEASIBILITY STUDY COMMITTEE ON THE RELOCATION OF CONFERENCE HEADQUARTERS

Progress Report

For the past two years the Committee has worked through task forces, resource people, and meetings of the full committee. Information has been compiled on a variety of subjects including the following:

- An analysis of space needs, current and projected;
- Appraised market value of Conference property in Andalusia;
- Estimated costs of staff living accommodations in Montgomery;
- Attitudes of professional staff, the Andalusia district superintendent, and the Andalusia community;
- Statements from the Bishop of the Birmingham Area;
- Proposals from Huntingdon College on potential campus sites, including the most recent, a planned renovation of Massey Hall with the first floor available for leasing to the Conference;
- Costs of the Huntingdon proposal compared with costs of existing facilities;
- Alternate sites in Montgomery with attention to location for visibility, zoning regulations, land and construction costs, and the possibility of a joint venture with the Board of Pensions for town houses, not connected to but in the same general area as a headquarters building;
- Availability of goods and services, transportation, communications, printing capabilities, and other factors in both Andalusia and Montgomery; and
- A sound financial plan for moving.

In view of the possibility that the 1988 General Conference may pass legislation providing for making the Alabama-West Florida Conference an episcopal area, the Committee feels that a decision on moving headquarters should be delayed for another year. The Committee expects to make a full recommendation at the Annual Conference in 1988.

The Committee wishes to thank all persons who have assisted us in this study. We thank especially Dr. Allen Jackson and his staff at Huntingdon College for their diligent work in preparing and presenting proposals to the Committee. We also express appreciation to Mr. Frank Parquette, a Methodist layman and a realtor, for the many hours of work and expertise he donated in preparing information on alternate sites in East Montgomery.

Annie Mae Turner, Chairperson

BISHOP'S ASSISTANT FOR SPIRITUAL FORMATION

I am so glad to see us having this kind of event. We have had preaching and preaching, which hasn't moved us much further. To have some experiences in ways of praying, presentations in a teaching style with opportunities for response, a place for interaction in small groups, and to have it all in the spirit to go with all this, is refreshing.

This is one of the many similar responses to a three-day local church Christian Growth Conference which focuses on the Wesleyan "means of grace": Worship and the Sacraments,, Bible Study, Prayer, Fasting, and Accountability. As an outworking of these "instituted" means of grace, actions for ministry and justice are seen as "prudential" means of grace. Although participants are faithful church members, most cannot recall ever hearing of the means of grace. This indicates that the basics of Christian disciplines have not only dropped out of Methodist practice, but out of Methodist consciousness as well.

At the end of a conference, several participants will have identified their need for more regular meditation on the Bible; others for renewed attention to their prayer life. A few are interested in beginning daily journaling of their walk with God. Some will see ministry opportunities as their way forward. Often persons agree to join together in one or two covenant groups to encourage each other weekly in their disciplines. The church becomes more aware of a central emphasis to which its leaders should give more guidance and support.

During the 1986-1987 conference year, I have been privileged to work with fourteen Area congregations in such conferences. I have also held a twenty-six-hour training workshop in each Conference to resource leaders to teach spiritual formation in their own local churches. Rev. Bob Patrick presented the formative power of worship. I dealt with other disciplines. We now have persons whom I can recommend to lead Christian Growth Conferences in local churches or for local church leaders in district settings. We already have plans in one district to utilize two of these leaders. Mr. Patrick and I have been invited to offer this workshop in the Leader Development Center during Ministers Week at Junaluska in July.

In all, I have given leadership to eighteen events in retreat settings. This includes eight twenty-four-hour retreats for pastors and spouses of the Area, a retreat for the Area Cabinet, Staff and Spouses, a forty-eight-hour spiritual formation retreat for the Mississippi Area Cabinet, a forty-eight-hour Spiritual Discovery Retreat for laity and clergy on "The Holy Spirit," and four six-day sessions of the Alabama Academy for Spiritual Formation. It was a privilege to work with the Boards of Ordained Ministry in each Conference and the Area Pastoral Care staff in orientation retreats for those going to seminary and for those entering the Course of Study Summer School.

The most comprehensive event of the year was again the retreats for pastors and spouses led by Bishop Knox and me. Dealing with the theme of discernment, participants had opportunity to reflect on and to share their awareness of the present activity of God in all of life, as well as the reality of evil which thwarts the full expression of God's will. The call was sounded for the prophetic unmasking of the principalities and powers.

Retreats for pastors and spouses are scheduled by districts in 1987 at Blue Lake on:

Sept. 8- 9 Demopolis, Dothan, Mobile, Montgomery & Troy

Sept. 9-10 Andalusia, Marianna-Panama City, Pensacola & Selma

Alabama has been honored to be selected by the Upper Room as a location for its fourth national Academy of Spiritual Formation, which will begin in March, 1988. The present Academy at Camp Sumatanga, which has completed seven of its eight sessions, has involved twenty-nine persons from the Birmingham Area in an indepth exposure to the Christian spiritual tradition. Lay persons and clergy who feel called to local church and conference

leadership in spiritual growth should seriously consider this experience. Brochures giving information will be on a Conference display table.

I have been in an ongoing covenanted relationship with eleven persons around spiritual direction. I am working with ten of these in one-on-one sessions monthly as spiritual director and with another as a seminary adjunct faculty consultant in a Doctor of Ministry program on spiritual direction. As a result of experience through the Academy, several others are also working with persons in spiritual direction.

The office has served as a clearing house for many inquiries, such as Ash Wednesday services, fasting, blessing a house, resource books. The Board of Discipleship requested me to monitor the Roman Catholic RENEW movement for possible Methodist adaptation. I am serving on the Advisory Board which oversees all the Upper Room's Academies in the United States.

I have applauded the effort of the North Alabama Board of Laity and the Superintendent in launching a conference-wide pilot project for covenant discipleship groups. I have sought to affirm and to encourage in every way the excellent ministry of the Alabama and the B - Lake Emmaus communities in making Christian discipleship come alive.

Personal highlights for me were an eight-day silent retreat in a retreat house Gloucester, Massachusetts, and a twenty-one-day trip to Kenya for the fifteenth World Methodist Conference.

This has been a heartening year because of the warm responses of so many of you.

BOARD OF HEALTH AND WELFARE MINISTRIES

Report No. 1

The United Methodist Church has always been concerned about the health and well-being of people around the world. This has been expressed from the very beginning of its existence when John Wesley and other members of "The Holy Club" went into prisons and other institutions, to express their Christian concern for persons who were in need.

The Board of Health and Welfare Ministries of the Alabama-West Florida Conference seeks to express this God-given caring for all persons. This caring concern is in part reflected by the reports of the United Methodist Children's Home, the Methodist Homes for the Aged and Golden Cross, that follow in this report.

Please read carefully the report on Golden Cross, noting the number of persons served and the procedure for applying for financial help from the fund.

GOLDEN CROSS SUNDAY IN OUR ANNUAL CONFERENCE WILL BE OBSERVED ON SEPTEMBER 13, 1987, THE SUNDAY AFTER LABOR DAY. We encourage all churches to observe that day with a special offering.

Our society is characterized by various groups of persons with special needs. One of the most well known of those groups claims millions of persons who have some sort of handicapping condition. Evidence of such claim is the presence of special parking places and facilities provided for those citizens.

Another group of those special members of our society live their lives in a "contrived environment" such as a home or institution for children and young people, and adults are often in the senior years of their lives. Annual Conference evidence for the presence of those special members of our society includes the United Methodist Children's Home in Selma, Alabama and our Homes for the Aging.

An ever growing group of persons with special needs includes untold numbers of persons who have been and are being physically and emotionally battered by total strangers as well as by close friends and relatives.

We see evidence of the presence of those persons in the multiple advertisements for individuals, hospitals, and other institutions who reach out to help persons in such

For a long time in the church, we have had intentional ministries for children, and adults. More recently we have added ministries to young adults, older adults and families. We have not had a ministry for persons with special needs because it was too difficult or too expensive, or it was just not practical to do so. With constant change taking place in our society, it is evident that if we are to continue to be relevant to the world in

we live, we will need to “address” with caring concern, persons who have special needs in their lives.

An intentional caring and sharing ministry for all persons should be a goal of every local church, as well as a goal of our Annual Conference.

The Board of Health and Welfare Ministries strongly urges the passage of an Annual Conference recommendation to the legislatures of the states of Alabama and Florida that would grant immunity from civil suits to members of the Boards of Trustees of non-profit organizations in those states. It is suggested that a copy of this document be sent to appropriate persons in each state to evidence our support for passage of such legislation.

UNITED METHODIST CHILDREN’S HOME — Report No. 2

The children and their families, the staff and Board of Directors express grateful appreciation to the thousands of loving, caring United Methodists in Alabama and West Florida who made possible the programs and services of the Home which were provided to 578 children during 1986. The totals for each program are as follows:

Children’s Village	98	Emergency Shelter Care	331
Group Homes	92	Children’s Village	115
Florence	10	Birmingham	216
Huntsville	10	Foster Homes	2
Scottsboro	10	Adoption	0
Tuscaloosa	20	Scholarship	9
Mobile	11	Family Aid	46
Pensacola	19		
Wiregrass	12	TOTAL	578

Thanks to the love and concern of United Methodists we were able to continue all programs and services. Special efforts to intensify staff training and programs for the children which teach and reinforce positive social skills were successful. Children grew in wisdom and in favor with the Lord and reached out to help others through our increasingly productive Christian Nurture Program which is led by Chaplain Mike Spivey and includes the ministers and congregations of local churches where the programs are located. Children at the Children’s Village are enjoying the new cable television system and outdoor basketball court which were donated by friends of the Home.

Christian child care provided by our Children’s Home is among the best in the nation. This is true because we all work together to make it so. Your help is needed to tell the story of the Home and encourage continued and increased giving to support the Home so that we all help “Give a Child a Chance.” Thank you in advance.

Report No. 6

In light of the growing worldwide health problem known as AIDS, we request that our Presiding Bishop appoint a task group to address this multi-faceted problem. We request that it be channelled through the Conference Council on Ministries and that a report with specific recommendations for consideration be brought to the 1988 session of the Alabama-West Florida Annual Conference. It is further requested that the deliberations and recommendations of the task group be brought before "The Tribunal of Biblical Evidence," as well as the best legal and medical information available, that we might be responsibly responsive to this significant theological, moral, and medical issue confronting the human race.

COMMISSION ON WORSHIP

The conference year 1987-1988 will be the last year of the present quadrennium. In three years the Alabama-West Florida Commission on Worship has established itself as one of the leaders in the Southeastern Jurisdiction. Scholarship, artistic expression, good liturgy and training on all conference levels have been constantly encouraged.

Scholarships and funds for resources have been offered to district coordinators of worship in order to prepare them to present cogent Super Sunday programs on worship with adequate handouts and visuals.

The commission has offered to help plan and equip various worship spaces used by the annual conference. This would include soliciting and helping to select memorial gifts. Worship space and items used for worship should express United Methodist theology, tradition and pastoral concerns.

The new Alabama-West Florida Arts Council has found its structural home in the Conference Commission on Worship. Terrence Hayes, Joanne Bosco and the Council will be planning events to foster the expression of our response to God through singing, dance, drama and the other arts. The Arts Council hopes to set free a creative spirit of Christian kinship across the counties of our Annual Conference.

The yearly Convocation on Worship was held at St. Luke United Methodist Church, Columbus, Georgia on February 20 and 21. "The Renewal of Worship through the Sacraments" was the theme with the Rev. Nancy Feree, Associate Chaplain, Duke University and Dr. Theodore Runyan, Candler School of Theology as the resource persons. The worship convocation continues to be one of the best annual opportunities for training worship leaders in Methodism.

The Conference Worship Task Force will be working with Bishop Knox and the Program Committee to help assure that annual conference worship will also be good liturgy. Three early morning worship opportunities will be offered at conference at 7:00 a.m. Monday through Wednesday. The newly ordained elders will lead in their first celebration of the Holy Eucharist on Tuesday morning at 7:00 a.m. From the Opening Celebration on Sunday evening to the Commissioning Service on Wednesday afternoon the Commission on Worship gladly stands responsible and accountable.

BOARD OF EVANGELISM

The Board of Evangelism has labored under a tremendous burden of responsibility for this quadrennium, as we have tried to guide the conference and its churches in reversing the discouraging trends in clear evidence throughout the church. The mandate for growth sent down by the 1984 General Conference, and Bishop Wilkie's ringing challenge in, "Are We Yet Alive?," has brought us once again to that timeless "marching order" in Mt. 28:19-20, "Go ye therefore and make disciples of all peoples, baptizing them in the name of the Father, the Son, and the Holy Spirit, teaching them to observe all that I have commanded you."

We have seen much work done by many clergy and lay persons, who have been open to the challenge of evangelism in the Wesleyan tradition. We have seen heartening signs in the 1986 annual conference statistical report which shows 2,883 received on profession of faith, and a net gain in membership of 917, in the annual conference.

The Board of Evangelism has seen its role as setting the pace and creating an atmosphere for growth in the annual conference, that is the key to meeting the challenge of Christ "to go to all peoples," with the salvation message. The introduction of the *Local Church Handbook*, for the *Blueprint for Evangelism* is indicative of where we believe the challenge will be met. Question: "Have we created an environment for growth?" — "An expectation of growth can come from denominational and annual conference leaders, but the desire to grow and the conditions for growth can only be created in local congregations." (*Local Church Handbook for Blueprint for Evangelism*, pg. 2)

The Conference Board of Evangelism sees it as imperative that the principal emphasis for growth must be in work done in the local church. Barren churches, or especially churches which are not reaching their growth potential, need help. The District Secretaries of

Evangelism need to be prepared and enabled to do their work in helping those churches in their districts that need assistance in "creating an environment for growth."

The churches need to be accountable for their work in evangelism and growth. To that end, we should expect that each District Secretary give an accounting, to determine whether an "environment for growth" has been established through the 1986 District Rallies on Evangelism, and their other efforts, in the local churches of the annual conference.

In response to the recommendation of the *Research and Planning Committee* of the Conference Council on Ministries, that in 1988, "seminars be conducted on a district and/or sub-district basis," we propose to have a "pilot workshop" in the Dothan District in the Fall of 1987. The weekend of November 7-8 has been selected. These are dates relatively without conflict on the conference calendar.

The weekend will be planned by the Dothan district secretary, with the cooperation of the Dothan superintendent, and the Board of Evangelism. Dothan First Church has been offered as a place for the workshop, at the invitation of our chairman, Reverend Dooling. This event will be targeted toward evangelism work-area persons from each church in the Dothan district, pastors, District Evangelism Secretaries, resource persons, and BOE members; as well as other persons from over the conference who wish to participate.

We plan for each district in the annual conference to have an "evangelism saturation weekend," during a 30 day period prior to Easter in 1988, patterned after the "pilot workshop" held in the Dothan District in the Fall of 1987. This should provide the continuity and follow-through to assure a truly meaningful effort in church growth across the conference.

We have been gratified at the willing spirit of our Bishop, the cabinet, the Conference Council on Ministries, and the Conference Committee on Finance and Administration, in meeting the challenges that have been presented to us as a Conference Board of Evangelism. That, and the keen sense of the Biblical imperative, and the leadership of the Holy Spirit has made a very difficult task seem a joyous opportunity.

COMMITTEE ON EPISCOPACY

"How blessed we are in the Birmingham Area to have Lloyd Knox as our bishop" is a statement we hear so often from United Methodists from throughout Alabama and West Florida. Your Committee on Episcopacy, which has the privilege of working closely with our bishop, enthusiastically concurs in this statement.

The Alabama-West Florida Conference continues to make progress under the leadership of Bishop Knox, and much of this is due to his tireless efforts, his administrative skills, and his deep spiritual commitment. In 1986, we recorded a net gain of 922 members which is the largest gain in membership we have reported in this conference in the last five years; a continuing emphasis upon missions and spiritual growth has had an impact upon our people; and another productive Bishop's Convocation on Preaching brought enlightenment to our ministers and enabled them to sharpen their skills for the work of the ministry.

During the past year, Bishop Knox was the official United Methodist representative to the Christian Methodist Episcopal Church Annual Conference; where he was invited to preach at the Communion Service, and participate in consecrating two bishops of the Christian Methodist Episcopal Church. This past July, he attended the World Methodist Conference in Nairobi, Kenya; which he described as a life-changing experience. He is currently serving as President of the Southeastern Jurisdictional College of Bishops; and will host the next meeting of that body at Point Clear, Alabama, January 6-8, 1988.

Bishop Knox has scheduled his required quadrennial Study Leave for August 19-October 31, 1987. He and Mrs. Knox will spend at least a part of this time in England where they will be auditing courses at Cambridge University.

While Lloyd Knox continues to help United Methodists in Alabama and West Florida lift our standards and extend our vision, his talented and dedicated wife, Edith, compliments his ministry and adds a variety of her own which has blessed many lives. We thank our heavenly Father for their genuine and unselfish devotion to His Cause, and for their portrayal of love in action.

Our Committee is in agreement that we should do everything possible to work toward the creation of two episcopal areas out of the present Birmingham Area. We feel that our conference needs the leadership of a full-time bishop; and that this move would result in a more dramatic record of growth and progress for our conference.

Mary Ellen Bullard, Secretary

COMMITTEE ON COURTESIES

Bishop Knox and members of the Conference:

According to the Standing Rule 6, the Committee on Courtesies has the responsibility of giving "a report in the closing session expressing appreciation to persons and groups who have rendered special services in the program." The Committee convened and I was appointed as the spokesman. (Pardon me, I mean spokesperson.)

Our Committee chose to use a special methodology in working on our report. We used the same scholarly method that our Bible study leader used in the preparation of one chapter of his upcoming book. It is known as the "piles of little paper" method. Our general plan was that as we named the various persons and groups who have rendered special services, we mentally jotted this down on bits of paper. We put all of these pieces of paper in a "pile" and then divided that into smaller groupings. We ended up with three "smaller piles" and that formed the basis for our report. Everyone that we needed to mention in our report was in one of these three categories:

1. The persons who helped provide for our comfort and for our physical needs while we were here.
 2. The second category were the names of persons and groups who worked at helping the Conference attend to the business at hand with as little confusion and inconvenience as possible.
 3. The last group were names of people who needed to be "thanked" because of their leading us through their sermons, lectures, special music and other ways of inspiration, instruction and challenge.
- I. There were a number of names in the first "pile" that helped in meeting the physical needs and comforts. They were:
- a. Dr. Allen Jackson and the entire staff of Huntingdon College. They looked after our delegates in their usual wonderful and accommodating way.
 - b. Rev. Karl Stegall and all of the people of First United Methodist Church, Mont-

gomery, for their being such grand hosts for the Ordination Service and reception.

- II. The second group of names were those of people who kept the Conference moving along smoothly as we attended to the business as hand.

Those names were:

- a. The Tellers: The A and B Teams of Clergy and Lay Tellers worked hard and long. The Head Tellers were Clara Turner, Earl Williams, Perry Dalton and James Carpenter.
- b. Thomas Sheppard, the Registrar and his staff. The improved registration procedure used this year was appreciated.
- c. Paul Ruark and the people from the *Christian Advocate*. This group kept us abreast of the happenings of the Conference.
- d. We had a long list of names of the persons who had to sit on the platform for all of the sessions:
 1. Bishop Knox, the Presiding Officer
 2. The Parliamentarians, Bishops Sanders and McDavid
 3. The Secretary and his assistants
 4. The *Journal* Editor and his staff
- e. The leaders and officers of the Boards and Agencies for the careful pre-planning and presentations of the reports.

- III. In the third "pile" of names were those who brought inspiration, information and challenge to our Conference members. This category was divided into three smaller groups.

Those names included:

A. Preachers and Speakers

1. Bishop Knox for his opening-session Episcopal address
2. Bishop Joel McDavid for his sermons
3. Bishop Carl Sanders for his Ordination address
4. Dr. Robert Wingard for his excellent Bible-study lectures
5. Rev. Robert Dickerson, who preached at the Commemoration Service
6. Mrs. Jane Henderson, from the Holston Conference, who spoke at the Laity Banquet.

B. People who rendered special music:

1. The Miracles, that wonderful choir from Senatobia, Mississippi, who thrilled us with the program on Tuesday
2. Dr. Harol Rohlig, who played the organ for us, just as beautifully as he has done for the past 31 years
3. The Quartet from First Church, Tallassee who sang at the Laity Banquet
4. Mr. Joe Pat Cox and Mr. Dale Mallory who led congregational singing at various sessions
5. The Music Department at First Church, Montgomery, for the beautiful music at the Ordination Service
6. The Wesley Foundation Choir made up of students from three Wesley Foundations who sang Sunday night
7. The special choir, combining voices from several areas, which sang Wednesday morning

C. Then there were two groups that we wanted to thank in this category:

1. The youth — the youth members and the pages. Their participation and their presence were appreciated and they were an inspiration.
2. The Commission on Worship. They provided the leadership for our services of worship and also we express thanks for their providing the daily communion services which were available early every morning

As we come to the close of the 1987 Conference, the 159th session, we would sincerely express gratitude to Bishop Lloyd Knox for his Episcopal leadership during this session and during the entire year.

We thank God and truly pray that we can move forward as a Conference under the banner of "Christ Jesus, God's 'Yes,' for the world."

Council on Finance and Administration
Alabama-West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have examined the statement of receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1986 and the statement of investments at December 31, 1986. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed, consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in accordance with generally accepted accounting principles.

In our opinion, the accompanying statement of receipts and disbursements and statement of investments present fairly the recorded receipts and disbursements of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1986 and the investments held at December 31, 1986.

ARTHUR BERNARD CLAUSEN, SR. (1895-1986)

Arthur Bernard Clausen, Sr. was born 13 October 1895 in Mandan, Oliver County, North Dakota, the son of Louis and Ingaborg Marie Hoy Clausen. His parents were originally from Denmark. He spent his childhood in Mandan, assuming responsibility for his mother and two sisters at the age of fourteen when his father died. He attended the Mandan High School from 1913-1916. An explosion in the chemistry laboratory sent acid into his eyes, but miraculously he was not blinded, though his eyes were damaged.

Because of heavy responsibilities he was unable to graduate from high school, but he educated himself by reading an encyclopedia in the evenings after work. In 1919 he passed both the high school finals and the college entrance examinations and entered Asbury College in Wilmore, Kentucky. He received the A.B. degree from Asbury in 1923.

Rev. Clausen joined the church on confession of faith at the Mandan Methodist Episcopal Church in April of 1911 under Rev. Horne and was licensed to preach from this church in 1915. He was admitted on trial to the Alabama Conference of the Methodist Episcopal Church, South in 1924 and was received in full connection in 1926. He was ordained deacon in 1926 and elder in 1928.

He served for 38½ years in the following appointments: 1924 — Bayou la Batre (when the first Methodist Church on Dauphin Island was built); 1933 — Oakdale; 1938 — Hartford; 1940 — Hurtsboro-Seale; 1944 — Opp First; 1945 — Broad Street; 1948 — West Side; 1957 — Bay Minette. He retired in 1963, continuing to serve at various times as pastor in Stockton, Alabama. At the time of his death he was residing at Box 524, Bay Minette, Alabama 36507.

Rev. Clausen married Irene Adelia Saucier, daughter of Albert Bernard and Sara Jane Ione Walker Saucier, on 28 August 1923 in Saucier, Mississippi. She preceded him in death on 2 December 1966 and is buried in the Bay Minette Cemetery. To this union were born five children: Lila Lillian who married Joseph Hilary Dizon; Evelyn Louise who married Auburn Doran Galloway; Arthur Bernard, Jr.; Lynn Wesley who married Joyce Geneva Bartram; and Ira Asbury.

Rev. Clausen died at age 90 on 22 July 1986 in his home in Bay Minette. Funeral services were held at the Bay Minette United Methodist Church in Bay Minette, Alabama on 26 July 1986 with the Rev. Edward D. Henne and Mitchell E. Zirlott officiating. He is buried in the Bay Minette city cemetery. He is survived by his five children and their spouses; a sister, Leila Johnstone, eleven grandchildren and two great grandchildren.

Rev. Clausen had a keen sense of humor, an incredible memory, a thirst for knowledge, a sweet spirit, patience in adversity, love of people and a keen insight into human character.

WILLIAM CARNIE JERNIGAN (1903-1987)

William Carnie Jernigan was born in Milton, Florida on 1 May 1903, the son of Edward Martin and Ruth Idella Ward Jernigan. He attended Jefferson County High School and Simpson Preparatory School. He worked his way through school, but was unable to graduate because of the depression. Rev. Jernigan resisted the call to the ministry for thirty years, again because of the depression. During these years he worked as a painter and salesman in Pensacola, Florida.

In 1958 he completed the course of study for the ministry and was approved as a supply preacher in the Alabama-West Florida Conference of The Methodist Church. He was ordained deacon in 1961 and elder in 1963. He became an associate member in 1969.

Jernigan served twelve years in the conference in the following appointments: 1958 — Sepulga Circuit; 1964 — New Brockton; 1965 — Gainesville Circuit; 1967 — Memorial, Opp; 1969 — Rose Hill; 1970 — Retired; 1973 — Retired, Supplying Shady Grove; 1974 — Retired, Supplying Heiberger; 1976 — Retired, Supplying New Bethel; 1977 — Retired. Mrs. Jernigan had one daughter, Eva Pratt Hampton, who married George Lewis Hemphill. They live in Pensacola. Mrs. Jernigan died 2 April 1972 and is buried in Bethel Cemetery in Georgiana, Alabama.

Rev. Jernigan died 12 February 1987 in Pensacola, Florida. Funeral services were held at Faith Chapel, Pensacola, Florida on 14 February 1987 with burial in the Bethel Cemetery in Georgiana, Alabama. He is survived by a brother, Neil Jernigan and a sister, Mrs. Hyrum Smith, Sr., and several nieces and nephews.

Like Barnabas of old, Carnie Jernigan was a great encourager. He came to be the pastor of my home church on the Gainesville Circuit at a time when I was struggling with the decision of entering the ordained ministry. Carnie Jernigan encouraged me and supported me every step of the way as I sought to answer the call of God upon my life. The first book that I ever owned in the ministry was a book Carnie Jernigan gave to me entitled *Singleness of Heart* by Bishop Gerald Kennedy. His single-minded devotion to Christ and the church was expressed in so many ways. I am a better person today for having known this man, for he significantly touched my life.

USHER LEE MARTIN

(1896-1987)

Usher Lee Martin was born 1 June 1896 in Clay County, Alabama, the son of Edward Levi and Sarah Louvenia Wolfe Martin. He attended elementary school and the Clay County High School at Ashland, Alabama, leaving to work in the Methodist orphanage in Selma, Alabama. From there he was drafted into service during World War I. From 1922-25 he attended Birmingham-Southern College.

Rev. Martin joined the Guthrie's Chapel Methodist Episcopal Church, South on the Millerville Circuit in 1906 under the Rev. J.C. Craig. He was licensed to preach by the Sylacauga District Committee at Goodwater, Alabama on July 17, 1917. He was admitted on trial to the Alabama Conference of the Methodist Episcopal Church, South in 1925 and received into full connection in October of 1927. He was ordained deacon in 1927 and elder in 1930.

Rev. Martin served for 36½ years in the following appointments: 1925 — Perote; 1927 — Smiths; 1929 — Slocomb; 1932 — Cottonwood; 1934 — Deatsville; 1938 — Georgiana; 1940 — Centreville; 1942 — Linden; 1943 — Geneva First; 1945 — Evergreen; 1947 — Monroeville; 1951 — Camden; 1955 — Notasulga; 1959 — Snowdown. Rev. Martin was married to Myra Katherine Sharp in Birmingham, Alabama on 24 October 1922. To this union were born William Edward, who married Helen Marie Snowden, and twin daughters — Sarah Lois, who married Homer Gray Thompson, and Ida Jean, who married Charles Young Williams. One can imagine the hard times in the year 1929 which was the beginning of the depression. The twins were six months old, and the preacher's "quarterage" (salary) was often partially in the form of sweet potatoes, syrup, and other food stuffs. On October 21, 1972 Rev. and Mrs. Martin were honored with a reception for their 50th wedding anniversary in the Camden United Methodist Church.

Rev. Martin died on 2 February 1987 in Opelika, Alabama. The funeral service was held at the Camden United Methodist Church on 4 February 1987 with burial in the Hillview Memorial Cemetery in Alexander City, Alabama. He is survived by his wife, three children and their spouses; eight grandchildren, and fifteen great grandchildren.

There has only been one U.L. Martin in my life, and only the Good Lord knows how much he helped me and always spoke a word of encouragement when there was a problem of any kind. I rejoice and give thanks that our paths have crossed in this life, and I look forward to a day when all shall be fulfilled.

— Eugene Caddell

There were three children born to this union: Charles Frederick who married Marcheta Mae Grant; John Alvin who married Wanda Hart; and Frank Chapman who married Donna Eugenia Chancy. Mrs. Vanlandingham died 30 September 1976. Rev. Vanlandingham was married the second time to Lillian Searcy Bowers on August 20, 1978. Rev. Vanlandingham died at age 84 on 3 June 1986 in Crestview, Florida. Funeral services were held 5 June 1986 at the First United Methodist Church in Crestview. He was buried in the Serenity Gardens Cemetery in Milton, Florida.

Herman Vanlandingham was saved as a teenager while battling typhoid fever and later was called into the ministry. A wise man once said, "A good name is rather to be chosen than great riches and loving favor rather than silver or gold." Herman Vanlandingham had a good name and a loving favor. He was special because of the love he had for his family — his wife, his boys, his brother and sisters. He was special because of his love for Bethlehem Camp. How he would work in the tabernacle, the kitchen, the dorms, the creek. We know in our hearts he is now around the Tabernacle of God. He was special because of his love for The United Methodist Church here and around the world. He was special because of his burden and love for the people of Northwest Florida and South Alabama.

Herman Vanlandingham was a quiet man... a humble man... a honest man... a dedicated man... who gave his life without any regrets to preaching the Gospel. He was a man of sincere conviction, of unquestionable loyalty and trust, of devoted service. Therefore, A.H. Vanlandingham, called of God, minister of the gospel, pastor of people, serving The United Methodist Church can say with Paul, "I have fought the good fight, I have finished the race, I have kept the faith. Henceforth, there is laid up for me the crown of righteousness, which the Lord, the righteous judge, will award me on that day."

— Mrs. Lillian Vanlandingham

ROBERT LANSING VAUGHN (1924-1987)

Robert Lansing Vaughn was born on February 5, 1924 in Montgomery, Alabama, the son of William Judson and Eva Olivia Daffin Vaughn. His father died when he was six years old and his mother died when he was sixteen. He graduated from Sidney Lanier High School in Montgomery in 1943. From 1943 through 1947 he served as an officer in the U.S. Merchant Marines (Lt. j.g. as Purser and Pharmacist's Mate).

He graduated from Huntingdon College with an A.B. degree in May, 1953, and earned his M.Div. degree from Candler School of Theology, Emory University in 1955.

Rev. Vaughn married Verna Lee Mathison on June 12, 1948. Their marriage was blessed with a daughter, Verna Teresa, and a son, Robert Lansing, Jr.

Before entering the ordained ministry, Robert was a business man. He was licensed to preach in November, 1950, and became an Approved Supply in May, 1951. He was admitted On Trial in 1953 and received into Full Connection in 1955. He was ordained Deacon in 1954 and an Elder in 1955.

Robert Vaughn served the Conference for 35 years in the following appointments: Whitfield Memorial (Montgomery): 1950-51; Robinson Springs: 1951-53; Woodstock, Ga. Methodist Church as a student attending Emory: 1953-55 (the Church was selected "Church of the Year" — 1954); Associate Pastor, First Methodist Church of Montgomery: 1955-57; Union Springs: 1957-61; Greenville: 1961-66; Richard's Memorial, Pensacola: 1966-73; Ozark: First United Methodist: 1973-80; Selma District Superintendent: 1980-85; Shalimar: 1985-86. He asked for early retirement in June, 1986, because he knew he had leukemia.

Robert served on many Boards and Agencies of the Conference, including the Board of Ministerial Training and Qualifications: 1960-68, (Treasurer from 1965-66); Board of Homes for Aging: 1967-79; Chairperson of Committee on Investigation: 1977-79; Board of Laity: 1980-83; Committee on Episcopacy: 1984-86; Board of Missions: 1983; the Cabinet Representative to the Committee on Equitable Salaries: 1981-84. He served several different District Committees. He also was elected as delegate and Reserve delegate to General and Jurisdictional Conferences.

At the time of his death, February 19, 1987, he and Verna were living in Skipperville, Alabama. His funeral service was held at the First United Methodist Church, Ozark, Alabama (where he had served as pastor for seven years) on February 23, 1987 at eleven o'clock in the morning. Bishop J. Lloyd Knox officiated. He was assisted by Bishop (Retired) Carl J. Sanders, Dr. Asa Boozer (Pastor) and Dr. H. Paul Mathison (Retired). Robert Lansing Vaughn, Jr. presented a tribute in memory of his father.

Robert is survived by his wife, Verna, and their children, Mr. & Mrs. William Olney Bray (Verna Teresa), and Mr. & Mrs. Robert Lansing Vaughn, Jr. (Mary Milano); a granddaughter, Verna Leah Bray; four sisters: Mrs. Seaborn (Marguerite) Solomon, Mrs. Frank (Tina) Smithson, Mrs. Ruth V. Kelley, Mrs. Raymond (Mary) Gomolski and three brothers: James C. Vaughn, W. Judson Vaughn, Sr. and Daffin L. Vaughn. His burial was in the Ozark City Cemetery (Morning-View), Ozark, Alabama.

Robert Lansing Vaughn was a man of honest mind. The Christian witness of Robert became a constructive influence wherever he was and in all that he did. In small ways or large, men like Robert lived to make the world a better place for those who seek the company of Jesus Christ. His deep abiding happiness came from squandering himself in the service of God and his fellowman.

His entire ministry was devoted to the Alabama-West Florida Conference. While pastor of the Richards Memorial Methodist Church, Pensacola, Florida, he challenged his people to reach for the best in Christ, and they set conference records for Sunday School attendance and morning and evening worship.

He was an astute businessman and could have amassed worldly goods had he not given himself to our Lord Jesus Christ and to the ministry of the Gospel in The United Methodist Church. But his commitment to the ministry was total, and he faced all issues with an enthusiastic zeal.

The legacy he leaves his gracious wife Verna, their daughter, Verna Teresa and their son, Robert Lansing Vaughn, Jr., is incalculable. And those of us who really knew Robert Lansing Vaughn thank God that we were privileged that he called us "friends" and that he came our way and walked among us. I cannot feel that he is very far away since near at need his spirit is. Robert Lansing Vaughn is at the top of a spiritual mountain higher than I have ever climbed.

FLORA ETTA HALE KIMBROUGH (1910-1986)

Flora Etta Hale Kimbrough was born on October 12, 1910 at the family residence near Frisco City, Alabama. She was the daughter of Lee Andrew Hale and his wife Virginia Middleton Hale. Both the Hale and the Middleton families were some of the early settlers in the Frisco City area.

After graduation from Frisco City High School she went to Livingston State College and prepared herself for a career of teaching. She had a love for children and a natural talent for teaching. This talent seemed to run in the family as several sisters were also teachers.

On May 17, 1940 she was married to Rev. Lloyd Hunter Kimbrough and together they served more than forty years in the churches of this conference. Leaving teaching to become a pastor's wife, she transferred her love of children and talent for teaching to the Sunday School. She did an outstanding and creative job in every church they served. After her death, many who had been in her classes wrote to tell of the influence she had on their lives.

By her own choice, she decided her role was a supportive one. She never wanted to be chairperson of any committee, and never sought office in the United Methodist Women. She felt her place was to provide support for her husband, and no minister's wife was ever more supportive than she, though she was capable of leadership roles. She avoided them and gave her energies and talent to this supportive role.

She was a very generous person. Her thoughts and actions demonstrated her generous nature. Within the family, it was always the others who had her first consideration. In the days when ministers' salaries were meager, she always knew of someone in need and deserving of help. She would always do without to provide for those in need or her family. In the later years of her life, she had some income of her own, but she gave it away and almost never had something for her own use.

In the early months of 1986, she became sick. Though a petite person in size, she lost weight and strength. After many tests her condition was diagnosed as a lymphoma, a particularly virulent form of malignancy. She was a model patient, and her doctor and the nurses were all impressed by her. She endured painful tests and treatment without complaint. The chemotherapy treatments often made her very nauseated and at other times there were chills and fever. She spent more than eighty days in the hospital. The nurses were so impressed by her faith, her attitude and her spirit that they vied with each other to see after her.

In August, it was discovered that the disease was spreading. This simply said she could not live. This again was a fact she accepted without complaint. She spent the last week of her life writing letters and addressing Christmas cards to family and friends. To the last, others were foremost in her thoughts.

On the morning of November 17, 1986 she went into a coma and on November 20th she slipped away to go be with the Lord. Truly the lines from "Thanatopsis" by William Cullen Bryant fitted her:

"By an unfaltering trust, approach thy grave
Like one who wraps the drapery of his couch
About him and lies down to pleasant dreams."

Funeral services were held in the Harper-Morris Chapel of Pensacola, Florida. Burial was in the Elizabeth Chapel Cemetery. Services were conducted by Rev. Bob Dickerson, Bishop Carl Sanders, and the eulogy was given by Rev. Billy D. Gaither.

She is survived by her husband, two daughters, Mrs. Virginia Daily of Stone Mountain, Georgia and Mrs. Jean Emmett of Tallahoma, Tennessee; four grandsons, Marvin and Robert Daily and Richard and Johnathan Emmett; five sisters: Mrs. Mary Tucker of Pensacola, Florida, Mrs. Velma Lett of Huntsville, Alabama, Mrs. Pearl Miller of Shelbyville, Tennessee, Mrs. Edna Notter of Long Beach, Mississippi, and Mrs. Myrtle Gantt of Little River, Alabama.

ABBIE FOSTER McLEOD (1912-1987)

Abbie Foster McLeod was born 4 October 1912 in Jernigan, Alabama, the daughter of Robert Allen and Abigail Hixon Peach Foster. Her father was a minister in the Alabama Conference of the Methodist Episcopal Church, South from 1889-1935. She spent her early life in the Methodist parsonages and with her sister in West Palm Beach, Florida. She graduated from the Palm Beach County High School in 1930 and from Huntingdon College in 1934.

Abbie Foster married John Fletcher McLeod, II on 4 February 1934 in Marianna, Florida. Five children blessed this marriage: John Fletcher, III who married Janet Hinton; William Marvin who married Nancy Plant; Joyce who married James Donald Byrd, Jr.; Martha who married James Anderson Nesbitt; and Glenn Carson who married Theresa Noa. From 1934 to 1941 they lived in Samson and Fairhope, Alabama where Mr. McLeod taught in the high schools. In 1941 Mr. McLeod joined the Alabama Conference and was appointed to the Midway Charge. He died in May of 1964 while serving the First Methodist Church in Prattville.

As a widow Mrs. McLeod lived in Auburn, Alabama. She earned a teacher's certificate from Auburn University in 1963 and taught in Auburn until she married Robert Jesse Haskew, Jr. of Hartford, Alabama in 1972. Mr. Haskew died in 1976. Mrs. McLeod moved to Montgomery in 1977 and lived there until 1983 when she moved to Wesley Terrace in Auburn.

Mrs. McLeod died 10 March 1987 in the nursing facility at Wesley Terrace. She had suffered from ataxia for seven years, living with courage and determination. She became a complete invalid in 1985. Funeral services were held in the Trinity United Methodist Church in Opelika, Alabama. Burial was in the Rosemere Cemetery in Opelika on 11 March 1987. She is survived by her five children and their spouses; two sisters — Miss Susie Peach Foster and Mrs. Lucille May; one brother, Henry Candler Foster; thirteen grandchildren; and four great grandchildren.

Abbie had a deep trust in God and a willingness to let God work things out. One of her favorite devotional books was *God Calling*. The reading for March 8, 1987 ended with these words: "You can truly live a life not of earth — a heavenly life here and now. Joy-Joy-Joy." In her Sunday School Class in the Whitfield Memorial Church in Montgomery, she led the singing with joy and love. She is remembered most during her husband's years of ministry by those "in her choir" or "in her prayer group" or "in her drama group." Her work with children and young people, especially through music, was unique. Always there was joy and humor. She frequently said "Religion should be fun." The epitaph on her tombstone sums up her life: "Make a joyful noise."

CATHERINE LOUISE HEISLER SMITH (1922-1986)

Catherine Louise Heisler Smith was born 27 September 1922 in Wetumpka, Alabama, the daughter of Herman Edward and Elizabeth Lewis Heisler. She spent most of her early life in Elmore County and graduated from Wetumpka High School on May 20, 1941. Her special interests were crafts; family and friends were surrounded with her creations of crochet and sewing.

In June of 1938 she joined the Santuck Baptist Church. She remained a Baptist until 1954 when she joined Pierce Chapel Methodist Church in the community of Santuck, Alabama. At the time of her death she was a member of Saint Mark's United Methodist Church in Mobile, Alabama.

Catherine Louise Heisler married Jasper James Smith 31 August 1941 in Panama City, Florida. At the time Rev. Smith was employed as the Service Manager in Ed Gilland's Garage in Wetumpka, Alabama. In 1961 Rev. Smith became a Methodist minister and together they served in nine churches for a total of twenty years. Rev. Smith retired in 1981 and at the time of Mrs. Smith's death they were living at 4052 Wesley Lane, Mobile, AL 36609.

The Smiths reared four children: Carl Jasper who married Carolyn Tolbert; Hershel Euen who married Martha Linda Curington; Betty Sue who married Clarence Norel Turner; and Catherine Jean who married Garry Dee Williams.

Mrs. Smith died 30 August 1986 in Mobile, Alabama. Funeral services were held 1 September 1986 in Jackson, Alabama with burial in the Wetumpka Cemetery, Wetumpka, Alabama. She is survived by her husband, her four children and their spouses, twelve grandchildren, four brothers (Herman, Jr., Bernard, Kenneth and William) and two sisters (Dorothy Lancaster and Willodean Buyea).

She was one of gentle, patient composure
who went where God and Church directed.
With diplomacy and love she
soothed and calmed the lives of those affected.

She gave her strength to forge
footprints over cold and desolate terrain.
We who are left behind, if we so endeavor,
can follow and be with her again.

SECTION B

From the Committee on Resolutions and Petitions (not including the ones in Division VIII — Reports of Boards and Agencies)

RESOLUTION No. "First"

A PETITION TO THE GENERAL CONFERENCE

Whereas the United Methodist Church and its successor bodies have made significant contributions to Scarritt Graduate School, and whereas the women of the church have given themselves in unselfish ways for the support of Scarritt Graduate School, and whereas there is some danger that such properties may be sold for commercial purposes, therefore be it resolved that the Alabama-West Florida Conference petition the General Conference to see that the property of Scarritt Graduate School remain in the hands of The United Methodist Church for its functions and purposes.

Submitted by William H. Chance
Scarritt School Trustee

Presented by a "Suspension of the Rules."
The Conference Supports this Petition.

RESOLUTION NO. 1

A Petition to The General Conference

Whereas, The General Board of Global Ministries has plans underway for the establishment of a new unit on evangelism within the structure of the Board, and

Whereas, The Alabama-West Florida Conference regards this as a positive and desirable step by our General Board of Global Ministries, therefore,

Be It Resolved, that The Alabama-West Florida Conference does petition the General Conference of 1988 to affirm this action of the Board of Global Ministries and to encourage the General Board of Global Ministries to implement this plan as fully and as soon as possible.

RESOLUTION NO. 2

A Petition to The General Conference

Whereas, The General Board of Global Ministries has plans underway for the recruitment of significant numbers of new missionaries for national and world service, and,

Whereas, such recruitment is envisioned also to include significant numbers of United Methodist people for service in short-term mission projects, therefore,

Be It Resolved, that The Alabama-West Florida Conference petitions the General Conference to affirm this action of the General Board of Global Ministries, and to encourage the General Board of Global Ministries to implement this plan as fully and as soon as possible.

RESOLUTION NO. 3

A Petition to The General Conference

Whereas, a major dimension of The United Methodist Church, and its predecessor bodies, has been a vast involvement in the Christian world mission, and,

Whereas, the good news of God's decisive dealing, through Jesus Christ, with our alienation from Him, His kingdom, and His healing graces, remains an urgent need for all individuals and all communities in all places and in all times, and,

Whereas, the New Testament message plainly involves all disciples of Jesus Christ in that mission (Matthew 26:18-20; Mark 14:9; Mark 16:15, see footnotes in Revised Standard Version; Luke 24:45-48; John 20:21), and,

Whereas, the inspired vision of John Wesley, our founder under God, also caught sight of a Christian world mission in which individuals and communities may accept the Lordship of Jesus Christ, now,

Therefore Be It Resolved, that The Alabama-West Florida Conference petitions the General Conference of 1988, to direct the General Board of Global Ministries, particularly through its National and World Divisions, to call our church and lead our church in a renewed commitment to Christian missions in all the world through (1) "offering Christ" to people where they live in fear, jealousy, greed, lust, hate, false pride, envy, and all other forms of alienation from the mind that was in Christ, (2) through renewed and ever more vigorous efforts to recruit many of the best and brightest of our people for short-term and for life-long missionary service, and (3) through the clear recognition that the gospel is, for all who hear it and all who proclaim it, a challenge to cross boundaries of faith and obedience. (We are to come from other faiths or no faith into Christian faith; we are to come from obedience to other understandings of the Eternal or from no such obedience, to obedience to Jesus and His incarnation of the will of God for human life.)

The Committee on Resolutions votes Concurrence.

The Conference supports the Committee.

RESOLUTION NO. 4**A Petition to The General Conference**

Whereas, the task of the Christian world mission is greater and more demanding in all its dimensions than any single segment of the Church can meet, and,

Whereas, The United Methodist Church is pluralistic in its understanding of the nature and task of the Christian world mission, now,

Therefore, Be It Resolved, that the Alabama-West Florida Conference petitions The General Conference to recognize The Mission Society For United Methodists as an appropriate agency to which United Methodist clergy may be appointed for service.

Submitted by Charles R. Britt
(and 75 other signatures)

The Committee on Resolutions votes Non-Concurrence.

The Conference votes not to support the Committee and votes to approve this Petition.

RESOLUTION NO. 5**A Petition to The General Conference**

Due to the urgent need for The United Methodist Church to be about the task of fulfilling the great commission of our Lord Jesus Christ, especially to those areas of the world where population changes are outdistancing the witness of the church, we submit the following resolution:

Be it therefore resolved that the Board of Global Ministries be mandated to establish an evangelization unit within the Board to fulfill these functions:

- Locating places and peoples that are not now being offered a Christian witness.
- Developing strategies for starting ministries to such places and groups.
- Nurturing newly gathered communities of Christians toward "the establishment of United Methodist congregations."
- Advising the board on missionary selection, giving particular attention to the functions of evangelism and proclamation.
- Developing the support for missionaries assigned to "pioneer evangelism," that is, evangelism in areas without a Christian witness.

Be it also resolved that the Board of Global Ministries assume their rightful responsibility to take new and fresh initiatives on behalf of The United Methodist Church to preach the Gospel among those who have yet to know its transforming power.

RESOLUTION NO. 8

A Petition to Our Annual Conference

A RESOLUTION ON WORLD SERVICE AND CONFERENCE BENEVOLENCES

Believing that The United Methodist Church is a true church of our Lord Jesus Christ and that He has called us to go into all the world to "make disciples of all people..." and

Believing that the mission of The United Methodist Church is directly related to the resources of Christ's people who provide for ministers, missionaries, teachers, and many others whose lives are committed to Christ and the Church in loving service, and

Believing that the Alabama-West Florida Conference of The United Methodist Church desires to be at the forefront of serving and giving for the mission of Christ at home and to the world, and that through World Service and Conference Benevolences we are provided the channel through which that mission is served,

THEREFORE, be it resolved by the members of the Alabama-West Florida Conference, in session May 24-27, 1987, that we urge all our churches to pay World Service and Conference Benevolences as the first line of mission and conference support; that each minister give priority to this vital and necessary outreach support, and

That the bishop and cabinet make this item a priority in their promotion throughout the conference and districts, and that they ask of the ministers and lay-officers to establish definite and specific objectives in their ministry within their local churches in seeking 100% payment of World Service and Conference Benevolences.

Believing that we cannot reap a harvest unless the plant is nurtured and fed, so we cannot expect a harvest of disciples until we provide full support for the mission of the Church. We call upon our brothers and sisters in the Church to make this effort one of prayer, unity, and generous and financial support.

RESOLUTION NO. 9

A Petition to The General Conference

WHEREAS, the present system of representation to each general program board and agency of The United Methodist Church gives equal voice to each Annual and Missionary Conference, regardless of its membership;

AND whereas, the Annual and Missionary Conferences and jurisdictions with larger memberships are limited to the same representation as those with smaller memberships;

THEREFORE, let it be resolved that Paragraph 805.2 of *The Book of Discipline* be changed to read: "Each jurisdiction shall elect at least one person to each general program board and agency. Other members of each general program board and agency shall be determined by the number of United Methodists within each jurisdiction; i.e., the jurisdiction

with the largest membership will receive the most representatives on a particular general board and agency." The remainder of Paragraph 805.2 will remain the same.

RESOLUTION NO. 10

A Petition to The General Conference

WHEREAS paragraph 71G in the Social Principles of the 1984 *Discipline* affirms the God-given boundaries of human existence in birth and death, and

WHEREAS this paragraph agonizes over the difficult guidance in making these decisions, and

WHEREAS The United Methodist Church is called of God to set clear guidelines for such difficult decisions,

BE IT RESOLVED that, to the sentence of paragraph 71G that concludes "... we recognize tragic conflicts of life with life that may justify abortion, and in such cases support the legal option of abortion under proper medical procedures," be added this sentence: "Such cases must be limited to those where the bearing of the infant clearly and seriously threatens the physical life of the mother, or in cases of pregnancy as a result of rape or incest,"

BE IT FURTHER RESOLVED that the following sentence which reads "We call all Christians to a searching and prayerful inquiry into the sorts of conditions that may warrant abortion," be eliminated.

A Petition to The General Conference

WHEREAS paragraph 71F in the Social Principles of the 1984 *Discipline* reads in part "... we do not condone the practice of homosexuality and consider this practice incompatible with Christian teachings," and

WHEREAS paragraph 402.2 in the qualifications for ordination section of the 1984 *Discipline* states in part, "Since the practice of homosexuality is incompatible with Christian teaching, self-avowed practicing homosexuals are not to be accepted as candidates, ordained as ministers or appointed to serve in The United Methodist Church," and

WHEREAS the footnote on pp 192-195 to paragraph 404.4e in the same ordination section of the 1984 *Discipline* clearly affirms the Biblical and historical precedents to these foregoing paragraphs, and

WHEREAS there are reports that certain groups within The United Methodist Church will attempt to change these strong Biblically and historically based restrictions,

BE IT RESOLVED that these paragraphs and accompanying footnotes remain unchanged where they relate to homosexual practice.

RESOLUTION NO. 12

A Petition to The General Conference

WHEREAS nearly one hundred million Americans are unchurched, having never been touched by the grace and power of Jesus Christ; and

WHEREAS many Christians of all denominations in America are Biblically illiterate; and

WHEREAS many persons across the country who are seeking a relationship with Jesus Christ through his church are secluded in their homes, isolated from traditional evangelism efforts; and

WHEREAS over eighty million homes in America, representing over two hundred million persons tune in television programs every day for information, entertainment, edification, and company; and

WHEREAS television offers meaningful access to persons of all ages, races, and economic levels in every geographic area in America; and

WHEREAS millions of Americans are turning to television ministries for faith development, religious information, and Christian nurture; and

WHEREAS many local churches, districts, and annual conferences within The United Methodist Church have found the television medium to be effective in carrying the worship and Word of Jesus Christ into the homes of many persons; and

WHEREAS an effective nationwide television ministry requires a “massive and sustained” financial commitment by the church to develop, produce, and distribute Christian programming — a commitment far beyond the capacity of any “single general agency or annual conference” in the church;

THEREFORE BE IT RESOLVED, that the Alabama-West Florida Conference meeting at Huntingdon College, May 24-27, 1987, petition the General Conference of The United Methodist Church to adopt as the Missional Priority for the 1988-1992 quadrennium “The Electronic Missionfield,” designed to develop a nationwide presence on television both by coordinating the existing efforts of local churches and annual conferences and by developing new strategies to minister in this missionfield.

RESOLUTION NO. 13

A Resolution to The Annual Conference

RESOLUTION TO CHANGE PRIORITY FOR HOMES

OF THE BOARD OF PENSIONS AND HOMES FOR CLAIMANTS:

Page 281 in 1986 Conference Journal (page 73, 1987 Brochure of Reports).

WHEREAS, when a minister loses his (her) spouse by death or divorce, that spouse does not take with her (him) any of the benefits earned by the clergy member of that dissolved union. The benefits earned belong to the clergy person who earned them.

WHEREAS, when a minister takes a new spouse, spousal concerns and responsibilities and privileges are focused on the new spouse. AND, when a minister marries a person, that person, by law and in fact, becomes his (her) spouse at once; all responsibilities of marriage begin at the time of marriage, not ten (10) years later. Therefore a person to whom you are married is no less your legal and God-given spouse one (1) year after marriage than he (she) is 10 years after marriage.

WHEREAS, in my opinion, it is therefore manifestly unfair to deprive any clergy person of any benefit he (she) has earned for the protection and support of his (her) family by deferring or limiting that earned benefit and protection based on the longevity of the union.

THEREFORE, BE IT RESOLVED that the following changes be made in “Home Regulations,” page 281 of the 1986 Conference Journal (page 73 of the 1987 Brochure of Reports) for HOMES FOR CLAIMANTS of the Alabama-West Florida Conference of The United Methodist Church: delete the last words following “the Alabama-West Florida Conference” Item 1-B. Also, delete Item 2-C in its entirety.

Item 1-B would then read: A surviving spouse of an active minister in the Alabama-West Florida Conference. Item 2-C would be deleted in its entirety.

RESOLUTION NO. 14

A Resolution to The Annual Conference

WHEREAS, the Board of Evangelism has historically been aware of the need for a truly evangelistic commitment on the part of every church; particularly those churches of the Alabama-West Florida Conference of The United Methodist Church.

WHEREAS, the biblical mandate for the church to be evangelistic is abundantly clear, and the power of the gospel has not diminished, nor has the passion of Christ for his bride, the church, diminished.

WHEREAS, we are dismayed at the evidence of a decline in membership throughout our denominations for many years.

WHEREAS, we are witness to the apparent complacency on the part of certain pastors and churches, concerning their evangelistic outreach.

WHEREAS, the General Conference of The United Methodist Church in 1984 resolved that the denomination would seek to double its membership by 1992, and as Methodists, we are compelled to accept the challenge.

WHEREAS, we continue to observe a lack of true commitment to remedy this problem emanating from the local churches, and their pastors, as well as from the hierarchy of the church.

BE IT THEREFORE RESOLVED that the annual conference of Alabama and West Florida see and direct that the following steps be taken to reverse the decline in membership and to set a course for truly evangelistic outreach.

1) That no longer will the fact of barren churches be accepted on a "business as usual" basis; that the annual conference throughout its organization, will expect that each and every church in the conference will experience growth every year.

2) That the pastors of each and every congregation, in counselling with their superintendent, will be called to account concerning his or her efforts in conducting programs of evangelistic outreach in their churches. Such programs should have two goals: (1) that they are conducted considering the unique characteristics of the local church, and (2) that they are successful.

3) That membership reporting be done quarterly to each superintendent, with the District Secretary of Evangelism being responsible for the collection and compiling of the reports. This is intended to help each superintendent to monitor the efforts being made in evangelistic outreach in each and in his district throughout the year.

4) That evangelistic outreach and growth in local churches be accorded the same importance, as currently accorded stewardship and financial prosperity in local churches of the annual conference.

5) That the number of churches be increased by the establishment of outreach missions and new congregations in every area of the conference with the potential to support them, and that superintendents be vigorous in their district, and that they be annually accountable to the presiding bishop of the annual conference concerning evangelistic outreach in their district.

6) That the annual conference establish a goal of at least ten percent growth in membership each year for each local church, each district, and for the annual conference.

BE IT FURTHER RESOLVED, that upon its passage and as soon as possible, that the content of this resolution be communicated to each pastor and church by the superintendents and that immediate steps be taken to implement its spirit and purpose.

RESOLUTION NO. 15**A Resolution to the Elected Delegates of our Annual Conference to the General Conference and the Jurisdictional Conference**

We, the undersigned, do hereby declare by affixing of our signatures on this petition our true and earnest Christian Wesleyan convictions regarding our Apostolic Imperative given by our Lord Jesus Christ, to:

"GO YE THEREFORE, AND TEACH ALL NATIONS, BAPTIZING THEM IN THE NAME OF THE FATHER, AND OF THE SON, AND OF THE HOLY GHOST, TEACHING THEM TO OBSERVE ALL THINGS WHATSOEVER I HAVE COMMANDED YOU: AND LO, I AM WITH YOU ALWAYS, EVEN UNTO THE END OF THE WORLD."

This our, Holistic-Apostolic Imperative is expressed in the contemporary words, CHURCH GROWTH.

WHEREAS, our Lord's Commandment cannot be accomplished by any means apart from a personal, life transforming faith and a deep abiding conviction to be obedient to our Lord's Commandment. Our Lord's Imperative by its very nature is Holistic. Therefore, it cannot be achieved apart from a LONG-RANGE COMPREHENSIVE PLAN prayerfully designed by each United Methodist Church using our God-given strengths placed in each person and in each congregation. Each church shall have an annual ingathering and shall report plans, goals and results to the District Superintendent. Our Apostolic Imperative is a commandment to clergy and laity alike.

THEREFORE, we URGE our delegates to remove any barriers that would impede a natural flow of people and resources being brought forward to accomplish our PERSONAL HOLISTIC APOSTOLIC IMPERATIVE. We urge our delegates to the General and Jurisdictional Conferences of The United Methodist Church to INSURE, ENCOURAGE and SUPPORT Biblical Christ-centered Evangelistic Programs that encourage our members, churches, districts, and annual conferences to accept and personalize our GOD-GIVEN APOSTOLIC IMPERATIVE to GO, GROW, and MAKE DISCIPLES for Christ.

RESOLUTION NO. 16**A Petition to The General Conference**

Whereas the mandate to spread the Gospel of Jesus Christ is the primary mission of the Church;

And Whereas the growth of The United Methodist Church is of critical concern for our generation;

And Whereas the need for the organization of new congregations and the building of new church buildings exceeds available capital;

Therefore Be It Resolved that the following subsection be added to paragraph 1604 of *The Book of Discipline*:

"The General Board of Pensions shall as soon as feasible and by January 1, 1992 invest at least ten percent (10%) of its pension and benefit funds in The United Methodist Development Fund or other responsible United Methodist agencies, for the purpose of loaning those funds for establishing new congregations. These funds shall accrue income at the rate established by the Directors of The United Methodist Development Fund or other responsible United Methodist agencies in consultation with the General Board of Pensions but not less than at the general rate of interest paid on other accounts."

A Petition to The General Conference

WHEREAS, The Judicial Council of The United Methodist Church has ruled that the Committee on Pastor-Parish Relations is not accountable or amenable to the Administrative Board in regard to recommendations to the bishop and cabinet concerning the pastoral appointments; and

WHEREAS, the Administrative Board is informed by and consulted with in regard to all other staff positions and matters related to ministers and lay-staff persons; and

WHEREAS, there is a defined relationship between the Committee and the bishop and cabinet in regard to the appointive process, but no clearly defined relationship of the Committee to the Administrative Board; and

WHEREAS, it is inconceivable that any committee or group within the local church can be autonomous and not held accountable or amenable to the body that governs the local church,

THEREFORE BE IT RESOLVED: That we petition the General Conference of The United Methodist Church to make the Committee on Pastor-Parish Relations amenable to the Administrative Board of the local church by adding to Paragraph 267.9 the following statement,

**PASTORAL LETTER
FOR FIRST DAY OF ALABAMA-WEST FLORIDA CONFERENCE**

When the sisters and brothers of Alabama-West Florida come together for a session of the Annual Conference, there is always a sense of joy and fellowship.

Welcome, to this wonderful event in the life of our church! You will enjoy seeing old friends and making new ones.

Dr. Waite Willis will give Biblical inspiration. Dr. J. C. Peters will preach his heart out. The Rev. Barbara Harper will give the new ordinands inspired advice.

Reports will always be important, and sometimes interesting. Doubtless there will be some debate.

Let us pray for our conference that God will give us a special blessing of Grace, true piety and wholeness as we celebrate the 250th anniversary of the Aldersgate experience.

Yours in Christ,
James Lloyd Knox

Division III — The Chronological Roll

PASTORAL SERVICE RECORD AND CONFERENCE DIRECTORY

NOTE: The Chronological Roll, the Pastoral Service Record, and the Conference Directory are all hereby presented in a combined form, and in alphabetical order. It is our hope that we can present a more detailed as well as a more accurate record of each minister. The information in this division is compiled from my records and not from those of the Board of Pensions. I sincerely hope they are accurate, and you are asked to notify me of any discrepancies in your record. It is our plan to continue this form on a permanent basis, and we hope it meets with your approval.

—The Conference Secretary

A RESOLUTION

Whereas, the Structure Study Committee of the Conference Council on Ministries has made a proposal which was received by the Conference Council on Ministries for study and action in the fall of 1988; and

Whereas, if accepted by the Conference Council on Ministries and the Annual Conference, it would require reorganization of the "Program Boards" at the Annual Session of the Alabama-West Florida Conference in 1990; and

Whereas, this session of the Alabama-West Florida Annual Conference of 1988 is the organizational session for the new quadrennium 1988-1992, at which time membership on all boards, agencies, and committees are elected for four years;

NOW THEREFORE BE IT RESOLVED:

That we suspend Standing Rule 5 as it pertains to program boards, commissions, and agencies.

That elections at this session of the Annual Conference shall be for two years, through the Conference session of 1990 unless the report of the Structure Study Committee is rejected. In that event, the elections at this session of the Annual Conference shall be for the quadrennium, unless replacement is necessary for some other reason.

Reports Of Boards And Agencies

BOARD OF ORDAINED MINISTRY

Report No. 1

The Board of Ordained Ministry continues to work closely with the District committees in receiving and processing the names of persons who are candidates for the different levels of ministry. The Registrars for the Conference Section and the Local Pastors Sections have done an excellent job in keeping accurate records on the fulfillment of the responsibilities of each candidate.

During the past quadrennium we hope that we have been able to establish a closer tie with the seminary students. We have also worked hard to try and increase the percentage of giving of local churches to the Ministerial Education Fund. Our Conference has been blessed with producing such outstanding seminary students. We need to be constantly looking for new ways in which we can give encouragement to our students to come back to the Alabama-West Florida Conference to serve.

Our relationship with Huntingdon College in the area of Continuing Education has been extremely helpful. We feel that the Continuing Education program of the Alabama-West Florida Conference is being handled in a responsible manner and utilizing good stewardship.

The Board of Ordained Ministry has worked closely with the Board of Diaconal Ministry during the past quadrennium and developed programs and ministries together. We hope new lines of communication have been opened between these two important boards. We pray that we might continue to work together in accomplishing God's goals for ministry in our Conference.

The Board has spent much time and energy evaluating our training experiences that are required, and hopefully have improved the quality of learning experiences to help candidates become more effective ministers.

The Board of Ordained Ministry calls on the entire Annual Conference to help in recruiting ministers of all ethnic backgrounds. Each church should be open to ways in which God might call men and women into his ministry. We urge all local churches to create an atmosphere in which God's spirit might be at work to call people into his ministry.

BOARD OF LAITY

During the 1987-88 Conference year, the Board of Laity continued to progress in its ministry. The Board met on a regular basis, with excellent attendance. The Board has continued to emphasize the importance of organization of the laity in each of the districts, as mentioned in last year's report. At last year's Annual Conference, at the suggestion of the Board of Laity, it became a standing rule of the Conference that an orientation session

be held in each district in order to better prepare the lay members of Annual Conference for the Annual Conference session. Last year, such orientation sessions were held in each of the districts; and the response has been excellent. The orientation session in each district provides an opportunity for lay members of Annual Conference to be better informed as to any complex or controversial issues which may come before the Conference.

The Board of Laity has made plans to have the lay members of Annual Conference identified by district by providing a color-code on the badge.

Also, the district lay leaders will be assigned seats at a table immediately in front of the stage and in the area just in front of the area where lay members are seated, so that they will be more easily identifiable at Annual Conference. Their seats will correspond to the seats which have traditionally been assigned to the District Superintendents. It is felt that these measures will enable the lay members of Annual Conference to participate more fully and effectively in the proceedings.

Some progress has been made on the Board of Laity toward more inclusiveness with the election of Mrs. Vera Moore as District Lay Leader of the Mobile District. Although the Board of Laity was empowered at the 1987 Annual Conference to add to its membership so as to become more inclusive, it has not elected to do so because there is some sentiment in the Conference which discourages the larger size and greater expense which would be involved. The Board of Laity is closely following the work of the Structure Study Committee in this regard.

Since most of the members of the Board of Laity are selected ex-officio; that is, because of the offices which they hold, the assistance of the Cabinet is requested in the effort to make the Board more inclusive as new persons are selected for the various positions included in the membership of the Board of Laity.

The Board continues its concern with the proliferation of activities and programs in the Conference and feels that it would be better to do a lesser number of things well than to have a greater number of activities.

The Board has worked closely with the Stewardship Commission during the past year to bring about a major emphasis on stewardship activities within our Conference.

The Conference Lay Leader has continued to speak extensively throughout the Conference and to make himself available for training events and other district meetings. During the past year, the Conference Lay Leader was elected Secretary of the Southeastern Jurisdiction Association of Conference Lay Leaders. He was also elected Treasurer of the National Association of Conference Lay Leaders. These offices make the Conference Lay Leader a member of the Executive Committee of each of those organizations. The Conference Lay Leader attended meetings of the Southeastern Jurisdiction Association of Conference Lay Leaders and the National Association of Conference Lay Leaders.

Dale Segrest, Conference Lay Leader

UNITED METHODIST WOMEN

The United Methodist Women had a very good year in 1987. We grew spiritually, numerically, and more supportive of each other, as well as reaching out through missions around the world.

An emphasis has been placed on spiritual growth. We know that when the time and effort is spent to know God better and experience freedom as whole persons through Jesus Christ, then and only then are we prepared to move out in other areas. Conference and district Spiritual Enrichment Retreats have been very effective. The Christian disciplines of daily prayer and Bible study have been encouraged. United Methodist Women have taken advantage of opportunities to share their faith.

A main goal for this year has been an increase in membership. Members from the Mission team met with Bishop Knox and the Cabinet to plan strategies for the districts. The district presidents and membership chairpersons worked with the district superintendents and had representatives attend the charge conferences of churches and charges without UMW units. Several new units have resulted in most districts and inactive units have been revitalized.

Another goal was to increase undesignated giving. Our total pledge for 1987 was \$135,373.35. We went above this amount almost \$28,000! Our women are generous, because they believe in working for missions.

The Mission Team has tried to create a closer working relationship with the general church. We felt that tremendous progress was made in the Nominating Committee. The district presidents, district superintendents and lay leaders are truly working together as a team to strengthen the church.

The AIM Project (Aid to Incarcerated Mothers) at Tutwiler Prison for Women is the main goal under Supportive Community. Arrangements are made to transport children to visit their mothers once a month and provide other support for the family.

Plans are being made to implement the Charter for Racial Justice Policies. The conference officers are working with the districts to continue our efforts in this crucial area.

The Annual Meeting theme, "Workers in God's Vineyard," is truly acted out in the lives of United Methodist Women.

Ann Dalton, President

UNITED METHODIST MEN

The United Methodist Men had a very good year. We have had many new units to charter through the Division of United Methodist Men. We have begun our work on the painting of the cabins at Blue Lake and have made much progress on them. At our Retreat in January, we doubled the attendance of any previous year and completed our retreat with 201 men in attendance. Rev. Walter Albritton and Rev. Jim Claunch inspired us with their preaching and Joe Pat Cox, Ralph Freeman, and the Witness Quartet ministered to us in music. During the retreat we passed our Constitution and By-Laws for our Conference organization. The National President of United Methodist Men, Mr. Harold Batiste, installed our new officers for the next two years. Bishop Lloyd Knox had a ceremony of laying on of hands for our officers. We presented our outgoing President, Mr. Joe Garris, with a life membership pen and a plaque for his long and splendid service as our leader. We give God the glory for continuing to bless the work of United Methodist Men.

Robert L. Powell, President

CONFERENCE DIRECTOR OF LAY SPEAKING

During 1987 the Conference Director of Lay Speaking, working through the Conference Council on Ministries, the Conference Board of the Laity, and with the District Lay Leaders and the District Directors of Lay Speaking, planned and held two advanced training sessions for lay speakers. These sessions were held at Blue Lake, lasted approximately eight to 10 hours each, and were well attended. Sessions were conducted in February and October of 1987. Approximately 70 attended the February training, and approximately 50 attended the October training.

The *Discipline* requires that certified lay speakers attend advanced training courses at least once every three years. And, although there are no advanced training courses scheduled for 1988, there is an advanced training course scheduled for February 3rd and 4th, 1989, at Blue Lake.

Some of the districts are doing outstanding work and are involving many lay workers in basic lay speaker training and in lay speaking in their individual districts. We have one district which has developed an outstanding basic training program for lay speakers, has recruited a large number of lay people to assist with the program, and is sending their teams to other districts and to another conference to help in the training of lay speakers.

The work and influence of the certified lay speakers and lay speakers, and of laity in general, should be recognized and commended. I have visited with and talked to a great number of those involved in our lay speaking programs. And, yes, they are all to be commended for their work and efforts. Thank you.

Randall A. Estes, Director of Lay Speaking

COUNCIL ON YOUNG ADULT MINISTRIES

The Alabama-West Florida Conference Council on Young Adult Ministries has changed leadership and direction within the last twelve months. Steve Pierce resigned as President

of our conference's C.O.Y.A.M. and David Maloyed assumed the position as he was Vice-President and there were no election times available. We have since tried to focus our attention on presenting our services to the local churches.

Our ideology is that we should be assisting the local church in developing their own local young adult ministry. In the past, we felt, we had not done enough to emphasize to the local churches our ideas and recommendations to further their efforts. Most of our ideas are based on what has worked in our respective churches where we have developed our home church's program.

In 1988, we intend to continue to constantly be searching for new ways to assist local churches while furthering our own knowledge of Christ's message to us through the reading of His word, prayer, and insightful speakers at retreats.

David Maloyed, President

COUNCIL ON YOUTH MINISTRIES

We have had a terrific year. The CCYM has been very active this past year. In August we hosted the National Youth Ministries Organization Convocation at Huntingdon College. The meeting went very well although the youth of this Conference were on the go all the time.

In October we held our Annual Fall Rally at Blue Lake. Jessica Stringer was this year's Chairperson of Fall Rally. The 1987 theme was "We Are A Rainbow." Ed Kilbourne was the featured entertainer/speaker. He did a great job.

On Good Friday of this year the CCYM held a Cave-In at DeSoto Caverns. 140 youth and adults spent the night in the cave and had a fantastic time.

The Southeastern Jurisdiction Youth Convocation was held at Camp Sumatanga on April 15-17. Our Conference sent four youth. The meeting was productive. Some important by-law changes were made.

The CCYM raises money for the Youth Service Fund. YSF is a national youth project. We fund missions around the country. This year we went well over our goal of \$10,000.00. We gave \$2,500.00 of that to the Mobile Inner City Mission.

Overall, last year was a great year. This year looks as if it will be just as good, maybe even better. This summer we will have youth from our Conference attending "Youth in Missions" at Lake Junaluska. The Board of Missions will give scholarships for youth from each district to attend.

In August, "Youth '88," a giant youth rally will be held in Illinois. There will be approximately 5,000 youth from around the country attending. We have at least five churches from our Conference sending youth.

This year we will hold Fall Rally and Spring Fling again. We are planning a Y.S.F. Caravan to travel around the Conference spreading the word about YOUTH SERVICE FUND and the CONFERENCE COUNCIL ON YOUTH MINISTRIES.

I'll end by saying we are really excited working with our new "shepherd," Diane Shepherd, our new Conference Youth Coordinator.

From the speech given at Conference
by John Storey

BOARD OF TRUSTEES OF THE ANNUAL CONFERENCE

June 1, 1987 to June 1, 1988

The Board of Trustees of the Alabama-West Florida Conference of The United Methodist Church holds title to the following bequests:

Norris Allen Fund	\$44,000
Hattie B. Norred Fund.....	25,000
C.B. Gilmore Fund	20,000
Mary Lloyd Reynolds Fund	29,839

The first three of the above funds are invested with the Board of Missions of the Alabama-West Florida Conference. The income from these is used for scholarships by the Board of Ordained Ministry for students preparing for Christian ministry or other full time church related vocations in keeping with the wishes of the donors.

The fourth fund is a gift from the estate of the late Mrs. Mary Lloyd Reynolds of Brantley, Alabama. The interest derived from the corpus is to be used for National and World Mission projects as designated by the Board of Missions of the Conference. The interest derived from this gift as of March 5, 1988, was \$9,959.00 from the corpus of \$28,680.00. A project of the Board of Missions was funded at \$8,800.00 leaving a balance of \$29,839.00 in this account. By action of the Board of Trustees, this amount was placed with The United Methodist Foundation in Dothan for management.

The Board also holds title to the following real property:

1. Conference Headquarters building in Andalusia
2. The following parsonages in Andalusia:
 - a. 1202 Valley View Drive
 - b. 1403 Prestwood Bridge Road
 - c. 100 Redbud Drive
3. The Wesley Foundation Building and Parsonage in Auburn

The Board maintains and insures all property to which they hold title. A complete financial report is part of this report to the Conference.

During the year work has almost been completed on the renovation of the Wesley Foundation building in Auburn. The Conference gave permission for the Board to borrow an amount not to exceed \$300,000.00. The very good bid on this project enabled the Board to borrow from the United Methodist Foundation the amount of \$266,000.00.

We encourage local churches to be aware of the New United Methodist Insurance program. Information on this insurance plan can be had by contacting the Fiscal Office at Methodist Headquarters in Andalusia.

Funds for the work of amortizing indebtedness and maintaining our property come from the Maintenance and Amortization Fund. It is most important that local churches provide for the maintenance of our Conference property and full payment of each asking is essential to this process. The asking of \$80,000 includes an amount necessary for the amortizing of the Wesley Foundation building loan, the maintenance of all our property, including insurance, and an amount to provide for an Episcopal Residence in the event legislation is passed to permit the division of the Birmingham Area.

We are grateful for the response of our people to these needs which makes possible proper care and development of our Conference property.

Merrill Shirley, President
Mrs. Eleanor McCall, Secretary

COUNCIL ON MINISTRIES

Report No. 1

In the Conference Council on Ministries, the conference year of 1987-88 has been a year of completing some long term projects, while, at the same time, launching out into some new directions, both in staffing and in programming, that were in dire need of attention.

Regarding the financing of the Conference Council, both in administration and in programming, it has been a roller coaster year, up some times, down the next. Remarkably, however, as pertains to the Conference Council's administrative budget, we ended out the fiscal year of 1987 on the up-swing, with a spectacular recovery of that particular budget account. Last year at this time, we were reporting a \$40,000 plus deficit in the CCOM account, but through the unified efforts of the CCOM staff, conference program boards and commissions, the Bishop and the district superintendents, and local churches, who began paying their World Service and Conference Benevolence apportionment for the first time, we ended the year \$650.13 in the black.

Much of the latter new local church participation, we attribute to a greater sensitization of United Methodists in the Alabama-West Florida Conference as to the great ministry and mission needs that were involved in the World Service and Conference Benevolence asking, primarily through an intense, planned campaign conducted by the conference leadership.

At the last annual conference session, a Steering Committee was appointed by Bishop Lloyd Knox, composed of the chairpersons of the program boards and commissions, the district superintendents, the conference treasurer and the CCOM Director, and charged with the responsibility of planning and conducting such an effort. After several initial planning meetings, therefore, the "World Service and Conference Ministries — 100% Support Campaign" was launched in the Fall of 1987, with Harry McDavid, leader of the Blue Lake

Assembly Grounds Commission, as Chairperson. An extensive search was made for an executive coordinator for the campaign and, as a result, James Salter, of the Ferry Pass United Methodist Church in Pensacola, Florida, was chosen as the person who could best serve in this capacity. Jim, who is recently retired from Southern Bell Telephone Company, graciously volunteered to donate many valuable hours of his time for this purpose, only receiving reimbursement for his expenses. Beginning in the latter part of 1987, his efforts continue up into the present annual conference session and, we are sure, will pay even greater dividends in local church response, as our churches become more aware of the critical importance of each church paying its World Service and Conference Benevolence apportionment in full. All of us will be eternally grateful for all the volunteer labor that Jim Salter has devoted and is devoting to this effort.

Some of the long term projects which are in the process of being brought to completion are as follows:

A. THE STRUCTURE STUDY REPORT — Begun in 1984 and delayed because of several leadership changes, these recommendations (CCOM Report No. 2) are the result of the work of a ten person Structure Study Committee, now under the leadership of Dr. Henry Roberts, senior minister at First UMC, Pensacola. The completed report is submitted to this annual conference for purposes of information and study. By action of the Conference Council on Ministries at its Spring meeting, it is scheduled to be acted upon by the CCOM at its Fall, 1988, meeting and to be presented to the 1989 annual conference session for perfection and final action. All of our annual conference delegates are asked to thoroughly study this important document, especially those who will be part of the newly constituted Conference Council on Ministries, which will be in place immediately after this session of annual conference.

B. THE CONFERENCE COMPREHENSIVE PLAN ON NEW CHURCH DEVELOPMENT AND CHURCH REVITALIZATION — Another long term project which is being brought successfully to conclusion is the Conference Comprehensive Plan on New Church Development and Church Revitalization. Back in 1983, such an effort was initiated, but the plan was never brought together, primarily because of staff changes at the General Board of Global Ministries and because many of our districts never became involved in the process. Now, after months of intense labor and the unified work of the new Conference Commission on Church Development and Revitalization, the district committees of the same comparable name, and the district superintendents, the Alabama-West Florida Conference Comprehensive Plan on New Church Development and Church Revitalization is nearing completion. Results of the demographic study work done by all nine district committees reveal that during the next five to ten years, the Alabama-West Florida Conference, in addition to 17 major projects of revitalization, will need to organize and establish 23 new United Methodist congregations. As one looks at the study results carefully, it becomes apparent that the money raised for new church development and church revitalization in the Capital Funds Campaign is going to be, proverbially, "A drop in the bucket," compared to the need that exists. As a result, it is being proposed by the Conference Council on Ministries and the Conference Commission on Church Development and Revitalization that a line item asking of \$300,000 annually be placed in the Conference budget for New Church Development, beginning in 1990, when the Capital Fund Campaign expires.

C. THE SUNDAY SCHOOL EXPLOSION CAMPAIGN — It was not really a previous long term effort, but it is hoped that the lessons learned from the leadership of our local churches, regarding the Sunday School, will bear fruit for many years to come. The response to a regular conference program has been unequalled in recent years, at least, as local churches, of large, medium, and small membership, responded to become involved in this year's Sunday School Explosion Campaign. Reports from all sized churches have been received from across the conference of new classes being organized, new Sunday School attendance records being set, and new people being reached as more and more churches became involved. Many have said that church worship service has increased markedly, as well as the entire church program being rejuvenated. We call upon all local churches to continue their efforts in this area, since they now realize what a little planning and spirited effort can accomplish.

Certainly, as part of this year's effort we have found ourselves taking new directions, both in staffing and in programming.

There have been staff changes, both in personnel and in job alignment. We mention just a few of the more obvious ones as follows:

1. In September of 1987, Mark Stewart resigned his position as Conference Children's Coordinator after 10½ years of service to the CCOM and the annual conference, to become education and program coordinator at First United Methodist Church, Dothan, Alabama.
2. After considerable work was done by a Staff Feasibility Study Committee, composed of representatives from the CCOM Personnel Committee, the Blue Lake Assembly Grounds Commission and the Conference Board of Education, it was decided by the Conference Council on Ministries to recommend the moving of the entire camping operation, including planning, curriculum content, staffing (recruitment and training), promotion and publicity, registration and day-by-day supervision to Blue Lake and to place it under the direction of the CCOM Associate Director/Director of Blue Lake. An Assistant Director of Blue Lake Assembly Grounds would then be employed, who would have dual responsibilities, both in being the administrative assistant to the Blue Lake Director and in having direct program responsibilities in seeing that the camp operation run in a smooth and efficient manner.
3. The remaining responsibilities of the Conference Children's Director and Conference Youth Director would then be combined into one CCOM program position.

When Bill Roy, CCOM Assistant Director and Youth Coordinator resigned in November, effective June 1, 1988, it opened the way for the above to be accomplished.

4. Then the CCOM Personnel Committee began their search for a person with equal interest in children and youth to fill the position which Mark Stewart had vacated. The process included receiving over 25 applications and conducting face-to-face interviews with four outstanding candidates from across the country. After meticulous and prayerful consideration, Ms. Diane Shepherd, a Diaconal Minister from Tucson, Arizona, was chosen as the new CCOM Associate Director/Children's Coordinator. Diane is a person who is extremely dedicated, efficient and enthusiastic and has an equal interest in children's and youth work. She will be formally introduced to the annual conference at this session and it is proposed she will also assume the remaining responsibilities of Youth Coordinator (with direct camping responsibilities excluded), after Bill Roy's departure on June 1, 1988. Bill has worked long and hard at facilitating a formidable youth program, both in its camping and year-round aspects and we hate to see him go, but we pray upon him God's blessings of a continued successful lay ministry, as he pursues his new endeavors. We are fortunate to have a person like Diane Shepherd to now assume the outlined job responsibilities.

Some of our new ventures in order to enhance programming are as follows:

1. A new A.B. Dick offset press is scheduled to be installed on April 25, 1988, which will give us extended printing capability. The new A.B. Dick, Model 9810, will replace the antiquated Multilith 1850 offset press, which was outdated when Conference headquarters located in Andalusia back in 1963. It is felt that this new equipment will solve the problems of limited capability and numerous breakdowns in our printing operation, which have been experienced in the past.
2. Another creative and unique venture will be the scheduled training of the membership of new conference program boards and agencies on three Saturdays in the summer of 1988, as the new quadrennial boards take shape. The plan is to have different program boards and agencies meet at Blue Lake at 10:00 A.M. on three Saturdays and be trained by CCOM staff and immediate past board and commission chairpersons, until about 3:00-4:00 P.M. The tentative dates for this training are: July 23rd, August 20th, and August 27th. We hope that all Council on Ministries' program board membership will note the scheduled planned dates for the respective board and agencies, to be announced at a future time.
3. With the success of the primary emphasis of the Sunday School Explosion during the past conference year in mind, the Conference Council on Ministries proposes two consecutive special emphases during the years ahead. Under the general quadrennial theme of "MOVE WITH THE SPIRIT — NOW!," the following schedule is proposed:
 - A. June 1, 1988-December 31, 1989 — "MOVE WITH THE SPIRIT OF CHRISTIAN STEWARDSHIP" — A 17 month emphasis is recommended by the Conference Council on Ministries in order to align our program emphases with the calendar year and to meet the tremendous stewardship emphasis needs of our local churches. (A detailed

oral report supplement to this program will be presented at this session of our annual conference.)

- B. January 1, 1990-December 31, 1990 — “MOVE WITH THE SPIRIT OF EVANGELISM.” Preparation for this emphasis began with a pilot workshop on Visitation Evangelism for the Dothan District, led by Dr. David Brazelton of the Florida Conference on Saturday, November 7, 1987, at Dothan's First UMC, and continued with evangelism leaders and actual lay visitation in local churches on Sunday, November 8, 1987. It is continuing with similar District Visitation Evangelism Weekends in the remaining districts during 1988 and a regional School of Evangelism, “Offering Christ Today,” led by the staff of the Section on Evangelism, General Board of Discipleship, set for October 9-12, 1989, at the Ramada Beach Resort in Fort Walton Beach, Florida. The year of evangelism emphasis in 1990 will, therefore, be the culmination of a carefully projected plan of evangelistic outreach.

Our gratitude is expressed to the many lay and clergy persons of our conference, without whose positive responses — prayerfully, financially, and participatory — would make our efforts an exercise in futility. We look toward an even brighter future with an almost totally new CCOM Program staff, who, we are sure, will lead us to even greater achievements as we minister together in God's vineyard.

Report No. 2

REPORT OF THE STRUCTURE COMMITTEE TO THE COUNCIL ON MINISTRIES ALABAMA-WEST FLORIDA CONFERENCE

The Structure Study Committee was created in the fall of 1984 and its work has covered the better part of this quadrennium. Early in the process we determined that it would be helpful to have the guidance of an “outside resource” to facilitate evaluation of our current situation before we could adequately chart our future structure. Dr. Warren Hartman, Executive Director of the Department of Research of the General Board of Discipleship agreed to serve this function for the Committee. All expenses for Dr. Hartman's participation were covered by the Board of Discipleship at no expense to our conference.

Dr. Hartman designed questionnaires which were mailed to the ministers and church leaders across our conference in the spring of 1987. A total of 204 useable responses were processed. Although this was a disappointing number of participants, it was a useable sampling of the feelings of the conference leadership concerning existing structure and programs. He also used Conference Statistical data and interviews with Conference staff, the Cabinet and the Structure Study Committee to make his recommendations to the committee in the fall of 1987. A copy of his evaluation was presented to the fall 1987 meeting of the CCOM, and a copy of his report is contained in the minutes of that meeting.

After reviewing Dr. Hartman's study and surveying the responses of the Boards and Agencies of our Conference to his suggestions, the Structure Study Committee makes the following recommendations:

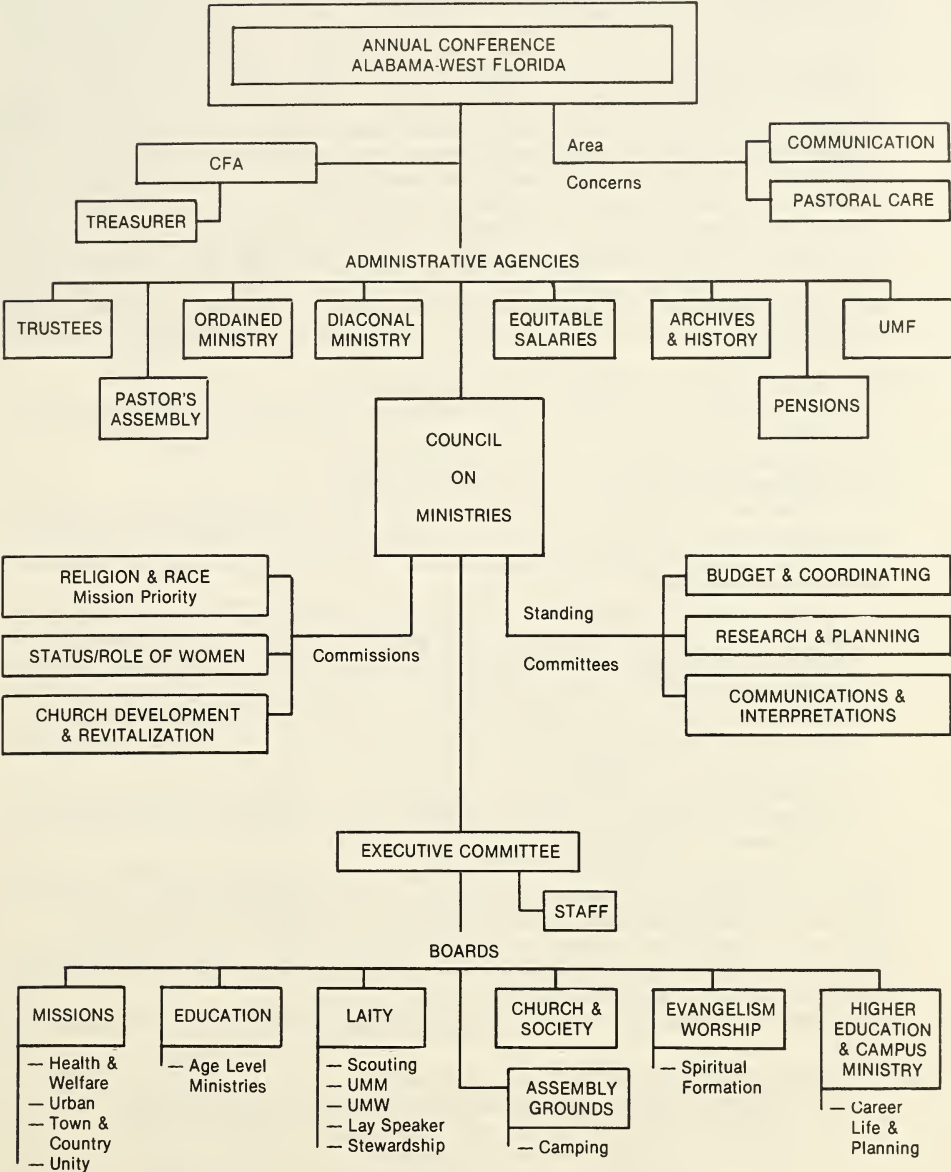

1. Recognizing that the primary responsibility of the CCOM is to coordinate our Conference Agencies in their planning and developing of programs and services, we recommend a reorganization of the Conference Structure (see Addendum I & II) to be effective by mid-quadrennium 1990.

This reorganization would call for a separation of the boards and agencies into two groupings based on their essential functions. One group will consist of those agencies that have primary responsibility for administrative and professional ministry concerns. The second group will be made up of the boards and agencies that are primarily responsible for program planning, implementation and promotion. We further propose a division of funding with program units funded through the Conference Benevolence Fund and the Administrative and Professional Ministry agencies funded through the Conference Administrative Fund.

2. We recommend that the Standing Rules Committee of the Conference present a new set of standing rules to our 1989 Annual Conference in order to implement the new structure proposals by the 1990 Annual Conference.
3. We recommend that the officers and members of the various agencies of our conference be elected this Annual Conference for only a two year term since the new structure will call for new arrangements from the Conference and District Nominating Committees in early 1990.
4. Since staff changes have continued to occur throughout the quadrennium, the Executive Committee of the CCOM serving as the Personnel Committee, has dealt effectively with these changes and we have no recommendations to make at this time. It is however, our recommendation that the primary locus of CCOM staff work and activities be on the Conference, District and Sub-District levels. We see this as the most effective means of enabling the local church in its ministry.
5. In view of the rapid demographic changes in our Conference and passed legislation before the 1988 General Conference dealing with the issue of establishing our Conference as a separate Episcopal Area, we recommend that the Annual Conference establish a Task Force to study the most desirable number of districts. The Task Force would be created on nomination by the Annual Conference Nominating Committee and elected by the Annual Conference in 1989 to report back to the Annual Conference session in May 1990.

STRUCTURE STUDY COMMITTEE MEMBERS: Dr. Henry E. Roberts, Chairperson; Rev. J. Lamar Brown, Secretary; Rev. Al Harbour, Rev. James P. Dannelly, Dr. Rex M. Mixson, Wilson Patterson, Foy Campbell, C.H. (Babe) McGehee, Mrs. Dorothy Jackson, Mrs. Mary Willis

These district representatives would be nominated from the District Committee on Nominations and elected at the District Conference. One of these three persons would be designated by the Nominating Committee to serve on the District Council on Ministries representing the concerns of their Board, thus securing the connecting link between the conference and the District.

Also serving as ex-officio would be members of corresponding General Boards, a representative from the Conference Board of Laity, one cabinet representative and a Conference CCOM staff person.

3. The membership of the Standing Committees would be selected annually by the Nominating Committee of the CCOM as follows: six from the membership of the CCOM; six from the Conference on the basis of interest and expertise and inclusiveness.
4. The membership of the Commissions is spelled out as follows: Religion and Race — Standing Rule 35; Status and Role of Women — Standing Rule 40; Church Development and Revitalization — Standing Rule 51.
5. The membership of the Administrative Agencies will be determined by existing standing rules.

Note: It will be expected that the Conference and District Nominating Committees will adhere to the disciplinary policy ensuring that the Boards are racially inclusive.

BOARD OF MISSIONS

Report No. 1

The Board of Missions has been busy this year with its programs of promotion, and assistance to churches in building. The Board has assisted in the establishment of the new Commission on Church Development and Revitalization and turned over to it the funds from the Capital Funds Campaign. By action of the Conference Council on Ministries, the Board will turn over to the Commission at the end of 1988 the entire function presently carried on by the Committee on Church Extension.

We held another successful Fall Mission Rally in each of the nine districts. Plans are already underway for the Fall Mission Rally in 1988, when our Bishop J. Lloyd Knox, and the Conference Lay Leader, The Hon. Judge Dale Segrest will be the speakers. The emphasis will be on stewardship, and a mission fair in which local churches, as well as the conference, can display their successful efforts in mission promotion.

The Council on Ministries has asked the Board of Missions to once again assume the responsibility for relating to the mission agencies of the conference. Thus, the Board will seek to encourage, promote, and help those Mission agencies which receive financial funds through the Conference Budget. Specifically these are Mobile Metro, the Inner City Ministries, Dumas Wesley Community Center, Nellie Burge Community Center, Noah's Ark-Panama City Beach Ministry, and the Ecumenical Ministries of Baldwin County. We have asked that a place be made for one of the Board of Missions to sit on the Board without voice or vote, to understand the work of the institution, and report to the Board. We recommend to the incoming Board that they give time at future meetings of the Board for presentations by these mission agencies.

Finally, I want to express my appreciation to all who have worked so diligently on the Board this quadrennium. Especially, my thanks to Rev. Mr. Gerald Maddox, Conference Missionary Secretary, who will leave this post as of Conference 1988. We welcome the Rev. Mr. Don Brill to the post of Conference Missionary Secretary. I am sure he will do a fine job.

With gratitude to God, and to the Conference for the opportunity to serve, I make my last report.

Dr. J.S. Lock, Chairperson

This commission assumed the responsibilities for the Capital Fund grants heretofore managed by the Church Extension Committee of the Board of Missions.

As Chairperson of the Church Extension Committee for the past three years, I wish to thank all of those who have served on the committee for their dedicated efforts. The decisions and policies which have come through the Church Extension Committee represent hard work and dedication to the growth of Methodism in the Alabama-West Florida Conference. We urge your continued support of the World Service and Conference Ministries Fund and the Conference Capital Fund as these are the major source of our New Church Development and Church Revitalization support.

URBAN MINISTRY COMMITTEE — Report No. 3

The Urban Ministry Committee is working toward the goal of developing an Urban Ministry Network within the Alabama-West Florida Conference, of those persons engaged in the urban ministry area.

Since the creation of the Urban Work Committee, as a part of the organizational structure of the Board of Missions, it has become increasingly evident that there should be some stated goals for the churches in the urban area to work on together.

A Conference Urban Ministry Network of persons interested in urban work and outreach ministries can be a strong coalition for the process of developing generally accepted goals of local church empowerment, advocacy, and direct services.

Urban Ministry Committee chairperson, Boots Guthrie was elected President of the Southeastern Jurisdiction Urban Workers Network at the annual meeting of SEJUWN in Louisville, Kentucky, February 23, 1988.

NOAH'S ARK — Report No. 4

Noah's Ark is an Advance Special Mission, Ministry, and Beach Retreat located on Panama City Beach, initiated in 1972 by the United Methodist churches of the Alabama-West Florida Conference. Since that time, support has been obtained from the United Methodist Women and the Conference Benevolence Fund. Many churches throughout our Conference labored to bring this ministry into existence. Now, many churches from all over the southeast have become involved in our mission.

Noah's Ark has become an unusual and unique ministry and is well known throughout the southeast, the midwest, and Canada. Our mission is to witness through service, both to summer vacationers and winter tourists. Hundreds of lives are touched and made better each summer through our witness. The winter ministry serves to dispel loneliness, provide the warmth of love and fellowship through many meaningful activities to the hundreds of retired couples, widows, and widowers, ranging in age from early retirement to 80 and 90 years of age.

1987 was again a very good year for the ministry of Noah's Ark. Our summer witness and retreat programs were very successful. However, there was a drop in retreat income due to the increase in competition by commercial motels and condominiums. Due to overbuilding on Panama City Beach, they are seeking to entice churches, with some success. Last summer there were eighteen other places seeking church groups. None of these, however, provided any type of Christian setting and in many instances somewhat disappointed the church groups who tried to have retreats with them.

The Snowbird ministry for 1987-88 was the most successful to date. We have been developing better communication with the Snowbird population and thereby increased our membership to 725, an increase of more than 100 more than ever before. This led to the addition of several classes and activities. The spirit of the Snowbird Club continues to be the spirit of the Church at its best.

During 1987, we increased the size of our small dorm by 1,000 sq. ft., installed central air conditioning and heat, new roof, new doors, and new vinyl tile at a cost of approximately \$28,000.00. \$18,000.00 of this cost was borne by the Snowbird Club. New built-in bunks have been installed in our motel rooms, making them roomier. We have a new roof installed on

parts of the motel building and anticipate the need for a new roof on the rest of the motel and a new roof on the retreat house this year. Advance Special giving is therefore very much needed.

The Staff and Board of Directors of Noah's Ark wish to express our appreciation to all persons and churches who support and participate in this ministry, either through Advance Special giving, or private giving. Our prayer and hope is that Noah's Ark will be seen as an illustration of what any church can do when Christians give of themselves through the love of God revealed to us through Jesus Christ and expressed through us by the power of the Holy Spirit.

DUMAS WESLEY COMMUNITY CENTER — Report No. 5

Employees of community centers quickly get used to being asked questions about their jobs by others whom they meet in social and professional situations. Not many know precisely what a community center is, nor what the people who work there do during a typical day. Hence, answering the question, "What do you do?" becomes more problematic for workers at a community center than it does for people who hold more commonly-understood jobs.

To be truthful, it is genuinely not easy to explain the functions of a community center to those who have never spent time being around one. Perhaps the reason is that there really isn't ever a "typical" day — the problems we face at Dumas Wesley display the same randomness that is exhibited by the problems that come up in any of our personal lives. Some are continual, long-term afflictions. Many others are sudden, short-term crises that can be cataclysmic in their effect. Dumas Wesley tries to respond to all of these as they arise. Some we can solve in a day; we have been dealing with others for many years and expect to do so far into the future. Communities are extremely diverse and evolving organisms, and so are our jobs.

The best way to get a feel, perhaps, for our Center is to peruse a sampling of some of the activities in which we have been involved during the past year. They appear in no particular order, either of importance or of the time we devote to them. They constitute, though, what it is we're about: serving on the very front-lines of American society, with all the peril and exhilaration that entails.

- In October, two of our neighborhood workers happened to come across two elderly women living in dilapidated housing. They were a mother and daughter; mother aged 87 and daughter, 71. The daughter was severely retarded.

The Center has tried in recent months to improve their lives a little bit by a variety of means. We obtained food baskets for them from our food pantry — their cupboards were seen to be bare very often. In November, when the weather turned cold, their archaic gas heating system did not work. The Center intervened with their landlord, requiring a week of phone calls and pressure to get their heat restored. We also obtained a reclining chair for their living room, which was devoid of furniture when the workers first met them.

- Dumas Wesley Day Care has long recognized that one of the main disadvantages of growing up in an economically deprived neighborhood is a lack of exposure to many horizon-expanding experiences. This year, our 3- and 4-year olds now take mandatory art and gym classes, and many children have taken advantage of an opportunity to learn basic ballet in a unique class that meets once a week.

- Two months ago, a young man in our neighborhood was arrested and charged with purse-snatching at a local shopping mall. Staff members were familiar with the family, having worked with them for a period of several years. The young man himself had been a participant in our youth programs when he was younger. Dumas Wesley Center has tried vociferously to insure that his attorney has been apprised of all relevant information about this case, including our testimony at a hearing regarding his good behavior and peacefulness. We do not know for certain of his guilt or innocence. As the case still pends at this writing, we are only seeking to insure that the young man gets a fair shake from the justice system and that as much positive results be obtained from the proceedings, both for him and his family, as this extremely difficult situation will permit.

- Around Halloween, staff members decided that it would be fun and beneficial to have a Halloween party for the kids in the neighborhood. We worked for a couple of weeks to construct a haunted house (a huge success, including an especially memorable vampire

and ax-murderer), and conducted games and a pinata for the smaller children. The evening ended with a teenage dance.

- Last autumn, the Center organized a senior citizen's excursion to Bellingrath Gardens, one of the major tourist attractions in the region. Many of the participants, some in their 80's and 90's, had lived in the Mobile vicinity for their entire life and had never had the opportunity to visit the gardens. We had a delightful tour, capped by a picnic in a Theodore park.
- Recreation opportunities, for children and adults, remain a prime area of emphasis. Dumas Wesley has fielded teams in local football, basketball and baseball leagues, and this year a volleyball league was organized with various churches, providing often-overlooked girls a chance to compete in sporting activities.
- Since the local economy remains in a semi-depressed condition, it's more important than ever that neighborhood young people do well in school, avoid the pitfalls of drugs and early pregnancy, and set long-term goals for themselves that can be met with hard work and perseverance. Failure to do so will only result in a great likelihood of ending up unemployed, on public assistance, or in menial, dead-end jobs.

Last year, the Center organized a Self-Awareness and Goal-Setting Seminar for middle school-aged young people in the community. Realistic presentations on sexuality and substance abuse are combined with encouragement to excel for the future. Now on its second session of approximately 16-20 young people, the Seminar has added a component whereby the participants will spend half a day with a Mobile-area professional who works in a career in which the student is interested. This idea is being studied by Mobile County Public Schools for possible wider application.

These are but a few of the myriad endeavors a community center might find itself involved in during a typical year. There are, of course, many others, including continuing programs like evening aerobics, SAIL (Senior Activities for Independent Living) congregate meal feedings for the elderly, emergency food and financial assistance, open afterschool gamerooms, Christmas Toy Store, and summer camp. Legal Counsel for the Elderly and Mobile Pre-School for the Sensory Impaired continue to utilize agency offices and/or classrooms. Our service capacity is expected to increase greatly in the next few years as Dumas Wesley commences construction of its planned addition. The future looks bright.

On a personal note, I have found the concept of a community center to be an extremely fascinating and instructive way to grapple with many of what we generally lump together as "social problems." When I joined Dumas Wesley staff in August as a Jesuit Volunteer, I was completely unfamiliar with community centers, and my only experience with problems like racism, poverty, teenage pregnancy, drug abuse and child neglect had been in the dry atmosphere of the classroom. Working here brings those dilemmas alive in all their complexity. In fact, the existence of institutions like community centers is invaluable, because they provide a crucial link between theorization and practical experience. Our programs are often laboratories for the ideas produced in Washington and in universities across the nation, and what we observe up-close contributes much, we hope, to the formulation of those ideas. The fluidity exists in a community center to play that kind of mediation role. Methodists should be proud of their pioneering of the community center concept. As a Catholic, I would hope that my denomination would take away important lessons from the Methodist example.

It seems to me, then, that the most crucial thing we do at a community center is RESPOND — to what has already happened, to what happens in the immediate moment, and to what we fear might happen in the future. Walking through the door each morning is an adventure in hard work, in creativity, in clear-eyed thinking about the difficulties that face the people in Crichton, and most importantly, an adventure in sharing the love and indomitable spirit of the people who make their homes in this neighborhood.

NELLIE BURGE COMMUNITY CENTER — Report No. 6

We are blessed each day by being afforded the opportunity to render service to God's people. To see positive changes come into the lives of children and young adults is gratifying and rewarding.

All of our programs have progressed nicely through the fall and winter. With spring

and summer rapidly approaching the anticipation is heightening for additional wholesome activities for children and youth during the summer. This will climax with our annual camping event in Camp Discovery at beautiful Blue Lake in August. We are extremely grateful to all who help make this unique opportunity available.

We see a need for neighborhood seniors involvement. There a number of older citizens who apparently have no outlet or association with their neighbors. We intend to concentrate on this need and organize programs which will get them out of their houses and into some common interest programs. This is something we have wanted to initiate for a long time.

Daily we are confronted with more homeless and more people who are facing emergency situations. We help with canned food, clothing and limited household items. Devastating conditions under which so many people exist continue to perplex us. We endeavor not to turn any deserving person away empty-handed but our resources stretch extremely thin at times.

However, we are determined to maintain our beacon ray of hope in the midst of turbulent seas. We are constantly grateful to all those who help to make our energies reach fruition. It is heartwarming to be reminded daily of the love and compassion of so many people throughout the conference. We pledge our wholehearted effort as we approach each day.

THE CHILDREN'S RESOURCE CENTER — Report No. 7

(For Your Information. Was not presented to the Annual Conference Session.)

Children's Resource Center is a very special ministry designed to bridge developmental delays and to help make our children whole.

Children's Resource Center was founded in 1975 as a private, non-profit facility by Dottie E. Sarver, its Executive Director. It is a center for children with special needs. Over the years, Children's Resource Center has grown into an outstanding facility offering special children a year round therapeutic/educational facility. We offer our children and youth the benefit of a team of Special Educators, Speech Therapists, a Physical Therapist, a Music Therapist, and a Certified Clinical Psychologist, all under one roof. Our goal for the children, who attend our Center, is for each child to achieve his or her unique potential by utilizing our special facility. We take each child where he or she is functioning and move them forward through education, remediation, therapy, positive motivation and love to a point where they are ready to leave us and make their way in a regular school or home environment.

1987 has been a very rewarding and exciting time in the growth of this ministry. Because of our long waiting list in the early spring of 1987, we found that our facility on Lillian Highway of 4,900 square feet was inadequate in size. Our immediate needs were very great. We moved forward in prayer, asking for guidance. We have been able to lease a large facility of 14,900 square feet at 3295 Barrancas Avenue in Pensacola, Florida. We are functioning at almost full capacity at this time, in this beautiful facility that we moved into on June 15, 1987.

The McDonald Grant and our annual Charity Horse Show have helped us secure the additional funds so greatly needed to help with operational costs.

We were the recipient of Gayfer's Christmas Charity this year and appreciate their support of this program.

My husband and I continue to travel each weekend to share in Methodist churches everywhere, the story of Children's Resource Center, the Center built on faith. Your help has helped make possible needed scholarships for our poverty children. We continue to be richly blessed by the loving support from our churches. Forty-nine percent of our children are from poverty level. We therefore, are in constant need of continued scholarship funding.

Tuition is based on a sliding scale according to a family's income. No child is refused admission because of his family's inability to pay for services rendered due to low or poverty level income.

Extended plans include specialized care for preschool children, involving extended care on a daily basis, therapies, and daily use of the agency's treatment center. There is a great need for a residential treatment center. There has been an increase in child abuse victims who need the special services of the center, and we must continue to meet these needs. We are, therefore, in the process of attempting to find suitable land for our future expansion plans. We simply must have more room and eventually a residential center to meet the needs of certain children and their families. We therefore are entering a 5 year fund drive. During

the first year of the five year fund drive, the goal will be to continue to raise money for land and our "dream blueprints."

Children's Resource Center of Northwest Florida is poised on the edge of the most significant time in this special ministry to children. We must step out in Faith to seek the help we need. With your help and God's help the needs of these children can be met. Help give a child tomorrow — TODAY.

There are many ways in which you, your church, your business or your organization can help. We need volunteers, clothing, canned food and financial support. Ours is truly a mission dedicated to helping make children whole by developing the potential of each child regardless of race, color, or creed since 1975.

We continue to serve children through the following areas:

- Communicative disorders services
- Speech therapy
- Individual in-school and out-patient speech therapy
- Comprehensive speech and language evaluations
- Psychological services
- Psychological day treatment in an educational setting
- Individual supportive psychological therapy
- Group and family therapy
- Psychological testing and evaluation

The children and youth we serve include:

- Unmotivated children
- Gifted children
- Learning disabled children
- Under achievers
- A lack of academic progress
- Children with emotional problems
- Physically, emotionally or sexually abused children
- Children with speech or language problems
- Children who have normal intellectual potential but who may fall through gaps of the educational systems or for whom there is no appropriate program available

We urge you to visit Children's Resource Center and share in the wonder, joy, and love that is experienced here daily through what God's doing for all of us and in the lives of the children and families involved in this program. The vital activities, the continual goal of "helping make children whole" is ever deepening our Christian faith.

As a deaconess, and through the Board of Global Ministries, I know that Children's Resource Center is a tremendous opportunity for being in mission. Here, in this very special place there is always Love in Action as pain and suffering are alleviated and wholeness becomes a reality!

Thank you for your advance special giving to this ministry and for all you continue to do to make this ministry possible.

Scholarships are greatly needed. Local churches within the Alabama-West Florida Conference are urged to participate in this Advance Special Ministry by making a commitment to contribute towards the support of this Advance. We need your help and desire your partnership in this mission. You will find it very exciting and spiritually rewarding.

CHILDREN'S COUNCIL — Report No. 2

The Children's Council worked in 1987 to meet a variety of needs of children, parents, and workers with children. The council sponsored three major events, dealing with several facets of children's ministries.

The year's activities began with a Summertime Ministries Fair held at Blue Lake on March 28, chaired by Sally Granberry. Its purpose was to present models or possibilities of summertime children's ministries, with several areas of interest from which participants could choose. The keynote speaker was the Rev. Michael Williams of Nashville, on the topic "Playing in the Sacred Space" — dealing with learning and playing games that encourage imagination, give-and-take, and communication skills. Approximately 33 churches were represented by the 92 participants, whose evaluations were positive and enthusiastic.

Under the council's sponsorship, Barbara Garcia of the Board of Discipleship presented a series of workshops in eight locations around the conference on "Children and Faith Development." The 200 persons who attended benefitted from her presentations on the sacraments, children and worship, and answering faith questions.

The council's most extensive program took place in the fall, with several events within one week's time under the leadership of Stan and Pauline Stewart, Christian educators in Perth, Australia. They presented four workshops around the conference on "Introducing the Small Child to Worship," and one on "Our Children and Our Church." They led an older adult experience, family nights for two local churches, and an all-day workshop at Blue Lake for pastors and Christian educators on "Children and Church Growth," for which full-time participants earned continuing education credit.

Another scheduled event, a parenting weekend focusing on blended families, was cancelled for lack of registration.

The council helped underwrite training for one of its members in the program entitled "Rainbows for All God's Children," which helps children deal with grief and loss. The program is being shared around the conference.

The council invested time and energy in planning several significant events for 1988, including a Confirmation Celebration and the first-ever Children's Ministries Weekend. The group has welcomed several new members whose enthusiasm and expertise will continue to enhance its work. The council looks forward to providing training and inspiration for children and the persons who work with them in the Alabama-West Florida Conference.

SUNDAY SCHOOL COMMITTEE — Report No. 3

The Sunday School Committee is pleased to report on the continued success of its major project. The seventh annual Sunday School Weekend was held at Blue Lake, September 18-19, 1987. There were 433 persons attending — an increase of nearly 25% over the previous year. This indicates that we are adding new participants each year and are reaching more Sunday School teachers and leaders in our Conference.

The 1988 Sunday School Weekend will be held September 16-17, 1988 at Blue Lake. Mrs. Barbara Garcia from the Board of Discipleship will be the keynote speaker. The theme is "Catch the Spirit in Sunday School." We will again be offering courses that will help inform and inspire our Sunday School teachers and workers. Classes for Continuing Education Unit (C.E.U.) credit will be offered again in 1988.

We will continue to recruit the most capable leadership available and to plan courses that will meet the variety of needs of the local churches in their Christian education programs.

It is our recommendation that we continue to observe Christian Education Sunday on the fourth Sunday in September. The local churches are encouraged to emphasize the

importance of Christian education and to express appreciation to teachers and leaders for their gifts of time, talent and understanding love.

LEADER DEVELOPMENT COMMITTEE — Report No. 4

In October of 1987, the Leader Development Committee sponsored a Teacher Training and Development Coaching Conference at Blue Lake Assembly. The most significant aspect of this workshop and the reason for calling it a 'coaching conference' was that each District Superintendent appointed five persons to attend the event as a district team. The district team members agreed to lead at least two Teacher Training and Development events in their own district as a result of what they learned at the Coaching Conference. The outstanding leadership for the Coaching Conference was provided mainly by staff members from the General Board of Discipleship plus one leader who lives within our own Annual Conference boundaries. The courses taught focused upon these areas: young children; elementary children; youth; adults; "Invitational Teaching"; "Caregiving in the Sunday School." The evaluations of the event noted that the district team members received excellent training that equipped them to effectively lead their district's Teacher Training and Development seminars.

The whole concept of a "Coaching Conference" where teams are trained to go into their own districts with effective teacher training is another attempt to take needed training opportunities to the local church people rather than expecting them to come to one or two conference-wide events. It is the belief of the Leader Development Committee that training teachers to effectively lead others to a deeper knowledge of Christ and to a more complete surrender to His will is perhaps the most important way lay persons can share their faith and serve their Lord. It is likely that the Leader Development Committee will sponsor more of this kind of opportunity in the future to insure the best quality Christian education is provided in the Sunday Schools and other educational programs of our local churches.

In 1988, the Leader Development Committee will be involved with new ways of equipping local church teachers and leaders for effective ministry. These will include linking up with the Cokesbury Satellite Television Network to provide access to the TMT Curriculum Resources Workshops. (TMT stands for Teaching invitationaly, Making disciples, and Teaching for commitment.) The committee expects these opportunities to meet many needs of local church teachers and leaders.

OLDER ADULT MINISTRIES — Report No. 5

The major event of Older Adult Ministries during 1988 has been the Older Adult Assembly held at Blue Lake, May 9-12, 1988. The theme for this year's assembly was: "Journeys in Faith — Toward Acceptance of the Unfulfilled." Our Inspirational Speaker was Dr. Gerald A. Shelton, Pastor of First United Methodist Church, Troy, Alabama. The theme for the banquet held on Wednesday evening during the assembly was: "A Mexican Fiesta." Our banquet speaker was Reverend H. Stanley Mullins, Pastor of First United Methodist Church, Crestview, Florida.

The new dormitory facilities at Blue Lake greatly expand our possibilities for this Assembly.

We strongly encourage participation in the Older Adult Assembly which is held each year in May, beginning on the Monday following Mother's Day and concludes with lunch on Thursday.

Plans are being made at this time to make a trip to Lake Junaluska, North Carolina for The Fall Fling in October of 1988. A brochure is now being developed, and should be in the hands of pastors and other local church leaders within a few weeks.

Plans are set in motion to develop an Older Adult Council made up of representatives from each district of The Alabama-West Florida Conference. This council will plan and implement programs and opportunities for older adults in every local church in our conference. Each local church should have an Older Adult Chairperson to be responsible for these ministries in their local church. This will greatly strengthen our line of communication from the local church level to the conference level.

Your Older Adult Committee from the conference level stands ready to help you whenever possible.

Ed Britton, Chairperson

CAMPING COMMITTEE — Report No. 6

The Camping Committee serves the Board of Education of the Alabama-West Florida Conference by overseeing the many facets of camping. Primarily, in the Fall of each year an evaluation of the previous summer's camps is held. In the past year there has been additional work of supervision due to conference staff changes. Throughout the process of shifting responsibilities among Conference Staff, the Camping Committee has had a voice. Concerns include the selection of deans, curriculum, funding, camp schedules (discipline), and lines of accountability.

In 1987 we had a very good summer of camping. A seventh elementary camp was added in the middle of the schedule when the first six filled. Junior High Camps had a 60% return rate over the previous year. Both Camp Quarter Note and Youth Choir Camp, music specialty camps, were filled to capacity and some even turned away. Special Ministries Camps continue to provide camping opportunities for the mentally retarded and inner city youngsters. Due to a lack of registration and interest, Bell Camp has been placed on hold for another year.

1988 Camping is outlined in a special *Connectional Link* insert titled *The 1988 Summer Camping Program*. A separate Special Ministries tableau is also available for these camps. Registration for all summer camps in 1988 will be through Blue Lake. Please do not inquire about registration through the Conference Headquarters. Your continued support of the conference's camping program is needed in the following ways: (1) Recruit boys and girls for camps. (2) Volunteer for a week at Blue Lake as a dean or counselor. (3) Financially support the Special Ministry Camps through approved Conference Advance Giving. (4) Be a Camping Enthusiast!

Stephen F. McGucken, Chairperson

CAMP QUARTER NOTE — Report No. 7

Camp Quarter Note 1987 was another extremely successful week of music and fun for 113 older elementary children from throughout the conference. Guest clinician Diana Mayhall of Birmingham directed the children in learning and performing nine anthems while Reverend Michael Williams from the General Board of Discipleship was outstanding as chaplain and as the leader of a class entitled, "Playing in the Sacred Space." Other classes included handbells, theory, and crafts. These were led by very capable persons from our own conference. The children who attended Camp Quarter Note not only learned a lot about music and enjoyed singing, they also participated in regular camp activities like swimming and recreational games. One of the highlights of the week is always roller skating in Andalusia.

The popularity of Camp Quarter Note and the growing attendance may indicate a need to expand the program into two separate children's choir camps. This will be evaluated following the 1988 camping season.

BOARD OF CHURCH AND SOCIETY

The Board of Church and Society has spent the last conference year of this quadrennium consolidating its previous work and opening new doors into an expanded ministry. In doing so, it has followed, as always, its mandate from the church to help United Methodists apply the gospel in an inclusive, wholistic way across a wide spectrum of concerns. We pray we have done this faithfully.

In 1987, the Board reported to the annual conference its beginning efforts in three new areas of emphasis: Public Education, Christian Sexuality, and Pornography. We now report what has been done this past year in each of these areas.

- 1) **Public Education** — After interviewing many people involved in public education in both Alabama and Florida (including principals, teachers, parents, system administrators, etc.) we developed a list of suggestions for local church people to use in helping their churches become more effectively involved in strengthening the public school system. These suggestion sheets have been, or soon will be, distributed on various districts by our Board members, and a story on this, with a complete printing of all the suggestions, appeared in the *Advocate* on January 8, 1988. We commend these ideas to everyone and would appreciate responses from those who have read them and/or used them.
- 2) **Christian Sexuality** — We had a representative at a meeting in Nashville in late 1987 regarding new United Methodist curriculum on sexuality that is being developed by the General Board of Discipleship. We have agreed to help our conference be among the first to learn about and utilize this new material. In 1989, we will send representatives to a national training session to become skilled at using the new material. After the training, the present Board hopes the new Board will sponsor a conference-wide event on Christian perspectives on sexuality for youth and others as soon as it can be arranged.
- 3) **Pornography** — Several of our Board members have been involved in their local communities with anti-pornography efforts. These persons have shared their experiences with others on the Board to help guide them into constructive work on this subject wherever they live. In addition, a committee of the Board has been researching legal aspects of the problem. Also, a conference-wide rally on this issue is being developed for later this year or 1989. We encourage the new Board to pursue such a rally.

During the past year, we have taken a formal position on two key issues. We endorsed the retention by the General Conference of all the 1984 *Discipline* language on homosexuality, and especially urged that nothing be changed to weaken the moral standards expected of prospective clergy on sexual matters. This position was sent to the conference delegation to General Conference, the *Advocate*, and the General Board of Church and Society. We also approved efforts to lessen Alabama's infant mortality rate, the worst in the U.S. and even worse than some poor foreign countries. Our views went to Dr. Earl Fox, State Health Officer,

and we then became part of a coalition working on this problem called Partners for Improving Women's and Children's Health in Alabama.

In addition, we: 1) reaffirmed our support for the Alabama Interreligious Commission on Civil Rights and Social Justice; 2) continued our support for Impact; 3) continued our co-sponsorship of the School of Christian Mission, whose 1988 Dean is Mr. William Chance, who is Vice-Chairman of our Board; 4) expressed our enthusiasm for the Alabama-West Florida Arts Council and other aspects of the Ethnic Minority Local Church emphasis in our conference; 5) participated in planning and attending the Southeastern Jurisdiction Church and Society week at Lake Junaluska in the summer of 1987.

As the AIDS problem has increased, our Board has agreed to join with the Board of Health and Welfare Ministries in addressing this in the most prudent way possible. One joint session of the two boards was held in January, 1988 to begin our work together. The new Board will be called upon to pursue this matter in a cooperative spirit with the new Board of Health and Welfare Ministries.

A new initiative on hunger has been agreed to for 1988 and 1989. There is money in our budget for both years to put toward domestic and foreign hunger projects of merit. We hope this will generate new interest, study, and action on the part of Church and Society members as they become involved in selecting the projects.

The story of our work is often as much in our "behind the scenes" activity as it is in our more obvious endeavors. Here are a few examples of that: 1) We are official co-sponsors of a General Board of Church and Society Ethnic Minority Grant to a central Alabama economic program focusing on the training and empowerment of black women. 2) We are helping to get a Native American ministry funded by a grant from the General Board of Church and Society. 3) Some of our Board members have been reinvigorating the social witness of their local churches, including successful efforts to minister to abused children and spouses, and to fight teen pregnancy and related matters. 4) We worked with the General Conference delegation from this conference to carry out a General Conference Forum at three sites on February 21, 1988, so there could be open dialogue about the concerns of the United Methodist Church.

Two key concerns of the Board all quadrennium-long have been gambling and peace. In this last year, we have expanded our Committee on Gambling Concerns to add a Florida unit so as to better monitor the need in that state. The Rev. Dan Morris has continued to chair the committee and give us fine leadership. As for peace, we have been planning for a conference-wide event, "How to Become Peacemakers," which will be held April 14-16, 1989 at Blue Lake. We invite participation by everyone who takes seriously Jesus' call to become peacemakers in home, school, church, community, and beyond. This event will be a logical follow-up to our stress in previous years on studying, praying, and reflecting on peace-related subjects, especially using the guidance of the United Methodist Bishops' Pastoral Letter on Peace.

This report tells some, but not all, of the story of the Board of Church and Society this past conference year. The chairperson is aware of how many different ways the Board, both collectively and through actions of its members individually, responds to the call of the gospel to be presenters of Christ's light and hope to troubled, weary, embattled people. There is no end, it seems, to human misery and indecency. Yet, a people called Methodist have never believed that they are absolved from loving, caring about, and identifying with all God's children. The chairman can assure this conference that it can take heart in knowing that in the last four years it has had a Board of Church and Society unafraid to en flesh Jesus Christ in word and deed. It has sometimes been hard and it has not always been perfectly done. But, the attempt has been sincere, unrelenting, and disciplined. It has also been undertaken in love.

We leave it to the new Board how best to continue the journey of Christian witness in this fragile society. We can only say thanks to God and to His church for the opportunity to be of service these last four years in the very unique ways afforded by the work of Church

and Society. We close our term with the words of a great hymn resounding in our hearts (#359 in *The Book of Hymns*):

Hail to the Lord's Anointed, Great David's greater Son!
Hail in the time appointed, His reign on earth begun!
He comes to break oppression, To set the captive free;
To take away transgression, And rule in equity.

He comes with succor speedy To those who suffer wrong;
To help the poor and needy, And bid the weak be strong;
To give them songs for sighing, Their darkness turn to light,
Whose souls, condemned and dying, Are precious in his sight.

He shall come down like showers Upon the fruitful earth;
Love, joy, and hope, like flowers, Spring in his path to birth.
Before him, on the mountains, Shall peace, the herald, go,
And righteousness, in fountains, From hill to valley flow.

To him shall prayer unceasing And daily vows ascend;
His kingdom still increasing, A kingdom without end.
The tide of time shall never His covenant remove;
His name shall stand forever; That name to us is love.

Report No. 1

GOALS AND GUIDELINES FOR THE 1988-1992 QUADRENNIUM

This report is dedicated to the Reverend Richard Walker who fought the good fight when it was not fashionable to fight...

We also would like to acknowledge Ms. Vivian DeShields and her very capable leadership... Thank you God for strong people.

Philosophy: We, of the Alabama-West Florida Conference, are in a true sense of the phrase "a Rainbow Conference." We represent all the colors and talents that America has to offer. We celebrate and applaud God's creation in its many faceted diversity. And our one true aim and purpose is a continued harmonious, loving, caring and nurturing relationship among our persons. We believe that there is "unity in diversity." Our theme for the new quadrennium shall be "A Revival of the Body, Mind and Spirit."

GENERAL

1. As allowed by the annual conference legislation, all funds contributed by the churches for the Missional Priority shall be retained for use in the Alabama-West Florida Conference.
2. The Missional Priority Committee shall meet once a quarter.
3. The Executive Committee shall be composed of the officers, chairpersons of standing committees, the Council Director, and the Council on Ministries staff associate related to the Committee.
4. The Missional Priority Committee shall develop methods to promote and solicit payment of the Missional Priority apportionment by the churches of the conference.
5. The administrative expenses of the Missional Priority Committee shall come from the Conference Council on Ministries budget.
6. Not more than 10% of the Missional Priority funds shall be used for research and Committee programming each year.
7. The Missional Priority Committee shall provide information and guidance to pastors and lay persons regarding resources and programs for strengthening ethnic minority churches.

PROGRAM AREA GOALS

Witness:

1. Demographic research and analysis shall be done by March 1, 1990, to determine the need for ethnic minority churches in the Alabama-West Florida Conference. This shall be done in consultation and coordination with the Committee on Planning and Research, the Committee on New Church Development and a representative from the Missional Priority Task Force. Districts to investigate will be the following: A. Dothan District; B. Demopolis District; C. Marianna-Panama City District; D. Troy District; E. Montgomery District. These things done in addition to planning "Strategy for Growth" in the Montgomery District at the *New Jerusalem Church* which is a new church start.
2. With respect to the research and analysis and in consultation with the Committee on New Church Development; the Women's Program Division, Section on Mission and Membership Development, and the Congregational Development/New Church Development of the General Board of Global Ministries, goals for establishing new ethnic minority congregations during the next five years shall be set by May 1, 1989.
3. Each ethnic minority congregation is encouraged to set goals for membership and attendance growth, on both long-term and short-term bases, and shall report progress on the goals at each Charge Conference and to the Missional Priority Committee on a yearly basis. Congregational growth seminars have been and continue to be provided both in cluster groupings as well as upon request of the individual church.

Discipleship:

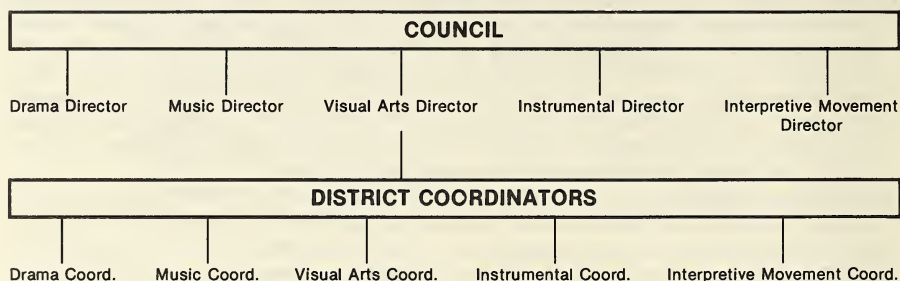

1. A program for lay leadership training for ethnic minority churches shall be developed in cooperation with the Conference Council on Ministries Director who serves as an expert in leadership training and congregational development; and also in conjunction with the Conference Commission on Religion and Race.
2. The Conference Council on Youth/Children/Young Adult Ministries will be asked to survey the ministry needs of ethnic minority young persons and develop plans for responding to those needs. This shall be requested by October 1, 1989, to be completed by December 1, 1990.
3. The Missional Priority Committee shall keep before the Council on Ministries Program Committees the responsibility for being intentional and specific in developing discipleship in the ethnic minority churches and larger white churches in their respective program areas.

Liturgy:

1. Workshops on worship shall be included in training events for all ethnic minority persons, laity and pastors.
2. Alabama-West Florida Arts Council
 - A. The Rainbow Choir and Fellowship is an interracial, intergenerational choir to be formed in each district and comes together and sings at district events and annual conferences.
 - B. An interracial, intergenerational instrumenal music program will be formed in each district from all ethnic origins who could provide the Alabama-West Florida Orchestra by August, 1990.
 - C. Religious Alabama-West Florida Church Theatrical Group to perform, write and create performances.
 - D. An Alabama-West Florida Dance Ensemble to be formed by 1991.

Each one of the suggested is an outward expression of an inward change when Christian peoples of varied origins and ethnicities come together to work together, play together and create together . . . in the spirit of Christ. The above events and/or projects are planned in conjunction with designated churches who are willing to plan and route ideas to persons with specified and needed areas of competence.

**The Alabama-West Florida Arts Council
Suggested Organizational Flow Chart**

NOTES:

- The Arts Council would be comprised of all members from throughout the Conference that are presently serving plus any additional members elected later in the year.
- All District Coordinators would automatically be members of the Arts Council and represent their District.
- The District Coordinators would in turn organize a similar group within their Districts.
- The District Coordinators within each area of the arts would work directly with the District Coordinator who would in turn represent them on the Conference Arts Council.
- The Conference Directors within each area would serve as resource persons to the District Coordinators as needed.
- The Conference Directors would be responsible for directing any and all Conference-wide performances in cooperation with each other.
- The District Coordinators would be responsible for any performances on a District level using the Conference Directors as resource persons when needed.

Ethnic minority, as well as ethnic majority, churches shall be encouraged to give support to such specialized ministries as street ministries, hunger programs, counseling centers, and shelters for the homeless. Particularly will we include special emphasis toward the following:

1. Dumas Wesley Community Center, Mobile, Alabama
 2. The Nellie Burge Community Center, Montgomery, Alabama
 3. Noah's Ark, Panama City Beach Ministry
 4. The Inner City Mission, Mobile, Alabama
 5. The Johnson Hill Project, Eutaw, Alabama
 6. The New Church Development Program, Dothan, Alabama
- The above programs will minister to great numbers of ethnic minorities.

Leadership:

1. High priority shall be given, including the use of Missional Priority funds, to the recruitment and training of leaders, both lay and clergy, for service in ethnic minority churches.

Our Strategy:

1. Seminars in church administration given by CCOM Director and General Board of Global Ministries staff persons.
2. "Lay Speakers Training" — Due to a shortage of ethnic minority local church ministers, the Alabama-West Florida Conference has had to use retired clergy who sometimes have had more than three churches on a charge. Some churches are two Sunday a month churches that would like to be operational each Sunday despite the lack or presence of ordained clergy. We feel that a comprehensive lay speakers' program with a special outreach to EMLC would allow:
 - a. those churches that wanted to be opened each Sunday the opportunity;
 - b. it would develop a closer sense of inclusiveness in a very vital part of the church;
 - c. by encouraging high school students and young adults, it would act as a training tool for future development;
 - d. it is an exposure and pruning ground to give some who may have considered the ministry an opportunity; and

- e. it could eventually augment into a resource of articulate laity who could be a part of other boards and agencies.
3. The Board of Ordained Ministry and the Board of Diaconal Ministry is continuously requested to give special attention to the enlistment of ethnic minority youth and young adults for ordained and diaconal ministry. EMLC churches and other churches are encouraged to become nurturing bases for candidates for the ministry. At least one convocation on the ministry, especially for ethnic minority youth and young adults, should be held during the quadrennium if not annually.
4. The Missional Priority Committee shall sponsor, in cooperation with the Conference Committee on Religion and Race, practical skills building workshops for ethnic minority ministers and others. Emphasis will be put on both writing and articulation.

Structures:

1. Training shall be provided for lay and clergy persons on United Methodist Church Structure and Polity.
2. Both representation and participation of ethnic minority in annual conference and district boards, committees, agencies and programs shall be encouraged and promoted.

Facilities:

1. The Committee on New Church Development and Revitalization shall be requested to survey ethnic minority churches and parsonages for needs in the Alabama-West Florida Conference. On the basis of this survey, the Missional Priority Committee shall develop a comprehensive plan for responding to these needs. *(Monies for said needs allocated from EMLC Funds shall be used in conjunction with other funds . . . i.e. district, national and local churches.)
2. Multiple use of church buildings (by two ethnic minority congregations or by an ethnic majority congregation) shall be encouraged.

GUIDELINES FOR USE OF THE MISSIONAL PRIORITY FUND

1. An official application shall be received by the Missional Priority Committee before funds are allocated to a project.
 - a. Applications shall be made on official forms provided by the Missional Priority Committee.
 - b. The project proposal shall be approved by the local church administrative board, administrative council or charge conference.
 - c. The project shall have the approval of the district superintendent.
2. Grant proposals shall be considered by the Committee at least twice each year.
3. Grant proposals shall be considered only if they are for or are sponsored by local churches except in the instance of scholarship grants where a pastor may receive the grant directly.
4. All grant proposals shall be acted upon by the Missional Priority Committee as a whole, either at a regular meeting, a call meeting or by mail. The EMLC Priority Committee may approve grants in amounts up to \$500 without the approval of the CCOM Executive Committee, but the CCOM Executive Committee must be informed at its next regular meeting.
5. An on-site visit by a staff person is recommended before a project is approved.
6. Ordinarily a church will be expected to have at least 10% of the cost of a project on hand at the time the request for funds is made.
7. Funds may be allocated for repairs and improvements of church buildings and parsonages, for purchases of land for churches and parsonages, for construction of new church buildings and parsonages, and for church-sponsored programs/projects which the Missional Priority Committee judges in keeping with the purpose of the Missional Priority.
8. Requests for funds for repairs to or expansions of church buildings or parsonages shall be granted only if the building is properly insured.
9. Churches to whom grants are made shall make written reports to the Missional Priority Committee as to the use of the funds granted.

THE ARTS COUNCIL — Report No. 3

Following the announcement of the formation of the Arts Council in early 1987, approximately 12 months ago, two goals for the first year were put forth by the steering committee.

GOAL 1: To announce the arts council at the Annual Conference in May 1987 and have a conference choir sing. The choir that performed at annual conference was composed of singers from 12 cities with a large contingency from Tuskegee and Montgomery. Conducting honors were shared between Charles Hardy of Tuskegee and Bill Taylor of Montgomery with Rebecca Padgett accompanying on the piano. For the worship service in which the choir sang, Harold Rohlig performed organ preludes.

GOAL 2: To have a day of arts activity in the fall of '87 called simply at the time a "fall festival." This was to be events and/or workshops in the various arts disciplines to explore the sharing of special talents and resources of the conference. This, too, was accomplished. The Festival evolved into a Religion and Fine Arts Day held on the Huntingdon campus on November 21. Components in arts included: "Church Music: Theological and Practical Aspects" by Harold Rohlig; a viewing of the first Religious Art Annual Exhibition; works by 20 Alabama artists; a liturgical dance by Alora Glidewell; and Stephen Vincent Benet's play "A Child Is Born" by the Pulpit Players. The Conference Choir with many of the same participants from the May service performed. The Abundant Life Sign Team now known as Shekinah Sign performed. Shekinah Sign is a ministry for the hearing impaired and is a combination of music and mime in sign language. They have since been asked to a women's association meeting in one of our Methodist churches.

Registration was handled by Pat LaReau and committee. A printout indicates that registrants came from 20 Methodist churches in the conference and 14 other churches representing four other denominations. About 100 persons attended this interesting day.

Another success of the first year's activity was the fine newsletter prepared by the Arts Council Steering Committee and two other pieces of printed material completed with donated artwork and typesetting that announced the first Religious Art Annual and the Religion and Fine Arts Day. The last piece was printed on a church press and it is hoped this can be continued; thus, lessening publication costs.

That creative and talented people would like to share their talents is in evidence. An important task for the next planning phase will include the determination of which of these talents are best shared by the artists, musicians, dramatists/literary people traveling to a church site, and which talents are best shared within the context of a festival type day. The most effective use of district contact persons will also be devised as distance in planning is always a problem. The desire that the paintings shown at the first Religious Art Annual should be a traveling exhibition will also become an actuality when portable flats are made or purchased.

The Arts Council would also like to communicate this and other activities in an ongoing newsletter that augments or further details the events, besides using the avenues for publication that already exist such as the *Christian Advocate* and church bulletins throughout the conference. None of the aforementioned could have been attempted or accomplished without the assistance these past months of the resources of the Conference Headquarters, the Ethnic Minority Local Church Committee, the Office of Educational Ministries/Church of Huntingdon College and other donated materials and services.

The Arts Council Steering Committee prayerfully enlists the support of all ministers in passing on our news so that talents can be shared beyond the local church of each participant and so that the goal of the Arts Council of enrichment of the conference can be met.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

The Commission on the Status and Role of Women Breakfast will be Tuesday, May 31, at 7:30 A.M. in the sectioned off portion of the Huntingdon College Dining Room. Rev. Barbara Harper, minister at Vestavia Hills United Methodist Church in Birmingham will be the speaker. All women are invited to attend.

The annual retreat was held January 22 and 23 at Blue Lake with the Rev. Mary John Dye, Rev. Bruce Dickerson, Rev. Louise Stowe Johns and Rev. Aida B. Walker as leaders. Rev. Dye introduced those attending to the new "Upper Room Worship Book." This is an excellent book of music and liturgies for spiritual formation. Participation was good and we received excellent evaluations. Ruth Ann Powers will be the retreat program chairperson for 1989 which will be held January 28 and 29.

A 20 page booklet for local churches has been prepared and sent out. The booklet will be a great help to Local Chairs of Status and Role of Women. In churches where they have not elected a Local Chair of Status and Role of Women as the *Discipline* mandates, the booklet was sent to the President of United Methodist Women. This booklet contains many suggestions, list of inclusive hymns, list of 800 telephone numbers with helps for women and families.

The Clergywomen Taskforce is supported by the Commission. The average clergywomen is paid less than clergymen who have served the same amount of time. Many times the clergywomen are serving small isolated churches and need support from each other. Childcare for clergywomen and clergy couples is being sponsored by the Commission.

The *Discipline* mandates that there be one third clergy, one third laymen and one third laywomen elected to Conference Boards and Agencies. In trying to have this mandate followed, the Commission distributed talent sheets. When completed these were sent to District Nominating Committees. Women have been nominated for 31% of the Conference offices for election at the 1988 Annual Conference with no Boards or Agencies without women as members. The District Councils on Ministries, when averaged for the Conference, are composed of 32% women. All women elected to District and Conference Boards, Commissions or Agencies and local Chairs of Status and Role of Women are urged to attend a special training day planned for September 10th at Blue Lake.

The Commission recommends for study, "Words that Heal, Words that Hurt," a booklet available from Cokesbury for \$1.25. This is appropriate for use in Sunday School classes, circles, and prayer groups.

COMMITTEE ON CAREER/LIFE PLANNING

The major projects of the Committee on Career/Life Planning are to provide opportunities in ministry. These experiences may lead to careers in Christian Vocations.

The "Summer Opportunities in Ministry" program is a project which matched committed college-age students who are interested in working as summer youth directors with churches within the conference or as summer youth counselors at Blue Lake. Who may participate?

1. Students who have completed at least one year of college and who desire an opportunity to express their Christian commitment through a summer of service in a local church or church agency.
2. Local churches and church agencies which need summer staff workers and are capable of providing a genuine avenue for ministry.

For students and churches to apply, write Summer Opportunities, P.O. Box 700, Andalusia, Alabama 36420.

Other goals for this committee:

1. to develop a plan of action and specific guidelines that are realistic for local church career/life planning programs,
2. identify resources and develop resource packets for use at the local and district level.

The Committee on Career/Life Planning will be inviting the directors of the Wesley Foundations and the Chaplains of Huntingdon College as advisors in the planning of future programs.

Jimmie R. Spikes, Chairperson

COMMISSION ON TOWN AND COUNTRY WORK

The Commission on Town and Country Work is committed to the task of planning and implementing programs within our Conference which will strengthen the ministry of the Small Membership Church.

When you recognize the fact that seventy-three percent (73%) of the churches within our Conference have less than one hundred fifty (150) members, the need for strengthening and revitalizing these churches becomes apparent.

The small membership church is the life blood of our Conference and everything possible should be done to insure its life.

To help prepare beginning ministers, most of whom will be serving in these small membership churches, we are again offering the Minister's Workshop. This workshop will be held at Blue Lake on June 20-24, 1988.

Our plans for 1988 include organizing small membership rallies within each District. We hope to offer programs that would meet the needs of the small membership church and would help them identify their strengths and build on them.

The members of the Town and Country Commission stand ready to assist any local church in every way possible.

Please let us know how we can best serve you.

Winston Jay, Chairperson

Presentation of the Local Pastors to the Annual Conference on Tuesday Night Bishop Knox, members and friends of this Annual Conference:

Before I make THE PRESENTATION OF OUR LOCAL PASTORS, let me take a moment of personal privilege to pay tribute to one who has done so much to aid Town and Country Churches in our conference. The Rev. Curtis Ford served as Chairperson for eight years and gave himself without reservation. We thank God for the life of this one who has gone to be with his Father.

Standing before us this evening is a group of dedicated men and women who have committed themselves to the proclamation of the Good News.

On a day to day basis they are faithful dispensers of the Word of God. This is evident because we can see the results of their faithfulness by the number received on profession of faith under their ministry.

Last year these ministers received 584 persons into Christ's Kingdom on profession of faith.

Not only are they faithful preachers, they give excellent leadership. While many are serving small membership churches, they still led their people to give approximately \$111,000.00 to World Service.

Without this group of committed ministers, the Alabama-West Florida Conference could not survive.

We applaud their faithfulness, and Bishop, I commend them to you as faithful servants of our Lord.

Winston Jay

COMMISSION ON ARCHIVES AND HISTORY

Report No. 1

The commission met during Annual Conference for the purpose of reviewing the objectives and goals for the year 1987-88. Our chairperson led in the meeting immediately after the luncheon for the families of deceased ministers.

The Commission continues to host the Wesley Heirs, our Conference retirees and their spouses. This group continues to show tremendous numerical growth. More than one hundred people filled the small dining room for this event. The Wesley Heirs have bi-annual retreats at Blue Lake which are usually well attended. All retirees, spouses, and surviving spouses are cordially invited to attend. The Commission continues to be a support group for the Wesley Heirs.

The 1987 Service of Commemoration with the Reverend Rual Morris presiding, was

conducted on Tuesday, May 26, at eleven o'clock in the Delchamps Center. The Reverend Bob Dickerson was the Preacher. The families of the deceased ministers and spouses attended the service. Bishop Lloyd Knox read the roll of deceased ministers and spouses. After the service, a delicious luncheon was held in the small dining room of Walker Dining Hall for all the families being honored.

The Commission continues to recognize outstanding efforts of churches in our conference pertaining to Church History. We thank all churches who have updated histories and to those who have expressed an interest in writing church history. The Commission is now supplying forms for Charge Conferences that will enable local churches as well as the Commission to keep church history updated.

We continue to provide grave markers for families of deceased ministers. Those who would like to purchase a marker for a grave before the Commission began to offer these, may purchase one from Mary Ann Pickard, at Huntington College, for \$20.00.

We thank all the District Superintendents for their work and support toward meeting our goals of having all districts complete a chronological roll of churches, by Conference Year 1987. With the exception of a few churches, this goal has been met.

We have realized several goals this year and continue to set goals for the coming year that we believe will enhance this vital area of the church.

Dan Rhodes, Chairperson

REPORT OF THE ARCHIVIST — Report No. 2

1. EVALUATION OF YEAR 1987

a. **Constitution for Commission Approved at the 1987 Session of Annual Conference.** One of the major goals reached in 1987 was the adoption of a constitution for the Commission on Archives and History. The constitution directs that the work of the commission be carried out through three basic committees: (1) The Committee on Records, (2) The Committee on Local Church Heritage, and (3) The Committee on Conference History. It also provides for the organization of local, district, conference, and other regional United Methodist Historical Societies, which may solicit members and collect dues to support special historical projects and augment the work of the Commission. The officers of the Commission are also the officers of the Conference Historical Society.

b. **The Records Committee Defined and Implemented.** The Records Committee is made up of ex-officio officers of the Conference and is chaired by the Conference Secretary. This committee oversees the work of the Depository and sets its policy for the creation, maintenance, destruction, and preservation of the conference records. The Committee has designed a new permanent and cumulative personal data form. The Committee also designed annual "up-date forms" for ministers and local churches. These were distributed this year for the first time and turned in at the charge conferences. Data from these forms is transferred to the ministers' permanent records (kept by the Conference Secretary) and to the Local Church records (kept in the Depository).

2. **CONSULTATIONS AND WORKSHOPS.** During the past year I held a workshop on archives for the Montgomery United Methodist Secretaries' Association and for the Brewton First United Methodist Church. I participated in the Montgomery District training session for local historians and have been consulted by the Whitfield and Montgomery First United Methodist Churches concerning their archival programs.

3. **MEETINGS ATTENDED.** I represented the Commission at the meeting of the General Commission on Archives and History September 18-20 and the workshops on Shrines and Landmarks September 21-23 held at the United Methodist Archives Center in Madison, New Jersey. November 11-12, 1987 I attended a workshop on archives appraisal held at the Carter Presidential Library in Atlanta, Georgia in connection with the joint meeting of Societies of the Alabama and Georgia Archivists.

4. **NEW FACILITY TO BECOME A REALITY.** Construction began in February on the addition to the Huntingdon College Library. The addition will include a fire proof, temperature controlled, secure stack area and vault for our conference archives. We have been praying for such a facility since 1976 when the depository was established and will look forward to inviting all to an open house at the next annual conference session.

5. **ANNUAL HISTORICAL AWARD.** Beginning with the 1988 annual conference session, the Commission on Archives and History will present an Historical Award to the church that best fulfills the following criteria: 1. Church has sent to the Depository a copy of the form "Historical Information on Churches" which gives the date of origin of the church as well as information on church property and buildings. 2. Church has completed the annual update form and handed it in to the annual charge conference. 3. Church has a Historian and a Committee on Records. 4. Church has published a church history and updated it within the last five years. 5. Church has a special place to store records and display artifacts. 6. Church has celebrated historical events — local church anniversaries and other significant anniversaries such as the bicentennial of Methodism, the 250th anniversary of Aldersgate, and the like.

6. **FINANCES.** The cost of the operation of Depository in 1987 was \$6,307.56, which included \$5,400.00 salary for the archivist. The budget for 1988 was not increased. I want to express appreciation to President Allen Jackson, Mr. Eric Kidwell, Director of the Library, and the other staff persons at Huntingdon College for their cooperation and generosity in providing space, copying facilities, utilities, telephone and other services that enable the conference to have a depository. Huntingdon's records are a valuable collection in the depository, and I am happy to manage these records as a part of my responsibilities.

Mary Ann Pickard, Archivist

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

We began this quadrennium, 1984-88, with a deep sense of the significance of our work in manifesting both the unity of the Church and the unity of all mankind. While serving as secretary the previous quadrennium and as chair this quadrennium, the following from our church's doctrinal statement has remained precious to me:

"... we must also be conscious that God has been and is now working among all people. There is a new sense in which we now must realize that we are given to one another on this fragile small planet, to work out with God the salvation, health, healing and peace He intends for all His people."

Having our Bishop serving on the General Conference Commission on Christian Unity has been to our advantage. We have had correspondence from his Birmingham office to guide and suggest.

I cannot overemphasize the close contact the General office staff in New York has had with us. Mailings have been frequent, and all calls from Alabama have been given the most courteous attention with questions answered in full and requested materials mailed immediately.

Also, I must add that Bill Roy, acting as our Conference staff representative, has been most helpful.

The Jurisdictional Training Event held each quadrennium at Lake Junaluska for the newly elected officers was a valuable experience, and we encourage attendance by the officers of the new quadrennium.

During this quadrennium our Commission has:

- A. Provided resource persons for Christian Unity training at several district Super Sundays.
- B. Held a pilot district workshop.
- C. Participated in three CCOM Planning Retreats.
- D. Was represented at two national events, and a ministerial member of the Commission will be attending an ecumenical event in May '88.
- E. Affirmed the Holocaust Days of Remembrance each April.
- F. Encouraged pulpit exchanges with ministers of other denominations.
- G. Encouraged congregational participation in the Week of Prayer for Christian Unity observed worldwide in January each year.
- H. Supported and presented scholarships to the Religious Emblems Program which is a Scouting endeavor open to youths of all denominations.
- I. Provided copies to church leaders of the Lenten ecumenical devotional guide, *Liberation and Unity*. This guide for meditation and action was created by the Consultation on Church Union more than a decade ago as intentional action against racism. The predominately black churches in the Consultation wished to share their spiritual riches with the predominately white churches in our search for unity.
- J. Responded to the General Commission's request for a study to be made by some local churches in our area so that a grassroots feeling could be obtained concerning a document exploring union possibilities by nine denominations. This request was made to the five jurisdictions in the United Methodist Church. When the results were published, we took pride that ours was the only Conference in the Southeastern Jurisdiction that had churches to finish the study and submit responses. And we had not one church, but four, to follow through in this involved and difficult task.
- K. Included a resolution in its report to Annual Conference asking that consideration be given by the churches to the study of the Consultation on Church Union document that is being presented for approval and adoption at General Conference, 1988.

In concluding my reporting to the Alabama-West Florida Conference, I uplift the same Scripture Bishop Knox used in ending his Christian Unity pastoral letter prepared for publication, January, 1988:

“Behold, how good and pleasant it is
when brothers dwell in unity.”

Psalm 133:1

BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

PENSIONS, ANNUITY RATES, APPORTIONMENTS — Report No. 1

For the year 1989, we recommend that the total annuity rate for service years prior to 1982 be two hundred thirty dollars (\$230.00) per service year as a minister or approved local pastor with pension credit; the total rate for surviving spouses be one hundred sixty-one dollars (\$161.00); provided that, for those living in homes provided by the Annual Conference, the annual pension amounts be adjusted by a reduction of \$50.00 per month for ministers and \$35.00 per month for surviving spouse.

We recommend that the apportionment to the local churches for the pensions and benefit program of the Annual Conference be \$2,283,000 for 1989.

We call attention to paragraph 736.4 of the 1984 *Discipline* relative to the requirement that the apportionment for the pension and benefit programs be paid in proportion to payment of a minister's salary, and to the policy of the Board of Pensions charging defaults to ministers which constitutes a lien upon pension claims if not otherwise paid. Interest is added to other unpaid obligations at the rate of 7 per cent (7%) annually.

In determining the base salary for pension purposes, it is recommended that a maximum of \$3,600 be set for travel and \$3,600 for utilities. All other compensation to the minister shall be placed under "base salary."

DEATH BENEFIT PROGRAM — Report No. 2

We recommend that we continue the death benefit program as adopted at the Annual Conference session of 1981, and outlined on page 263 of the 1981 *Journal*. The following benefits are indicated for 1988:

**ADDENDUM A TO THE MINISTERIAL PENSION PLAN (MPP)
AND THE COMPREHENSIVE PROTECTION PLAN (CPP)
(MPP Supplement One (c)) FOR THE YEAR 1989 — Report No. 3**

This Addendum A is applicable to the Alabama-West Florida Annual Conference and is effective January 1, 1989. It replaces any previously executed Addendum A and shall be in effect until amended by the Annual Conference in accordance with the provisions of the Ministerial Pension Plan and the Comprehensive Protection Plan.

The MPP and CPP Contribution Base shall be the Active Participant's Plan Compensation for a Plan Year not to exceed the Denominational Average Compensation (DAC). (MPP Section 2.1(e) and 2.1(f); CPP Section 2.1(d))

The MPP Church Contribution Rate shall be 11% of the Contribution Base of each Active Participant and the CPP Church Contribution rate shall be 4.4% of the Contribution Base of each Active Participant. (MPP Section 4.1(c)(ii) and 4.1(d)(ii); Disciplinary Paragraph 1606.21(b); CPP Section 4.1(a))

The MPP and CPP Church Contribution shall be made monthly to the Plan by the Annual Conference in accordance with the Plan Document. Such MPP and CPP Church Contributions shall be transferred monthly from the Deposit Account of the Annual Conference by the General Board of Pensions to each Active Participant's Church Account and the Protection Benefit Fund, respectively. The Annual Conference shall maintain an amount in its Deposit Account sufficient to provide for the monthly transfer of the Church Contributions on behalf of its Active Participants. In the event the Deposit Account is overdrawn, an interest charge shall be made by the General Board of Pensions. Such charge shall be made at the current monthly rate of interest credited to the Diversified Fund (6½% per annum) or the current monthly rate of interest credited to the Short Term Interest Rate Account (STIRA) investment program, whichever is greater. (MPP Sections 4.1(a) and 4.2(g); CPP Sections 4.1(b) and 4.2(h))

The Alabama-West Florida Conference Board of Pensions is hereby authorized, in accordance with MPP Section 4.1(g), (Effective January 1, 1989), to make, at its discretion, a build-up to the Church Account of Conference Members who are appointed less than full-time.

A ministerial member appointed to a sabbatical leave shall be continued in the Ministerial Pension Plan and the Comprehensive Protection Plan. The Annual Conference shall make the required MPP and CPP contributions based on the Denominational Average Compensation (DAC). (MPP and CPP Section 3.2(b))

A probationary or full member appointed to a maternity or paternity leave shall be continued in the CPP. The Annual Conference shall make the required CPP contribution at 4.4% of the DAC. (CPP Section 3.2(b))

A probationary or full member appointed less than full-time may continue in the CPP. The Annual Conference shall make the required CPP contribution at 3.4% of the DAC. (CPP Section 3.2(h))

The Alabama-West Florida Annual Conference Board of Pensions is hereby authorized, at its discretion, to arrange with the General Board of Pensions for active participation in the MPP and/or the CPP by persons who are eligible under special rules but not automatically included as Active Participants. (MPP and CPP Sections 3.2).

Subject to the conditions stated below, on January 1, 1989, the ministerial Pension Rate shall be \$230.00, and the local pastor's Pension Rate shall be \$230.00. Should the pension rate, as a percentage of the 1989 Conference Average Compensation (CAC), be below the required minimum amount to protect the MPP Contribution Rate, the Annual Conference Board of Pensions shall be authorized, after consultation with the General Board of Pensions, to arrange to have the Past Service Pension Rate be the minimum dollar amount. The required funding amounts may be different from the amounts listed below, and the Conference would be required to pay the correlative figure which would be actuarially calculated by the General Board of Pensions. (Disciplinary Paragraphs 1606.2(b), 1606.7, and 1606.21(a) or (b); MPP Supplement Section (f))

In accordance with paragraph (e)(5) of Supplement One, the Surviving Spouse Benefit shall be 70% of the Participant's Formula Benefit.

In accordance with paragraph (f) of Supplement One, the unfunded liability as of January 1, 1989, with a Past Service Rate of \$230.00 has been actuarially projected to be \$1,786,238, based on the most current valuation and interest assumption. Past service funding deposits are required to fund this unfunded liability and shall be in the amount and for the period shown below:

AMOUNT	PERIOD OF DEPOSITS
\$139,731	25 YEARS

These annual deposits shall be made at the end of each calendar year as required by the General Board of Pensions. The past service deposits shall be transferred from the Alabama-West Florida Annual Conference Deposit Account to the Past Service Funding Account on December 31, 1989.

If the annual cash flow requirement, as determined by the General Board of Pensions, exceeds the combined past service funding deposit amounts, then the cash flow requirement shall become the required past service funding deposit. (MPP Supplement One (f))

CLAIMANTS MEMORIAL FUND — Report No. 4

We recommend the continuation of the Claimants Memorial Fund, such funds being invested by this Board with the interest being used for the benefits of the Conference Claimants. Individuals and groups are invited to make voluntary contributions in any amount to the fund as memorials to deceased ministers, members of minister families, or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the Conference Treasurer, Andalusia, with the name or names of persons being memorialized. Families of those so memorialized will be notified of such memorial gifts.

SPECIAL APPOINTMENT PENSION RESPONSIBILITY — Report No. 5

In keeping with paragraph 1606.3a (3), 4g, 4h, of the 1984 *Discipline*, we recommend that those appointed beyond the local church be approved for pension responsibility on this Annual Conference in the following full time appointments: Conference Council on Ministries, Assembly Grounds Commission, the Wesley Foundations at Auburn University and Troy State University, the Conference Treasurer and Executive Secretary of the Board of Pensions and Homes for Claimants, the director of Noah's Ark, the director and associate of the Mobile Inner City Mission, the executive director of the United Methodist Foundation and the Director of Hispanic Ministries.

We recommend that special appointments to the United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the Armed Forces be listed with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, area appointments and other special ministries shall be listed with pension responsibility on this Annual Conference only upon payment to the Conference Claimant's Fund an amount equal to 15.4% of the DAC as determined by the General Board of Pensions. See paragraph 1606:3a of the 1984 *Discipline*.

By special arrangement those ministers on leave of absence or probationary members appointed to attend school may qualify for the Comprehensive Protection Plan by a personal payment of 3.4% of the DAC to the Conference Claimants Fund. (See Addendum A.)

We recommend that special appointments to non-Methodist institutions shall be listed without pension responsibility on this Annual Conference.

We recommend that all missionaries shall be listed with pension responsibility on the Board of Global Ministries of The United Methodist Church.

DEPOSITORIES — Report No. 6

We recommend that the official depository for pension funds shall be the same as that designated by the Conference for other Conference funds and the General Board of Pensions of The United Methodist Church.

PENSIONS FOR LAY EMPLOYEES — Report No. 7

We strongly endorse the Cumulative Pension and Benefit Plan (CPBP) and the Basic Protection Plan (BPP) administered by the General Board of Pensions for lay employees of United Methodist local churches and agencies. We recommend and urge our churches to use these plans provided by the Church to provide pension and death and disability coverage for our lay people who serve our churches.

Churches and agencies should contact the General Board of Pensions, 1200 Davis St., Evanston, IL 60201.

FULL TIME SERVICE AS A REQUIREMENT FOR PENSION CREDIT — Report No. 8

We call attention to the following provisions relative to full time service, rendered prior to January 1, 1982, as a normal condition for pension credit which appear in paragraph 1606:4a of the 1984 *Discipline*:

A. Full time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided, however, that such credit may be granted for part time service by a three-fourths vote of those present and voting in the Annual Conference, on recommendation of the Conference Board of Pensions.

B. Full time service shall mean that full time is devoted to the work of a pastor by one who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral work; and whose cash support per annum from all church sources is not less than the schedule of equitable salaries adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full time service as defined, except in cases of approved part time service.

RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THIS CONFERENCE — Report No. 9

WHEREAS, the religious denomination known as The United Methodist Church has and functions through ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Alabama-West Florida Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of this Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1989 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained minister of The United Methodist Church who is or was a member of the Alabama-West Florida Conference at the time of his or her disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency or institution of The United Methodist Church

or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of The United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

It should be noted that the above resolution applies only to the minister and not the surviving spouse.

OTHER NOTATIONS — Report No. 10

In reviewing the service records of the following ministers the Board recommends that the service records of each be adjusted as indicated:

1. William Keith Grantham — 1 year while serving the Repton Circuit, Andalusia District, 1966-67
2. R.C. Warren — 1 year while serving the Alford Circuit, Marianna District, 1956-57

SPECIAL GRANTS

The Board recommends that the following grants be continued for the year 1989:

Name	Monthly Amount
T. Leroy Christensen	\$125.00
Donald E. Montgomery	100.00
Mrs. Theo Rhodes	150.00

HOMES FOR CLAIMANTS — Report No. 11

We recommend that \$60,000.00 be apportioned for Homes For Claimants, subject to the approval of the Council on Finance and Administration.

The Board of Pensions and Homes For Claimants now owns 44 living units for retired ministers and their spouses. Nine units are located in West Florida, and thirty-five are in Alabama. All 44 units are occupied by Claimants, except one in Andalusia which we have rented.

During 1987 we have made repairs and improvements on 26 of our homes in the amount of \$16,479.30. Major repairs are underway on two of our homes and a couple of others are in need of some immediate attention. The Apartment Building in Pensacola is in need of repairs and renovation. This will be one of our largest projects, and we have scheduled this work for 1988.

We have an indebtedness of \$93,545.72 on seven of our homes and payments totaling \$1,915.72 per month are being made to retire this indebtedness. Four homes which we have sold are bringing in monthly payments of \$1,109.36. Balance due on these Notes we hold is \$70,720.72. Income from mortgages we hold on homes we have sold is used to help pay our indebtedness on other homes.

Income from sale of homes, from gifts, interest, etc. is deposited in interest-bearing

accounts. WE HAVE THE FOLLOWING INTEREST-BEARING ACCOUNTS AS OF December 31, 1987:

First Federal Savings, Andalusia — C.D.	\$ 10,000.00
First Alabama Bank of Covington County, Andalusia — Super Now Account	41,464.66
SouthTrust Bank of Andalusia — 12 month C.D.	50,000.00
The Methodist Foundation, Dothan	37,921.05
TOTAL OF ACCOUNTS INVESTED	\$139,385.71

The Board maintains one Annuity to which \$3,500.00 per year is pledged from the above funds. The balance of our invested funds provides income to assist in maintenance of our properties and for future building.

We are constantly studying and evaluating our Homes Program with the view of doing the best we can, with what we have, for our retired pastors and their spouses.

We urge continued support of The Capital Funds Campaign and payment by Churches and Pastors of their "Fair-Share." Five Hundred Thousand dollars of the Capital Funds Campaign is designated for helping to provide future homes for our Homes Program. As of December 31, 1987, \$273,589.75 has been deposited with The Methodist Foundation as our share of the Capital Funds.

The Committee on Homes has been looking toward providing homes in a group setting in some of our cities for the future. We have recently purchased nine lots near West Florida Hospital in Pensacola on which we can build nine patio or garden homes when the need arises and money is available. We are in the process of securing a prime tract of five and one-half acres in Montgomery which can be developed for a large number of patio or garden homes.

We made a survey recently to determine trends and needs for the next 10 or 12 years. We found that there will be approximately 85 retirements in the next 10 to 15 years. At least 35 to 40 of these ministers have indicated they either need or prefer Conference Housing. Our present supply of homes and our current financing cannot possibly provide this many homes. We are in great need of additional funds and homes. We urge individuals and Churches to respond to this need in every way they can. We need people to consider giving a home or leaving a home in their will for our use. (We had two families to put homes in their wills for use during 1987.) Churches may wish to assist us by building, or helping build, a home in their city to be occupied by a retired minister.

In view of the current status and the future outlook for acquisition and construction of homes for retirees, the Committee on Homes of the Board of Pensions proposes to develop a long range plan to be presented to the 1989 Annual Conference. To this end we recommend that the Board of Pensions and Homes For Claimants secure the services of a Consultant to study the Homes Program of the Alabama-West Florida Conference and help us to develop a long range plan. This will enable our Homes Committee and our ministers to make more adequate preparations for the future in terms of housing.

Individuals or churches interested in providing a home or money, or in securing more information about our Homes Program, should contact our office at Methodist Headquarters in Andalusia, P.O. Drawer 700, Andalusia, Alabama, 36420, Telephone (205) 222-3127. Someone will be glad to come to your home or your church to discuss your interest or furnish details.

In the event of death of an active minister prior to the date for Home Assignments being made, assistance shall be granted in providing temporary housing until all home assignments are made. Home Assignments will be made by the Board at its Spring meeting from an evaluation of the total needs and the homes available. Requests for homes AFTER the December 31 deadline, will be considered on the availability of homes after other home assignments have been made.

HEALTH INSURANCE — Report No. 12

Our Group Health Insurance is carried by Metropolitan Life Insurance Company. All full-time pastors and student pastors are eligible to be included in our Group Policy. Spouses and children of all eligible pastors may also be covered in this Group.

After an initial enrollment fee of \$270.00 any full-time pastor or student pastor can be covered in our Group Policy and the Conference will then pay their personal health insurance. All active pastors may have their spouses and families covered by paying the premium themselves, or having them paid by their church.

At present we have 335 pastors in the Group. 102 have only their spouses covered and 67 have their families covered.

We have not had a premium increase since September 1985, but, due to increased medical costs and a bad claims experience in 1987, we had a sizeable increase in our premium for 1988.

Our premiums are payable by the quarter (every 3 months). The rate increase for 1988 became effective April 1, 1988 and runs through March 31, 1989. The new rates, compared to old rates, are as follows:

SINGLE (Individual) PASTOR	FROM \$270.00 to \$342.00
DEPENDENT SPOUSE (only)	FROM \$277.00 to \$348.00
FAMILY (2 or more)	FROM \$405.00 to \$510.00

Our Insurance Program is doing its job as it proved to be especially valuable to at least a dozen families who had almost catastrophic expenses during 1987.

Our RETIRED Pastors and spouses and widows over 65 are covered under a Medicare Supplement similar to Blue Cross C-Plus. This coverage is also with Metropolitan. This policy covers the deductible for HOSPITAL under part A of Medicare, and it covers the 20 percent that Medicare does not pay under Medicare part B, after the \$75.00 deductible each year. Premiums for all retired pastors, spouses and widows over 65 are paid by the Conference.

We also administer a Health Insurance Program for Lay Employees in the Conference. Any local Church employee or diaconal minister is eligible for this group. This Insurance is administered by Associated Group Services and underwritten by Travelers Insurance Company. We have 41 persons enrolled in the Lay Employees Group, and several of them have their families enrolled.

Premiums for the Lay Employees Health Insurance are payable ever 3 months. Premiums for this Group were increased in January 1988. Present rates per quarter (3 months) are as follows:

SINGLE COVERAGE per quarter	\$309.00
FAMILY COVERAGE (2 or more)	\$681.00

We realize our Insurance Program is not perfect, but it is doing a great service, and we are seeking to make improvements and correct errors. We feel much progress has been made in spite of disappointments and discouraging moments we have experienced.

We are especially grateful to our Consultant, Mr. CLARENCE SCOGIN, who has done a monumental job at NO COST to the Conference. We owe this dedicated man a great debt for his expertise and his untiring tenacity in guiding us and helping work out problems and negotiations with our Insurance Carrier.

All questions or requests for information on the Health Insurance Program should be directed to the Insurance Office at Methodist Headquarters in Andalusia, Alabama. Mrs. SALLY PATTON is the Office Secretary for Insurance. She is in the Office from 8:00 a.m. to 12 noon on Monday, Tuesday, Thursday and Friday each week. The telephone number is (205) 222-3127.

COMMISSION ON EQUITABLE SALARIES

It is the purpose of the Commission on Equitable Salaries to support ministry in the charges of the Annual Conference by (1) recommending conference standards of ministerial compensation; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory materials on ministerial compensation to district superintendents and Pastor-Parish Relations Committees.

— *The Book of Discipline*, 1984 (722.2)

In keeping with the purpose stated above; the Commission on Equitable Salaries has established the following guidelines for its work of supporting ministry in the local churches of our Annual Conference. In extraordinary or special situations, exceptions to these guidelines may be made by the Executive Committee of the Commission.

1. Only full time pastors, retired pastors (as specified in paragraph 2), and student pastors are eligible for equitable salary support. These pastors must be certified by the Board of Ordained Ministry, approved by the Annual Conference, and appointed to a church or charge. No associate or supply pastor shall receive salary support from this fund.

2. If the combined total of all income received from The United Methodist Church by a retired minister (plus his/her Social Security) is not equal to the equitable salary schedule then the Commission on Equitable Salaries shall pay the difference up to \$2,400.00. To qualify the retired minister must be serving full time.

3. The *Discipline* requires that a fully scheduled equitable salary be paid before pension credit can be granted by the Board of Pensions. To participate in the Insurance and Death Benefit Programs the minister must have pension credit. Beginning January 1, 1989, to receive fully scheduled equitable salary for the minister's category, the church must pay 80% of the equitable salary schedule for 1989.

4. The amount of equitable salary a minister is eligible to receive is based upon the total of his/her salary, travel allowance and utilities and other approved church related allowances.

5. No minister of any classification shall receive aid from the fund if he/she receives income from any other church source, if the income, plus salary from the charge he/she serves, is more than the equitable salary for his/her classification, except as provided in paragraphs 8 and 10 of the report.

6. No person qualifying for equitable salary which amounts to \$100 or less will receive any equitable salary. The Commission expects the local churches to take care of this amount.

7. We recommend that no minister serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable salary unless there is no appointment available for him/her in the Conference and he/she is assigned by the Presiding Bishop to an appointment outside the Conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the minister shall not be considered sufficient reason to receive equitable salary aid.

8. The Commission on Equitable Salaries recognizes there may exist from time to time certain situations within our Conference where special funding consideration beyond the stipulated requirements may assist a church to become self-sustaining more quickly. In such situations, a supplement, determined by the Commission on Equitable Salaries, above the regular equitable salary, may be given the minister; provided the money is available for the purpose. Normally no situation will receive this special consideration for more than three years. Such cases will be called Growth Potential Situations. In order to be considered every case will be evaluated by certain criteria, such as: growth potential, leadership requirements, age of church, and indebtedness. The final determination will be made in consultation with the Board of Missions.

9. Ministers of newly organized congregations can for four years receive up to 3/5 of the equitable salary schedule from this fund. The Commission suggests to the cabinet that consideration be given to ministers with background in church growth development.

10. In case of cooperative parish ministries or specialized ministries, the District Superintendent may recommend that the Commission on Equitable Salaries, in consultation with the District Board of Missions, give consideration to supplementing the salary of a minister/director or an associate director of a larger parish or specialized ministry even though the person comes under the benefits of equitable salary, without any reduction in the equitable salary support.

11. The Commission on Equitable Salaries recognizes that there may exist from time

to time hardship cases, which should be considered for financial assistance. Sensing a need for such assistance for a charge, the District Superintendent should assess the situation, hold the Charge Conference before the November meeting of the Commission on Equitable Salaries, and present the findings to the Commission upon whom rests the final decision.

12. To motivate churches toward the goal of total pastoral support, the Commission proposes to give the minister 60% of any salary increase above the amount currently paid by the church after the minimum support required for his/her category has been reached. This would apply to the charge which he/she is serving at the beginning of the payment period, January 1. This supplement will be based on the yearly increase of the minister's salary. The Commission recommends that the cabinet consider this accumulative amount as part of the salary when appointment is made to another charge.

13. The Commission recommends that all charges receiving equitable salary assistance develop and continue a program with a goal to eliminate dependency on salary supplements for their pastors.

14. The District Superintendents are required to review all equitable salary situations in their districts to ascertain the necessity for such funds and whenever possible seek to reduce the need for this supplement. No charge shall receive equitable salary assistance when divided unless the Town and Country Commission has surveyed and recommended, and the Commission on Equitable Salaries has approved the division. The Commission recommends that churches or charges, to be eligible for equitable salary aid, should consist of three or more churches or a minimum of 100 members, except in the case of a new church.

15. It is the responsibility of the District Superintendents to follow the guidelines set forth by the Commission when recommending pastors for equitable salary funds. Also, the District Superintendents shall be responsible for the accurate completion and submission to the Secretary of the Commission the forms provided by the Commission for this purpose. The secretary shall not issue check orders for equitable salary funds until all criteria have been met. When the status of a pastor receiving these funds changes, the District Superintendents should immediately file with Commission the changed status. Furthermore the District Superintendents, not the Commission, shall determine all the ramifications of the pastor's circumstances.

16. The Commission requests that the Council on Finance and Administration recommend to the conference the estimated amount required to support the schedule of minimum salaries and salary supplements for the pastors, as adopted by the Conference.

17. The Secretary of the Commission on Equitable Salaries shall file with the Assistant Secretary of the Journal for publication in the Conference *Journal* each year a report listing the payments from the equitable salary fund during the year, giving names of the pastors and charges, and amounts paid to each. This report is to be made by June 30, following annual conference for the past calendar year.

18. The Commission on Equitable Salaries shall use as a general guideline in recommending the increases in all categories of equitable salary the national rate of inflation of the previous calendar year. Such increases shall be based on the equitable salary of the current year. (Rounded to the nearest \$100.00) (Example: The national inflation rate for 1987 was 4.2%)

19. According to the formula in paragraph 18, the Commission recommends the following Equitable Salary Schedule for 1989

Category	1989	Minimum
	Minimum Salary	from Churches 80%
Members in Full Connection	\$19,000	\$15,200
Probationary Members	19,000	15,200
Associate Members	17,700	14,160
Seminary Students (Married)	14,800	11,840
Seminary Student (Single)	13,900	11,120
Full Time Lay Pastors	15,600	12,480
Student Local Pastors (Married)	12,000	9,600
Student Local Pastors (Single)	10,700	8,560

ASSEMBLY GROUNDS COMMISSION (Blue Lake Camp)

Your Assembly Grounds is one of the most beautiful and best equipped in the Southeast. It is in constant demand by our own people as well as those of other denominations. We are grateful for the support we receive from the Conference boards and agencies and the local churches.

The policy of Blue Lake concerning reservations of dates was established by the Annual Conference several years ago and has not changed. The Boards and Agencies of the Conference and local churches have until October 1, 1988 to enter dates on the calendar for 1989. Reservations for churches and Conference groups are on a first come, first serve basis without regard to size or location of the group. Everyone has the right to use Blue Lake regardless of their size or status. Other denominations are booked after October 1, if no United Methodist group has requested the date. I urge all groups to plan early.

The rates for Blue Lake for 1988 after June 1 are: Groups at Oakwood: \$21.00 (which includes three meals and one night's lodging), \$26.00 in the new wing; Dogwood and Pinewood: \$16.00 per day per person; Non-conference groups and family reunions are \$27.00 per day in old section and \$36.00 in the new wing.

The Blue Lake fund is the life blood of your Assembly Grounds. Without the continued support of the local churches through their budgets the rates for all programs would be much higher. Therefore I urge each of you to accept and pay "in full" the Blue Lake askings.

The support of the United Methodist Women both physically and financially has made many of the dreams at Blue Lake come true. For this support I am deeply grateful.

The United Methodist Men have begun the renovation of the cabins at Dogwood and Pinewood. We appreciate their time, talent and energy in this project.

Blue Lake is your church camp and your church should use it as often as possible. Large, small or in-between, your church group is welcome and at home in this beautiful setting. Bring your groups for retreats and send every person you can to the camping opportunities.

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

HIGHER EDUCATION — Report No. 1

Our colleges — the Church at work in higher education. The mission of the church college is to provide an educational experience within the framework of a Christian environment, enriching the moral, spiritual and intellectual resources of the students. Birmingham Southern College and Huntingdon College fulfill the above declaration in a most excellent way. The following are their reports.

BIRMINGHAM-SOUTHERN COLLEGE

The signs of institutional health are strong at Birmingham-Southern College. Enrollment of more than 1700 students remains at an all-time high. The annual budget or more than \$18 million remains within fiscal balance. Two major construction projects have been undertaking during the past year. The Bruno Entrance, which establishes Arkadelphia Road as the main entrance to the College, was completed at a cost of \$1.9 million. The \$5.9 million Margueritte Jones Harbert Classroom Building, giving us three times the floor space of the Ramsay Building that it replaces, will be dedicated in September, 1988. Contributions and pledges have been received to cover almost all of the cost of these projects.

We are optimistic about the Year of the Alumni Campaign recently launched with a goal of \$3 million. Several of our alumni and alumnae in the Alabama-West Florida Conference are giving leadership in this campaign. Proceeds will be used to provide scholarships, to strengthen library holdings, and to improve salaries for faculty and staff.

In addition to support from the Conference Budget for colleges, several churches in the Alabama-West Florida Conference are participating in the Bicentennial Scholars Program and several have special scholarship funds established in their congregations that are being used to support students at Birmingham-Southern. Ties with the Conference and the churches are stronger and more significant than ever.

"Service Learning" is becoming increasingly important in our curriculum. We feel that students learn much by "hands on," by doing things that help people and attack social

problems, and then by reflecting on their experiences. A second Interim Term project in cooperation with Habitat for Humanity has worked in St. Petersburg, and a large group of students and faculty spent three weeks in a mission project in Zimbabwe in 1988. Ten local projects in service learning are now in operation.

The College continues to receive national recognition as an institution of educational excellence, most recently *U.S. News and World Report* in a national survey that ranked Birmingham-Southern number one among 161 liberal arts colleges in the southern and border states. The Carnegie Foundation recently reclassified Birmingham-Southern from a regional to a national liberal arts college in terms of scope and influence.

We feel that such growth in educational excellence increases our ability to serve the cause of Christ and the Church. Our primary mission remains that of developing the minds and abilities of students to be competent, sensitive, and responsible leaders in the modern world, and to develop their awareness of sacred and humane dimensions of themselves and their society.

HUNTINGDON

Huntingdon College is off and running again in every area. The 1987-88 academic year opened with the largest enrollment in recent years, 830.

The freshman class entered with an American College Test (ACT) score of 22.2, one of the highest in Alabama. To further bolster Huntingdon's excellent academic reputation, Barron's "Profiles of American Colleges, 15th Edition," (Barron's latest), awarded Huntingdon the ranking of VERY COMPETITIVE in admissions standards, a ranking based upon the academic credentials of entering students. Huntingdon was the only institution of higher learning in Alabama to receive the high ranking of VERY COMPETITIVE. The admission standards of other institutions in the state were ranked as COMPETITIVE, LESS COMPETITIVE or NON-COMPETITIVE. Colleges in the VERY COMPETITIVE category, as defined by Barron's, generally admit students whose averages are not less than B- and who rank in the top 35 to 50 percent of their graduating class and who report 23 to 25 range on the ACT. Huntingdon's ranking places the college in company with some of the most highly regarded institutions in the nation. Barron's companion publication to "Profiles," entitled "Guide to the Most Prestigious Colleges," carries a two page description of Huntingdon along with the profiles of a select group of institutions, among whom are American University, Baylor University, College of Wooster, George Washington University, Redlands College, Knox College, Rhodes College, and Southern Methodist University.

While Huntingdon's distinguished academic position continues to receive national recognition, Huntingdon's three consecutive NAIA National Championships in golf vaulted the college into the national sports arena. In the NAIA All Sports Competition for 1986-87, Huntingdon ranked eighth nationally among more than 700 colleges and universities of the National Association of Intercollegiate Athletics. Points garnered from the men's soccer team that won district honors, the baseball team that won district and regional honors, and the national championship golf team contributed to the high national intercollegiate sports ranking. The evidence is that capable students with athletic talent are attracted to Huntingdon as an academically strong college.

With its excellent reputation in academics and athletic competition, Huntingdon, as a United Methodist-related college seeks to make it possible for all students who want to enroll to meet the cost of their education, and especially is this true for United Methodist students. Of the 125 United Methodist students from the Alabama-West Florida Conference enrolled at Huntingdon, 120 are receiving financial aid totalling \$375,000. In 1987-88 Institutionally-Controlled Aid (all) amounted to \$991,630. It is anticipated that the 1988-89 total institutional need for student aid will be a "whopping" 1.1 million dollars. The 1.1 million dollars is projected to be needed above both state and federal appropriations which presently amount to another 1.1 million dollars.

Huntingdon continues to provide hard-working and highly competent faculty in its 23 majors. Following the retirement last June of Dr. William M. Pickard, Jr., after 16 years as Professor of Religion and Philosophy, Doctor Frank W. Buckner, Jr. joined the faculty as Associate Professor of Religion and Philosophy. Dr. Buckner is a member of the Western North Carolina Conference and received his Ph.D. from Duke University.

Improvements in campus facilities make up a vital aspect of the emerging profile of Huntingdon as a liberal arts college of rising regional and national stature.

Huntingdon's building expansion began with the 1985 dedication of the Sybil Smith Music Hall. On October 25, 1987 the new James W. Wilson Center for Business, Mathematics, and Computer Science was dedicated. The Center, a gift of Huntingdon trustee, Jim Wilson, honoring his father, is a 26,000 sq. ft. academic building with state-of-the-art equipment and teaching environment. On September 11, 1987, college officials broke ground for the Charles and Thelma Dixon Wing of the Houghton Memorial Library which will nearly double current library space including an enclosed courtyard with skylight, additional office space, book stacks and reading areas.

We both deeply appreciate and know that Conference Financial support and student recruitment are vital to the maintenance of academic excellence and sustained growth of Huntingdon College and its distinguished service to Christian Higher Education for 134 years where students "enter to grow in wisdom" and to "go forth to apply wisdom in service."

CAMPUS MINISTRY — Report No. 2

Campus ministry is an essential evangelism on college and university campuses where major commitments and decisions are made. The church presence keeps the Christian message in the arena of expanding personal relationships, maturing moral values, and vocational choice. The campus is one of the important mission fields where the church is at work.

All of the campus ministries do similar things such as helping with personal crisis, providing opportunity for worship and fellowship, Bible study, community service projects, retreats, recreational activities and involvement in the world-wide mission of the church; yet each of our campus ministries has a configuration, dictated by its local circumstances, which deserves special recognition in this report.

ALABAMA STATE CAMPUS MINISTRY

In May 1987, the Alabama-West Florida Conference of The United Methodist Church chose to initiate dialogue with the Alabama State University community concerning the development of Campus Ministry. The Rev. Elizabeth Johnson Shuford was appointed to carry out the task of a feasibility study, and then to initiate negotiation with Alabama State University concerning the shape of such ministry.

A "Prospectus for Campus Ministry" was submitted to the President of Student Affairs of the University in July 1987. The Vice President of Student Affairs was given the responsibility of making a decision about the United Methodist proposal. In October 1987 it was suggested that a Campus Ministry Student group be organized as a way of obtaining the limited use of University facilities.

With the organization of the United Methodist Student group, there is little opportunity for Wesleyan influence. Most of the students are not Methodist. The United Methodist Minister functions as resource person, not as the director of the group; Faculty and Staff are the advisors of the group. It is not my recommendation that this kind of relationship be pursued which serves to be limiting to the stated goals and objectives for creating an atmosphere of ministry on the campus.

In February 1988, it was discovered that the University is seriously considering the adoption of the "Prospect for Campus Ministry" at Alabama State University with modifications, and is now moving toward the concept of an ecumenical model of Campus Ministry. The Religious Center of the University would be maintained by the University and made available to the University community. The center would be staffed by the various denominations in the area having interest in developing a program for the life of the school. The United Methodist Church has been invited to the planning meeting for such interest to be held in April 1988. The development of such a relationship is most desirable.

Campus Ministry activities began in the Fall of 1987. Three Theological Bag Lunches were held in the University Cafeteria with students. Four Bible studies were held with students and one "What is Campus Ministry?" session was held with an attendance of over 100 students. One courtesy snack was provided for the athletes. Five students were provided with counseling.

Student interest in Campus Ministry has proven very promising. Campus Ministry Activities have been limited due to inaccessibility of University facilities.

It is recommended that the United Methodist Church continue its effort to develop and sustain strong ties with the Alabama State University community, and that the Wesley Foundation endeavor to provide visible support of the Alabama-West Florida Conference in the ongoing dialogue which will inform the mission, goals and scope of ministry on this historic campus.

Elizabeth Johnson Shuford, Campus Minister

AUBURN WESLEY FOUNDATION — 1937-1988

Entering her 51st year of ministry and service to the campus community, the Auburn Wesley Foundation has celebrated an exciting year. Active ministry in mission, Christian education, worship, music, recreation, and fellowship are attributes of the growing outreach. At one time extinction was predicted for denominational campus ministries. From this Wesley Foundation alone, three graduated in 1987 are in full-time Christian service. Ms. Cheryl Blankenship is in the mission intern program of the Board of Global Ministries and is stationed in Pakistan. Mr. Mike Beale is the Director of Youth Ministries at Auburn UMC. Ms. Stacy Alverson is the Director of Children and Family Ministries at Auburn UMC.

On October 24-25, 1988, Auburn Wesley celebrated her 50th anniversary. A banquet, with 270 in attendance, was the highlight of the weekend. The first student president of Wesley, Mr. William Mays, was an inspiration sharing stories of the early days with the first director, Rev. Frank Moseley. Former directors in attendance were: Mary Kirkman Holdsambeck, Rev. Norwood Jones, Rev. Gene Williams, Rev. Carl Herndon, and the widow of Rev. Griffin Lloyd, Mrs. Kathleen Lloyd.

Beyond the growth and the celebration, the facilities in Auburn have been renovated. The Board of Directors of the Auburn Wesley, the student council, student fellowship, and staff wish to express their gratitude to the Alabama-West Florida Conference and the Conference Trustees. After four years with no air conditioning, a leaking roof and more, we have a special appreciation for what good facilities can and do mean. We thank you.

In conclusion, special thank yous are appropriate for four AU Wesley members who have supported the effort above and beyond the call of duty. They include the Rev. Gene Williams, Dr. Joe Yeager, Ms. Elaine Grove, and Mr. Don Seay. Others could easily be listed, but these four stand out because of their support in the last few years.

David Goolsby, Director

LIVINGSTON WESLEY FOUNDATION

The Methodist Ministry to the approximately 300 United Methodist Students at Livingston University at present consists of being present at every activity held on the Campus which is possible. We make ourselves available for call whenever a student needs someone to talk to. Since the Wesley Building burned some years ago it has been hard to get a regular meeting program going.

At present a set of plans has been adopted and the promise of suitable property for construction of a Wesley Building seems nearer. We invite students to attend Worship Services at Livingston United Methodist Church, the Director travels with the football team as Chaplain, and also serves in the community in any way that opens for service.

While the Ministry does not have regularly scheduled weekly meetings, I feel that the students know that a concerned person is available should they need help that might be provided through the Wesley Foundation. Should the property become available in the near future there is a team from the Board of Global Missions in the area who have agreed to do the construction at a very reasonable cost.

The Ministry is rewarding and frustrating but I appreciate the many opportunities that are afforded to the Director to be a part of many activities within the city, and university.

E. Zedoc Baxter, Campus Minister

TROY WESLEY FOUNDATION

The year 1987 was a good one at the Troy State Wesley Foundation. There was an increase in students who began coming to Wesley, and there were a number of significant events that took place during the year that greatly affected the people of Wesley. The program at Wesley is built around three areas of the student's life: the social life, the recreational life, and the spiritual life. It is our purpose to provide the student a number of opportunities to enhance their college stay by giving them a chance to develop their personal skills in each of these

three areas. Thus we plan ski trips (both snow and water), for example, to give students the opportunity to do recreational events that not every family can afford to provide for their children. We plan a spiritual renewal week with preaching, special music, and interesting seminars to expand their interest and knowledge in the things of the Spirit. We have various social events such as our Spring Formal to give them the opportunity to enjoy social events that are given to positive peer pressure rather than the temptations that are normally present on any college campus. In this way we provide the student ample opportunity for growth, and perhaps a set of memories that can last a lifetime.

Some of the events at Wesley for the year 1987 are as follows:

1. Recreational Events:

Winter Ski Trip to Boone, North Carolina

Spring and Fall Rafting Trips on the Ocoee River in Tennessee

Intramural Sports: Men's football, basketball, and softball

(came in third in independent division)

Water Skiing trip to Lake Jackson in Florida, Alabama

Ice Skating/Shopping Spree

Roller-hockey game at local skating rink

2. Social Events:

Winter Luau

Spring Formal

Variety Night — skits, performances, and contests

Dart Gun War with Enterprise Youth Group

Dead-day Study Party

Halloween Progressive Supper

Three varied types of Scavenger Hunts

Fall Welcome Back Dance with live Christian Band

3. Spiritual Events:

We had a number of very good speakers at Wesley this year ranging from lawyers to preachers; we had two former football stars from Auburn and Alabama

Wesley Singers sang in over 15 churches throughout the Southeast

Students visited Nursing Home during the year

Students took a trip to John Croyle's Boy's Ranch

Wesley Spring Revival: Bill Rife preached, Danny Godwin and Steve Beck led singing, and Rev. Mike Sigler taught Seminars

Wesley maintained its ongoing ministries of Bible Study and Discipleship groups during the year of 1987, also.

Jimmy Jeffcoat, Campus Minister

TUSKEGEE WESLEY FOUNDATION

Tuskegee Wesley Foundation has entered the spring semester of 1988 with a vision and great enthusiasm. In working through the office of the Dean of the Chapel we have been able to secure a roster of all students who declared a "Methodist" preference on their fall semester registration cards. That roster consists of 278 persons. Because our ministry here will involve students of a Wesleyan heritage, many of these students will not be United Methodist related. However, whether they are AME, AME Zion, or CME, we believe our ministry will be relevant enough for them to become involved.

At present we are preparing for an introduction/orientation/reception for these students to be held on Tuesday, March 8, in the Martin Luther King Room of the Tuskegee University Chapel. Invitations have been sent to each of the students requesting their presence. This will officially begin our established presence on campus. There will be a brief description of our ministry available, as well as some opportunity for students to give us some recommendations as to the kind of activities they would like to be involved with.

On January 26, 1988, Kay E. Miller, a junior from Greensboro, North Carolina, St. Matthews UMC, became student assistant to TWF. The student development item in our budget is being used to provide some scholarship funds for her. Originally, our proposal called for two student assistants, but that was contingent on funding from several sources. Kay's basic responsibilities are to maintain an on-campus presence and refer situations to the director where ministry can be achieved. One of the first ideas the student assistant has

developed is that of a group called the "Tuskegee Campaigners." This group will meet regularly for prayer, Bible study and informal discussions on campus in different settings. We will enlist members for this group at our reception.

We do not have a permanent location for an office as of yet. Conference Room II of the College Union Building has been provided to use for 3-4 hours a day on Tuesdays, Thursdays and Fridays. Due to the schedule, the director will not always be available in the office. When the director is unavailable the student assistant will be responsible for the office operation.

Spring Break is coming up March 25, and the students return after Easter. We plan to have a major activity before the end of spring semester in May. Terrence Hayes has indicated the willingness to come and do our first campus revival or student rally.

Frederick Outlaw, Campus Minister

UNIVERSITY OF SOUTH ALABAMA

God has continued to bless people on the Campus of South Alabama. Perhaps His greatest blessing was in bringing Mr. Al Beers, III as Assistant Director. Al is the son of the Reverend and Mrs. Al Beers, Jr. Mr. Beers has added a level of personal involvement that has enhanced the spiritual growth of dozens of students; in fact, his leadership, spiritual depth and creativity has made Wesley the "place to be"!

The regular opportunities include weekly services of Praise and Worship, small group meetings, choir rehearsal and one-on-one sharing. In addition to these ongoing ministries which are the "heart" of the Campus Ministry at South, the students enjoyed an elective study of Joseph Stowell's book, *Tongue in Check*, special guests like Miss Janet Bookout from FSU (with Campus Crusade for Christ). Wesley sponsored a "Spring to Life '87" Revival with Mr. Kim Noblitt (formerly with Truth) and speaker Les Beauchamp, professor at Asbury College, and several pastors like Dewey Fleming, teaching on Christian Finances.

The presence of Wesley has grown, with invitations to preach the Orientation Service for the new '87 incoming class, providing Christmas music (cafeteria), sponsoring a "Miss Homecoming" candidate and restructuring the format of USA Campus Ministry.

Outreach includes providing van service to local churches and events, service projects like landscaping help, painting an education building, helping the elderly (house keeping), distributing Bibles — even to a Tennessee prison, supporting local churches in their special events (i.e. Revivals), providing Summer youth workers (local churches, National Parks Christian Ministry). Wesley provided a Winter Celebration for area churches — including children (Scripture memorization), Youth and Adult elective seminars. The Wesley Choir, active in singing, ministered in several churches. Wesley sponsored the movie "The MISSION" for all of the Mobile area as well as participating in Billy Graham's movie, "Cry from the Mountain."

Canoeing, bowling, cookouts, volleyball ("Classics"), beach events and softball represent a balanced recreation program. The group will often attend concerts like Mike Warnke and Sandi Patti.

These events and ministries reflect the goal of providing a Christian witness and atmosphere where men and women can come to Christ and grow in their walk of faith. Thanks for your continued prayer and support of this vital mission arm of the Church.

PROPOSALS — Report No. 4**A. Service of Talents:**

When the term, "Wesley Foundation," is used very few United Methodists understand that it refers to campus ministry. Coupled with this lack of understanding is the lack of financial support for higher education and campus ministry. It is the intent of the Board of Higher Education and Campus Ministry to inform each local church of the Conference ministry to students through Wesley Foundations.

We propose having a twelve month program, "Service of Talents," for the purpose of informing, motivating and challenging each charge in the Conference for support of campus ministry. The "Service of Talents" is based upon Matt. 25:14-15. Each pastor and delegate to the Annual Conference will be given \$5.00, and commissioned to challenge the local congregation to invest the funds through various programs throughout the year to raise support for campus ministry. The BHECM has a donor who will provide the initial funds.

During Annual Conference of 1989 a service of dedication of the talents is recommended. The BHECM believes that each Charge will become better informed about Wesley Foundation ministry and that each congregation will be enthusiastic about its commission in the "Service of Talents" in order to be faithful and to give a good account during Annual Conference of 1989.

B. Recommendations for New BHECM:

1. Develop plan for having campus ministry at Community Colleges and Junior Colleges.
2. Develop plan to strengthen ties with Colleges and local churches.
3. Develop plan for each charge to have an active Work Area of Higher Education.
4. Develop plan for establishing a full time staff position for promotion of higher education and campus ministry.
5. Develop full time campus ministry program in Pensacola District.
6. Develop plans for capital fund drive for campus ministry.

FUNDING — Report No. 5

1. We recommend that the Huntingdon College/Birmingham-Southern College Fund be set at \$416,405.00.
2. We recommend that the Huntingdon College Student Aid Fund be apportioned at \$1.25 per member of annual conference, \$163,546.00.
3. We recommend that the Wesley Foundation Fund be \$175,000.00.

Carl Herndon, Chairperson

COUNCIL ON FINANCE AND ADMINISTRATION

We further recommend that the copies of the checks issued be filed after having been charged against the account upon which they have been drawn. It shall be the duty of the financial officer to keep the records, make the reports, and handle all financial transactions of all the conference agencies.
5. ALL DISTRICT AND CONFERENCE FUNDS be channeled through The First Alabama Bank of Covington County, and records be kept by the financial office of the conference.
6. The duties of the financial officer be combined with those of the executive secretary of the Board of Pensions and Homes for Claimants, and other responsibilities assigned by the Council on Ministries or the Council on Finance and Administration.

RULES OF PROCEDURE — Report No. 2

1. The Council on Finance and Administration shall meet prior to Annual Conference and during the conference session as needed. A mid-year meeting and a spring meeting of the council shall be held. Other meetings shall be on call of the president of the Council.
2. All persons interested in presenting a request to the Council are invited to do so or to attend any of the Council meetings. All Council meetings shall be open to all interested persons, except when by majority vote the Council elects to meet in executive session.
3. Each agency whose records are not kept by the financial office is required to bond its treasurer, which may be done through the Council at no cost to the agency. Such agency shall provide a copy of its audit and other reports to the Council as deemed necessary by the Council. (Para. 713.2; 714.2, 1984 *Discipline*) Reports to the Council shall be in such detail and provided at such times as the Council may direct.
4. The Council may withhold conference funds from any agency or board which fails or refuses to present proper bonds or audits. Such withholding shall continue until proper requests are met.
5. An audit of the complete financial status of the Annual Conference shall be published in the Conference *Journal*.
6. All boards and agencies are required to cooperate with the conference treasurer in the development of detailed financial reports of the income, expenditures and remaining balances, with these reports to be published in the Conference *Journal*.
7. The Conference Council on Ministries and all boards and agencies receiving funds from conference benevolences with budget amounts approved by the Annual Conference shall be allowed to withdraw funds or make expenditures on a monthly basis as needed. Funds available monthly will be equivalent of 91.66% (11/12s) of the allocation to the agency prorated on the basis of benevolence receipts of the prior year. Receipts for the first eleven months of the fiscal year will apply to the allocation with no check order honored in December of each year until solvency is determined by the financial office. Any expenditure more than the current balance in that account shall be cleared with the chairman of the Council and the executive director of the CCOM.
8. The Council shall make emergency program allocations from the Conference Benevolences Contingency Fund by a majority vote of the Council and the executive committee of the CCOM. The Council shall make expenditures derived from interest on investments of the current balances.

9. Before a financial appeal of any type is conducted by any institution, board, agency, commission, church or individual, complete plans must be presented to the Councils on Finance and Administration of each conference within the area for an area-wide appeal, or the Council for a conference-wide appeal. (Para. 710.5, 1984 *Discipline*.)

10. The adoption of reports and recommendations of the Council by the Annual Conference shall become the final action of the Annual Conference, and shall be accepted regardless of the adoption of any and all reports and recommendations of boards, commissions and agencies. An exception is made when there is a difference between the report of the Council and the request of the Board of Pensions and Homes for Claimants, in which case the latter shall take precedence.

11. In order to avoid the depositing of conference funds in any one bank in excess of the insured limits, the Council shall serve as clearing house for all agencies in the Annual Conference making deposits in any bank, either savings or checking accounts, and no such deposits shall be made by any agency without approval by the Council.

12. A Committee on Investments and Audits within the Council will be responsible for reviewing, approving, and supervising all banking relationships of the Council with special attention given to investments including conference agencies. This committee will also have responsibility for reviewing audits of all church agencies receiving funds from the Annual Conference. (Note rule 3 and 4 above).

13. We recommend that Thursday, June 9, 1988, be set as the official moving date for this Conference year. In the case of moving ministers, all June salary shall be paid to the newly appointed minister by the receiving church.

6. Journals be distributed as follows: Five (5) copies to each charge of one to three churches with an additional copy for each church above three; One (1) copy to persons named in Standing Rule 17. (a); Three (3) copies free to institutions related to this conference; Spiral bound copies to each district superintendent and conference headquarters as needed.

POLICIES AND GUIDELINES FOR ANNUAL CONFERENCE REGISTRAR — Report No. 5

Standing Rule 8 of the Annual Conference makes the Council on Finance and Administration the Committee on Arrangements for the Annual Conference Session. In keeping with this, the Council on Finance and Administration has selected one person as conference registrar to supervise registration of and assignment of rooms to Annual Conference delegates; handle calls for persons attending sessions; supervise displays and allocations of rooms for such; handle reservations for meeting rooms and for dining areas.

In order to implement and prevent overlapping of authority, the Council on Finance and Administration adopts the following guidelines:

1. The Conference Registrar shall have full responsibility for interpreting the eligibility of those covered under Standing Rule 8 for entertainment at the Annual Conference Session. This may be appealed to the Council on Finance and Administration.

2. Chairpersons of boards and agencies who are not elected delegates and attend the Annual Conference in order to give reports shall have their expenses paid by their own board or agency.

3. Space and/or rooms to be used for displays shall be assigned by the registrar and no other. Space shall be assigned on a first come basis.

4. Use of dining halls, rooms or areas shall be determined by the registrar.

5. No materials will be allowed on the registration table other than those necessary for registration. Other arrangements should be made to distribute materials through the registrar.

6. Commercial displays will be allowed only in a room assigned and publicized for this purpose with the exception of Cokesbury which will continue to have a room assigned only to them.

7. Special needs, such as hymnals, altar furnishings, projectors, etc. shall be arranged through the registrar at least two weeks before conference. Needs arising during conference which could not be anticipated will also be arranged through the registrar and not through the college.

SPECIAL FUNDS AND COLLECTIONS — Report No. 6

We make the following recommendations for those causes for which no funds are allocated:

1. That our conference continue to give its hearty support to Advance Specials at both General and Conference levels.

2. That the White Christmas and fifth Sunday church school offerings for the Children's Home be given full support throughout the Conference.

3. That each local church observe World Communion Sunday, Human Relations Day, One Great Hour of Sharing, Christian Education Sunday, United Methodist Student Day, and World Order Sunday and that special offerings be received or budgeted for these special days.

4. That support for Golden Cross Ministries be given through a special offering on the Sunday following Labor Day, and support for Homes for the Aging be given through a special offering on Mother's Day each year. We further recommend that these be given promotion by the Board of Health and Welfare Ministries and supported by the entire conference.

5. That the Committee on Camping of the Board of Education be granted permission to make a selective appeal for funds to help underwrite the camps for underprivileged and special youth.

6. That the conference give full support to the Youth Service Fund.

7. That permission be given to the United Methodist Women to continue their efforts to secure funds for Blue Lake.

We recommend that there be a two per cent (2%) service charge placed on all funds that remain within the bounds of our Conference which the Conference treasurer manages in bookkeeping, check writing, and other services connected therewith. The accrual is to be credited to the Conference Administration Fund to defray the costs of fiscal management. The following funds are excluded from this service charge: General and Jurisdictional apportionments; Special Day offerings, including Mother's Day and Golden Cross Ministries; all Advance Specials; Conference Claimants Fund; and the Children's Home offering.

STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS — Report No. 8

1. The Council believes that all apportionments are needed in the amounts apportioned. Further, the Council believes that it is within the capacity of the churches to pay the apportionments in full. Great effort has been made to apportion more realistically and even greater effort will be made in the future to accomplish more manageable apportionments. We urge full acceptance and payment of all apportionments by each church.

2. We recommend that in setting apportionments for new churches, the following be the policy:

1st full year	— no apportionments
2nd year	— 50% apportioned
3rd year	— 75% apportioned
4th year & following	— 100% apportioned

3. We recommend that apportionments be made to all churches as developed by the formula method. However, the district superintendent and the council may meet jointly prior to the mailing of apportionments to churches to make adjustments with appropriate explanations by the district superintendent to the church involved.

4. We recommend that local churches provide for the audits of local church records as provided in paragraph 267.3c of the 1984 *Discipline*. It is our suggestion that audits of local church financial books should be done by someone other than church staff and should involve others, though members of the Committee on Finance may be included.

DISCIPLINARY REQUIREMENT — Report No. 9

Paragraph 714.1 of the 1984 *Discipline* requires the council to approve the bonding agent for the treasurer and/or treasurers of all agencies and boards, and to recommend amounts

for which treasurers are bonded. The council recommends that the present policy of bonding be continued through the General Council on Finance and Administration.

FORMULA AND ALLOCATIONS — Report No. 10

1. We recommend that apportionments be developed using a formula based on weights of 25% membership and 75% non-building budget (see Standing Rule 27), and that apportionments be determined by local church decimals applied to the cost of each ministry at the conference level. (Note: the formula is being reviewed by the Council. It is proposed that both membership and apportionments be deleted from the formula and that a "financial strength" formula be developed. The Council will then make a decision at its fall meeting and report to the 1989 session of the Annual Conference.)

2. It is recommended that the spring meeting of the council be the time for receiving requests from the Council on Ministries and boards and agencies for allocations from the benevolence budget for the ensuing year. All boards and agencies funded through the benevolence budget should be advised that they place their allocation of funds for their program in jeopardy when they fail to comply with requests for information requested and required by the Council on Ministries.

3. We recommend that apportionments be developed and distributed to each church in order that they may be used for development of local church budgets for the calendar year. Apportionments shall be developed by the office of the treasurer using the data submitted on the local church report to the Annual Conference. Errors and corrections may be made in reports prior to Annual Conference. Only one apportionment schedule will be mailed to the churches for the ensuing calendar year. This final report will be mailed the latter part of June of each year.

4. Attention is called to the closing of the books of the Conference Treasurer January 6, 1989. All remittances to be applied to 1988 receipts must be in the bank by its closing time of 2:00 p.m. No remittances for 1989 should be sent until after January 7, 1989.

5. Preparation of the statistical tables for 1988 shall be handled in the conference fiscal office. Report forms will be mailed in December to each local church from the conference office for reporting local church expenses. These forms are to be returned to the district superintendent so as to reach the conference office by January 16, 1989. A computer print-out of the annual report will be mailed to each church for review and correction.

MINISTERS MOVING EXPENSE — Report No. 11

We recommend that upon retirement, disability or death of a minister, the conference pay up to \$800.00 for documented moving expense to the first place of retirement or disability. Likewise, the conference shall assist the surviving spouse of a minister to the first place of dwelling following death of the minister.

ZERO BASED BUDGETING — Report No. 12

The following proposal for zero based budgeting is presented by the Council:

1. All program area budgets of Annual Conference boards and agencies will begin the year with a zero balance.

2. The annual budgets for boards and agencies shall be prepared on a "zero-base." It is intended that all programs, projects and functions, old and new, be analyzed and re-evaluated on a year-to-year basis; that groups requesting budgeted funds be required to justify those requests in detail to explain why money is needed, specifically what it will be used for, the resulting benefits, and what would result if the request were denied.

3. At the end of the fiscal year, the unused balances for each board and agency shall be transferred to a reserve account, which shall be designated as the "Conference Program Reserve Account."

4. The Conference Program Reserve Account shall consist of:

- a. unused balances of boards and agencies
- b. funds which may be budgeted for the reserve account
- c. funds received from terminated activities which remain unused for those activities when transferred by the Council on Ministries
- d. interest earned from sources as may be provided by the Council on Finance and Administration

- e. Funds from other sources that may be deposited by any board or agency or group within the Conference
5. During the first quarter of the fiscal year, in order to provide funding for programs anticipated during the quarter, boards and agencies will have available to them out of the CPR account, 25% of their prior year's receipts on their agency's apportionment. All expenditures above this percentage will also be drawn from the CPR account, when necessary, but only upon approval of the CCOM director and the Conference treasurer, with all such expenditures being charged to the board or agency's allocation for the year.
6. During the second through the fourth quarter of the year, the use of the CPR account by the boards and agencies will follow the same procedures now governing the Conference Benevolence Contingency Fund, that is, prior joint approval by the CCOM executive committee and the CFA executive committee.
7. The Conference Program Reserve Account funds may be disbursed for program purposes of the Conference Council on Ministries as directed by the executive committee of the Conference Council on Ministries on recommendation of the CCOM director.

AREA BOARD OF PASTORAL CARE AND COUNSELING

1987-88 has been the first full year with two full-time Directors. This expansion has resulted in far more people seen in counseling over previous years; more continuing education opportunities being offered and all of this closer to home.

This past year the Birmingham Office had 1,000 counseling sessions and the Pensacola Office had 616. This does not include again, the consultations, workshops, seminars and continuing education events each Director was responsible for. Not only have we continued to see the ministerial families of our area, but we have expanded our services to include Laity. Now pastors who need assistance or a place to refer can do so with confidence. Our office also keeps acquainted with the Mental Health and Spiritual resources within our area for referral suggestions as well.

Our Director's appointment books are full. They keep emergency time available so that persons needing immediate attention can receive it.

Training opportunities have increased during the quadrennium considerably. The Birmingham Office has increased its Fellows program in Pastoral, Marriage and Family Counseling for local pastors. This past year, two local pastors participated in our program; and up to six pastors will be in the training program for 1988-1989. In Pensacola, the parish based CPE program will begin this summer under Dr. Galloway's leadership. These and other continuing education programs have provided opportunities for professional growth and development to local pastors without their having to leave their parishes for extended periods of time.

We end this quadrennium with a great sense of having responded to God's call to "share one another's burdens." Reading our report to this point, you can see how the programs have advanced. Our expanded ministry to include the laity has been most rewarding and we hope helpful. Both Annual Conferences in giving through "Advance Specials" have made it possible for this Board to be a vital part of our church. We just thank you for your support. We commend Rev. Charles Alexander and Dr. John Galloway, Jr. for excellent work this year.

Our Administrative Director, Rev. Alexander, has worked closely with our Board leadership in monitoring our resources in order to make possible the ministry on the basis of ability to pay. No one is refused services because of inability to pay. Becoming an Advance Special this past year has made the sliding fee scale possible. Your support of this ministry (approximately $\frac{3}{5}$ of our operating budget) allows us to assist individuals and families in the healing and growing process with its pains and joys.

UNITED METHODIST COMMUNICATIONS/ADVOCATE

The Office of Communication/ADVOCATE counts 1987 as another exciting year of achievement. Achievements can be noted in both print and electronic media.

In spite of greater than usual prororation of funds from both annual conferences, the Office of Communication/ADVOCATE was able to complete the year in the black, financially.

The ADVOCATE staff continues to make changes in the paper, such as the inclusion of a "Devotional Column," a "Sharing Success" column, and an effort to include inspirational feature stories. ADVOCATE liaison persons have been appointed by many of the larger membership churches.

Strides continue to be made in the field of electronic media. The staff assisted the Mobile and Pensacola Districts with the finalization of the T.V. spot program. The staff has also worked in the production of the "New Directions" television program, which will be aired in 1988. United Methodist Communication Office of the General Church, in association with the United Methodist Association of Communicators, presented the Office of Communication/ADVOCATE with an Achievement Award during their annual awards program. The award was an "Award of Merit" for the production of T.V. spots in the Mobile/Pensacola area.

The ADVOCATE editor conducted a number of Communication Sessions for District Super Sunday training events. There were numerous calls for mission programs dealing with the editor's Africa Study Tour. The editor also assisted the Alabama-West Florida Conference in hosting the National Youth Ministries Organization by serving as advisor for the publication of a "Daily Advocate" during their national conference in Montgomery.

The editor also attended the General Conference News Briefing in preparation for the 1988 General Conference.

The Office of Communication/ADVOCATE and its Board of Directors sincerely appreciate the support of all subscribers. Special thanks should go to all the ministers who faithfully continue to assist THE ADVOCATE. Commendation is also in order for the support given by the District Superintendents and Bishop J. Lloyd Knox.

PREACHERS AID SOCIETY

The year 1987 was a good year for the Preachers Aid Society of the Alabama-West Florida Conference. There was an increase in the number of ministers paying dues, which made more money available for low-interest (6% per annum) loans. Payments on loans were also better, enabling us to use the interest for donations.

We were able to give five grants in 1987, assisting some of our brothers and sisters who had experienced staggering medical bills.

We encourage every minister under appointment in the Alabama-West Florida Conference (Full Conference, Associate Member, Probationary Member, and Local Pastor) to pay the \$1.00 per year dues to the Preachers Aid Society. These dues go into the Loan Fund, from which any dues-paying member in good standing can borrow up to \$600.00 at the low rate of 6% per annum. The interest from loans makes up our Donation Fund each year.

We had \$588.00 in the Donation Fund, as of December 31, 1987. These donations will have been made by the Annual Conference session in May, 1988.

We encourage our members who need low-cost loans to contact the President, Vice-President, or Treasurer of the Preachers Aid Society for assistance. We also encourage those who have loans to be prompt in making the payments, so that we may use the interest to make our grants.

The attached Annual Report reveals our financial standing as of December, 1987.

We express appreciation to the faithful members of the Board of Directors of the Preachers Aid Society. These people serve out of love, and receive no remuneration whatsoever. They attend the meetings of the Board at their own expense, buy their own meals, etc., and deserve our thanks for a job well done.

In fulfillment of this purpose we made 108 loans in 1987, and we paid our shareholders a total of \$67,636.50 in dividends.

Your Credit Union is a federally chartered credit union and subject to annual federal examination. The books are audited annually by a Certified Public Accountant. COMMISSION ON RELIGION AND RACE

Because we recognize the need for continuing effort through study and action to move toward the ideals of Christian race relations to a truly inclusive church we recommend:

I. NEW CHURCH DEVELOPMENT AND CHURCH REVITALIZATION:

1. Recommend a Convocation on Religion and Race on the District Level in each District.
2. Discourage relocation of churches because of ethnic changes in the neighborhood.
3. Give support to inclusive churches.
4. Make available to publications examples of inclusiveness.
5. Have mutual ministry projects such as Vacation Bible Schools; pulpit exchanges; congregation exchanges, etc.
6. In regard to revitalization: recognize and identify the people there; recruitment; leadership could utilize lay persons if clergy is not available; plug into the \$10.00 Club.

7. Create a timetable for programs and projections — how much will be accomplished in 5 years-10 years, etc.

II. CLERGY RECRUITMENT:

1. Need for leadership role models. Recommend that the Cabinet work toward a black District Superintendent by 1990.
2. Endeavor to place a black clergy to a white congregation by 1990.
3. Educate our ministers to educate the congregations on inclusive behavior.
4. Use pastoral exchanges as examples of inclusiveness.
5. Face the duplicity that is currently involved in the consultation process.
6. There must be intentional exposure to the inclusive nature of the church.
7. Provide funds for training and follow-through.
8. Start new churches as intentionally inclusive.
9. Have joint Bible Study among white/ethnic churches, and share the leadership.
10. Leaders, preachers, District Superintendents, and the Bishop must lead the way and take risk.
11. Recruiting: must be done with early youth, and can work through Scout groups, UMYF's, school counselors, etc.
12. Courses of study for youth contemplating the ministry.
13. Create an atmosphere so that youth can "hear the call."
14. Learn from others (denominations, etc.).

The results of the Convocation will be passed on to the new leadership of the Commission on Religion and Race.

- ## III. That the Conference Council on Ministries be responsible for developing these efforts and that a report on progress toward achieving them be given to the 1989 session of the Annual Conference of the Alabama-West Florida Conference.

UNITED METHODIST FOUNDATION, INC.

The Foundation held its annual Board of Directors meeting March 17, 1988, at Dauphin Way United Methodist Church in Mobile, Alabama, with 31 Board members present.

Information reported and acted upon at that meeting which will be of interest to delegates of the Annual Conference include:

A review of the balance sheet which is included here for the conference's review as of year end, December 31, 1987, showing total assets of \$4,726,764.79 representing a growth of some \$1,068,237.67 for the year 1987.

The Foundation added sixteen new permanent trusts and disbursed \$606,401.22 to principal and income beneficiaries during 1987.

The Foundation disbursed in excess of \$11,000 in scholarship aid to seminary students under the direction of its scholarship committee.

The Board considered a proposal to reduce the size of the Board from its current level of 45 to a new level of 21 directors. After much deliberation the Board voted not to amend its bylaws regarding membership at this time and to give close attention to the recruitment of the finest leaders from across our conference to serve as directors of our Foundation.

The Board heard its first report from the Rev. Cliff Abbott, Associate Director of Gift Planning, regarding his work since coming to work with the Foundation in September of 1987. Cliff's report helped the Board to affirm its commitment to soliciting the help of additional part-time staff in an effort to increase the Foundation's presence in the conference.

Of special interest to the board and the conference is the fact that the Foundation continues to move ahead of schedule in meeting its obligation to be completely self-supporting by 1991. Significant progress has been made toward this goal to the point that the supporting institutions represented by the Children's Home, the United Methodist Homes for the Aging and Birmingham-Southern College have been released from their 1988 budget support commitments which were to have been their last year to provide support.

The Board expresses deep gratitude to these three and additionally to Huntingdon College for their timely involvement which gave wings to our Foundation and include in that thanks a pledge to continue the Foundation's work to secure permanent endowment funds for the work and ministries of these Methodist institutions.

The Board re-elected the following Directors to the Class of 1991: Mr. L.E. Creel, Mrs. Virginia King, Miss Alice Lee, Mr. C.H. McGehee, Dr. J.L. Morrison, and Mr. Calvin Todd thus leaving six vacancies in the Class of 1991 and three in the Class of 1989 to be filled by the Committee on Nominations and Personnel.

The Board also elected the following officers for 1988-89:

President — Mr. Frank C. Martin, Sr.

Vice-President — Mr. C.H. McGehee

Secretary — Mr. Alan Livingston

Treasurer/Executive Director — Rev. Daniel A. Bailey

UNITED METHODIST DEVELOPMENT FUND, INC.

As of late March, 1988, our conference Development Fund has received \$368,555 in deposits from across our conference. These deposits from churches and individuals are secured by Certificates of Participation and are available on an on-demand basis to the depositors.

Since the last report to Annual Conference our Board has voted at both semi-annual review dates to continue the 7% rate for deposits and the 8.5% rate on loans for church projects. While there is no guarantee that these rates can be maintained in the future, the Fund's Board remains committed to paying above market rates to our depositors while trying to make loans available as cheaply as possible.

According to the Fund's by-laws the Fund can issue certificates of participation totaling eight times its capital reserve. Based on the most recent numbers, our capital reserve fund stands at \$248,107.00, which, by the formula, would mean that the Fund is permitted to take up to two million dollars in deposits at this time.

As of its June meeting the Fund did pass an indemnity clause to its corporate bylaws to lessen the liability risk for its corporate directors.

To date the Fund has processed three loans in the following amounts:

- Grace United Methodist, Mobile District, \$16,000
- Lillian United Methodist, Pensacola District, \$45,000
- Jackson Chapel United Methodist, Demopolis District, \$35,000

The Fund currently has approximately \$200,000 available for loans at this time and is dependent upon additional deposits from individuals and church groups if additional loan requests are to be met.

Items that will be considered by the Fund's directors at their June meeting include:

- the setting of rates for the next 6-month term,
- consideration of current loan requests,
- the possibility of offering one year and four year certificates in addition to the current on-demand deposits,
- the enactment of a safe-keeping policy for certificates of participation,
- an investigation as to whether the Fund would be ruled acceptable by I.R.S. to receive I.R.A. deposits.

The primary difficulty facing our Fund continues to be a lack of awareness from across the conference as to how the Fund works and that individuals can be participants by way of investment.

Each local church is encouraged to have a program regarding the work of the Alabama-West Florida United Methodist Development Fund during the conference year and to keep available printed materials in the local church so that individual members can become better informed regarding the church investments available to them.

CAPITAL FUNDS CAMPAIGN REPORT

It has been immensely gratifying through the years of my association with the churches of the Alabama-West Florida Conference, to see their generous support of the programs and campaigns initiated by the annual conference. This has been no less true with regard to their support of the Capital Funds Campaign. Some of the smaller churches with very small membership have been among the first to pay their Fair Share Goals in full. The campaign has been equally well supported by the larger churches of the conference. This support is vital to the success of the campaign and, in turn, the causes it will assist.

Thirty-six (36) months of the forty-eight (48) month pay period of the Alabama-West Florida Conference Capital Funds Campaign have passed. As of February 29, 1988, the sum of \$1,776,729.00 has been received with interest having been earned in the amount of \$136,347.00, making a total of \$1,913,076.00 received. While the percent paid is not as high as it should be to be current, the goal of \$3,250,000.00 is still attainable by the end of the campaign, May 31, 1989.

These funds are to be used as follows:

1. **Church Development Fund:** \$1,500,000 will be used for church development; some funds will be used to establish a low-interest loan fund; some funds will be used to assist promising churches in a revitalization program; and some will be used to establish new churches. Our conference has a spiritual opportunity and a moral responsibility to minister to the large number of persons now moving into our area. Statistics point out that a very large percent of new members received into our church come as a result of the establishment of new churches.
2. **Blue Lake Assembly:** \$1,250,000 will be used at Blue Lake. The new addition at Oakwood Lodge is already in use and is greatly enjoyed and appreciated. It is through the Capital Funds Campaign that the new addition is being financed. We have one of the finest assembly grounds in Methodism. Let us keep it at the top, so it can continue to be spiritually beneficial to all who visit.
3. **Homes For Claimants:** \$500,000 will be used to provide homes for Conference Ministers and their spouses. Exciting plans to build several new units in our conference such as patio homes in Montgomery and Pensacola are being discussed. With our financial support of the Capital Funds Campaign we can help to make them a reality.

Church Development, Blue Lake Assembly and Homes For Claimants are all very important to this Conference. We are beginning to see the fruits of the campaign and it is hoped each and every church will pay its Fair Share Goal and all of us who have made individual pledges will complete the payment of our pledges in full by May 31, 1989.

John H. Lane, Director

BISHOP'S ASSISTANT FOR SPIRITUAL FORMATION

In this third and final year in the Area staff position, I have continued an active schedule of involvement in spiritual formation events.

- 5 Spiritual Formation Retreats for Pastors and Spouses
- 14 Other events in retreat settings
- 2 One-day District events
- 11 Local Church Christian Growth Conferences
- 5 Courses including 2 at the SEJ Leadership School
- 1 Emmaus Walk Weekend as Spiritual Director

I consider my most significant achievements to have been in regard to the Academy for Spiritual Formation sponsored by The Upper Room at Camp Sumatanga. In August of 1987 the first Academy in Alabama successfully concluded the last of its eight five-day sessions. In March, 1988, forty-seven participants and eight leaders launched the second Academy in Alabama. Much planning, praying and recruiting on the part of the leadership team went to make this opening possible. Although this is a national Academy, twenty-seven of the participants are from the Birmingham Episcopal Area. In another year and a half, sixty persons in the Area will have experienced this extensive formation in the Christian Spiritual Tradition. This Academy will be a rich leadership resource for the Area and for the church at large.

In connection with the Academy, I took the first step toward one of my original goals in this job: the forming of a fellowship of intercession. I mailed out to twenty-eight hundred persons a request that they pray for all those involved in the Academy. The response cards have poured in. The faculty, who had taught in two previous Academies, kept puzzling how it was that these participants settled into a depth and unity of community which other groups had not achieved in several sessions. I am convinced that prayer made the difference.

I have the strong conviction that spiritual formation ought to move into the local church programming under local church leadership. After offering a training workshop in each Conference for local church leaders, I had scheduled a district event to train persons to teach through their leadership opportunities in their own congregations. Although attendance conflicts made cancellation of this pilot project necessary, the material is ready and leadership trained to move in this direction when desired. There are also a number of persons quite capable of leading the sort of local church events I have been doing.

Another point of local church emphasis should be in connecting Confirmation Classes more explicitly to the tradition of the church, which facilitates the Holy Spirit's shaping of persons to the image of Christ. Lent is a powerful support for such a process which can draw in, first, the families of confirmands and, then increasingly, the entire congregation to live in solidarity with those who prepare for confession of faith and for responsible church membership.

As I come to the close of my Area responsibilities, I wish to express my profound gratitude for the marvelous opportunities which I have enjoyed and to all who have made them possible: to Bishop Lloyd Knox for his vision of this leadership need, for the freedom he has given me in its exercise and for his unfailing support; to the two Annual Conferences who ventured in approving this ministry; and to the many, many persons who welcomed, prayed, encouraged and opened doors of ministry. May God's richest blessing rest upon each of you as you continue your witness of our Lord, Jesus Christ.

BOARD OF HEALTH AND WELFARE MINISTRIES

Report No. 1

The United Methodist Church has always been concerned about the health and well being of people around the world. This has been expressed from the very beginning of its existence, when John Wesley and other members of "The Holy Club" went into prisons and other institutions, to express their Christian concern for persons who were in need.

The Board of Health and Welfare Ministries of the Alabama-West Florida Conference seeks to express this God-given caring for all persons. This caring concern is in part reflected by the reports of the United Methodist Children's Home, the Methodist Homes for the Aging, and Golden Cross, that follow in this report.

Please read carefully the report on Golden Cross, noting the number of persons served and the procedure for applying for financial help from the fund. **GOLDEN CROSS SUNDAY IN OUR ANNUAL CONFERENCE WILL BE OBSERVED ON SEPTEMBER 11, 1988, THE FIRST SUNDAY AFTER LABOR DAY.** We encourage all churches to observe that day with a special offering.

Our society is characterized by various groups of persons with special needs. One of the most well known of those groups claims many persons who have some degree of mental retardation. Our Board is in the process of beginning a study, jointly with the North Alabama Conference Board of Health and Welfare Ministries, concerning expanding ministry to and with persons with mental retardation, focusing primarily on adults. The study will look to see if there is a real need for home care for persons with mental retardation in our Area. A concern often voiced by persons who have adult children in their homes, who are persons with mental retardation, is, "What will happen to our child when I die? Who will take care of our child?" The study will address this issue. We recall with much joy and gratitude, the "music and word" by the group from the Baddour Center at last Annual Conference. They evidenced what has been done for and with adult persons with mental retardation.

In view of the growing worldwide concern about AIDS, the Board of Health and Welfare Ministries takes seriously its responsibility in relation to the problem, and has spent a great

deal of time dealing with the issue. However, with a new Board assuming leadership at the close of this Annual Conference, it would be presumptuous to "presume" what the Board will do, and what direction it will take. Nevertheless, in light of the problem of AIDS, this Board urges that at least a sub-committee of the 1988-1992 Board address the issue with a positive attitude of study and research, for giving specific recommendations to the Annual Conference for addressing the issue in concrete form. In view of our Wesleyan heritage of expressing Christian concern for persons in need, we can do no less.

For a long time in the church, we have had intentional ministries for children, youth and adults. We have not had a ministry for persons with special needs because it was too difficult, or too expensive, or it was just not practical to do so. With constant change taking place in our society, it is evident that if we are to continue to be relevant to the world in which we live, we will need to "address" with caring concern, persons who have special needs in their lives.

An intentional caring and sharing ministry for all persons should be the goal of every local church, as well as a goal of our Annual Conference.

UNITED METHODIST CHILDREN'S HOME — Report No. 2

The children and their families, the staff and Board of Directors express grateful appreciation to the thousands of loving, caring United Methodists in Alabama and West Florida who made possible the programs and services of the Home which were provided to 629 children during 1987. The totals for each program are as follows:

Children's Village	97	Emergency Shelter Care	388
Group Homes	89	Children's Village	178
Florence	12	Birmingham	210
Huntsville	11	Foster Homes	1
Scottsboro	8	Adoption	0
Tuscaloosa	19	Scholarship	8
Mobile	9	Family Aid	46
Pensacola	18		
Wiregrass	12	TOTAL	629

Summary highlights from last year include: 17% increase in number of children served in emergency care; increased involvement by children in service activities in local churches and communities; completion of new duplex for Independent Living adjacent to our group home near Dothan, named "The Settlement"; increasing salaries for Child Care Workers (women and men who live with and care for children) in order to retain and attract the best persons; and increased involvement by alumni in telling the story of the Home.

None of this is possible without the prayers and generous giving of United Methodists. You have made a difference by "giving a child a chance." Thank you and please continue.

METHODIST HOMES FOR THE AGING — Report No. 3

For some persons, living to the mature years of life may represent the pot of gold at the end of the rainbow. On the other hand, a great many more people indicate that they are neither adequately prepared for the later years of life nor are they particularly satisfied with them when they come. Some persons look around themselves and ask, "Now what do I do with the rest of my life? Where do I go from here?" Advancing age and growing disability can bring about even more questions as to "What do I do now?" Life is a series of changes. For many older persons, one of those changes is an ever-increasing limit on where-and-how they will live.

We are pleased that we are providing six homes across our two Annual Conferences where we put into practice that we believe age need not bring about a decrease in the quality of life. We are grateful that the ministry of our Homes For The Aging has provided an opportunity to discover that the later years of life do not necessarily have to be dark or threatening years.

It is thrilling to share in the joy of those persons living in our two new homes, Wesley Apartments and the Epworth House, that have been opened this year. Wesley Apartments in Anniston and The Epworth House in Selma, as well as Wesley Acres in Decatur, provide a program of care where persons can live independently and where they receive assistance with their monthly charges from the Department of Housing and Urban Development. Fair Haven in Birmingham, Wesley Manor in Dothan and Wesley Terrace in Auburn all provide a "Continuum of Care" where persons may come to live in apartments, private or semi-private rooms or live in an area and receive total nursing care.

We are proud of our six homes and that we are able to provide care on a daily basis to 865 persons. Yet we know that there are more who need to be served, and as the population of our senior persons increases, the needs will become much greater. There are other areas that we feel we must address with much greater sensitivity. There is a growing need for programs and facilities for Respite Care and Day Care Centers, mentally retarded elderly persons, the Alzheimer patient, persons with AIDS. Many needs that are not now being met must be addressed with greater intensity. It is our hope that The Methodist Homes For The Aging can and will address some, if not all, of these needs in the near future.

Not only is there a need to develop other facilities and programs for senior persons, we

must seek out persons to help us with the growing problem of finding enough personnel to care for those living in our homes. There is a tremendous shortage of registered and licensed personnel, as well as those who are willing to be special "care-givers" as nursing assistants. We encourage the membership of our United Methodist Churches to help us address this growing problem.

We are grateful for the financial assistance we have received from the Alabama-West Florida Annual Conference for Wesley Manor during this Conference Year. Through the Conference Apportionments, Advance Specials, Mother's Day Offerings and other gifts we have provided \$62,000 in financial assistance to 48 persons. We call on the Churches and the membership of the Alabama-West Florida Annual Conference to continue to help us assist persons who do not have adequate resources.

We are grateful for the opportunity to serve the "Older Children" of God who live with us. Please continue to remember us in your prayers.

A. Wray Tomlin, Executive Director

GOLDEN CROSS — Report No. 4

The Golden Cross fund of the Alabama-West Florida Conference has helped fourteen families with their medical expenses in 1987. These families were assisted with a total of \$6,825.58 or an average of \$487.54 per family.

Golden Cross receives financial support from the Golden Cross Sunday offering which is taken the first Sunday after Labor Day. Your gifts to this offering enable Golden Cross to respond to the medical expenses of needy United Methodist families in our conference.

The rules that govern the Golden Cross Fund are as follows:

(1) Assistance shall be for United Methodists and any payment toward assistance shall be only to the hospital, doctor, or drug store and only after receiving a copy of the hospital, doctor or drug bill showing the amount of the unpaid balance.

(2) No assistance shall be granted to laymen except upon the recommendation of a pastor in a position to know the circumstances. Assistance to a pastor shall be granted only on the recommendation of his/her District Superintendent or the Conference Treasurer.

(3) The amount of assistance granted to any person shall be limited to a total of \$1,300.00 for any combination of hospital, doctor and drug bills.

(4) When, in the judgment of the Golden Cross Director, extreme poverty seems to justify it, an additional payment (not to exceed \$400.00) may be given to the same person during the period of a year.

COMMISSION ON WORSHIP

The Commission on Worship of the Alabama-West Florida Conference of The United Methodist Church seeks to be responsible to the best we know and to the people we serve and equip to serve in our geographic areas. This past quadrennium has been one where the commission has established itself as a leader in the Southeastern Jurisdiction. Good liturgy, artistic expression, scholarship and training have been consistently encouraged on all conference levels these four years.

Scholarships and funds for resources have been offered district coordinators of worship to prepare them in presenting cogent Super Sunday programs on worship with adequate handouts and visuals.

The commission has offered to help plan and equip various worship spaces used by groups in the annual conference. This would include soliciting and helping to select memorial gifts. Worship space and items used for worship should express Biblical faith, United Methodist theology, tradition and pastoral concerns.

The Alabama-West Florida Arts Council and the new chapter of the Fellowship of United Methodists in Worship, Music and Other Arts have both found their structural homes in the Conference Commission on Worship. The new conference chapter of the Fellowship formed at Blue Lake on Saturday, February 13, 1988 at the Handbell Workshop. Both groups are dedicated to magnifying excellence in our worship expressions and a spirit of creative Christian kinship across our Conference and across the Church.

The yearly Convocation on Worship was held at St. Luke United Methodist Church, Columbus, Georgia on February 19 and 20. "The New Hymnal, What's In It For Me, For My Church?" was the theme with Dr. Carlton R. Young, Hymnal Editor, and Dr. Lawrence H. Stookie, Ritual Editor, as the resource persons. The worship convocation is one of the best annual opportunities for training worship leaders in Methodism.

Members of the conference commission will participate in a training event to equip teams to interpret the new United Methodist Hymnal and Worshipbook to the districts of their annual conferences in 1989. The district events will use the facilities of a new United Methodist satellite network which will be functioning by that time. It is good to know that the Church still strives to "serve the present age."

The Conference Worship Task Force, chaired by the Rev. Walker Epps, will be working with Bishop Knox and the Program Committee to help assure the liturgical quality of annual conference worship. Three early morning conference worship opportunities will be offered at 7:00 a.m., Monday through Wednesday with the Rev. Neil Epler in charge. The newly ordained elders will celebrate the Holy Eucharist with Bishop Knox at 7:00 a.m. on Tuesday,

May 31. From the Opening Celebration on Sunday evening to the Commissioning Eucharist on Wednesday afternoon the Conference Committee on Worship gladly stands responsible and accountable.

Joseph H. Reams, Chairperson

BOARD OF EVANGELISM

The Conference Board of Evangelism has, during the past year, worked to do everything that can be done to establish achievable, but meaningful goals for the work of evangelism through the annual conference.

During the past quadrennium, the current board has planned, promoted, and sponsored many programs that were intended to awaken the local churches to the challenge that United Methodism faces. There has evolved a consensus of prayerful thought and commitment among the men and women of the board that should not go unnoticed, and in fact, should be embodied in this report.

A beginning premise is that declining membership haunts the leadership of virtually every annual conference in Methodism. The Alabama-West Florida Annual Conference is no exception.

The time has come that we must decide who we are as United Methodist Christians. The need for vital, authentic witness by all who are of this "Body of Christ," has never been greater. The sense that every member is a minister and has a ministry, must be promoted. The world seems more eager to receive the Gospel, than we sometimes appear willing to share it.

We have seen the leadership of the conference given opportunities to "make a difference" in giving meaningful leadership, only to see their enthusiasm fail at critical moments.

A central truth has emerged, and has been acknowledged by the board, and that is that no program of evangelism we can conceive, has any true merit unless it finds its ultimate application in the heart of the committed Christian in the local church. There is no substitute for personal work and witness in evangelism.

This past year, we continued the focus of previous year's work, in having a "Pilot Workshop on Visitation Evangelism" for pastors and laypersons. This was held in Dothan in November, 1987. Following up on that, at this writing, several districts in the annual conference have already had similar workshops, and others have them planned for 1988 by the Superintendents and District Secretaries of Evangelism.

In 1989, we have made plans to hold a "School of Evangelism," October 9-12, 1989 at the Ramada Inn at Fort Walton Beach, Florida. This will be conducted by the Section on Evangelism of the General Board of Discipleship. It will be promoted nationally. Several hundred persons are expected to attend; most of them from our annual conference.

In 1990, the whole program for the annual conference will center on evangelism. The conference theme in 1990 will be "Move With the Spirit Through Evangelism." Plans are already being made to make that year a time of evangelistic renewal which will take us into the twenty-first century with an answer to Bishop Wilkie's rhetorical, but heraldic question, "And Are We Yet Alive?"

At this writing, it appears that our annual conference will report a net loss of several hundred members for 1987, after having a net gain in 1986. To those that would argue that numbers are unimportant, for them we pray. Numbers in this case represent the eternal souls of God's people. We also pray that the time is near at hand when we expect to grow every year. We earnestly solicit the prayers and work of every United Methodist to make it so!

COMMISSION ON CHURCH DEVELOPMENT AND REVITALIZATION

COMPREHENSIVE PLAN STATEMENT OF ORIGIN — Report No. 1

Gradually up to and since the beginning of the 1980's, the Alabama-West Florida Conference has experienced a tremendous up-surge in population, especially along the Gulf

coast and metropolitan areas of the conference bounds. Of particular significance has been the growth in the Panama City, Fort Walton Beach, Pensacola, Gulf Shores and Dauphin Island areas, where beach property has been extensively developed. In addition, the metropolitan areas of Mobile, Montgomery and Dothan have witnessed unusual growth as new industries have located within commuter distance of these population centers.

As a result of this noticeable population explosion and with promise of more to come, a serious attempt was made to put together a Comprehensive Plan for New Church Development and Church Redevelopment, under the direction of the Reverend Fred Heliene, staff member of the National Division of the General Board of Global Ministries of the United Methodist Church. It was proposed in 1983 that district teams for doing demographic research and making recommendations for church development and revitalization be organized in all nine districts. It is not known how many of the districts followed through on the projected plan, but evidence has shown that extensive demographic work and research was done in at least some of them.

However, the comprehensive plan was not assembled, brought together, and finalized for two primary reasons:

1. The Reverend Fred Heliene left the staff of the General Board of Global Ministries and returned to a pastorate in his home conference.
2. Even though some of the districts did extensive work, a few of the districts evidently did not diligently pursue the task, or, if they did, the results of their labors were never uncovered.

As a consequence, the project came to a screeching halt and the matter lay dormant for several years.

It was, therefore, not until 1987 that plans were designed under the direction of the CCOM Director, the Bishop and the District Superintendents to reorganize all the district committees and charge them with the responsibility of doing the work needed, so that a now, much needed, comprehensive plan could be put together. As the committees were instructed, the tasks they were to accomplish would be to draw together and up-date any previous work done, if any was on hand, and then to accomplish any research and to gather any demographic data together which would help determine the needs in each district for the developing of new congregations and the revitalizing of existing ones. The district committees were to also establish district priorities in each category — new church development and church revitalization.

The above tasks were accomplished according to the following time-line:

1. On February 23, 1987 — An initial planning group, consisting of the district superintendents, representatives of some district committees and Reverend Gerald Maddox and Dr. Roy Sublette of the CCOM staff met with the Reverend Russell Harris and the Reverend Clyde Anderson of the General Board of Global Ministries, National Division staff in Montgomery at First United Methodist Church, to determine where we were and to lay out a schedule of work, which ultimately would take us toward the development of the desired comprehensive plan. All nine districts were represented and most of the district superintendents were present. The district committees, composed of six to ten persons were to begin their work after that meeting.
2. Then on May 2, 1987, the entire membership of all the district committees, including the district superintendents, met together at Blue Lake and, again, under the leadership of Russ Harris and Clyde Anderson of GBGM, received extensive instruction on how they were to proceed in their various tasks.
3. At the 1987 annual session of the Alabama-West Florida Conference (May 24-27, 1987), a new permanent Conference Commission on Church Development and Revitalization was nominated by the Conference Nominating Committee and elected by the annual conference. This new conference commission held its organizational meeting at Conference Headquarters, Andalusia, Alabama, on July 24, 1987.
4. Russell Harris and Clyde Anderson of GBGM were again scheduled on the dates of August 31-September 4, 1987, to meet with each District Committee on Church Development and Revitalization separately to consult with the committees and check on the work progress of each group. However, during the summer of 1987, Russ Harris was also called by his bishop back to his home conference to assume the pastorate of a local church. Consequently, the National Division of GBGM contracted with the

Reverend Peter Wernett, a United Methodist minister of Bangor, Pennsylvania, and who was a former member of the National Division's church development staff, to be a consultant in developing the Alabama-West Florida Conference's comprehensive plan. Consequently, the week of August 31-September 4, 1987, the Reverend Peter Wernett and Dr. Roy Sublette, CCOM Director and CCOM staff person for church development and revitalization, made the rounds of the district committees to consult with them in their work. It was found that most of the districts were well into their tasks of research and demographics and all were heading in the right direction. With much additional expert guidance from Peter Wernett, aided by Roy Sublette, the persons on each committee caught a vision of what a comprehensive plan could mean to the conference and the crucial part they were to play in the process.

5. On November 5, 1987, each of the nine district committees sent three voting representatives, which included the district superintendent as one of the three, to Oakwood Lodge, Blue Lake, where each committee presented their priorities in the two categories (1) new church development and (2) church revitalization. They also produced the research data to support their findings, which determined the priorities of their respective districts. After all the presentations had been made, the three voting delegates from each district, including the district superintendent, determined the order of the conference priorities for each category by voting via a written ballot. The Conference Commission on Church Development and Revitalization was invited to come as observers to this meeting.
6. On December 3, 1987, the Conference Commission on Church Development and Revitalization met at Blue Lake's Oakwood Lodge to complete their organization, to begin their committee work, and to determine grants to local church situations, according to the conference priorities as they had been established by the November 5th meeting. The latter task had previously been under the jurisdiction of the Church Extension Committee of the Conference Board of Missions, but that responsibility was shifted to the new Commission on Church Development and Revitalization by the 1987 annual conference.
7. Then finally, on December 21, 1987, Dr. Roy Sublette met with the Reverend Peter Wernett in Montgomery, where Peter Wernett shared additional information with Roy Sublette on what form the Conference Comprehensive Plan should take. There was also additional sharing between Peter and Roy through ensuing phone calls, correspondence and an additional meeting or two.

Our gratitude is expressed to the Reverend Peter Wernett for his careful guidance and unquestionable expertise in this development process. It, most certainly, could not have taken place without him or someone else who had such church development talent and experience.

And so — the Alabama-West Florida Conference Comprehensive Plan on New Church Development and Church Revitalization was given birth — — —

Not all churches on the priority list have made application, but of the 22 churches for which application has been made (new and revitalization), the total is \$766,166. The needs are much greater than the total amount allotted for the fund. If we are to meet the challenge for new church development and revitalization of churches, we must develop a system of ongoing funding that will enable our Conference to adequately fund both areas.

BOARD OF MANAGERS OF PASTORS' ASSEMBLY

(For Your Information. Was not presented to the Annual Conference Session.)

The 1987 Pastors' Assembly was held at Oakwood Lodge, Blue Lake, Alabama, on October 12-13. Our theme was "Faith Development: The Church as Christian Community." Over 180 ministers registered for this event.

Our guest lecturers for the 1987 Assembly were Bishop Joel D. McDavid, The Rev. Danny E. Morris, and Dr. Luther C. Smith.

In 1988, Pastors' Assembly will be held at Oakwood Lodge on October 24-25. The theme for the Assembly is "Managing to be Faithful," featuring Dr. Patricia Arnold, The Rev. Charles Chakour, and The Rev. E.L. McFee. We encourage every minister in our Conference to plan to attend the 1988 Assembly.

FEASIBILITY STUDY COMMITTEE REPORT

In 1985 a 12-member committee was appointed to study the feasibility of relocating Conference Headquarters. Six members were named by the Bishop and six members were named by the Board of Trustees.

The last meeting of the committee was held on May 20, 1988, and a report was written immediately following. The committee recommends that after September, 1988, the Bishop and Trustees determine if the committee should continue its study (and we are willing to do so). All information compiled during our three-year study is on file to assist, if needed, in determining the future direction of the Conference Headquarters location.

COMMITTEE ON EPISCOPACY

Report No. 1

This has been an important and exciting year for the Committee on Episcopacy. What began as a remote possibility two years ago, now stands at the door of opportunity: The Alabama-West Florida Conference having its own bishop and episcopal area. This has become possible through the united support and efforts of our entire committee, the wise counsel and assistance of our bishop and the help of many other interested lay and ministerial members of this conference. It is only fair to say that the efforts of our committee, along with those of our delegates to the recent General Conference, played a major role in the passage of this permissive legislation. We are grateful to all persons who supported and assisted us in this endeavor including the Joint Concerns Committee of the Birmingham Area, the Committee on Episcopacy of the North Alabama Conference and the Committee on Episcopacy of the Southeastern Jurisdiction.

The Committee on Episcopacy strongly recommends that the Alabama-West Florida Conference support the division of the present Birmingham Area; and that the 1988 Southeastern Jurisdictional Conference do likewise.

We view the quadrennium under the leadership of Bishop J. Lloyd Knox as a time of renewal, growth and development. Programs he has developed and given us excellent leadership in include the District Missions Rallies, the Peace Initiative, the Spiritual Formation Retreats and the current emphasis upon stewardship. He has continued to lend his strong support to programs for New Church Development and Church Revitalization, the Development of the Ethnic Minority Church and an emphasis upon the acceptance and payment of all apportionments by local churches. He has worked closely with the Conference Board of Laity: which has qualified him as a staunch friend of United Methodist Women, United Methodist Men and United Methodist Youth. The growth in membership of 840 and the organization of seven new churches during the quadrennium is only a shadow of things to come when he is appointed as the resident bishop of the Alabama-West Florida Conference.

Bishop Knox and Edith, his vivacious wife, have, by their own example, challenged us to a more positive and progressive attitude toward the work of the Kingdom of God through

our conference and church. Their deep personal commitment to Jesus Christ, their love for and loyalty to the United Methodist Church and their untiring efforts to be good "Shepherds" of the people committed to their care endears them to all of us. In four short years, they have made a lasting place for themselves; so that we do not just think of them as "The bishop and his wife," but as our dear friends. If there is any doubt about it, dear friends, we love you, we appreciate you and we want you to continue your episcopal leadership in the Alabama-West Florida Conference.

With the possible division of the Birmingham Area, we realize there is a possibility that we could lose Bishop Knox; however, we strongly request that the Southeastern Jurisdictional Committee on Episcopacy re-appoint Bishop J. Lloyd Knox to the Alabama-West Florida Conference. Furthermore, we ask our lay and ministerial delegates to the Southeastern Jurisdictional Conference to lend their unanimous support to this effort.

A PETITION TO THE ALABAMA-WEST FLORIDA CONFERENCE — Report No. 2

Whereas, the 1988 General Conference of the United Methodist Church has amended Paragraph 505 of the *Book of Discipline* to state: "that any episcopal area having two or more annual conferences with more than 125,000 members each may be divided into two episcopal areas by the jurisdictional conference, with the addition of the needed bishops(s) made necessary by such division."

And Whereas, the 1988 General Conference voted that such legislation should take effect immediately upon the adjournment of said conference (May 6, 1988), and

Whereas, the Birmingham Area contains two annual conferences, Alabama-West Florida and North Alabama, which have more than 125,000 members each,

Therefore, be it resolved that the Alabama-West Florida Conference, meeting at Huntingdon College, Montgomery, Alabama, May 29-June 1, 1988, petition the 1988 Southeastern Jurisdictional Conference of the United Methodist Church, which will meet at Lake Junaluska, North Carolina July 12-16, 1988, to divide the present Birmingham Episcopal Area into two episcopal areas: one to be composed of the present Alabama-West Florida Conference; and the second to be composed of the present North Alabama Conference.

Be it further resolved that the Alabama-West Florida Conference Council on Finance and Administration be authorized and requested to provide or raise, and/or that we authorize the Conference Board of Trustees to borrow sufficient funds to purchase an episcopal residence and furnishings for this annual conference, to provide some office furnishings for a bishop's office and to provide funds for such other needs as continuing education and professional entertainment for use by the bishop. (The office and residence will be needed by September 1, 1988.)

Be it further resolved that the Conference Council on Finance and Administration budget be increased to provide funds needed to receive matching funds from the General Council on Finance and Administration to cover ongoing expenses in providing an episcopal residence for this conference.

Be it further resolved that an Episcopal Residence Committee be established to consist of the following: The chairperson, or his/her designate, of the Committee on Episcopacy, the chairperson, or his/her designate, of the Conference Council on Finance and Administration, the chairperson, or his/her designate, of the Conference Board of Trustees and four additional members of the Committee on Episcopacy (at least two of whom should be women), elected by the members of the committee; and that this committee be charged with the responsibility of purchasing and furnishing an episcopal residence, and assisting the bishop in securing, furnishing and setting up an office.

Be it further resolved that the title to the episcopal residence be held in trust by the Board of Trustees of the Alabama-West Florida Conference.

And, be it further resolved that the joint support, membership and participation of the Alabama-West Florida and North Alabama Conferences be continued in the following ministries and institutions:

Birmingham-Southern College
Huntingdon College

The Area Board of Communications/Advocate
 The Area Board of Pastoral Care and Counseling
 The United Methodist Children's Home
 The United Methodist Homes for the Aging

COMMITTEE ON COURTESIES AND INTRODUCTIONS

Bishop Knox, Clergy Members, Lay Delegates and Guests:

As we come to the close of the 1988 Session of the Alabama-West Florida Conference, the 160th session of our Conference and its predecessor organizations, it is the assigned duty of the Committee on Courtesies to express gratitude to the groups, agencies and individuals who have helped make this a very successful and meaningful conclave. We do publicly express our deepest thanks to the many people who have gone the "second mile" to help us and to provide for us during these four days.

Of course, we need to express gratitude to our guest preachers, speakers, the musicians and others who have challenged and inspired us. Then we must say "thank you" to those who have provided for our physical needs and comfort in so many different ways.

There are several things for which we want to give a special word of thanks. The newly designed dais and the ramp approaches are deeply appreciated by the entire conference. The attractiveness and aesthetics of the stage added a great deal to the overall atmosphere and attitude of the meetings. The ramps added to the safety for approaching the dais. (We were told that the ramps were designed for the dais long before the Bishop had his athletic injury.) Mrs. Mary Ellen Bullard and her committee are to be commended for this beautiful new addition.

The Committee wants to express gratitude to the Conference as a whole and to the leadership that guided us through the process of passing the historic decision of asking the South-eastern Jurisdiction to establish a new Episcopal Area to be known as the Alabama-West Florida Area, with the Episcopal residence to be in Montgomery, Alabama. We feel that the Conference came through the presentation, debate and vote with a renewed unity and excitement for the future.

We are all so happy to be a part of the wonderful spirit of our Conference. The special offering received at the Mission Rally on Tuesday night, was a grand display of the mission spirit and generous love. The offering for the building at the Livingston Wesley Foundation amounted to almost \$10,000. We note with gratitude the "Mission Moments" presented throughout the sessions. We also express our appreciation to the laypersons who led our public prayers as we opened and closed the sessions.

We are aware that there are so many things and people for whom we are grateful and we ought to name them one by one. But, the list would be too long, therefore, if you feel that your name should be included in this report, accept this as a statement of gratitude.

Because and whereas, this is the final time that this particular Quadrennial Committee will be reporting, and as we turn this task over to the newly elected committee, we read and reread our past reports.

In each of the last three years we did our best to express the Conference's gratitude in as interesting a way as possible. We found that certain names appeared in each of the reports this quadrennium. Let me cite those names.

Dr. Allen Jackson and his staff here at Huntingdon College have been grand hosts for the four years. They did everything possible to make us comfortable and to facilitate our having a smooth-running Conference.

Rev. Tom Sheppard has been the Conference Registrar during this quadrennium. He and his staff have always done a great job in looking after our rooms and assignments, our messages and a host of other logistical matters. Our Conference Secretary, Rev. Charles Langford, has functioned in a most efficient manner for the Quadrennium. We appreciate him and will miss him.

To the people at First United Methodist Church, here in Montgomery, and to their minister, Dr. Karl Stegall, we are indebted for their annual hosting of the Ordination Service and the Reception which follows. They have done this not only for the quadrennium but for many years and, of course, we are exceedingly grateful.

We also express special quadrennial appreciation to Paul Ruark. He and his staff have

provided us with press coverage and have published the Daily "Advocate Addition" which has given us the daily records of our Conference happenings.

We must express gratitude to Bishop Lloyd Knox for his episcopal and presidential leadership during the past four years. Of course, we do not know what the future holds as the Southeastern Jurisdictional Committee on the Episcopacy will be making its assignments. We express appreciation for the past and we do look forward to Bishop Knox being reassigned to the Alabama-West Florida Area.

As we come to the close of the 1988 session of our Conference, and bring to close the 1984-88 Quadrennium, we are grateful to God Almighty. We look forward to the new Conference year and to the opportunities that lie ahead.

Ben Sawada, Chairperson

EDUCATIONAL MINISTRIES WITH THE CHURCH

(For your Information, not presented to the Annual Conference.)

Huntingdon Jan-Term Study in the Holy Land:

A very successful eighteen-day travel/study seminar at Biblical Resources Study Center, Inc. in Jerusalem, Israel, this past January has deeply enriched the lives of all twenty-five participants ranging from a college freshman to retired couples, clergy and laity. Eight students received Huntingdon January term academic credit and two students earned academic credit through Hebrew University in Jerusalem for the course, "Introduction to Historical Geography and Archaeology of the Bible." Many participants received continuing education credit while others enjoyed the learning experience for personal enrichment only.

The group lived for five days on the Sea of Galilee studying the life and ministry of Jesus Christ as well as studying at sites of Old Testament history. Also included were studies in Jerusalem and surrounding areas such as Mount of Olives, Bethany and Bethlehem; Dead Sea areas of Qumran, Essene Community, Masada; and a study trip to the Negev Desert in Southern Israel.

Two travel/study seminars are in the planning stages through Huntingdon for 1989. Dr. Dick Johns will take Jan-Term students and other interested persons in January. Mary Ellen Bullard will take a group in March during the AEA holiday period. For further information, contact Huntingdon College.

Bible Alive Seminar III:

We were fortunate to have Dr. Jim Fleming, Executive Director, Biblical Resources Study Center, Inc., Jerusalem, Israel, to visit our campus again last fall for our third Bible Alive Seminar. As in previous events, just under two hundred-fifty participants, clergy and

laity, from the Birmingham Area, Central Florida, Georgia, and Texas enrolled for the two days of Bible study.

Certification for Associate in Christian Education:

In January, February, and March 1988, we hosted Perkins School of Theology, Southern Methodist University on our campus to teach this certification graduate level course in cooperation with the Alabama-West Florida Conference Board of Diaconal Ministry. Dr. Stanley Menking was an excellent instructor for this, our third course of four in the certification series. Christian Educators came from Alabama, Georgia, Mississippi, and Florida.

Huntingdon College has now provided three Doctor of Ministry Degree extension courses with Candler School of Theology, Emory University, and three Certification for Associate in Christian Education extension courses hosting professors from Scarritt College, Duke Divinity School, and Perkins School of Theology.

Institute of Religious Drama:

The Institute of Religious Drama had a very successful Christian Dramafest in the spring which was well attended with local church drama groups participating.

The Pulpit Players have given several performances of "The Galilean Incidents" locally and are currently fulfilling commitments for a new play, "Aldersgate," written by Martha Rankin.

Board of Ordained Ministry Depository on Continuing Education:

The BOM Depository is very active working in cooperation with clergy from whom we receive mail almost daily. This includes certificates of CEUs earned, requests for approval of non-CEU awarding events, but which meet Board of Ordained Ministry standards, and requests for CEU approval for group events held with the conference such as Pastors School, Cooperative School of Christian Mission, Spiritual Formation Retreats, and Board of Pastoral Care and Counseling events. Our records show clergy of this conference are earning a high standard of continuing education credit in colleges, hospitals, and other professional educational programs with seminary professors and skilled counselors through the United States and abroad.

This Annual Conference completes eight years of Huntingdon cooperating with the Alabama-West Florida Conference in Continuing Education from the initial studies of the United Methodist Church to launch continuing education requirements for clergy in 1980 to the present.

Annual Conference Dais:

At the request of Bishop Lloyd Knox, the Director of Educational Ministries with the Church, Huntingdon College, served as Chairperson of a committee to design a new setting for the Conference proceedings of the Annual Conference. Genuine appreciation is expressed here to the committee members who worked on this project throughout the year. The following persons served on the committee: Mary Ellen Bullard, Chairperson; Rev. James Dannelly, Host District Superintendent; Rev. Joe Reams, Chairperson, Conference Commission on Worship; Rev. Tom Sheppard, Conference Registrar and Arrangements; Chaplain Robert Beckley, Huntingdon College; Dennis Woodall, Superintendent Physical Plant, Huntingdon College; Ed Robbins, contractor and artist; and Sarah Margaret Price, decorator.

A Personal Word:

Representing Alabama-West Florida Conference as a delegate to General Conference was an exceptional privilege and challenging responsibility — a high moment in the life of any United Methodist!

Having completed almost nine years as Director of Educational Ministries with the Church at Huntingdon, I am now involved in a new position as Director, U.S. Office, Biblical Resources Study Center, Inc. Jerusalem, Israel. I am happy to continue my relationship with Huntingdon including managing the Alabama-West Florida Board of Ordained Ministry Depository on Continuing Education with our administrative assistant and assisting in planning of travel/study trips in the Holy Land for Huntingdon. We remain in the same location as before.

Council on Finance and Administration
Alabama-West Florida Conference of
the United Methodist Church
Andalusia, Alabama

We have examined the statement of receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1987 and the statement of investments at December 31, 1987. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Council's policy is to prepare its financial statements on the basis of cash received and cash disbursed, consequently, certain revenue is recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statements are not intended to present financial position and results of operations in accordance with generally accepted accounting principles.

In our opinion, the accompanying statement of receipts and disbursements and statement of investments present fairly the recorded receipts and disbursements of the Council on Finance and Administration of the Alabama-West Florida Conference of the United Methodist Church for the conference year 1987 and the investments held at December 31, 1987.

“The Blessed Community”

Scripture: Revelation 22:1-5

Text: “*‘Blessed are the dead who die in the Lord henceforth.’ ‘Blessed indeed,’ says the Spirit, ‘that they may rest from their labors, for their deeds follow them!’*”

Revelation 14:13 (RSV).

What ever happened to Lazarus of Bethany? John introduces him to us in the opening statement of his eleventh chapter. Then the tension of the story builds until finally Jesus takes charge. Standing by the grave, Jesus cries in a loud voice, “‘Lazarus, come out.’” (John 11:43). And he does.

So Lazarus is given another chance in life. One might suppose that he would be a central figure in the biblical story from this point on. But as far as I can determine, he is named only twice more in the New Testament. Both of these references are in the twelfth chapter of John. Jesus visits later with his friends in Bethany, and Lazarus is one of the persons at the supper table. We also see the religious leaders plotting to kill him because he is attracting so much attention to Jesus.

What did happen to Lazarus? The one thing we know about him, even though the Bible does not specifically say so, is that he died again. So did the young man in Nain and the daughter of Jairus.

As good as this earthly life is, sometimes, and as long as it is for some people, it is still a temporary situation. We cling as long as we can, but there comes a time when we must let go. There is also the time when we must release our hold on a loved one who has completed the earthly journey. We come face to face with the finality of physical death. How desperate this moment must be for the person whose outlook and philosophy require him to write “‘The End’”! Paul reminds us that we are not like those who have no hope. We are a people of “‘faith, hope and love.’” (1 Corinthians 13:13). We are a community of the Resurrection!

At the heart of John’s story about Lazarus is the lesson contained in Jesus’ statement to Martha: “‘I am the resurrection and the life; he who believes in me, though he die, yet shall he live, and whoever lives and believes in me shall never die. Do you believe this?’” (John 11:25-26 [RSV]). That’s Jesus’ question, not mine. “‘Do you believe this?’” How we answer that makes all the difference in the world!

The resurrection faith is not an exact science. That troubles some of us who are thoroughly grounded in technology. Recently I put twelve figures in my calculator and came up with a total of 2,749. I wanted an average, so I divided that number by twelve. The result was 229.0833333. Now that’s exact. I do not even know the mathematical way to say that number, but I do know that it is specific. In contrast, there are some things we must accept by faith. And then our faith is confirmed by the Spirit of God.

What assurance comes to me when I read John Greenleaf Whittier’s poem, “The Eternal Goodness.” In the face of uncertainties, his strong faith and explicit trust show through.

I know not what the future hath
Of marvel or surprise,
Assured alone that life and death
His mercy underlies:
And so beside the Silent Sea
I wait the muffled oar;
No harm from Him can come to me
On ocean or on shore.
I know not where His islands lift
Their fronded palms in air;
I only know I cannot drift
Beyond His love and care.

Yet in the maddening maze of things
 And tossed by storm and flood,
 To one fixed ground my spirit clings;
 I know that God is good.

God, in his goodness, has planned for us so much more than we have ever dreamed of or imagined. You do not have to take my word for it. Listen to Paul: "But, in the words of Scripture, 'Things beyond our seeing, things beyond our hearing, things beyond our imagining, all prepared by God for those who love him.'" (1 Corinthians 2:9 [NEB]). Paul adds that God is revealing these things to us through the Spirit. Here he has paraphrased the prophet Isaiah. (Isaiah 64:4).

I make it a practice to read at least one spiritual classic during Lent. A number of them require more than one serious reading. I am referring to such books as *MEISTER ECKEHART SPEAKS*, Brother Lawrence: *THE PRACTICE OF THE PRESENCE OF GOD* and some more recent ones, Leslie Weatherhead's *THE WILL OF GOD* and Albert Edward Day's *DISCIPLINE AND DISCOVERY*. This year on Ash Wednesday I went to my book shelf and almost without realizing it, I had my hand on *A TESTAMENT OF DEVOTION* by Thomas Kelly. I thought to myself, Why read again a book I have read half dozen times? I took the book anyway and soon learned why I was led to it. In one of the longer sections, Dr. Kelly writes about the Blessed Community. Listen to him: "The incident of death puts no boundaries to the Blessed Community, wherein men live and love and work and pray in that Life and Power which gave forth the Scriptures.... And these are in the Holy Fellowship, the Blessed Community, of whom God is the head." (pp. 82, 84). He doesn't say, "Maybe God has worked out some arrangement for us to be in fellowship with loved ones who have died." He emphatically announces that there is a Holy Fellowship in the Christian life which even death cannot break. He calls it the Blessed Community. Being where we are at this moment, we need to hear that and we need to believe that.

The thing to consider first and foremost about the Blessed Community is that "God is the head." The fellowship is what it is because God is who he is. But who is God? Dr. Harry H. Potthoff has a thorough answer to that question. "God is the integrity which underlies reality, the creative power making for wholeness in nature and in human relations, the luring and transforming power expressed in creative ideas, beliefs and ideals calling forth the best in human beings." (Harry H. Potthoff: "Homiletical Resources," *QUARTERLY REVIEW*, Summer 1984, Charles E. Cole, editor, p. 92). That is well and good, but I need several days to let that soak in and make any difference in my life. I think I recall another answer to that question. John said, "God is love, and he who abides in love abides in God, and God abides in him." (1 John 4:16b [RSV]). Now that has a personal ring about it. I hear Archbishop William Temple saying, "The heart of Religion is not an opinion about God, such as Philosophy might reach as the conclusion of its argument; it is a personal relationship with God." (William Temple: *NATURE, MAN AND GOD*, p. 54).

Dr. E.I. Bosworth had a ready answer to a question of similar nature: "How do you know there is a God?" He tells of meeting a small boy who was flying a kite. It was completely out of sight. Dr. Bosworth asked, "How do you know there is any kite there at all?" to which the boy replied, "I feel the pull of it." (Quoted in Walter M. Horton: *GOD*, p. 58). There is a pull from God to which my spiritual nature may respond. When we allow him in our lives, we are overwhelmed by his love. And we realize that we are a part of the family. The Blessed Community is the family of God. Will you hear me again? The Christian fellowship is what it is because God is who he is, a God of love, grace, goodness and truth.

The Blessed Community is colored by who we are and how we respond. As God makes us a part of the family, he expects us to act as a member of the family should. We love as we are loved. We shoulder our share of the responsibility. Dr. Kelly adds, "The solid kernel of community of life in God is in the center of the experience, renewing our life and courage and commitment and love." (p. 87). Life in this Community is always one of give and take. There is no promise that God's love will shield us from hurt and sorrow, but there is the promise that his grace will be sufficient for our needs.

One of the best depictions of a grieving Christian I have come across is a word picture painted by Leonard Griffith in *THE ETERNAL LEGACY FROM AN UPPER ROOM*. "The true Christian does not make himself neurotic with resentment over the death of his loved ones; he knows that they are with Christ, and he leaves it contentedly at that, admitting

that Christ has a claim on them far superior to his own. Nor would he ever dream of wishing them to come back to him. Why should he? Because one day he will go to them. He will see them again. He lives in that hope, and meanwhile resumes the journey of life serenely and faithfully." (p. 67). Have you come that far in your grief? Have you really gotten hold of the resources God offers you? The Blessed Community is just that, a community.

A community is made up of all kinds of people. "The crabbiest man in the county stalked into the rural diner early one morning and sat sullenly at the counter. 'I want a fried egg,' he snarled at the waitress. 'It should be cooked in a clean skillet with just a dab of butter — not grease. The white should be firm, and the yolk not too runny, and it must be seasoned with a pinch of salt and just a whiff of pepper.' The waitress nodded when she wrote down the order. Then, with a raised eyebrow she asked, 'Is it okay if the hen's name is Doris?' " (LIONS MAGAZINE, June 1987).

There are also advantages in being a part of a community. The Christian fellowship is an insurance against our having to "walk that lonesome valley" all alone. When we hurt, there is someone who cares. "We share each other's woes, Our mutual burdens bear, And often for each other flows The sympathizing tear." (John Fawcett). When we are joyful, there is someone to share the joy with us. We dare not use the community as a crutch, but we certainly need the support it offers.

The Christian community has a dimension that is missing from all other social groups. It is of eternal significance. Here is the last of the quotations from Dr. Kelly: "For until the life of men in time is, in every relation, shot through with Eternity, the Blessed Community is not complete." (p. 88). Eternal life which God offers us in Jesus Christ begins in time and lasts forever.

The Blessed Community includes those persons who have already joined the "Church Triumphant." They may be deleted from our membership rolls, but they are not dropped from our hearts and the spirit of our fellowship.

It is reported that on the eve of his seventy-fifth birthday, Sir Winston Churchill said, "I am ready to meet my Maker. Whether my Maker is prepared for the great ordeal of meeting me is another matter." Death is a serious matter, and most of us are not able to joke about it. As Christians, we know that it is not as final as it appears. Joseph Fort Newton said, "Death is separation, not destruction. Body and soul are parted; nothing (is) destroyed." (EVERYDAY RELIGION, p. 177). C.S. Lewis in his book, *THE WEIGHT OF GLORY*, says, "Nothing that has not died will be resurrected." (Quoted in Job and Shawchuck: *A GUIDE TO PRAYER FOR MINISTERS AND OTHER SERVANTS*, p. 185). The process of the spirit is life through burial to resurrection. And we are a community of the Resurrection!

John, exiled on Patmos, is thinking of what the future holds, and he tries to describe a scene in eternity. He uses such words as life, healing, worship, light. And he says the Lord God is there. He pronounces blessings on those who have already made the transition, those who rest in the presence of the Father. What bounty and what beauty that must involve!

All that has been said today, or all that ever could be spoken, will not keep us from missing our loved ones. One of the times I really miss my mother is at the Annual Conference session. She attended many years, sometimes representing her charge, sometimes as a visitor. She came for one day in 1981 to see me perform the duties of secretary for the first time. Two weeks later her worn heart stopped and she slipped away. That has been seven years, and I still miss her. A.E., Thad, Ovie, Welton, Curtis, Shofner, all left us this year. We will be missing them seven years, and ten years and twenty years from now! But we are grateful that they have contributed so much to our Blessed Community and continue to be a part of it. We thank God for those who have graced our parsonages, Mrs. Daughtry, Mrs. York, Mrs. Rice, Mrs. Grissett and Mrs. Baldwin. Praise God from whom all blessings flow!

In a Sunday School lesson about a year ago, Thomas F. Chilcote wrote about an early boyhood experience. Let him tell it. "An aunt of mine who lived in the country died. My father took me to the funeral home. Beneath the casket, as a part of the bier, was a small mural. I could not tell whether it represented a sunrise or a sunset. So I asked my father. His answer put my mind to rest. He said: 'It is both. It is a sunset because she has come to the end of her life on earth; it is a sunrise because she has begun her life in heaven.' He kept the words simple and plain so I would understand." (ADULT BIBLE STUDIES, March-May, 1987, p. 58).

Jesus said, "I am the resurrection and the life. . . . Do you believe this?" Charles, do you believe this? Wilma and Vassie, do you believe this? Rachel, Sarah, Laura, Robert, do you believe this? Yes, we all do. And in that faith we celebrate life!

One of my favorite stories is about a little girl who was familiar with barnyard animals but knew nothing of the more exotic forms of animal life, such as the peacock. One day her mother took her to the zoo. As children usually do, she glanced from cage to cage and hurried on. She was some distance beyond her mother when she looked in a cage and was face to face with a peacock, resplendent with his colorful fan. She caught her breath, stared for a few seconds, then ran toward her mother, calling excitedly, "Mama. Come quick. The chicken is blooming!" Leave it to a child to give us a vivid description.

Well, our brothers and sisters are blooming as a part of the Blessed Community in the presence of the living God. In that faith and spirit, we find blessed assurance! Amen.

MOSES SHOFNER BALDWIN, SR. (1898-1988)

Moses Shofner Baldwin, Sr. was born January 31, 1898 in Dale County, Alabama, the son of the Rev. Moses Jeter Baldwin and Minnie Ann Eliza Brannon Baldwin. Most of his formative years were spent in and around Midland City. Like most of the young people in this rural area, he spent most of his time doing chores, going to school, fishing, attending church and church socials. His father was a Methodist circuit rider, riding the circuit in a horse and buggy. Being musically inclined and blessed with a good voice, Moses sang with his brothers in church choirs. Later in life, he sang many solos with various church choirs and used songs in many of his sermons.

World War I caught young Moses at the right age for service in the army. He enlisted with his local regiment. He served with the medical corps and in France distinguished himself by rescuing and tending to his comrades while under fire. It was there that he was gassed, and the after-effects bothered him the rest of his life. By the end of the hostilities he had received the Distinguished Service Cross, Croix-Guerre, and the Purple Heart.

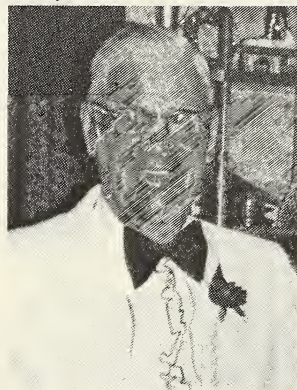

After the war in 1921 he married Flossie Bell Palmer in Midland City. In 1923 he completed his high school education at Auburn High School and at the same time completed the two year course of study for applied electricity at Auburn Polytechnic Institute. With his wife and a new born son he moved to Pittsburg, Pennsylvania to work for the Westinghouse company. Tragedy struck when Moses was almost fatally electrocuted working at the factory. The burns were so serious that unhealed skin grafts bothered him the rest of his life.

The young family returned to Midland City. Later he went to work for Standard Oil, living first in Arkansas and then in Baton Rouge, Louisiana. In Baton Rouge the Baldwins found that due to gas rationing, the nearest Methodist church was a four mile walk from their home. So they helped organize the North Baton Rouge Methodist Church where he served as steward, Sunday School superintendent, choir director, soloist, and youth director.

Again tragedy struck when Moses was poisoned with a chemical that left him with a severe arthritic condition. He accepted a disability settlement from Standard Oil and went to Florida to recuperate. Despite the medical prognosis of a gradual crippling progress of his arthritis, Moses began lay preaching and teaching Bible classes. Clearly the call to preach had surfaced and he declared his candidacy for the ministry. He answered the call to preach in July of 1945 when he accepted work on the Dothan Circuit. Interestingly, Elijah Middlebrooks, who was married to Moses' sister until she died, became his District Superintendent. He continued his studies at the Chipola Junior College and completed the conference course of study for supply pastors at Emory University.

Rev. Baldwin retired from the ministry in 1980 and lived in Mobile, Alabama. He continued to serve small circuits as a retired supply, preached revivals, and did civic work. In 1986 due to ill health the Baldwins moved to Baton Rouge to live with their daughter, Mrs. Frances Humphreys. He died April 6, 1988 at Oakly House in Baton Rouge, Louisiana. Funeral services were held at the Ward Wilson Funeral Home in Dothan, Alabama on April 9, 1988. Interment was in the Midland City Cemetery in Midland City, Alabama. He is survived by his children, Moses Shofner, Jr. and his wife, Mable; Frances Marion Humphreys and her husband, Warren; William Palmer and his wife, Betty; Joseph Howard and his wife, Peggy; eleven grandchildren and eight great grandchildren; two sisters, Mrs. Clifford Fleet and Mrs. Mallie Pierce; and two brothers, Spurgeon Baldwin and Howard Baldwin.

Rev. Baldwin was a Christian, husband, father, friend, pastor and patriot. All of these attributes were abundantly displayed throughout his life. The least of God's children was great in his sight. He loved and trusted everyone. Throughout his life he was inspired by music, and he used his musical talent to inspire others. Though besieged by illness in his later years, he did not lose his sense of fun and was still able to entertain and play with children

and enjoy them. His legacy to his family was his great faith in the grace of God, his faith in and love for his fellowman, and his own strength and courage in the face of adversity.

—Mrs. Frances Baldwin Humphreys

John Oscar Ellisor, Jr. and Rev. James Dillard Ellisor. Another brother, Dr. Cecil Marvette Ellisor, predeceased him.

Funeral services were conducted at the Lafayette Street United Methodist Church, Dothan, Alabama, September 4, 1987, under the direction of the pastor, Rev. Don Dean, who was assisted by Rev. John Oscar Ellisor, Jr., Rev. James Dillard Ellisor, Rev. John Walter Ellisor and Rev. Hayward Reams. He was buried in the Memory Hill Cemetery in Dothan, Alabama.

Since man's inception as an occupant of this planet, he has erected monuments for various and sundry reasons. Not least among these, no doubt, for his egotistical satisfaction, he erected his shrines. More notable and pronounced, he built them to venerate his innate compulsion to worship. Man has raised his monuments from the material tangible objects at his disposal. Whereas, God has always constructed His monuments from the intangibles, the essence of the intrinsic values implanted in the indomitable soul.

Of the Seven Wonders of the Ancient World, the Pyramids of Egypt, the Statue of Zeus, the Colossus of Rhodes, the Light House of Alexandria, the Hanging Gardens of Babylon, the Temple of Diana, the Mausoleum of Halicarnassus, only the pyramids remain.

Swift to its close ebbs out life's little day;
Earth's joys grow dim; its glories fade away;
Change and decay in all around I see;
O thou who changes not, abide with me.

(*Methodist Hymnal*, 1964.)

The Changeless One has irrevocably ensconced his monuments in the heart and soul of human kind where they reign forever and whose momentous enhancement of the human race live on today and throughout eternity.

My brother, Thad, is one of God's irrefutable monuments. Most certainly, he is one of His supreme elite. It is beyond the range and capability of man's vocabulary to bestow upon him the honor and praise he has merited through a life dedicated and devoted to the highest and best. The most profound and noblest words I or anyone could utter would be superfluous and redundant. I knew him well enough to know that he would disdain and shun all praise and verbose eulogy. Majestically, he did the Will of God as God gave him the light to see and follow His will.

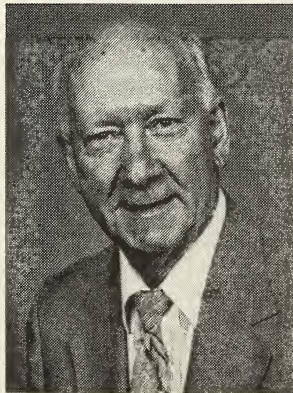

Endlessly, I could extoll the greatness of his many accomplishments for Christ and His Church and the magnitude of the countless numbers of people blessed by his care and concern. His life was motivated by the love of Christ and the relentless zeal to inculcate that love in the life of others by the life he lived and the words he spoke.

—John Oscar Ellisor, Jr.

WELTON GREGORY (1910-1988)

"You can say many good things about a lot of fine Methodist preachers, but you have to use a set of different words when you are talking about Welton Gregory. He was for many years 'a one-man Conference Council on Ministries,' guiding the many facets of our program. The offices of pastor, executive secretary, district superintendent, episcopal assistant, preacher, teacher, brother, husband, father — were all included in his avenues of service as a true believer and fearless servant of God in Christ."

—J.B. Nichols

Welton Gregory was born in Horton, Alabama October 16, 1910, the son of Leonard Parker and Tennie Lumpkin Gregory. His early years were spent in the rural area of North Alabama where he learned the meaning of hard work. His education included graduation from High School at Snead Seminary, Boaz, Alabama, 1931, Tennessee Wesleyan College, 1933, A.B. degree from Birmingham-Southern College, 1935, and the Candler School of Theology, 1935-36. On March 30, 1936 he married Sarah Evelyn Haughton in the Simpson Methodist Episcopal Church in Birmingham, Alabama.

His ministry was in North Alabama for three years before he transferred to the Alabama-West Florida Conference. After serving in three pastorates his appointment for seventeen years was to the Conference Board of Education as Executive Secretary. During that time, the field staff increased from one to four persons, adding a Children's Director, Youth Director and an Adult Worker. The annual budget quadrupled and Church School membership grew by 75%. Enrollment in leadership enterprises tripled. Development included laboratory schools, workshops, retreats, resident camping for youth and adults, and Bible conferences. During that time he also taught in Leadership Schools throughout the Southeast and served on the Southeastern Jurisdiction and General Boards of Christian Education.

Throughout his ministry and particularly during his work in education, he made brave and effective attacks on all forms of racial injustice. In his years of retirement he served as Director of Nellie Burge Community Center and visiting minister for Dexter Avenue, Frazer Memorial and Dalraida United Methodist Churches.

Reverend Gregory died February 19, 1988 in Montgomery, Alabama in Saint Margaret's Hospital. The memorial service was held in the Dalraida United Methodist Church on February 21, 1988 with Reverend Jimmie Spikes, pastor, Reverend Selman Bradley, Dr. John Bransford Nichols and Dr. Andrew Turnipseed officiating. Interment was in the Greenwood Cemetery, Montgomery, Alabama. He is survived by his wife, Sarah; their three daughters, Jan G. Thompson, Gloria G. OVIE WILSON MATHISON (1912-1987)

Ovie Wilson Mathison was born the son of Oscar Cornelius and Telie Wilson Mathison in Skipperville, Alabama on June 2, 1912. Ovie was a graduate of Birmingham-Southern College (1934) and Duke Divinity School (1935).

Ovie felt the call to preach during his youth and never lost the steadfast conviction that God's guiding hand was upon him using his many years of devoted service as a United Methodist pastor and preacher. Before coming home to the Alabama-West Florida Conference, he served for nine years in the North Carolina Conference. Besides serving local churches, he served as Admissions Counselor at Huntingdon College and organized the Law Enforcement Ministries, a prisoner-chaplain ministry for the city and county jails in Montgomery, which proved to be one of the most remarkable and significant endeavors ever undertaken in the field of jail ministries. Hundreds and perhaps thousands of prisoners were offered new hope and encouragement for their lives through the Christ-like love offered them by Ovie Mathison. He played the ukelele and sang Christian songs with the prisoners, brought them Bibles and magazines, preached, and brought ministers and laymen of all faiths to speak.

Ovie died on September 7, 1987. Funeral services were held September 9th in the Duke Memorial Chapel with burial in the Maplewood Cemetery in Durham, North Carolina. He is survived by his wife, Rachel Cole Mathison; two daughters, Mrs. Mary Jean Hahle of Sidney, Nebraska, and Carole Mathison of Durham, North Carolina; a son, Dr. John Mathison of San Diego, California; five grandchildren: George Mathison Hahle, Martin Hahle, Joseph Bernard Hahle, Emily Mathison, and Nancy Mathison; a son-in-law, Rev. Dennis Neal Hahle; a daughter-in-law, Belinda Ausley Mathison; three sisters: Mrs. James (Pauline) Ramey, Mrs. Robert (Verna) Vaughn, Mrs. Thomas (Belle) Shehane; and two brothers: Edison Mathison and David Mathison.

His family offers the following eloquent tribute: "Throughout the years we saw Ovie as a faithful disciple whose life was marked by love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. We witnessed this during the ministry and pastorates, but particularly during the years of his prison ministries it seems that Ovie and we became more acutely aware of the primacy of God's grace and of the responsibility and privilege we have in sharing that forgiveness and acceptance with others."

His family and friends knew him as a man of strong conviction and staunch integrity, filled with the Holy Spirit, and walking with his beloved Rachel in all the commandments and ordinances of the Lord, blameless. Nonetheless he was free from false piety and was a well-rounded personality, of keen mind, and one who enjoyed good healthy fun. The law of Christ was the centerpiece of Ovie's life, and he leaves a legacy to us of the highest spiritual and moral values.

Following are the closing words of the eulogy given by Rev. Wesley Aitken at the memorial service for Ovie. "As evidence of the quality of Ovie Mathison's ministry, permit me to share with you a telegram that was received just earlier today from the Frank Evans family of Montgomery, Alabama. 'Please extend our deepest sorrow to the Mathison family. Rev. Ovie taught us the meaning of Agape love. He was always a giver, expecting nothing in return. He sought those who were in trouble and soothed their pain. He taught us how to turn adversity and hatred into love and opportunity. Thousands have had their lives enriched with the blessings of God because Brother Ovie came this way. We love him.' "

ACTON ELIJAH MIDDLEBROOKS (1893-1987)

On June 22, 1987, the Alabama-West Florida Conference suffered the loss of one of its outstanding ministers, in the death of Dr. Acton E. Middlebrooks. Like Abraham of old, Dr. Middlebrooks lived to a great old age, having celebrated his 93rd birthday. He had retired twenty-eight years ago, but remained vigorous and alert until a few months before his death. He recognized his decline in health and spoke to family and friends of anticipating the end to his long pilgrimage in the service of God and his fellowman. Funeral services were held in Montgomery, Alabama on June 23, 1987 with burial in the Greenwood Cemetery, Montgomery, Alabama.

Acton Elijah Middlebrooks was born in Elamville, Barbour County, Alabama on August 1, 1893, the son of John Anderson and Ella Vilula Hawkins Middlebrooks. He spent most of his early life in Midland City, Alabama and graduated from the Slocomb High School in Slocomb, Alabama in 1915. In spite of limited financial means, he received the A.B. degree from Birmingham-Southern College in 1922, the B.D. degree from Garrett Theological Seminary in 1926, and the M.A. and PhD degrees from Northwestern University in 1927 and 1933.

In 1926 he married Vera Mae Baldwin who died in 1934. Two children were born to this union: Christine Fulton (Mrs. Duncan Thomas) and Kathryn (Mrs. R. Harold Hipps). He was married the second time to Wilma Adrienne Clark in 1935. They had one son, William Clark who married Martha Ann Evergoine and one daughter Carolyn who married William James Goldin. He is survived by his wife, his four children and their spouses, nine grandsons, two great granddaughters and two great grandsons.

His distinguished career included a variety of activities as pastor, district superintendent, college professor, director of Christian education, executive secretary of the Board of Education, and among the outstanding assignments he was given was as editor of the *Alabama-West Florida Christian Advocate*. Here he brought into focus all his intellectual and spiritual talents in accomplishing an unusual goal: he boosted the *Advocate* circulation to the highest subscription list in its history.

Dr. Middlebrooks was a man whose purpose was to leave the world a better place than he found it, and to accomplish that purpose as a servant of Jesus Christ. He believed in thorough preparation for his task. He was a man of rigorous discipline, firmly dedicated not only to the development of his intellect, but to maintaining the physical vigor that would enable him to do his work well. He was a man of profound moral convictions and expressed them without compromise in the pulpit and press. An outstanding foe of beverage alcohol and gambling and other social evils, he continued to express his views in "letters to the editor" well into his nineties. Even so, he preserved always a rich sense of human and sharp wit. Truly "A prince and a great man is fallen in Israel."

CONCERNING CLERGY APPRECIATION DAY

“BE IT RESOLVED that every Church in the Alabama-West Florida Conference observe ‘CLERGY APPRECIATION DAY’ during the 1988-1989 Conference year. The month of October is suggested, but if one of those Sundays is impossible, the local church is urged to select another date during the year.”

Submitted by Brenda Hendricks
(Parker United Methodist Church,
Marianna/Panama City District)

(Approved by the Conference)

CONCERNING RESERVE DELEGATES TO 1992 GENERAL CONFERENCE

Moved that the Conference Council on Finance and Administration be authorized to develop a Funding Plan to send up to four reserve clergy and four reserve lay delegates to the 1992 General Conference. Funding should be at the same rate as provided for regular General Conference delegates. CFA should present the plan at the 1989 Annual Conference.

It is suggested that the funding plan be on an annual basis with yearly contributions being made to the ‘Fund’ to facilitate the plan in time for the next General Conference.

Submitted by Foy Campbell
Lay Delegate
(St. James United Methodist Church,
Montgomery, Alabama)

(Approved by the Conference)

CONCERNING AMENDMENT OF STANDING RULE 14

I move that we amend Standing Rule 14 (a) so that the first sentence will read, “Lay delegates to the Annual Conference shall be elected yearly or quadrennially if desired, in the Charge Conference.”

Submitted by
Joseph H. Bullington, Jr.

(This Amendment was not accepted by the Conference.)

CONCERNING COUNCIL ON FINANCE AND ADMINISTRATION

Report No. 3, par. 5

The Original Report was:

5. The annual salary of the district superintendent shall increase no more than the dollar amount the annual conference average salary of ministers increases and such increase shall be recommended by Finance and Administration after study and determination of most recent available data to determine the conference average salary increase.

(Not accepted by the Conference)

The Report was changed by an accepted Amendment (now a part of the Report).

CONCERNING THE COMMISSION ON EQUITABLE SALARIES

Paragraph 5 in the Original Report had these two sentences:

Beginning January 1, 1989, to receive fully scheduled equitable salary for the minister's category, the church must pay 82% of the equitable salary schedule for 1989. That said Church/Charge pay an increase of 2% of the equitable salary schedule each year thereafter until 100% of the equitable salary schedule is paid.

(These were not accepted by the Conference, but an Amendment became a part of the Report.)

CONCERNING REPORT OF COMMISSION ON EQUITABLE SALARIES

Report No. 3. Change, "...the church must pay 82% of the equitable salary schedule for 1989." to become "...the Church must pay 80% of the equitable salary schedule for 1989."

delete the sentence, "That said Church/Charge pay an increase of 2% of the equitable salary schedule each year thereafter until 100% of the equitable salary schedule is paid."

Submitted by Billy F. Hall

(Approved by the Conference)

This becomes a part of the Report of Equitable Salaries.

SUBSTITUTE MOTION TO THE REPORT OF BOARD OF PENSIONS AND HOMES FOR CLAIMANTS

Report No. 1

First sentence, paragraph one, to read, "...for service years prior to 1982 be two hundred thirty dollars (\$230.00) per service year...."

(instead of "...for service years prior to 1982 be two hundred twenty-five dollars (\$225.00)....").

Submitted by Foy Campbell

(Approved by the Conference)

The Substitute Motion now becomes a part of Report No. 1, and other changes made necessary (such as total rate for surviving spouse).

CONCERNING PUBLICATION OF THE COMMEMORATION SERMON

"Bishop Knox, Bishop McDavid, Members of our Conference:

I move that the commemoration sermon, 'The Blessed Community' by The Rev. Charles Langford, be included in the 1988 Conference JOURNAL, Section on Memoirs."

Submitted by Elvin T. Edgar

(Approved by the Conference)

SECTION D

A Tribute to Curtis Scruggs Ford (1920-1988)

Curtis Ford, whose preaching career lasted but twenty-eight years, became in our Annual Conference the voice of the neglected, the powerless, the exploited, the forgotten. He was a champion of minorities, or to take a term widely used in our era, an advocate, a spokesman for recognition and justice for all persons in our society. The rural and small town church, and ethnic groups . . . these were his main concerns. He spent forty years as a layman before the divine imperative call brought him into the pulpit. Like Amos, he was a country preacher who did not wait for eminence, or power of position, to speak for God. Jeremiah 23:28 has God saying: "Let the prophet who has a dream tell the dream, but let him who has My Word speak My Word faithfully." Curtis had His Word, and he spoke it clearly, when many in places of power and prestige and authority remained strangely quiet on important subjects.

Curtis had come on a long odyssey to reach the point of deliverance from racial bias reflected in the Report on Religion and Race that bears his signature. Many of us walked that same route as we were liberated from the powerful effects of brain-washing, or social conditioning, growing up in a segregated society. That Report, to my mind, was "The Last Clerical Will and Testament of Curtis Ford." Six weeks after the Convocation on Religion and Race adjourned at Blue Lake, the earthly life of the Commission chairman ended. At some time soon after that session, in his closing pain-ridden days, this dear man penned his Report for the Conference Brochure.

If he used quotations that were disturbing enough for some to wish to amend by expunction and thereby macerate the Report, to make it more palatable to a majority . . . let us try to understand his motivation. When fifteen years have passed since we finally voted to merge Central Alabama and Alabama-West Florida, and little has happened in consequence, and the door to eternity stands ajar at your elbow as you write, the shock treatment of mere words does not appear radical at all. It is possible that Curtis may have felt that he would not be present to defend his Report on the Conference floor, but he had something to say, and he said it! He was not building a word-castle, to please an audience, but was declaiming like Amos: "Let justice roll down like waters, and righteousness like an overflowing stream." (5:24)

When we view Curtis and his work, we realize that a genuine prophet is not a foreteller, but a forth-teller, for the name describes a person who speaks forthrightly, directly, frankly. Curtis was not concerned to predict future events: he wanted to reform present conditions. We had waited long enough he felt. In more pleasant days this courageous preacher might have edited out some of the startling words he was quoting, but eternity was urging him on, and he was pleading for action long overdue. It was my personal hope on June 1, 1988, that we would dignify our Conference and accept the Report by unanimous vote, so that, as written, it might be included forever in the same 1988 JOURNAL that contains his Memoir. Lay and clerical members present when the debate occurred in the rush to adjournment must in honesty confess that the debate itself and our disposition of the Report proved the reality of some of the contentions quoted in the expurgated portion of the Report.

Let the mortal body of Curtis Ford sleep quietly in that sequestered cemetery beneath tall pines and spreading liveoaks in Baldwin County. His work goes on, and 1989 and other years will feel his influence and understand better the witness he gave to the Kingdom in our midst. The statue of Charles Wesley in a churchyard in Bristol, England, bears these words, likely written by brother John: "God buries his workmen, but carries on His work." On a bright April day we buried all that was mortal of Curtis Ford, but we have yet to deal with problems he brought to our attention.

(This statement was written by John Bransford Nichols, as requested in a motion made by the Rev. William Pickard and adopted by Conference action, and summing up remarks by Nichols in a Personal Privilege Statement following disposition of the Report.)
